Announcement in accordance with Rule 208, Paragraph 6 of the Enforcement Rules for Special Regulations of Securities Listing Regulations Concerning Specified Listed Securities

We hereby announce that we have received approval from the Tokyo Stock Exchange, Inc. (the "**Exchange**") in relation to the extension of the publication deadline of our Issuer Filing Information as prescribed in Rule 217, Paragraph 1 of the Special Regulations of Securities Listing Regulations Concerning Specified Listed Securities. The Exchange has approved the extension of the deadline to 15 May due to the following reason.

Under Italian laws and regulations, although the audited financial statements of the Issuer (written in Italian) must be approved by the general shareholders' meeting within four months of the end of the fiscal year, they must be published in Italian no later than 20 days before this, and it will take some time to translate the audited financial statements and annual report from Italian to English. However, we expect to publish our annual report in English containing the audited consolidated financial statements within the end of April every year.

Accordingly, our Issuer Filing Information will be published by 15 May every year, unless we announce otherwise.
