Adjustment and Change on Securities options

(Effective from November 19, 2026)

Stock splits are scheduled for the underlying securities listed in the appendix effective from November 21, 2026.

In accordance with this, OSE shall adjust the strike prices of option contracts which are based upon these underlying securities, as in the appendix, on November 19, 2026, the date on which trading starts for shares after the splits. Furthermore, the adjusted strike prices will be announced after the day session on November 18, 2026.

This English translation is solely for reference purpose only and not a legally definitive translation of the original Japanese text. In the event a difference arises regarding the meaning herein, the original Japanese version will prevail as the official authoritative version.

Appendix

Underlying securities	Code	Split ratio	Strike price*1,2	Open interest*1	Number of securities for one delivery unit*1	Position limits*1(units)	Large position reporting threshold for securities options*1(units)	Hard Block for J-NET Trading*1
KEYENCE CORPORATION	6861	1:5	divided by five	multiplied by five	No Change	24,300 → 121,600	4,800 → 24,300	No Change
