

Adjustment and Change on Securities options

(Effective from May 22, 2026)

Beneficiary right splits are scheduled for the underlying securities listed in the appendix effective from May 26, 2026. In addition, changes in the trading unit are scheduled on May 22, 2026.

In accordance with this, OSE shall adjust the strike prices of option contracts which are based upon these underlying securities, as in the appendix, on May 22, 2026, the date on which trading starts for shares after the splits. Furthermore, the adjusted strike prices will be announced after the day session on May 21, 2026.
