Notes:

1. Please submit this application by postal mail. See below for address details.
2. Please include the documents required to confirm the identity of the requestor (a copy of a valid driver's license, or copies of two or more official identification, such as a health insurance card). Also, in cases where the application is made through a representative, please attach an authorized document (with the officially registered seal of the requestor and certification of official registration of said seal) and identification documents of the representative. However, in the case of parents or legal guardians, documents which prove legal guardianship, such as an official family register, may be used.
3. When requesting a disclosure of personal information or objective of use notice, please include a self-addressed stamped envelope.
4. Please submit one application per requested item (use of the same identification documents is permitted).
5. Applications will not be accepted in cases where the required sections are not complete or the required documents in item 2 above are not included.
6. Replies to requests will be sent by postal mail. Normally, this process takes 1-2 weeks upon receipt of a request (notification will be given for cases which require more time to process).
