Tokyo Stock Exchange, Inc.

AUM of ETFs Exceeded JPY 100 trillion

We are pleased to announce that AUM of ETFs listed on the Tokyo Stock Exchange (TSE) has exceeded JPY 100 trillion.

TSE ETF market has continued to grow in both net asset value and the number of listings since the first ETF was listed in Japan in 1995.

TSE will continue to advance the development of the ETF market by enhancing the lineup and promoting the establishment of an environment that investors can utilize effectively. We sincerely appreciate your continued support.
