(1) Taxation

The information provided below does not purport to be a comprehensive description of all tax considerations that may be relevant to a decision to purchase Bonds. In particular, the information does not consider any specific facts or circumstances that may apply to a particular purchaser. Neither these statements nor any other statements in this document are to be regarded as advice on the tax position of any holder of the Bonds or of any person acquiring, selling or otherwise dealing in the Bonds or on any tax implications arising from the acquisition, sale or other dealings in the Bonds. The statements do not purport to be a comprehensive description of all the tax considerations that may be relevant to a decision to purchase, own or dispose of the Bonds and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities) may be subject to special rules.

Prospective purchasers of the Bonds are advised to consult their own tax advisors as to the tax consequences of the purchase, ownership and disposition of the Bonds, including the effect of any state or local taxes, under the tax laws of India, Japan and each country of which they are residents. Additionally, in view of the number of different jurisdictions where local laws may apply, this document does not generally discuss the local tax consequences to a potential holder, purchaser or seller arising from the acquisition, holding or disposition of the Bonds in their country of residence and in the countries of which they are citizens or countries in which they purchase, hold or dispose of the Bonds. Prospective purchasers must, therefore, inform themselves as to any tax laws and regulations in force relating to the subscription, holding or disposition of the Bonds in their country of residence and in the countries of which they are citizens or countries in which they purchase, hold or dispose of the Bonds.

Indian Taxation

The following is a summary of the existing principal Indian tax consequences for investors who are not resident in India ("Non-Resident Investors") subscribing to the Bonds issued by the Issuer. The summary is based on existing Indian taxation law and practice in force at the date of this document and is subject to change, possibly with retrospective effect. The summary does not constitute legal or tax advice and is not intended to represent a complete analysis of the tax consequences under Indian law of the acquisition, ownership or disposal of the Bonds. Prospective investors should, therefore, consult their own tax advisors regarding the Indian tax consequences, as well as the tax consequences under any applicable taxing jurisdiction, of acquiring, owning and disposing of the Bonds.

Payments through Offshore Branches of the Issuer

There is currently no requirement to withhold Indian tax on interest payments made on the Bonds issued by the Issuer's offshore branches, if the amounts raised through these Bonds are utilized outside India for the purposes of a business carried out by the Issuer outside India or for the purposes of making or earning income from any other source outside India. If and to the extent the amounts so raised are utilized in India, Indian tax consequences would be applicable as detailed under the paragraphs "*Withholding Tax*" and "*Taxation of Interest*" which are set out below.

Payments Made through India

Any payments the Issuer makes on the Bonds through India, including additional amounts, are subject to the applicable regulations of Reserve Bank of India ("RBI"). Further, only if the proceeds of the issuance of the Bonds are to be used for the purposes of the business of the Issuer in India, Non-Resident Investors would be liable to pay tax on the interest paid on the Bonds and capital gain arising on sale of the Bonds.

Taxation of Interest

As of the date of this document, Non-Resident Investor may be liable to pay income tax at a rate of 20% under Section 115A of the Income Tax Act, 1961 (plus applicable surcharge and health and education cess) on interest paid on the Bonds through India subject to and in accordance with the existing conditions contained in the Income Tax Act, 1961. However, an applicable tax treaty

may reduce such tax liability to such beneficial rates, as provided in the applicable tax treaty, subject to fulfillment of the conditions prescribed therein. A Non-Resident Investor would be obligated to pay such income tax in an amount equal to, or would be entitled to a refund of, as the case may be, any difference between amounts withheld in respect of interest paid on the Bonds through India and its ultimate Indian tax liability for such interest, subject to and in accordance with the provisions of the Income Tax Act, 1961.

Withholding of Taxes on Interest Paid by the Issuer through India

There may be a requirement to withhold tax at the rate of 20% (plus applicable surcharge and health and education cess) on interest payments made on Bonds issued through India subject to and in accordance with the existing conditions contained in the Income-Tax Act, 1961 and also subject to any lower rate of tax provided for by an applicable tax treaty.

An applicable tax treaty may reduce such tax liability to such beneficial rates as provided in the applicable tax treaty, subject to fulfillment of the conditions prescribed therein and if the beneficial recipient has a Permanent Account Number (a "PAN") issued by the Indian tax authorities or any other document as may be prescribed. If the non-resident investor does not have a PAN, a tax identification number may be submitted along with certain other details such as name, e-mail ID, contact number and address in the country of residence, along with a tax residency certificate substantiating such tax identification number. Pursuant to the Conditions of Bonds, all payments of, or in respect of, principal and interest on the Bonds, will be made free and clear of and without withholding or deduction on account of any present or future taxes within India unless it is required by law, in which case pursuant to Condition 9 of the Conditions of Bonds, the Issuer will pay additional amount as may be necessary in order that the net amount received by the Bondholders after the withholding or deduction shall equal the respective amounts which would have been receivable in respect of the Bonds in the absence of the withholding or the deduction, subject to certain exceptions.

Taxation of Deemed Income

As a measure to prevent laundering of unaccounted income, the Income Tax Act, 1961 provides that any person receiving certain specified assets (including the Bonds) at a price less than their fair market value, shall be subject to income tax in India on the benefit accruing to him. Tax shall be payable at the rates applicable for the regular income. However, it may be noted that this provision would not be applicable if the asset is received from a relative or under a will or by way of inheritance or any other specific instances provided under section 56(2)(x) of the Income Tax Act, 1961.

In the instant case, in case a non-resident receives Bonds under the above mechanism, the taxability of the same shall also be subject to the provisions of the applicable tax treaty, assuming the non-resident is entitled to claim benefits of the tax treaty.

Taxation of Gains Arising on Disposal

Any gains arising to a Non-Resident Investor from disposal of the Bonds held (or deemed to be held) as a capital asset will generally be chargeable to income tax in India if the Bonds are regarded as property situated in India. A Non-Resident Investor will generally not be chargeable to income tax in India from a disposition of the Bonds held as a capital asset provided the Bonds are regarded as being situated outside India. The issue as to where the Bonds should properly be regarded as being situated is not free from doubt. The ultimate decision, however, will depend upon the view taken by the Indian tax authorities on the position with respect to the situs of the rights being offered in respect of the Bonds. There is a possibility that the Indian tax authorities may treat the Bonds as being situated in India as the Issuer is incorporated in and resident in India.

If the Bonds are regarded as situated in India by the Indian tax authorities, upon disposition of a Bond:

- (a) a Non-Resident Investor, who has held the Bonds for a period of more than 36 months preceding the date of their dispositions, would be liable to pay capital gains tax at rates of 10% of the capital gains (plus applicable surcharge and health and education cess), subject to any lower rate provided for by an applicable tax treaty;

- (b) a Non-Resident Investor who has held the Bonds for 36 months or less would be liable to pay capital gains tax at rates ranging up to 40% of the capital gains (plus applicable surcharge and health and education cess), depending on the legal status of the Non-Resident Investor, and his taxable income in India, subject to any lower rate provided for by an applicable tax treaty; and
- (c) any surplus realized by a Non-Resident Investor from a disposition of the Bonds held as stock-in-trade would be subject to income tax in India to the extent, if any, that the surplus is attributable to a “business connection in India” or, where a tax treaty applies, to a “permanent establishment” of the Non-Resident Investor in India. A Non-Resident Investor would be liable to pay Indian tax on the profits which are so attributable to such “business connection” or “permanent establishment” at a rate of tax ranging up to 40% (plus applicable surcharge and health and education cess), depending on the legal status of the Non-Resident Investor and his taxable income in India, subject to any beneficial provision provided for by an applicable tax treaty.

If a Non-Resident investor earns any capital gains chargeable to tax in India, the Income Tax Act, 1961 requires that such tax shall be withheld by the person making any payment to such Non-Resident Investor at the rate of 10% (plus applicable surcharge and health and education cess) on long-term capital gains. Furthermore, tax at the rate of up to 40% (plus applicable surcharge and health and education cess), shall be withheld depending on the legal status of the recipient of income, on short term capital gains. These rates are subject to any lower rate of tax provided under the relevant tax treaty (if any). The tax payable shall be computed in such manner as prescribed in this regard under the Income Tax Act, 1961. For the purpose of tax withholding, the Non-Resident Investor shall be obliged to provide details of their permanent account number as allotted by the tax authorities and all prescribed information and documents, including tax residency certificate (issued by the tax authorities of the country in which the investor is resident) for claiming the tax treaty benefits. If the Non-Resident Investor does not have a PAN, a tax identification number may be submitted along with certain other details such as name, e-mail ID, contact number and address in the country of residence, along with a tax residency certificate substantiating such tax identification number.

Estate Duty

No estate duty is payable at present in relation to the Bonds in India. There are no inheritance taxes or succession duties currently imposed in respect of the Bonds held outside India.

Gift Tax

No gift tax is payable in India at present in relation to the Bonds held outside India.

Stamp Duty

A transfer of Bonds outside India will not give rise to any Indian stamp duty liability unless the Bonds are brought into India. In the event that Bonds are brought into India for enforcement or for any other purpose, the same will attract stamp duty as payable in the relevant state. This stamp duty will have to be paid within a period of three months from the date the Bonds are first received in India.

Japanese Taxation

Any interest on the Bonds, the excess of the Bonds' stated redemption price at maturity over the Bonds' issue price (the "**original issue discount**") and the gains derived from the sale of the Bonds received by resident individuals of Japan or Japanese corporations will, in general, be subject to Japanese taxation in accordance with Japanese tax laws and regulations.

Interest on the Bonds, the original issue discount and the gains derived from the sale of the Bonds received by non-resident individuals of Japan or non-Japanese corporations that do not have a permanent establishment within Japan will, in principle, not be subject to Japanese taxation. On the other hand, in the case where interest on the Bonds, the original issue discount and the gains derived from the sale of the Bonds received by non-resident individuals of Japan or non-Japanese corporations that have a permanent establishment within Japan are attributed to their permanent

establishment within Japan, such interest, discount and gains will be subject to Japanese taxation. The applicable tax treaty provisions may further restrict or eliminate tax obligations for such non-residents of Japan or non-Japanese corporations.

(2) Risk factors

Investors should carefully consider the risks described below, together with the risks described in the Annual Securities Report and Semi-annual Report filed by the Issuer with the Director of the Kanto Local Finance Bureau before making any investment decision relating to the Bonds. The occurrence of any of the following events could have a material adverse effect on the Issuer's business including the quality of its assets, its liquidity, its financial performance, its stockholders' equity, its ability to implement its strategy and its ability to repay the interest or principal on the Bond in a timely fashion or at all.

Before making an investment decision, prospective investors should carefully consider all of the information contained in this document and the Specified Securities Information.

Risks Relating to the Bonds

There is no existing market for any Bonds issued under this program and therefore an investment in any Bonds may be illiquid.

Each new series of Bonds will constitute a new class of securities with no established market or prior trading history. Even if application is made to list the Bonds issued under this program on the TOKYO PRO-BOND Market, there can be no assurance that a secondary market for such Bonds will be available or, if it is available, that it will provide investors with an avenue for liquidity for their investment, nor is there any assurance as to how long such Bonds will be listed on the TOKYO PRO-BOND Market or the prices at which they may trade. In particular, the Bonds could trade at prices that may be higher or lower than the initial offering price due to many factors, including prevailing interest rates, the Issuer's operating results, the market for similar securities and general macroeconomic and market conditions in India and elsewhere.

The Dealers have made no commitment and have no obligation to make a market in the Bonds. Therefore, no assurance can be given that any Dealer will actually make a market in any Bonds that are issued under this program, or if it does, that it will continue to make a market in the future. No assurance can be given that an active trading market for any Bonds will develop and therefore the liquidity of the Bonds may be considerably less than for comparable emerging market securities.

There are certain restrictions under the Banking Regulation Act, 1949 (the "Banking Regulation Act") which may affect or restrict the rights of investors in the Bonds.

Under Sections 35A and 36 of the Banking Regulation Act (which apply to the Issuer), RBI is empowered to give directions to the Issuer, prohibit the Issuer from entering into any transactions, and advise the Issuer generally. Consequently, the performance of obligations by the Issuer under agreements relating to this program and the Bonds may be restricted by the directions or advice given by RBI under the aforesaid provision.

Under Section 50 of the Banking Regulation Act (which also applies to the Issuer), no person shall have a right, whether in contract or otherwise, to any compensation for any loss incurred by reason of operation of certain provisions of such Act, including Sections 35A and 36 of the Banking Regulation Act. Therefore, holders of the Bonds may not be able to claim any compensation for a failure by the Issuer to perform its obligations under agreements relating to this program and the Bonds, consequent to the operation of the aforesaid provisions.

If the Issuer is unable to make payments on the Bonds from Hong Kong, Singapore, Dubai, New York or from its IFSC Banking Unit and must make payments from India, including any additional amounts, the Issuer may experience delays in obtaining or be unable to obtain the necessary approvals from RBI.

The Issuer is under no legal obligation to maintain liquidity at its Hong Kong Branch, Singapore Branch, Dubai Branch, New York Branch or IFSC Banking Unit at levels sufficient to make payments on the Bonds. If payment under the Bonds is requested directly from the Issuer in

India (whether by reason of a lack of liquidity of its Hong Kong Branch, Singapore Branch, Dubai Branch, New York Branch or IFSC Banking Unit, as applicable, acceleration, enforcement of a judgment or imposition of any restriction under the law of its Hong Kong Branch, Singapore Branch, Dubai Branch, New York Branch or IFSC Banking Unit, as applicable), and payment thereunder, including any additional amounts, is to be made from India, approval from the RBI will be required for the remittance of funds outside India. Any such approval is within the discretion of the RBI and the Issuer can provide no assurance that the Issuer would in fact be able to obtain such approval upon its request. In addition, there could be significant delays in obtaining approval from the RBI.

In the event that no approvals are obtained or obtainable for the payment by the Issuer of amounts owed and payable by its Hong Kong Branch, Singapore Branch, Dubai Branch, New York Branch or IFSC Banking Unit through remittances from India, the Issuer may have to seek other mechanisms permitted by applicable laws to effect payment of amounts due under the Bonds. However, the Issuer cannot assure investors that other remittance mechanics permitted by applicable law will be available in the future, and even if they are available in the future, the Issuer cannot assure investors that the payments due under the Bonds would be possible through such mechanisms.

Bondholders' right to receive payments on the Bonds is junior to certain tax and other liabilities preferred by law.

The Bonds will be subordinated to certain liabilities preferred by law such as claims of the government of India on account of taxes, and certain liabilities incurred in the ordinary course of the Issuer's trading or banking transactions.

In particular, in the event of bankruptcy, liquidation or winding up, the Issuer's assets will be available to pay obligations on the Bonds only after all of those of the Issuer's liabilities that rank senior to the Bonds have been paid. In the event of bankruptcy, liquidation or winding up, there may not be sufficient assets remaining, after paying amounts relating to these proceedings, to pay amounts due on the Bonds.

The Bonds do not restrict the Issuer's ability to incur additional debt, repurchase the Bonds or to take other actions that could negatively impact holders of the Bonds.

The Issuer is not restricted under the Conditions of Bonds from incurring additional debt, including secured debt, or from repurchasing the Bonds. In addition, the covenants applicable to the Bonds do not require the Issuer to achieve or maintain any minimum financial results relating to the Issuer's financial position or results of operations. The Issuer's ability to recapitalize, incur additional debt and take other actions that are not limited by the Conditions of Bonds could diminish the Issuer's ability to make payments on the Bonds and amortizing bonds when due.

If the Issuer does not satisfy its obligations under the Bonds, Bondholders' remedies will be limited.

Payment of principal due under the Bonds may be accelerated only in the event of certain events involving the Issuer's bankruptcy, winding up or dissolution or similar events or otherwise if certain conditions have been satisfied.

Payments under the Bonds may be subject to the RBI's guidelines regarding remittances of funds outside India.

If the Issuer is unable to make payments with respect to the Bonds from its overseas branches and instead makes payments from India, such payments shall be subject to the RBI's governing the remittance of funds outside India. The Issuer is under no obligation to maintain liquidity at its overseas branches to make interest payments due on the Bonds. Any approval, if and when required, for the remittance of funds outside India is at the discretion of the RBI and the Issuer can give no assurance that it will be able to obtain such approvals.

Bonds may not be a suitable investment for all investors.

Each potential investor in any Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the relevant Bonds, the merits and risks of investing in the relevant Bonds and the information contained or incorporated by reference in this document or the Specified Securities Information (including any amendment or attachment thereto);
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Bonds and the impact such investment will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Bonds, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- understand thoroughly the terms of the relevant Bonds and be familiar with the behavior of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Bonds are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Bonds which are complex financial instruments unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Bonds will perform under changing conditions, the resulting effects on the value of such Bonds and the impact this investment will have on the potential investor's overall investment portfolio.

(3) Selling Restrictions

Detailed below is a description of certain restrictions on offers and sales of the Bonds. Because of the following restrictions, prospective investors are advised to consult legal counsel prior to making any offer, resale or other transfer of the Bonds.

United States

The Bonds have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**") and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons except in accordance with Regulation S ("**Regulation S**") under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act. Each Dealer has represented and agreed that it has offered and sold the Bonds, and agrees that it will offer and sell the Bonds (i) as part of their distribution at any time, and (ii) otherwise until 40 days after the later of the commencement of the offering and the Closing Date (the "**restricted period**"), only in accordance with Regulation S. Accordingly, neither it or its affiliates (as defined in Rule 405 under the Securities Act) nor any persons acting on its or their behalf have engaged or will engage in any directed selling efforts (as defined in Rule 902(c) under the Securities Act) with respect to the Bonds, and it and they have complied and will comply with the offering restriction requirements of Regulation S. Each Dealer also agrees that, at or prior to confirmation of sale of the Bonds, it will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases the Bonds from it during the restricted period a confirmation or notice to substantially the following effect:

"The Bonds covered hereby have not been registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**") and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering and the Closing Date, except in

either case in accordance with Regulation S ("**Regulation S**") under the Securities Act. Terms used above have the meanings given to them by Regulation S."

Terms used in this Paragraph have the meanings given to them by Regulation S.

European Economic Area (the "EEA")

[The language in the following 3 paragraphs applies for the issuance of fixed rate Bonds]

The Bonds bear interest at the rate of [●]% per annum of their principal amount for the period from, and including, [●] 20[●] to, and including, [●] 20[●], payable in Japanese Yen semi-annually in arrears on [●] and [●] of each year in respect of the half year period to and including each such interest payment date. Whenever it is necessary to compute an amount of interest on the Bonds for a period other than a half year, such interest shall be calculated on the basis of the actual number of calendar days in a 365-day year.

The total amount of interest payable to each Bondholder shall be calculated in accordance with the Business Regulations.

The Bonds shall cease to bear interest after the date on which they become due for redemption; provided, however, that should the Issuer fail to redeem any of the Bonds when due, then the Issuer shall pay accrued interest on the unpaid principal amount in Japanese Yen for the actual number of days in the period from, but excluding, the due date to, and including, the date of the actual redemption of such Bond, computed by the method and the rate set forth in the first paragraph of this Condition 6. Such period, however, shall not exceed the date on which the Fiscal Agent (acting in its capacity of paying agent under the Business Regulations, hereinafter the "**Paying Agent**") allocates the necessary funds for the full redemption of the Bonds received by it among the relevant participants, which

have opened their accounts with JASDEC to make book-entry transfer of the Bonds (*kikou kanyusha*) (the "**JASDEC Participants**"); provided that if such overdue allocation is not possible under the Business Regulations, such period shall not exceed 14 days commencing on the date on which the last public notice is given by the Fiscal Agent in accordance with the third paragraph of Condition 7 and Condition 12.

[The following alternative language in Condition 6 to the above 3 paragraphs applies for the issuance of floating rate Bonds]

- (1) (a) The Bonds shall bear interest from and including [●] 20[●] to but excluding [●] 20[●], payable in Japanese Yen quarterly in arrears for the first time on [●], 20[●] and on each subsequent [●], [●], [●] and [●] of each year ending on [●] 20[●] in respect of the Interest Period (as defined below) ending on but excluding each such date; provided that, if any such date would otherwise fall on a day which is not a Tokyo Business Day (as defined below), the relevant due date for payment of interest shall be postponed to the next succeeding Tokyo Business Day unless it would thereby fall into the next calendar month, in which event such due date shall be brought forward to the immediately preceding Tokyo Business Day, and the interest shall be payable in respect of the Interest Period ending on but excluding the due date as modified pursuant to this proviso. Interest due for any Interest Period or any part thereof shall be payable for the actual number of days included in such Interest Period or the applicable part on the basis of a 360-day year. Each due date set for payment of interest, as provided above, is hereinafter referred to as an "Interest Payment Date".

In these Conditions of Bonds;

- (i) "**Tokyo Business Day**" means a day on which banks are open for business (including dealings in foreign exchange and foreign currency deposits) in Tokyo; and
- (ii) "**Interest Period**" means the period beginning on and including [●] 20[●] and ending on but excluding the first Interest Payment Date and each successive period beginning on and including an Interest Payment Date and ending on but excluding the next succeeding Interest Payment Date.

- (b) The Bonds shall bear interest on their principal amount at the rate per annum (the "Rate of Interest") from time to time determined as follows; provided that such Rate of Interest shall not be less than 0%:
- (i) At or prior to 10:00 a.m. (Tokyo time) on the Tokyo Business Day immediately following the Interest Rate Quotation Date (as defined below) (an "**Interest Rate Determination Date**"), the Issuer will ascertain in respect of the relevant Interest Period the offered rate for three (3)-month Japanese Yen deposits in the London interbank market which appears on the Reuters Page LIBOR01 (as defined below) as of 11:00 a.m. (London time) on the second London Business Day (as defined below) before the first day of such Interest Period (or, in respect of the first Interest Period, on [●] 20[●]) (each such day being hereinafter referred to as an "Interest Rate Quotation Date"). The Rate of Interest for such Interest Period shall be the rate equal to [●]% per annum plus the above offered rate so ascertained by the Issuer.

In these Conditions of Bonds;

- (x) "**London Business Day**" means a day on which banks are open for business (including dealings in foreign exchange and foreign currency deposits) in London; and
- (y) "**Reuters Page LIBOR01**" means the page designated as "**LIBOR01**" displayed on Reuters (or any successor service) which page displays the London interbank offered rate administered by ICE Benchmark Administration Limited (or any other person which takes over the administrator of that rate) for Japanese Yen deposits or such other page as may replace LIBOR01 on that service or other page on such other service as may be reasonably nominated by the Issuer as the information vendor, for the purpose of displaying rates comparable to the London interbank offered rate administered by ICE Benchmark Administration Limited (or any other person which takes over the administrator of that rate) for

Japanese Yen deposits, which replacement shall be promptly notified by the Issuer to the Fiscal Agent in writing.

(ii) If the above offered rate does not appear on the Reuters Page LIBOR01, or if such page is unavailable, in either case, as of 11:00 a.m. (London time) on any Interest Rate Quotation Date, the Issuer will request on the Interest Rate Determination Date the principal Tokyo office, if any, of each of the Reference Banks (as defined below) to provide the Issuer with the offered quotation (expressed as a rate per annum) for three (3)-month Japanese Yen deposits commencing on the second London Business Day following such Interest Rate Quotation Date offered by its principal London office to leading banks in the London interbank market at approximately 11:00 a.m. (London time) on such Interest Rate Quotation Date. In such case:

(x) If on such Interest Rate Determination Date six (6) or more Reference Banks provide the Issuer with such offered quotations, the Rate of Interest for such Interest Period shall be the rate equal to [●]% per annum plus the arithmetic mean (rounded, if necessary, to the nearest 5th decimal place with five or more in the 6th decimal place to be rounded upwards) of such offered quotations (disregarding two (2) of the lowest and two (2) of the highest of such quotations), as ascertained by the Issuer.

(y) If on such Interest Rate Determination Date not less than two (2) but not more than five (5) Reference Banks provide the Issuer with such offered quotations, the Rate of Interest for the relevant Interest Period shall be the rate equal to [●]% per annum plus the arithmetic mean (rounded, if necessary, to the nearest 5th decimal place with five or more in the 6th decimal place to be rounded upwards) of the quotations of those Reference Banks providing such quotations.

(z) If on such Interest Rate Determination Date only one (1) or none of the Reference Banks provides the Issuer with such offered

quotations, the Issuer shall ascertain the offered rate for three (3)-month Japanese Yen deposits in the London interbank market which appears on the Reuters Page LIBOR01 as of 11:00 a.m. (London time) on the London Business Day most closely preceding the relevant Interest Rate Quotation Date (if the offered rate for three (3)-month Japanese Yen deposits in the London interbank market does not appear on the Reuters Page LIBOR01 or the Reuters Page LIBOR01 is unavailable on such day, on the preceding but closest London Business Day on which the offered rate appears). The Rate of Interest for the relevant Interest Period shall be the rate equal to [●]% per annum plus such rate so ascertained by the Issuer; provided that, if such London Business Day falls on or before the preceding Interest Rate Quotation Date, if any, the Rate of Interest shall be the Rate of Interest in effect for the last preceding Interest Period.

In these Conditions of Bonds, "**Reference Bank**" means a bank which provided its offered quotation used to calculate the offered rate for three (3)-month Japanese Yen deposits in the London interbank market which appeared on the Reuters Page LIBOR01 as of 11:00 a.m. (London time) on the London Business Day most closely preceding the Interest Rate Quotation Date in respect of the relevant Interest Rate Determination Date (if the offered rate for three (3)-month Japanese Yen deposits in the London interbank market does not appear on the Reuters Page LIBOR01 or the Reuters Page LIBOR01 is unavailable on such day, on the preceding but closest London Business Day on which the offered rate appears).

- (c) The Issuer shall, at approximately 10:00 a.m. (Tokyo time) on each Interest Rate Determination Date, calculate the amount of interest per currency unit for the relevant Interest Period (the "**Interest Amount Per Currency Unit**") with respect to the Bonds for the purpose of the Business Regulations. The Interest Amount Per Currency Unit of each Interest Period shall be calculated, pursuant to the Business Regulations, by multiplying the Rate of Interest by a fraction, the numerator of which is the actual number of days in the Interest Period concerned and the

denominator of which is 360. The calculation of the Interest Amount Per Currency Unit for a part of any Interest Period shall be made for the actual number of days included in such part on the basis of a 360-day year. The total amount of interest payable to each Bondholder shall be calculated in accordance with the Business Regulations.

- (d) As soon as practicable after the determination of the Rate of Interest for any Interest Period, but no later than five (5) Tokyo Business Days following the commencement of any Interest Period, the Issuer shall notify the Fiscal Agent in writing of such Rate of Interest and the relevant Interest Amount Per Currency Unit and Interest Payment Date; provided that public notices for these matters for any Interest Period need not be given. As soon as practicable after receiving such notice, the Fiscal Agent shall make such matters available for perusal by the Bondholders at the head office of the Fiscal Agent during normal business hours.
- (e) If, after giving notice of any Rate of Interest, the relevant Interest Amount Per Currency Unit and Interest Payment Date pursuant to sub-paragraph (d) above, the relevant Interest Period is lengthened or shortened, the Issuer shall promptly determine what adjustment is appropriate. As soon as practicable after the determination of such adjustment, the Issuer shall notify the Fiscal Agent in writing of the Interest Amount Per Currency Unit and the Interest Payment Date, as amended pursuant to such adjustment; provided that public notices for such amendment need not be given. As soon as practicable after the date on which the Fiscal Agent receives such notice, the Fiscal Agent shall make such matters available for perusal by the Bondholders at the head office of the Fiscal Agent during normal business hours.
- (f) Any Rate of Interest, Interest Amount Per Currency Unit or Interest Payment Date determined in accordance with the provisions of this Condition 6(1) shall (in the absence of manifest error) be final and binding upon all parties, including the Bondholders.
- (g) [●] acts as the Issuer's reference agent (the "**Reference Agent**") at its head office in Tokyo, Japan in respect of the Bonds. Pursuant to the Fiscal Agency Agreement,

the Issuer shall entrust the Reference Agent with the performance of all of its obligations (other than those to give public notices) under this Condition 6(1) relating to the ascertainment, calculation and determination of any offered quotation or interest rate (including, but not limited to, the Rate of Interest and Interest Amount Per Currency Unit). The Reference Agent shall act solely on behalf of the Issuer and shall assume no obligation towards or relationship of agency or trust for or with the Bondholders. Any notice required to be given by the Issuer to the Fiscal Agent under this Condition 6(1) need not be given if and so long as the Fiscal Agent and the Reference Agent are one and the same bank. The Issuer may from time to time vary the appointment of the Reference Agent; provided that the appointment of the Reference Agent shall continue until the replacement reference agent is effectively appointed. In such case the Issuer shall give prior public notice thereof.

- (2) The Bonds shall cease to bear interest from and including the date on which they become due for redemption; provided, however, that should the Issuer fail to redeem any of the Bonds when due in accordance with these Conditions of Bonds, then the Issuer shall pay accrued interest on the unpaid principal amount in Japanese Yen for the actual number of days in the period from, and including, the due date to, but excluding, the date of the actual redemption of such Bonds, computed on the basis of such actual number of days divided by 360 at the interest rate to be determined applying Condition 6(1) *mutatis mutandis* as if the Interest Payment Dates continued to occur after such due date. Such period, however, shall not exceed the date on which the Fiscal Agent (acting in its capacity of paying agent under the Business Regulations, hereinafter the "**Paying Agent**") allocates the necessary funds for the full redemption of the Bonds received by it among the relevant participants which have opened their accounts with JASDEC to make book-entry transfer of the Bonds (*kiko kanyusha*) (the "**JASDEC Participants**"), provided that if such overdue allocation is not possible under the Business Regulations, such period shall not exceed 14 days commencing on the date on which the last public notice is given by the Fiscal Agent in accordance with the second paragraph of Condition 7 and Condition 12. The Issuer shall notify each interest rate so determined to the Fiscal Agent in writing in accordance with the provisions of Condition 6(1)(d), whereupon, in no

later than five (5) Tokyo Business Days following a relevant due date, the Fiscal Agent shall make such interest rate available for perusal by the Bondholders at the head office of the Fiscal Agent during normal business hours. Public notice for such interest rate need not be given.

7 Payments

Payment of principal of and interest on a Bond shall be made by the Paying Agent to the Bondholders, directly when such Bondholders are the JASDEC Participants, and in other cases through the relevant account management institution (*kouza kanri kikan*) (the "**Account Management Institution**") with which such Bondholders have opened their accounts to have the Bonds recorded in accordance with the Book-Entry Transfer Law and the Business Regulations. At the time when the Paying Agent allocates the necessary funds for the payment of principal of or interest on the Bonds received by it from the Issuer among the relevant JASDEC Participants and such amount of principal or interest is recorded under the relevant JASDEC Participants' accounts, the Issuer shall be released from its obligation in respect of such payment of principal of or interest on the Bonds.

[The following paragraph shall apply for the issuance of fixed rate Bonds only]

If any due date for payment of principal of or interest on the Bonds falls on a day which is not a day on which banks are open for business in Tokyo, London and New York (the "**Business Day**"), the Bondholders shall not be entitled to payment of the amount due until the next following Business Day (unless the first following Business Day is in the next calendar month, in which case that date will be the first preceding day that is a Business Day), and shall not be entitled to the payment of any further or additional interest or other payment in respect of such delay.

If the full amount of principal of or interest on the Bonds payable on any due date is received by the Paying Agent after such due date, the Fiscal Agent shall, in accordance with Condition 12, give public notice to the Bondholders of receipt of such amount, payment method and actual payment date as soon as practicable but not later than 14 days after receipt of such amount by the Paying Agent. If at the time of such receipt, either the method or the date of such payment or both is not determinable, the Fiscal Agent shall

give public notice of such receipt and of the method and/or date of such payment to the extent the same has been determined. The Fiscal Agent will give, at a later date, public notice to the Bondholders of the method and/or the date of such payment, promptly upon determination thereof. All expenses incurred in connection with said public notice shall be borne by the Issuer.

8 Redemption and Purchase

(1) Final Redemption

Unless previously redeemed or purchased and cancelled as provided in Condition 8(2) or Condition 8(3), each Bond will be redeemed on [●] at 100% of its principal amount[, provided that, if such date would otherwise fall on a day which is not a Tokyo Business Day, the due date for redemption of the Bonds shall be postponed to the next succeeding Tokyo Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Tokyo Business Day] [*Applicable in the case of floating rate Bonds only*].

(2) Redemption for Tax Reasons

At any time prior to the maturity date, the Bonds may be redeemed at the option of the Issuer in whole, but not in part, [at any time][*Applicable in the case of fixed rate Bonds*]/[on any Interest Payment Date][*Applicable in the case of floating rate Bonds*], on giving not less than 30 nor more than 60 days' notice to the Fiscal Agent and, in accordance with Condition 12, the Bondholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the Bonds, the Issuer has or will become obliged to pay Additional Amounts as provided or referred to in Condition 9(1) as a result of any change in, or amendment to, the laws or regulations of a Relevant Jurisdiction (as defined in Condition 9(1)) or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the issue date of the Bonds; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay

such Additional Amounts and, for the purpose only of determining the earliest date on which such notice may be given, it shall be deemed that a payment, in respect of which the Issuer would be obliged to pay such Additional Amounts, is due in respect of the Bonds on the day on which any such change or amendment becomes effective.

Prior to the notice of redemption to the Fiscal Agent pursuant to this Condition 8(2), the Issuer shall deliver to the Fiscal Agent a certificate signed by two directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognized standing to the effect that the Issuer has or will become obliged to pay such Additional Amounts as a result of such change or amendment and the Fiscal Agent shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Bondholders.

Bonds redeemed pursuant to this Condition 8(2) will be redeemed at 100% of its principal amount together with interest accrued to [and including][*Applicable in the case of fixed rate Bonds*]/[but excluding][*Applicable in the case of floating rate Bonds*] the date of redemption.

All expenses necessary for the procedures under this Condition 8(2) shall be borne by the Issuer.

(3) Purchase

The Issuer or any of its Subsidiaries or Affiliates which falls within the category of the Controlled Juridical Person, Etc. as defined in Condition 2(1) may at any time purchase the Bonds in any manner and at any price. If purchases are made by tender, tenders must be available to all Bondholders alike. Such Bonds may be held, resold or cancelled at the option of the Issuer.

"Affiliate" means, in relation to the Issuer, any company that controls, directly or indirectly, the Issuer or any company directly or indirectly under common control with the Issuer. For

this purpose, "control" of any company or the Issuer means ownership of a majority of the voting power of the companies or the Issuer, as the case may be.

"Subsidiary" means, in relation to the Issuer, any company (i) in which the Issuer holds a majority of the voting rights or (ii) of which the Issuer is a member and has the right to appoint or remove a majority of the board of directors or (iii) of which the Issuer is a member and controls a majority of the voting rights, and includes any company which is a Subsidiary of a Subsidiary of the Issuer.

- (4) All Bonds which are purchased by or on behalf of the Issuer or any of its Subsidiaries or Affiliates cannot be reissued or resold.
- (5) Except as otherwise provided in these Conditions of Bonds, the Issuer may not redeem the principal of the Bonds in whole or in part prior to the maturity date thereof.

9 Taxation

- (1) All payments of principal and interest in respect of the Bonds by the Issuer will be made without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature ("Taxes") imposed or levied by or on behalf of the Relevant Jurisdiction (as defined below) unless such withholding or deduction for or on account of Taxes is required by law. In such event, the Issuer will pay such additional amounts (the "Additional Amounts") as shall be necessary in order that the net amounts received by the Bondholders after such withholding or deduction shall equal the respective amounts which would have been receivable in respect of the Bonds, as the case may be, in the absence of such withholding or deduction; except that no such Additional Amounts shall be payable with respect to any Bonds:
 - (a) if the Bondholder is liable for the Taxes in respect of such Bonds by reason of its having or having had some connection with the Relevant Jurisdiction other than the mere holding of or receiving payments or enforcing rights under such Bonds; or
 - (b) presented for payment (where presentation is required) more than 30 days after the Relevant Date (as defined below) except to the extent that the Bondholder would have been entitled to the Additional Amount on presenting the same for

payment on the last day of the period of 30 days assuming that day to have been a Payment Day (as defined below); or

- (c) to the extent the Bondholder is liable for Taxes because of the Bondholder's failure to comply with any certification, identification or other reporting requirements concerning its nationality, residence, identity or in connection with a Relevant Jurisdiction if (1) compliance is required by applicable law (but not including treaties), regulation or administrative practice as a precondition to exemption from all or a part of the Taxes, (2) the Bondholder is able to comply with those requirements without undue hardship and (3) the Issuer has given to the Bondholder prior written notice, at a time which would enable the Bondholder acting reasonably to comply with such request, before any such withholding or deduction that the Bondholder will be required to comply with such certification, identification or reporting requirements; or
- (d) where such withholding or deduction is imposed pursuant to or in connection with Sections 1471-1474 of the U.S. Internal Revenue Code (or U.S. Department of the Treasury ("U.S. Treasury") regulations or guidance issued thereunder), including deduction or withholding pursuant to an agreement with the U.S. Treasury, inter-governmental agreement or legislation adopted by any non-U.S. jurisdiction in connection with these provisions.

Nor will the Additional Amounts be paid with respect to any payment on a Bond to a Bondholder who is a fiduciary, a partnership, a limited liability company or person other than the sole beneficial owner of that payment to the extent that payment would be required by the laws of a Relevant Jurisdiction to be included in the income, for tax purposes, of a beneficiary or settlor with respect to the fiduciary, a member of that partnership or an interest holder in that limited liability company or a beneficial owner who would not have been entitled to the Additional Amounts had it been the Bondholder.

[The language in the following paragraph applies for the issuance of Bonds where the Issuer is acting through its New York Branch.]

The Issuer, only with respect to the Bonds issued through its New York Branch, shall have no obligation to pay Additional Amounts with respect to any withholding or deduction for or

on account of any present or future Taxes imposed or levied by or on behalf of the United States or any political subdivision or any authority thereof or therein having the power to tax.

As used herein:

(i) **"Relevant Jurisdiction"** means:

- (A) *[where the Issuer is acting through its Head Office or its IFSC Banking Unit,]* India or any political subdivision or any authority thereof or therein having power to tax or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which the Issuer is or becomes subject in respect of payments made by it of principal and interest on the Bonds or any other jurisdiction through which any payment is made on behalf of the Issuer under the Bonds; or

otherwise than by deduction or withholding from payments of principal of, or interest or premium on or otherwise with respect to, the Bonds. Except as otherwise set forth in these Condition of Bonds, the Issuer shall pay all stamp and other duties, if any, which may be imposed by the Relevant Jurisdiction or any respective political subdivision thereof or any taxing authority therein, as a consequence of the initial issuance of the Bonds or any other activities relating thereto.

[The following 2 paragraphs apply for the issuance of Bonds where the Issuer is acting through its Head Office,]

As of the issue date of the Bonds, pursuant to this Condition 9(1), the Issuer will make the withholding or deduction of the Indian Taxes at the rate of [●]% and shall pay the Additional Amounts as are required by this Condition 9 (1). In the event of such rate of the Indian Taxes has changed for any reason after the issue date of the Bonds, the Issuer shall give notice forthwith to the Fiscal Agent in writing signed by two directors of the Issuer stating such rate of the Indian Taxes applicable after the change, the date such change becomes effective and the ground thereof in reasonable detail.

As soon as possible but not later than 14 [Tokyo][Applicable in the case of floating rate Bonds] Business Days prior to the next interest payment date on which the Issuer is required to pay such Additional Amount unless it elects to redeem the Bonds in accordance with Condition 8, the Issuer shall give notice to the Fiscal Agent in writing signed by two directors of the Issuer stating such Additional Amount payable on the next interest payment date, the calculation of such Additional Amount applicable to each Bond and the ground for such determination in reasonable detail. Furthermore, immediately after such withholding or deduction of Indian Taxes is made, the Issuer shall deliver to the Fiscal Agent a certificate or other documents which are issued by the Relevant Jurisdiction evidencing the payment of such Taxes and any other documents which are reasonably requested by the Fiscal Agent and are available to or able to be prepared by the Issuer.

[The following Condition 9 (2) applies for the issuance of Bonds where the Issuer is acting through its Head Office or its IFSC Banking Unit]

- (2) the Issuer has agreed to indemnify any transferor or transferee of any Bonds (or any beneficial interest therein), other than a transferor or transferee which is liable to Indian tax by reason of his having a connection with India apart from the mere holding of a Bond, against any loss resulting from the imposition of Indian income, capital gains or gift tax on the transfer or sale of such Bond outside India. The foregoing indemnity will terminate upon the Issuer certifying to the Fiscal Agent that it is satisfied, on the basis of an appropriate amendment of the Income-tax Act, 1961 and/or a reasoned legal opinion in writing of a practising eminent taxation lawyer that such Bonds are not and are not deemed to be situated in India.

The Issuer will first obtain approval from the Reserve Bank of India prior to making any payments under such indemnity, if required.

- (c) (i) any External Indebtedness of at least US\$50,000,000 in aggregate amount outstanding (or its equivalent at the relevant time in any other currency) shall have been accelerated so that the same becomes due and payable prior to its stated maturity by reason of a default, and such acceleration shall not have been rescinded or annulled (by reason of a remedy, cure or waiver thereof, or with respect to the default upon which such acceleration is based); or (ii) any External Indebtedness of at least US\$50,000,000 in aggregate amount outstanding (or its equivalent at the relevant time in any other currency) is not paid when due or, as the case may be, within any applicable grace period originally provided for.

- (h) Any governmental authority or agency condemns, seizes, compulsorily purchases or expropriates all or any material part of the assets of the Issuer without fair compensation, unless, and for so long as, such compulsory purchase or expropriation is being contested in good faith and by appropriate proceedings,

A Bondholders' meeting shall be held in Tokyo, Japan.

When a Bondholders' meeting is to be convened, the Issuer shall give public notice of the convocation of the Bondholders' meeting at least 21 days prior to the date of such meeting and give written notice to that effect at least 35 days prior to the date of such meeting to the Fiscal Agent; and ensure that the Fiscal Agent, on behalf of the Issuer, shall take the steps necessary for the convocation of the Bondholders' meeting and to expedite the proceedings thereof.

- (4) The resolution passed pursuant to Condition 13(3) shall be binding on all the Bondholders whether present or not at such Bondholders' meeting to the extent permitted by the applicable Japanese law, and shall be carried out by the Representative(s) of Bondholders or Executor appointed by the Bondholders at the meeting pursuant to Condition 13(3)(c).

15 Currency Indemnity

In the event of a judgment or order being rendered by any court for the payment of the principal of or interest on the Bonds, and such judgment or order being expressed in a currency other than Japanese Yen, any amount received or recovered in such currency by any Bondholder in respect of such judgment or order shall only constitute a discharge to the Issuer to the extent of the amount received or recovered by such Bondholder in Japanese Yen and the Issuer undertakes to pay to such Bondholder the amount necessary to make up any deficiency arising or resulting from any variation in rates of exchange between (a) the date as of which any amount expressed in Japanese Yen is (or is to be treated as) converted into such currency for the purposes of any such judgment or order, and (b) the date or dates of discharge of such judgment or order (or part thereof). To the extent permitted by any applicable law, the above undertaking shall constitute a separate and independent obligation of the Issuer from its other obligations, shall give rise to a separate and independent cause of action against the Issuer, shall apply irrespective of any indulgence granted by any Bondholder from time to time and shall continue in full force and effect notwithstanding any judgment or order.

16 Governing Law and Jurisdiction

The Bonds are governed by, and shall be construed in accordance with, the laws of Japan.

Except otherwise provided in these Conditions of Bonds, the place of performance of obligations pertaining to the Bonds is Tokyo, Japan.

Any legal action or other court procedure against the Issuer arising from or relating to the Bonds or these Conditions of Bonds may be instituted in the Tokyo District Court.

The Issuer agrees to take, from time to time and so long as any of the Bonds shall remain outstanding, any and all action (including the execution and filing of any and all documents and instruments) that may be necessary to effect and to continue such appointment and designation in full force and effect. If at any time such agent shall not, for any reason, serve as such authorised agent, the Issuer shall immediately appoint, and it undertakes to take any and all action that may be necessary to effect the appointment of, a successor authorised agent in Tokyo, Japan. The Issuer shall promptly notify the Fiscal Agent of the appointment of such successor agent and give a public notice thereof to the Bondholders.

Nothing in this Condition 16 shall affect the right of the Bondholders to institute legal action against the Issuer in any court of competent jurisdiction under applicable laws or to serve process in any manner otherwise permitted by law.

17 Modifications and Amendments

Certain modifications and amendments to these Conditions of Bonds may be made without the consent of any Bondholder, only for the purpose of curing any ambiguity, or of correcting or supplementing any defective provisions contained therein, adding covenants for the benefit of the Bondholders, removing, or expanding the exemptions in the transfer restrictions in Condition 2(1), surrendering rights or powers conferred on the Issuer, effecting succession or assumption as a result of a merger or similar transaction, or in any other manner which the Issuer may deem necessary and desirable and which will not materially adversely affect the interest of the Bondholders or the Fiscal Agent. Any such modifications or amendments shall be notified to the Bondholders and Fiscal Agent at the

expense of the Issuer and in accordance with Condition 12 as soon as practicable thereafter.
