

# Adjustment and Change on Securities options

## (Effective from December 29, 2025)

Stock splits are scheduled for the underlying securities listed in the appendix effective from January 1, 2026.

In accordance with this, OSE shall adjust the strike prices of option contracts which are based upon these underlying securities, as in the appendix, on December 29, 2025, the date on which trading starts for shares after the splits. Furthermore, the adjusted strike prices will be announced after the day session on December 26, 2025.

This English translation is solely for reference purpose only and not a legally definitive translation of the original Japanese text. In the event a difference arises regarding the meaning herein, the original Japanese version will prevail as the official authoritative version.

Appendix
