August 21	15 "Investments in Listed Stocks by Non-Residential Investors (by region)"	"Investments in Listed Stocks by Non-Residential Investors (by region)" reported in the July issue of the Monthly Statistics Report contains data for both June and July. While statistics used to be reported in the month after the data's release, a revision of publishing procedures enabled us to report them in the same month of their release, starting from this July.
Feb. 21	3-3 TOPIX New Index Series (End of Year/Month/Daily)	Average PER and average PBR were changed to weighted averages as of January 2013. Accordingly, per-share figures are no longer included in this document.
Feb. 21	6 Average PER ・ PBR	In accordance with the start of the weighted-aggregation of PER/PBR statistics, figures in this document changed from a non-consolidated basis to a weighted consolidated basis from January 2013 onward. As a result, the figures in this document will include both the simple average figures (as before) and weighted average figures on a consolidated basis. Furthermore, historical weighted figures are provided for each year-end from 2005 to the present and for each month-end from January 2011 to the present.
