Maximum Outstanding Issuance Amount:	U.S.\$ 5,000,000,000

This amendment, consisting of this cover page and the Information Memorandum dated 28 May 2014 is filed to replace the Information Memorandum dated 14 May 2012 and to update the information included in the Program Information dated 1 May 2014 ("**Program Information**"). This constitutes an integral part of the Program Information and shall be read together with it.

IMPORTANT NOTICE

NOT FOR DISTRIBUTION DIRECTLY OR INDIRECTLY IN OR INTO THE UNITED STATES.

IMPORTANT: You must read the following before continuing. The following applies to the offering circular following this page, and you are therefore advised to read this carefully before reading, accessing or making any other use of the offering circular. In accessing the offering circular, you agree to be bound by the following terms and conditions, including any modifications to them any time you receive any information from us as a result of such access.

NOTHING IN THIS ELECTRONIC TRANSMISSION CONSTITUTES AN OFFER OF SECURITIES FOR SALE IN THE UNITED STATES OR ANY OTHER JURISDICTION WHERE IT IS UNLAWFUL TO DO SO. THE SECURITIES HAVE NOT BEEN, AND WILL NOT BE, REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933 (THE "SECURITIES ACT"), OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES AND THE SECURITIES MAY NOT BE OFFERED OR SOLD WITHIN THE U.S., EXCEPT PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND APPLICABLE STATE OR LOCAL SECURITIES LAWS.

THIS OFFERING CIRCULAR MAY NOT BE FORWARDED OR DISTRIBUTED TO ANY OTHER PERSON AND MAY NOT BE REPRODUCED IN ANY MANNER WHATSOEVER. ANY FORWARDING, DISTRIBUTION OR REPRODUCTION OF THIS DOCUMENT IN WHOLE OR IN PART IS UNAUTHORISED. FAILURE TO COMPLY WITH THIS DIRECTIVE MAY RESULT IN A VIOLATION OF THE SECURITIES ACT OR THE APPLICABLE LAWS OF OTHER JURISDICTIONS.

Confirmation of your Representation: In order to be eligible to view this offering circular or make an investment decision with respect to the securities, investors must not be resident in the United States (within the meaning of Regulation S under the Securities Act). This offering circular is being sent at your request and by accepting the e-mail and accessing this offering circular, you shall be deemed to have represented to us that you are not resident in the United States and to the extent that you purchase securities described in the attached offering circular, you are doing so pursuant to Regulation S under the Securities Act and that you consent to delivery of such offering circular by electronic transmission.

You are reminded that this offering circular has been delivered to you on the basis that you are a person into whose possession this offering circular may be lawfully delivered in accordance with the laws of the jurisdiction in which you are located and you may not, nor are you authorised to, deliver this offering circular to any other person.

The materials relating to the offering do not constitute, and may not be used in connection with, an offer or solicitation in any place where offers or solicitations are not permitted by law. If a jurisdiction requires that the offering be made by a licensed broker or dealer any of and the dealers or any affiliate of any of the dealers is a licensed broker or dealer in that jurisdiction, the offering shall be deemed to be made by such dealer or such affiliate on behalf of the Malayan Banking Berhad in such jurisdiction.

This offering circular has been sent to you in an electronic form. You are reminded that documents transmitted via this medium may be altered or changed during the process of electronic transmission and consequently none of Malayan Banking Berhad, Barclays Bank PLC, Singapore Branch, Maybank Kim Eng Securities Pte. Ltd., Nomura Singapore Limited or any additional arrangers and dealers appointed by Malayan Banking Berhad or any person who controls any of them or any director, officer, employee or agent of any of them or affiliate of any such person accepts any liability or responsibility whatsoever in respect of any difference between the offering circular distributed to you in electronic format and the hard copy version. A hard copy version will be provided to you upon request from Malayan Banking Berhad, Barclays Bank PLC, Singapore Branch, Maybank Kim Eng Securities Pte. Ltd., Nomura Singapore Limited or any other arrangers and dealers appointed by Malayan Banking Berhad.

Actions that You May Not Take. If you receive this document by e-mail, you should not reply by e-mail to this announcement, and you may not purchase any securities by doing so. Any reply e-mail communications, including those you generate by using the "Reply" function on your e-mail software, will be ignored or rejected.

You are responsible for protecting against viruses and other destructive items. You are responsible for protecting against viruses and other destructive items. If you receive this document by e-mail, your use of this e-mail is at your own risk and it is your responsibility to take precautions to ensure that it is free from viruses and other items of a destructive nature.

Malayan Banking Berhad
(Company No. 3813-K)
(incorporated with limited liability in Malaysia)

U.S.\$5,000,000,000
Multicurrency Medium Term Note Programme

Under this U.S.\$5,000,000,000 Multicurrency Medium Term Note Programme (the “**Programme**”), Malayan Banking Berhad (the “**Issuer**” or the “**Bank**”) (from time to time acting through its Hong Kong Branch or its Singapore Branch as specified in the applicable Pricing Supplement), subject to compliance with all relevant laws, regulations and directives, may from time to time issue notes (the “**Notes**”) with a maturity of one year or more, in any currency agreed between the Issuer and the relevant Dealer (as defined below).

Notes may be issued in bearer or registered form (respectively “**Bearer Notes**” and “**Registered Notes**”). The maximum aggregate nominal amount of all Notes from time to time outstanding under the Programme will not exceed U.S.\$5,000,000,000 (or its equivalent in other currencies calculated as described in “*General Description of the Programme*”), subject to increase as described herein.

The Notes may be issued by the Issuer on a continuing basis to one or more of the Dealers under the Programme from time to time (each a “**Dealer**” and together the “**Dealers**”), which appointment may be for a specific issue or on an ongoing basis. References in this Offering Circular to the “**relevant Dealer**” shall, in the case of an issue of Notes being (or intended to be) subscribed for by more than one Dealer, be to all Dealers agreeing to subscribe for such Notes.

An investment in Notes issued under the Programme involves certain risks. For a discussion of these risks see “*Investment Considerations*”.

Application has been made to the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) for permission to deal in and for the listing of any Notes which are agreed at the time of issue thereof to be so listed on the SGX-ST. Such permission will be granted when such Notes have been admitted to the Official List of the SGX-ST. The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Offering Circular. Admission to the Official List of the SGX-ST and listing of any Notes on the SGX-ST is not to be taken as an indication of the merits of the Issuer, the Group (as defined herein), the Programme or such Notes.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under “*Terms and Conditions of the Notes*”) of Notes will be set out in a pricing supplement (the “**Pricing Supplement**”) which, with respect to Notes to be listed on the SGX-ST, will be delivered to the SGX-ST before the date of listing of the Notes of such Tranche.

Application has been made to the Labuan International Financial Exchange Inc. (the “**LFX**”) for the listing of, and permission to deal in, any Notes that may be issued under the Programme but there can be no assurance that such listings will occur on or prior to the date of issue of such Notes or at all. The LFX assumes no responsibility for the correctness of any of the statements made or opinions or reports contained in this Offering Circular, makes no representations as to its accuracy or completeness and expressly disclaims any liability whatsoever for any loss howsoever arising from or in reliance upon any part of the contents of this Offering Circular. Investors are advised to read and understand the contents of this Offering Circular before investing. If in doubt, the investor should consult his or her adviser. Admission to the Official List of the LFX is not to be taken as an indication of the merits of the Issuer, the Programme or the Notes.

In addition to the above, the Programme has also been admitted for the listing of the Notes on Tokyo Stock Exchange Inc. (“**TSE**”) in its capacity as the market operator of the TOKYO PRO-BOND Market in accordance with the rules and regulations of TSE.

The Programme provides that Notes may be listed or admitted to trading, as the case may be, on such other or further stock exchanges or markets as may be agreed between the Issuer and the relevant Dealer. The Issuer may also issue unlisted Notes.

Each Tranche of Notes of each Series (as defined in “*Terms and Conditions of the Notes*”) of Notes in bearer form will be represented on issue by a temporary global note in bearer form (each a “**Temporary Bearer Global Note**”) or a permanent global note in bearer form (each a “**Permanent Bearer Global Note**”). In the case of Notes that are expressed in the applicable Pricing Supplement to be subject to the “**D**” Rules (as defined herein), interests in a Temporary Bearer Global Note will be exchangeable in whole or in part, for interests in a Permanent Bearer Global Note on or after the date 40 days after the later of the commencement of the offering and the relevant issue date (the “**Exchange Date**”), upon certification as to non-U.S. beneficial ownership. Notes in registered form will initially be represented by a global note in registered form (each a “**Registered Global Note**” and together with any Temporary Bearer Global Notes and Permanent Bearer Global Notes, the “**Global Notes**” and each a “**Global Note**”). Global Notes may be deposited on the issue date with a common depository for Euroclear Bank S.A./N.V. (“**Euroclear**”) and Clearstream Banking, *société anonyme* (“**Clearstream, Luxembourg**”).

Global Notes may also be deposited with The Central Depository (Pte) Limited (“**CDP**”) or a sub-custodian for the Hong Kong Monetary Authority (the “**HKMA**”), as operator of the Central Moneymarkets Unit Service, operated by the Hong Kong Monetary Authority (the “**CMU Service**”). The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Notes are described in “*Form of the Notes*”.

THE NOTES HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933 (THE “SECURITIES ACT”) OR WITH ANY SECURITIES REGULATORY AUTHORITY OF ANY STATE OR OTHER JURISDICTION OF THE UNITED STATES, AND THE NOTES MAY INCLUDE BEARER NOTES THAT ARE SUBJECT TO U.S. TAX LAW REQUIREMENTS. SUBJECT TO CERTAIN EXCEPTIONS, THE NOTES MAY NOT BE OFFERED, OR SOLD OR, IN THE CASE OF BEARER NOTES, DELIVERED WITHIN THE UNITED STATES OR, IN THE CASE OF BEARER NOTES THAT ARE EXPRESSED IN THE APPLICABLE PRICING SUPPLEMENT TO BE SUBJECT TO THE D RULES (AS DEFINED HEREIN), TO OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN THE U.S. INTERNAL REVENUE CODE OF 1986, AS AMENDED AND REGULATIONS THEREUNDER).

See “*Form of the Notes*” for a description of the manner in which Notes will be issued. The Notes are subject to certain restrictions on transfer, see “*Subscription and Sale*”.

The Issuer may agree with any Dealer that the Notes may be issued in a form not contemplated by the Terms and Conditions of the Notes herein, in which event (in the case of Notes intended to be listed on the SGX-ST or TSE) a supplementary offering circular, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Notes.

Notes issued under the Programme may be rated or unrated. Where an issue of a certain Series of Notes is rated, such rating will not necessarily be the same as the ratings assigned to the Programme. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

The submission to the Securities Commission Malaysia in respect of the Programme was made by Maybank Investment Bank Berhad as Principal Adviser.

This Offering Circular is an advertisement and is not a prospectus for the purposes of EU Directive 2003/71/EC.

Arrangers

Barclays

**Maybank Kim Eng
Securities Pte. Ltd.**

**Nomura
Singapore Limited**

The date of this Offering Circular is 28 May 2014

The Issuer accepts responsibility for the information contained in this Offering Circular. To the best of the knowledge and belief of the Issuer (having made all reasonable enquiries to ensure that such is the case) the information contained in this Offering Circular is in accordance with the facts and does not omit anything that would make the statements therein, in light of the circumstances which they were made, misleading.

This Offering Circular is to be read in conjunction with all documents which are incorporated herein by reference (see “*Documents Incorporated by Reference*”).

No person is or has been authorised by the Issuer to give any information or to make any representations other than those contained in this Offering Circular in connection with the Programme or the Notes and, if given or made, such information or representations must not be relied upon as having been authorised by the Issuer, the Arrangers or the Dealers.

The Arrangers and the Dealers have not separately verified the information contained in this Offering Circular. None of the Arrangers nor the Dealers makes any representation, warranty or undertaking, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Offering Circular. None of the Arrangers nor the Dealers accepts any responsibility for the contents of this Offering Circular. Each of the Arrangers and the Dealers accordingly disclaims all and any liability whether arising in tort or contract or otherwise (save as referred to above) which it might otherwise have in respect of this Offering Circular or any such statement. Neither this Offering Circular nor any financial statements included or incorporated herein are intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arrangers or the Dealers that any recipient of this Offering Circular or any such financial statements should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Offering Circular and make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and the risks involved. The purchase of Notes by investors should be based upon their investigation as they deem necessary. None of the Arrangers nor the Dealers undertakes to review the financial condition or affairs of the Issuer or, the Issuer and its subsidiaries taken as a whole (together, the “**Group**”) during the life of the arrangements contemplated by this Offering Circular, nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Arrangers or the Dealers.

Neither this Offering Circular nor any other information supplied in connection with the Programme or the issue of any Notes constitutes an offer or invitation by or on behalf of the Issuer, any of the Arrangers or the Dealers to any person to subscribe for or to purchase any Notes.

Neither the delivery of this Offering Circular nor the offering, sale or delivery of any Notes shall in any circumstances imply that the information contained herein concerning the Issuer is correct at any time subsequent to the date hereof or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Arrangers and the Dealers expressly do not undertake to review the financial condition or affairs of the Issuer or the Group during the life of the Programme or to advise any investor in the Notes of any information coming to their attention. Investors should review, *inter alia*, the most recently published documents incorporated by reference into this Offering Circular when deciding whether or not to purchase any Notes.

Notes issued under the Programme may be denominated in Renminbi. Renminbi is currently not freely convertible and conversion of Renminbi is subject to certain restrictions. Investors should be reminded of the conversion risk with Renminbi products. In addition, there is a liquidity risk associated with Renminbi products, particularly if such investments do not have an active secondary market and their prices have large bid/offer spreads. Renminbi products are denominated and settled in Renminbi deliverable in Hong Kong, which represents a market which is different from that of Renminbi deliverable in the PRC (as defined below).

From time to time, in the ordinary course of business, certain of the Arrangers, the Dealers and their affiliates have provided advisory and investment banking services, and entered into other commercial transactions with the Issuer and its affiliates, including commercial banking services, for which customary compensation has been received. It is expected that the Arrangers, the Dealers and their affiliates will continue to provide such services to, and enter into such transactions, with the Issuer and its affiliates in the future. The Arrangers, the Dealers or certain of their respective affiliates may purchase the Notes and be allocated Notes for asset management and/or proprietary purposes and not with a view to distribution.

This Offering Circular does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Offering Circular and the offer or sale of Notes may be restricted by law in certain jurisdictions. None of the Issuer, the Arrangers or the Dealers represents that this Offering Circular may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assumes any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer, the Arrangers or the Dealers which would permit a public offering of any Notes or distribution of this Offering Circular in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Offering Circular nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Offering Circular or any Notes may come must inform themselves about, and observe, any such restrictions

on the distribution of this Offering Circular and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Offering Circular and the offer or sale of the Notes in the United States, the European Economic Area (including the United Kingdom), Singapore, Japan and Hong Kong. See “*Subscription and Sale*”.

THE NOTES ARE BEING OFFERED AND SOLD OUTSIDE THE UNITED STATES IN RELIANCE ON REGULATION S. FOR A DESCRIPTION OF CERTAIN RESTRICTIONS ON OFFERS AND SALES OF NOTES AND ON DISTRIBUTION OF THIS OFFERING CIRCULAR, SEE “SUBSCRIPTION AND SALE”.

THE NOTES HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE U.S. SECURITIES AND EXCHANGE COMMISSION, ANY STATE SECURITIES COMMISSION IN THE UNITED STATES OR ANY OTHER U.S. REGULATORY AUTHORITY, NOR HAVE ANY OF THE FOREGOING AUTHORITIES PASSED UPON OR ENDORSED THE MERITS OF THE OFFERING OF NOTES OR THE ACCURACY OR THE ADEQUACY OF THIS OFFERING CIRCULAR. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE IN THE UNITED STATES.

In accordance with the Capital Markets and Services Act 2007 of Malaysia (the “CMSA”), a copy of this Offering Circular will be deposited with the Securities Commission Malaysia (the “SC”), which takes no responsibility for its contents. The issue, offer or invitation in relation to the Notes in this Offering Circular or otherwise are subject to the fulfilment of various conditions precedent including without limitation the applicable approval from the SC, and in respect of Subordinated Notes, approval from Bank Negara Malaysia. The establishment of the Programme was approved by the SC and this update to the Programme will be notified to the SC. The recipient of this Offering Circular acknowledges and agrees that the approval of the SC shall not be taken to indicate that the SC recommends the subscription or purchase of the Notes. The SC shall not be liable for any non-disclosure on the part of the Issuer and assumes no responsibility for the correctness of any statements made or opinions or reports expressed in this Offering Circular.

CERTAIN DEFINITIONS

Unless otherwise specified or the context requires, references herein to “U.S. dollars” and “U.S.\$” are to the lawful currency of the United States of America, references to “RM”, “Malaysian Ringgit”, “Ringgit” and “sen” are to the lawful currency of Malaysia, references to “Singapore dollars” and “S\$” are to the lawful currency of Singapore, references to “CNY”, “Renminbi” and “RMB” are to the lawful currency of the People’s Republic of China (the “PRC”), references to “Sterling” and £ are to the lawful currency of the United Kingdom, references to “EUR”, “euro” and “€” are to the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the functioning of the European Union, as amended, references to “PhP” are to the lawful currency of the Republic of the Philippines and references to “IDR” are to the lawful currency of Indonesia.

For convenience only and unless otherwise noted, all translations from Malaysian Ringgit into U.S. dollars in this Offering Circular were made at the rate of RM3.2835 to U.S.\$1.00. No representation is made that the Malaysian Ringgit amounts referred to in this Offering Circular could have been or could be converted into U.S. dollars at any particular rate or at all.

In addition, references to PRC are to the PRC and for geographical reference only (unless otherwise stated) exclude Taiwan, Hong Kong and Macau.

Any discrepancies in any table between totals and sums of the amounts listed are due to rounding.

Under the rules of the Securities Commission Malaysia, Maybank Investment Bank Berhad (“**Maybank IB**”) as Principal Adviser is required to declare that there may be a potential conflict of interest situation as Maybank IB is a wholly-owned subsidiary of the Issuer. As such, Maybank IB and the Issuer are deemed to be related corporations under Malaysian law. Notwithstanding the aforementioned, Maybank IB, in relation to its role as Principal Adviser in respect of the Programme, has considered the factors involved and believes objectivity and independence in carrying out its role has been and/or will be maintained at all times for the following reasons:

- (i) the appointment of Messrs Adnan Sundra and Low as an external independent legal counsel to conduct a legal due diligence inquiry on the Issuer;
- (ii) Maybank IB is a licenced investment bank under the laws of Malaysia and its appointment as the Arranger in respect of the Programme is in the ordinary course of its business;
- (iii) the conduct of Maybank IB is regulated by the Financial Services Act 2013 of Malaysia and Maybank IB has in place its own internal controls and checks with regards to transactions involving its related corporations;
- (iv) the Programme will be issued by way of private or public placement and in each case on a syndicated or non-syndicated basis, where pricing of the Notes will be market driven; and
- (v) the Issuer and its board of directors have confirmed that they are aware of the above potential conflict of interest situation and that notwithstanding such potential conflict, they are agreeable to proceed with the appointment of Maybank IB as Principal Adviser.

FORWARD-LOOKING STATEMENTS

The Issuer has included statements in this Offering Circular which contain words or phrases such as will, would, aim, aimed, is likely, are likely, believe, expect, expected to, will continue, anticipated, estimate, estimating, intend, plan, seeking to, future, objective, should, can, could, may, and similar expressions or variations of such expressions, that are “forward-looking statements”.

All statements regarding the Issuer’s or the Group’s expected financial position, business, strategies, plans, prospects and objectives are forward-looking statements. Actual results may differ materially from those suggested by the forward-looking statements due to certain risks or uncertainties associated with the Issuer’s expectations with respect to, but not limited to, its ability to successfully implement its strategy, its ability to integrate recent or future mergers or acquisitions into its operations, future levels of non-performing assets and restructured assets, its growth and expansion, the adequacy of its provision for credit and investment losses, technological changes, investment income, its ability to market new products, cash flow projections, the outcome of any legal or regulatory proceedings it is or becomes a party to, the future impact of new accounting standards, its ability to pay dividends, its ability to roll over its short-term funding sources, its exposure to operational, market, credit, interest rate and currency risks and the market acceptance of and demand for Internet banking services.

All forward-looking statements are made only as at the date of this Offering Circular. Given the risks and uncertainties that may cause the Issuer’s or the Group’s actual future results, performance or achievement to be materially different than expected, expressed or implied by the forward-looking statements in this Offering Circular, potential investors are advised not to place undue reliance on those statements. The Issuer expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement contained in this Offering Circular to reflect any change in the Issuer’s expectations with regard thereto or any change of events, conditions or circumstances on which any such statement was based.

STABILISATION

IN CONNECTION WITH THE ISSUE OF ANY TRANCHE, THE DEALER OR DEALERS (IF ANY) NAMED AS THE STABILISING MANAGER(S) (THE “STABILISING MANAGER(S)”) (OR PERSONS ACTING ON BEHALF OF ANY STABILISING MANAGER(S)) IN THE RELEVANT PRICING SUPPLEMENT MAY OVER-ALLOT NOTES OR EFFECT TRANSACTIONS WITH A VIEW TO SUPPORTING THE MARKET PRICE OF THE NOTES AT A LEVEL HIGHER THAN THAT WHICH MIGHT OTHERWISE PREVAIL. HOWEVER, THERE IS NO ASSURANCE THAT THE STABILISING MANAGER(S) (OR PERSONS ACTING ON BEHALF OF ANY STABILISING MANAGER) WILL UNDERTAKE STABILISATION ACTION. ANY STABILISATION ACTION OR OVER-ALLOTMENT MAY BEGIN ON OR AFTER THE DATE ON WHICH ADEQUATE PUBLIC DISCLOSURE OF THE TERMS OF THE OFFER OF THE RELEVANT TRANCHE OF NOTES IS MADE AND, IF BEGUN, MAY BE ENDED AT ANY TIME AND MUST BE BROUGHT TO AN END AFTER A LIMITED TIME. ANY STABILISATION ACTION OR OVER-ALLOTMENT MUST BE CONDUCTED BY THE RELEVANT STABILISING MANAGER(S) (OR PERSON(S) ACTING ON BEHALF OF ANY STABILISING MANAGER(S)) IN ACCORDANCE WITH ALL APPLICABLE LAWS AND RULES.

DOCUMENTS INCORPORATED BY REFERENCE

The following documents (including those published or issued from time to time after the date hereof) shall be deemed to be incorporated in, and to form part of, this Offering Circular:

- (a) the audited consolidated annual financial statements of the Issuer for the year ended 31 December 2013 (together with the Directors' reports and the Auditors' reports prepared in connection therewith) which have previously been published;
- (b) the most recently published audited financial statements of the Issuer since the date of this Offering Circular;
- (c) any interim consolidated and unconsolidated financial statements of the Issuer (whether audited or unaudited) published subsequent to the most recently published audited consolidated and unconsolidated financial statements of the Issuer since the date of this Offering Circular; and
- (d) all supplements or amendments to this Offering Circular circulated by the Issuer from time to time,

save that any statement contained herein or in a document which is deemed to be incorporated by reference herein shall be deemed to be modified or superseded for the purpose of this Offering Circular to the extent that a statement contained in any such subsequent document which is deemed to be incorporated by reference herein modifies or supersedes such earlier statement (whether expressly, by implication or otherwise). Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Offering Circular.

The full version of the Issuer's interim financial statements (whether audited or unaudited) and annual reports published from time to time can be obtained from the Issuer's website at www.maybank.com and Bursa Malaysia Securities Berhad ("**Bursa Securities**") website at this link, <http://announcements.bursamalaysia.com>.

The above websites and any other websites referenced in this Offering Circular are intended as guides as to where other public information relating to the Issuer may be obtained free of charge. Information appearing in such websites does not form part of this Offering Circular or any relevant Pricing Supplement and none of the Issuer, its Directors, the Arrangers and the Dealers accept any responsibility whatsoever that any information, if available, is accurate and/or up-to-date. Such information, if available, should not form the basis of any investment decision by an investor to purchase or deal in the Notes.

The Issuer will provide, without charge, to each person to whom a copy of this Offering Circular has been delivered, upon the request of such person, a copy of any or all of the documents deemed to be incorporated herein by reference unless such documents have been modified or superseded as specified above. Requests for such documents should be directed to the Issuer at its office set out at the end of this Offering Circular. In addition, such documents will be available free of charge from the office of The Hongkong and Shanghai Banking Corporation Limited (the "**Fiscal Agent**") at Level 30, HSBC Main Building, 1 Queen's Road Central, Hong Kong. Pricing Supplements relating to unlisted Notes will only be available for inspection by a holder of such Notes and such holder must produce evidence satisfactory to the Issuer or the relevant Paying Agent as to its holding of Notes and its identity.

If the terms of the Programme are modified or amended in a manner which would make this Offering Circular, as so modified or amended, inaccurate or misleading, a new offering circular will be prepared.

GENERAL DESCRIPTION OF THE PROGRAMME

Under the Programme, the Issuer (from time to time acting through its Hong Kong Branch or its Singapore Branch as specified in the applicable Pricing Supplement) may from time to time issue Notes denominated in any currency, subject to as set out herein. A summary of the terms and conditions of the Programme and the Notes appears below. The applicable terms of any Notes will be agreed between the Issuer and the relevant Dealer prior to the issue of the Notes and will be set out in the Terms and Conditions of the Notes endorsed on, attached to, or incorporated by reference into, the Notes, as modified and supplemented by the applicable Pricing Supplement attached to, or endorsed on, such Notes, as more fully described under “*Form of the Notes*”.

This Offering Circular and any supplement will only be valid for Notes issued under the Programme in an aggregate nominal amount which, when added to the aggregate nominal amount then outstanding of all Notes previously or simultaneously issued under the Programme, does not exceed U.S.\$5,000,000,000 or its equivalent in other currencies. For the purpose of calculating the U.S. dollar equivalent of the aggregate nominal amount of Notes issued under the Programme from time to time:

- (a) the U.S. dollar equivalent of Notes denominated in another Specified Currency (as specified in the applicable Pricing Supplement in relation to the relevant Notes, described under “*Form of the Notes*”) shall be determined, at the discretion of the Issuer, either as at the date on which agreement is reached for the issue of Notes or on the preceding day on which commercial banks and foreign exchange markets are open for business in Kuala Lumpur, in each case on the basis of the spot rate for the sale of the U.S. dollar against the purchase of such Specified Currency in the Malaysian foreign exchange market quoted by any leading international bank selected by the Issuer on the relevant day of calculation;
- (b) the U.S. dollar equivalent of Dual Currency Notes, Index Linked Notes and Partly Paid Notes (each as specified in the applicable Pricing Supplement in relation to the relevant Notes, described under “*Form of the Notes*”) shall be calculated in the manner specified above by reference to the original nominal amount on issue of such Notes (in the case of Partly Paid Notes regardless of the subscription price paid); and
- (c) the U.S. dollar equivalent of Zero Coupon Notes (as specified in the applicable Pricing Supplement in relation to the relevant Notes, described under “*Form of the Notes*”) and other Notes issued at a discount or a premium shall be calculated in the manner specified above by reference to the net proceeds received by the Issuer for the relevant issue.

SUMMARY OF THE PROGRAMME

The following summary does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this Offering Circular and, in relation to the terms and conditions of any particular Tranche of Notes, the applicable Pricing Supplement. Words and expressions defined in “*Form of the Notes*” and “*Terms and Conditions of the Notes*” shall have the same meanings in this summary.

Issuer:	Malayan Banking Berhad In relation to each Tranche of Notes, the applicable Pricing Supplement will indicate whether the Issuer is acting through its Hong Kong Branch or Singapore Branch, if applicable.
Description:	Multicurrency Medium Term Note Programme which caters for senior and subordinated note issues.
Arrangers:	Barclays Bank PLC, Singapore Branch, Maybank Kim Eng Securities Pte. Ltd. and Nomura Singapore Limited.
Dealers:	No dealers have been appointed as at the date of this Offering Circular. Pursuant to the Programme Agreement, the Issuer may from time to time appoint dealers either in respect of one or more Tranches or in respect of the whole Programme or terminate the appointment of any dealer under the Programme.
Certain Restrictions:	Each issue of Notes denominated in a currency in respect of which particular laws, guidelines, regulations, restrictions or reporting requirements apply will only be issued in circumstances which comply with such laws, guidelines, regulations, restrictions or reporting requirements from time to time (see “ <i>Subscription and Sale</i> ”) including the following restrictions applicable at the date of this Offering Circular.
Fiscal Agent:	The Hongkong and Shanghai Banking Corporation Limited
Registrar and Transfer Agent:	The Hongkong and Shanghai Banking Corporation Limited
CMU Lodging and Paying Agent:	The Hongkong and Shanghai Banking Corporation Limited
Singapore CDP Agent:	The Hongkong and Shanghai Banking Corporation Limited, Singapore Branch
Principal Adviser	For purposes of making submission to the Securities Commission Malaysia, Maybank Investment Bank Berhad
Programme Size:	Up to U.S.\$5,000,000,000 (or its equivalent in other currencies calculated as described under “ <i>General Description of the Programme</i> ”) outstanding at any time. The Issuer may increase the amount of the Programme in accordance with the terms of the Programme Agreement.
Distribution:	Notes may be distributed by way of private or public placement and in each case on a syndicated or non-syndicated basis.
Currencies:	Subject to any applicable legal or regulatory restrictions, any other currency agreed between the Issuer and the relevant Dealer.

Maturities:	Such maturities as may be agreed between the Issuer and the relevant Dealer, subject to a minimum of one year from the date of issue and other such minimum or maximum maturities as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the Issuer or the relevant Specified Currency.
Issue Price:	Notes may be issued on a fully-paid or (in the case of the Notes other than Subordinated Notes) a partly-paid basis and at an issue price which is at par or at a discount to, or premium over, par.
Form of Notes:	The Notes will be issued in bearer or registered form as described in “ <i>Form of the Notes</i> ”. Registered Notes will not be exchangeable for Bearer Notes and <i>vice versa</i> .
Fixed Rate Notes:	Fixed interest will be payable on such date or dates as may be agreed between the Issuer and the relevant Dealer and on redemption and will be calculated on the basis of such Day Count Fraction as may be agreed between the Issuer and the Dealer.
Floating Rate Notes:	<p>Floating Rate Notes will bear interest at a rate determined:</p> <ul style="list-style-type: none"> (a) on the same basis as the floating rate under a notional interest rate swap transaction in the relevant Specified Currency governed by an agreement incorporating the 2006 ISDA Definitions (as published by the International Swaps and Derivatives Association, Inc., and as amended and updated as at the Issue Date of the first Tranche of the Notes of the relevant Series); (b) on the basis of a reference rate appearing on the agreed screen page of a commercial quotation service; or (c) or on such other basis as may be agreed between the Issuer and the relevant Dealer. <p>The margin (if any) relating to such floating rate will be agreed between the Issuer and the relevant Dealer for each series of Floating Rate Notes.</p>
Index Linked Notes:	Payments of principal in respect of Index Linked Redemption Notes or of interest in respect of Index Linked Interest Notes will be calculated by reference to such index and/or formula or to changes in the prices of securities or commodities or to such other factors as the Issuer and the relevant Dealer may agree.
Other provisions in relation to Floating Rate Notes and Index Linked Interest Notes:	<p>Floating Rate Notes and Index Linked Interest Notes may also have a maximum interest rate, a minimum interest rate or both.</p> <p>Interest on Floating Rate Notes and Index Linked Interest Notes in respect of each Interest Period, as agreed prior to issue by the Issuer and the relevant Dealer, will be payable on such Interest Payment Dates, and will be calculated on the basis of such Day Count Fraction, as may be agreed between the Issuer</p>

and the relevant Dealer.

Dual Currency Notes:

Payments (whether in respect of principal or interest and whether at maturity or otherwise) in respect of Dual Currency Notes will be made in such currencies, and based on such rates of exchange, as the Issuer and the relevant Dealer may agree.

Zero Coupon Notes:

Zero Coupon Notes will be offered and sold at a discount to their nominal amount, or offered and sold at their nominal amount and be redeemed at a premium, and will not bear interest.

Redemption:

The applicable Pricing Supplement will indicate either that the relevant Notes cannot be redeemed prior to their stated maturity (other than in specified instalments, if applicable, or for taxation reasons or pursuant to a winding-up of the Issuer following an Event of Default) or that such Notes will be redeemable at the option of the Issuer and/or the Noteholders upon giving notice to the Noteholders or the Issuer, as the case may be, on a date or dates specified prior to such stated maturity and at a price or prices and on such other terms as may be agreed between the Issuer and the relevant Dealer.

The applicable Pricing Supplement may provide that Notes may be redeemable in two or more instalments of such amounts and on such dates as are indicated in the applicable Pricing Supplement.

The Issuer, any of its Subsidiaries, any of its agents or any related corporation of the Issuer may at any time purchase, subject to the approval of Bank Negara Malaysia (“**BNM**”) (but which approval shall not be required for a purchase made in the ordinary course of business), the Subordinated Notes prior to its stated maturity in any manner and at any price in the market or otherwise. See Condition 7.10 of the “*Terms and Conditions of the Notes*”.

Denomination of Notes:

Notes will be issued in such denominations as may be agreed between the Issuer and the relevant Dealer save that the minimum denomination of each Note will be such as may be allowed or required from time to time by the central bank (or equivalent body) or any laws or regulations applicable to the relevant Specified Currency, see “*Certain Restrictions*” above.

Taxation:

All payments of principal and interest in respect of the Notes, Receipts and Coupons will be made without deduction for or on account of withholding taxes imposed by Malaysia, subject as provided in Condition 8. In the event that any such deduction is made, the Issuer will, save in certain limited circumstances provided in Condition 8, be required to pay additional amounts to cover the amounts so deducted.

Negative Pledge:

The terms of the Senior Notes will contain a negative pledge provision as further described in Condition 4. The Subordinated

	Notes will not contain a negative pledge.
Events of Default for Senior Notes:	Events of default for Senior Notes are set out in Condition 10.1.
Cross-acceleration:	The terms of the Senior Notes will contain a cross-acceleration provision as further described in Condition 10.1.
Status of the Senior Notes:	The Senior Notes will constitute direct, unconditional, unsubordinated and (subject to the provisions of the negative pledge in Condition 4) unsecured obligations of the Issuer and shall at all times rank <i>pari passu</i> and without any preference among themselves. The payment obligations of the Issuer under the Senior Notes shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.
Status, Events of Default and other terms of Subordinated Notes:	The status of the Subordinated Notes and events of default applicable to Subordinated Notes are set out in Conditions 3.2 and 10.2, respectively. Subordinated Notes do not have the benefit of a negative pledge or cross-acceleration provision. Prior approval from BNM is required for issuance of Subordinated Notes.
Variation instead of Redemption of the Subordinated Notes:	The provisions relating to Variation instead of Redemption of Subordinated Notes shall be specified in the applicable Pricing Supplement.
Loss Absorption upon a Trigger Event in respect of Subordinated Notes:	Subordinated Notes shall have provisions relating to Loss Absorption upon a Trigger Event as defined in and as set out in the applicable Pricing Supplement.
Listing:	Application has been made to the SGX-ST for permission to deal in and for the listing and quotation of any Notes that may be issued pursuant to the Programme and which are agreed at or prior to the time of issue thereof to be so listed on the SGX-ST. Such permission will be granted when such Notes have been admitted to the Official List of the SGX-ST. Application has also been made to the LFX for the listing of, and permission to deal in, the Notes. In addition to the above, the Programme has also been admitted for the listing of the Notes on TSE in its capacity as the market operator of the TOKYO PRO-BOND Market in accordance with the rules and regulations of TSE. The Notes may also be listed on such other or further stock exchange(s) as may be agreed between the Issuer and the relevant Dealer in relation to each Series. For so long as any Notes are listed on the SGX-ST and the rules of the SGX-ST so require, such Notes will be traded on the SGX-ST in a minimum board lot size of S\$200,000 (or its equivalent in other currencies). Unlisted Notes may also be issued. The applicable Pricing Supplement will state whether or not the

relevant Notes are to be listed and, if so, on which stock exchange(s).

Ratings:

Tranches of Notes will be rated or unrated. Where a Tranche of Notes is to be rated, such rating will be specified in the relevant Pricing Supplement.

A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, revision, reduction or withdrawal at any time by the assigning rating agency.

Governing Law:

The Agency Agreement, the ECC Deed of Covenant, the Notes, the Receipts, the Coupons, the Talons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the ECC Deed of Covenant, the Notes, the Receipts, the Coupons and the Talons are governed by, and shall be construed in accordance with, English law, except that the subordination provisions set out in Condition 3.2 and Condition 10.2 shall be governed by and construed in accordance with the laws of Malaysia.

The CDP Deed of Covenant shall be governed by and construed in accordance with Singapore law.

Selling Restrictions:

There are restrictions on the offer, sale and transfer of the Notes in the United States, the European Economic Area (including the United Kingdom), Singapore, Japan, Malaysia and Hong Kong and such other restrictions as may be required in connection with the offering and sale of a particular Tranche of Notes, see “*Subscription and Sale*”.

United States Selling Restrictions:

Regulation S, Category 1; TEFRA C/TEFRA D/TEFRA not applicable, as specified in the applicable Pricing Supplement.

Clearing Systems:

Euroclear, Clearstream, Luxembourg, the CMU Service, CDP and/or any other clearing system as specified in the applicable Pricing Supplement, see “*Form of the Notes*”.

FORM OF THE NOTES

The Notes of each Series will be in either bearer form, with or without interest coupons attached, or registered form, without interest coupons attached.

Bearer Notes

Each Tranche of Bearer Notes will be in bearer form and will be initially issued in the form of a Temporary Bearer Global Note or, if so specified in the applicable Pricing Supplement, a Permanent Bearer Global Note which, in either case, will be delivered on or prior to the original issue date of the Tranche to either (i) a common depository (the “**Common Depository**”) for, Euroclear and Clearstream, Luxembourg, (ii) a sub-custodian for the CMU Service or (iii) CDP.

Whilst any Bearer Note is represented by a Temporary Bearer Global Note, payments of principal, interest (if any) and any other amount payable in respect of the Notes due prior to the Exchange Date (as defined below) will be made against presentation of the Temporary Bearer Global Note only to the extent that certification (in a form to be provided) to the effect that the beneficial owners of interests in such Bearer Note are not resident in the United States or persons who have purchased for resale to any person resident in the United States, as required by U.S. Treasury regulations, has been received by Euroclear and/or Clearstream, Luxembourg and/or the CMU Lodging and Paying Agent and/or CDP and (in the case of a Temporary Bearer Global Note delivered to a Common Depository for Euroclear and Clearstream, Luxembourg or CDP) Euroclear and/or Clearstream, Luxembourg and/or CDP, as applicable, has given a like certification (based on the certifications it has received) to the Paying Agent (as defined in “*Terms and Conditions of the Notes*”). On and after the date (the “**Exchange Date**”) which is 40 days after a Temporary Global Note is issued, interests in such Temporary Global Note will be exchangeable (free of charge) upon a request as described therein either for (a) interests in a Permanent Bearer Global Note of the same Series or (b) for definitive Bearer Notes of the same Series with, where applicable, receipts, interest coupons and talons attached (as indicated in the applicable Pricing Supplement and subject, in the case of definitive Bearer Notes, to such notice period as is specified in the applicable Pricing Supplement), in each case against certification of beneficial ownership as described above unless such certification has already been given, provided that the purchasers in the United States will not be able to receive definitive Bearer Notes. The CMU Service may require that any such exchange for a Permanent Global Bearer Note is made in whole and not in part and in such event, no such exchange will be effected until all relevant account holders (as set out in a CMU Instrument Position Report or any other relevant notification supplied to the CMU Lodging and Paying Agent by the CMU Service) have so certified. The holder of a Temporary Bearer Global Note will not be entitled to collect any payment of interest, principal or other amount due on or after the Exchange Date unless, upon due certification, exchange of the Temporary Bearer Global Note for an interest in a Permanent Bearer Global Note or for definitive Bearer Notes is improperly withheld or refused.

Payments of principal, interest (if any) or any other amounts on a Permanent Bearer Global Note will be made through Euroclear and/or Clearstream, Luxembourg or CDP against presentation or surrender (as the case may be) of the Permanent Bearer Global Note without any requirement for certification.

In respect of a Bearer Global Note held through the CMU Service, any payments of principal, interest (if any) or any other amounts shall be made to the person(s) for whose account(s) interests in the relevant Bearer Global Note are credited (as set out in a CMU Instrument Position Report or any other relevant notification supplied to the CMU Lodging and Paying Agent by the CMU Service) and, save in the case of final payment, no presentation of the relevant Bearer Global Note shall be required for such purpose.

The applicable Pricing Supplement will specify that a Permanent Bearer Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Bearer Notes with, where applicable, receipts, interest coupons and talons attached, upon either (a) not less than 60 days' written notice (i) in the case of Notes held by a Common Depository for Euroclear and Clearstream, Luxembourg, from Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) to the Fiscal Agent as described therein or (ii) in the case of Notes held through a sub-custodian for the CMU Service, from the relevant account holders therein to the CMU Lodging and Paying Agent as described therein or (b) only upon the occurrence of an Exchange Event. For these purposes, "**Exchange Event**" means that (i) an Event of Default (as defined in Condition 10) has occurred and is continuing, (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have, or in the case of Notes cleared through the CMU Service, the CMU Service has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or the relevant clearing system has announced an intention permanently to cease business or has in fact done so and no successor clearing system is available, or, in the case of Notes cleared through CDP, the Issuer has been notified that CDP has closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or CDP has announced an intention to permanently cease business and no alternative clearing system is available, (iii) CDP has notified the Issuer that it is unable or unwilling to act as depository for the Notes and to continue performing its duties set out in the Master Depository Services Agreement dated on or about the date of this Offering Circular, as amended, varied or supplemented from time to time (the "**Master Depository Services Agreement**") and no alternative clearing system is available or (iv) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Bearer Notes represented by the Permanent Bearer Global Note. The Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, (a) in the case of Notes held by CDP or a Common Depository for Euroclear and Clearstream, Luxembourg, CDP or Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Permanent Bearer Global Note) or, (b) in the case of Notes held through a sub-custodian for the CMU Service, the relevant account holders therein, may give notice to the Fiscal Agent or, as the case may be, the CMU Lodging and Paying Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iv) above, the Issuer may also give notice to the Fiscal Agent requesting exchange. Any such exchange shall occur not later than 45 days after the date of receipt of the first relevant notice by the Fiscal Agent or, as the case may be, the CMU Lodging and Paying Agent.

The following legend will appear on all Permanent Bearer Global Notes and all definitive Bearer Notes issued in accordance with TEFRA D:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE LIMITATIONS PROVIDED IN SECTIONS 165(J) AND 1287(A) OF THE UNITED STATES INTERNAL REVENUE CODE 1986 AS AMENDED AND THE REGULATIONS THEREUNDER."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Bearer Notes, receipts or interest coupons and will not be entitled to capital gains treatment of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Notes which are represented by a Bearer Global Note will only be transferable in accordance with the rules and procedures for the time being of Euroclear, Clearstream, Luxembourg, CDP or the CMU Service, as the case may be.

Registered Notes

The Registered Notes of each Tranche offered and sold in reliance on Regulation S, which will be sold to persons outside the United States, will be represented by a global note in registered form (a “**Registered Global Note**”, together with any Bearer Global Note, the “**Global Notes**”). Beneficial interests in a Registered Global Note may not be offered or sold within the United States and may not be held otherwise than through Euroclear, Clearstream, Luxembourg, CDP or the CMU Service.

Registered Global Notes will be deposited with a Common Depositary for, and registered in the name of a common nominee of, Euroclear, Clearstream, Luxembourg and/or deposited with a sub-custodian for the CMU Service (if applicable) and/or CDP or its nominee, as specified in the applicable Pricing Supplement. Persons holding beneficial interests in Registered Global Notes will be entitled or required, as the case may be, under the circumstances described below, to receive physical delivery of definitive Notes in fully registered form.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the person shown on the Register (as defined in Condition 6.4) as the registered holder of the Registered Global Notes. None of the Issuer, the Fiscal Agent, any Paying Agent or the Registrar will have any responsibility or liability for any aspect of the records relating to or payments or deliveries made on account of beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Payments of principal, interest or any other amount in respect of the Registered Notes in definitive form will, in the absence of provision to the contrary, be made to the persons shown on the Register on the relevant Record Date (as defined in Condition 6.4) immediately preceding the due date for payment in the manner provided in that Condition.

Interests in a Registered Global Note will be exchangeable (free of charge), in whole but not in part, for definitive Registered Notes without receipts, interest coupons or talons attached only upon the occurrence of an Exchange Event. For these purposes, “**Exchange Event**” means that (i) an Event of Default has occurred and is continuing, (ii) the Issuer has been notified that both Euroclear and Clearstream, Luxembourg have or, in the case of Notes cleared through the CMU Service, the CMU Service has been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and, in any case, no successor or alternative clearing system is available, or, in the case of Notes cleared through CDP, the Issuer has been notified that CDP has closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or CDP has announced an intention to permanently cease business and no alternative clearing system is available, (iii) the Issuer has or will become subject to adverse tax consequences which would not be suffered were the Notes represented by the Registered Global Notes in definitive form or (iv) CDP has notified the Issuer that it is unable or unwilling to act as depositary for the Notes and to continue performing its duties set out in the Master Depositary Services Agreement and no alternative clearing system is available. The Issuer will promptly give notice to Noteholders in accordance with Condition 14 if an Exchange Event occurs. In the event of the occurrence of an Exchange Event, (a) in the case of Notes registered in the name of CDP or a nominee for a Common Depositary for Euroclear and Clearstream, Luxembourg, CDP or Euroclear and/or Clearstream, Luxembourg (acting on the instructions of any holder of an interest in such Registered Global Note) and/or, (b) in the case of Notes held through a sub-custodian for the CMU Service, the relevant account holders therein, may give notice to the Registrar or the CMU Lodging and Paying Agent, as the case may be, requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Registrar requesting exchange. Any such exchange shall occur

not later than 10 days after the date of receipt of the first relevant notice by the Registrar or the CMU Lodging and Paying Agent, as the case may be.

Transfer of Interests

Interests in a Registered Global Note may, subject to compliance with all applicable restrictions, be transferred to a person who wishes to hold such interest in another Registered Global Note. No beneficial owner of an interest in a Registered Global Note will be able to transfer such interest, except in accordance with the applicable procedures of Euroclear, Clearstream, Luxembourg, CDP and the CMU Service, in each case to the extent applicable.

General

Pursuant to the Agency Agreement (as defined under “*Terms and Conditions of the Notes*”), the Paying Agent or, as the case may be, the CMU Lodging and Paying Agent shall arrange that, where a further Tranche of Notes is issued which is intended to form a single Series with an existing Tranche of Notes, the Notes of such further Tranche shall be assigned a common code and ISIN and, where applicable, a CMU instrument number which are different from the common code, CMU instrument number and ISIN assigned to Notes of any other Tranche of the same Series until at least the expiry of the distribution compliance period (as defined in Regulation S under the Securities Act), if any, applicable to the Notes of such Tranche.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear and/or Clearstream, Luxembourg or the CMU Service or CDP, each person (other than Euroclear and/or Clearstream, Luxembourg or the CMU Service or CDP or its nominee) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg or the CMU Service or CDP as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear and/or Clearstream, Luxembourg or the CMU Service or CDP as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes, save in the case of manifest error) shall be treated by the Issuer, the Fiscal Agent and their agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purposes the bearer of the relevant Bearer Global Note or the registered holder of the relevant Registered Global Note shall be treated by the Issuer, the Fiscal Agent and their agents as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions “**Noteholder**” and “**holder of Notes**” and related expressions shall be construed accordingly. Notwithstanding the above, if a Note (whether in global or definitive form) is held through the CMU Service, any payment that is made in respect of such Note shall be made at the direction of the bearer or the registered holder to the person(s) for whose account(s) interests in such Note are credited as being held through the CMU Service in accordance with the CMU Rules (as defined in the Agency Agreement) at the relevant time as notified to the CMU Lodging and Paying Agent by the CMU Service in a relevant CMU Instrument Position Report or any other relevant notification by the CMU Service (which notification, in either case, shall be conclusive evidence of the records of the CMU Service as to the identity of any accountholder and the principal amount of any Note credited to its account, save in the case of manifest error) and such payments shall discharge the obligation of the Issuer in respect of that payment under such Note.

Any reference herein to Euroclear and/or Clearstream, Luxembourg and/or the CMU Service and/or CDP shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Pricing Supplement.

A Note may be accelerated by the holder thereof in certain circumstances described in Condition 10. In such circumstances, where any Note is still represented by a Global Note and the Global Note (or any part thereof)

has become due and repayable in accordance with the Terms and Conditions of such Notes and payment in full of the amount due has not been made in accordance with the provisions of the Global Note then the Global Note will become void at 8.00 p.m. (Kuala Lumpur time) on such day. At the same time, holders of interests in such Global Note credited to their accounts with Euroclear, Clearstream, Luxembourg and/or the CMU Service and/or CDP, as the case may be, will become entitled to proceed directly against the Issuer on the basis of statements of account provided by Euroclear, Clearstream, Luxembourg and/or the CMU Service and/or CDP on and subject to the terms of (in the case of Notes cleared through Euroclear or Clearstream, Luxembourg or the CMU Service) a deed of covenant (the “**EEC Deed of Covenant**”) dated 14 May 2012 or (in the case of Notes cleared through CDP) a CDP Deed of Covenant dated 14 May 2012 (the “**CDP Deed of Covenant**”) and executed by the Issuer.

If the applicable Pricing Supplement specifies any modification to the Terms and Conditions of the Notes as described herein, it is envisaged that, to the extent that such modification relates only to Conditions 1, 5, 6, 7 (except Condition 7.2), 11, 12, 13, 14 (insofar as such Notes are not listed or admitted to trade on any stock exchange) or 18, they will not necessitate the preparation of a supplement to this Offering Circular. If the Terms and Conditions of the Notes of any Series are to be modified in any other respect, a supplement to this Offering Circular will be prepared, if appropriate.

FORM OF PRICING SUPPLEMENT

Set out below is the form of Pricing Supplement which will be completed for each Tranche of Notes issued under the Programme.

[Date]

Malayan Banking Berhad
(Company No. 3813-K)
(incorporated with limited liability in Malaysia)
[(acting through its [Hong Kong Branch/Singapore Branch])]

Issue of [Aggregate Nominal Amount of Tranche] [Title of Notes]

under the U.S.\$5,000,000,000
Multicurrency Medium Term Note Programme

This document constitutes the Pricing Supplement relating to the issue of Notes described herein.

Terms used herein shall be deemed to be defined as such for the purposes of the Terms and Conditions of the Notes set forth in the Offering Circular dated 28 May 2014 (the “**Offering Circular**”). This Pricing Supplement contains the final terms of the Notes and must be read in conjunction with such Offering Circular.

[The following alternative language applies if the first tranche of an issue which is being increased was issued under an Offering Circular with an earlier date.]

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions (the “**Conditions**”) set forth in the Offering Circular dated *[original date]*. This Pricing Supplement contains the final terms of the Notes and must be read in conjunction with the Offering Circular dated *[current date]*, save in respect of the Conditions which are extracted from the Offering Circular dated *[original date]* and are attached hereto.

[Include whichever of the following apply or specify as “Not Applicable” (N/A). Note that the numbering should remain as set out below, even if “Not Applicable” is indicated for individual paragraphs or subparagraphs. Italics denote directions for completing the Pricing Supplement]

[The following language applies if a particular tranche of Notes issued by the Issuer acting through its Singapore Branch are “Qualifying Debt Securities” for the purpose of Income Tax Act, Chapter 134 of Singapore:

*Where interest, discount income, prepayment fee, redemption premium or break cost is derived from any of the Notes by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for qualifying debt securities (subject to certain conditions) under the Income Tax Act, Chapter 134 of Singapore (the “**Income Tax Act**”), shall not apply if such person acquires such Notes using the funds and profits of such person’s operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Notes is not exempt from tax (including for the reasons described above) shall include such income in a return of income made under the Income Tax Act]*

GENERAL PROVISIONS APPLICABLE TO THE NOTES

- 25 Form of Notes: [Bearer Notes: Temporary Global Note exchangeable for a Permanent Global Note which is exchangeable for Definitive Notes [on 60 days' notice given at any time/only upon an Exchange Event]]
- [Bearer Notes: Temporary Global Note exchangeable for Definitive Notes on and after the Exchange Date]

[Bearer Notes: Permanent Global Note exchangeable for Definitive Notes [on 60 days' notice given at any time/only upon an Exchange Event/at any time at the request of the Issuer]]

[Registered Notes: Registered Global Note ([] nominal amount)]

(Ensure that this is consistent with the wording in the "Form of the Notes" section in the Offering Circular and the Notes themselves. N.B. The exchange upon notice/at any time options for Bearer Notes should not be expressed to be applicable if the Specified Denomination of the Notes in paragraph 6 includes language substantially to the following effect: "[] and integral multiples of [] in excess thereof up to and including []." Furthermore, such Specified Denomination construction is not permitted in relation to any issue of Notes which is to be represented on issue by a Temporary Global Note exchangeable for Definitive Notes.)

- 26 Additional Financial Centre(s) or Payment Days: [Not Applicable/give details] *(Note that this paragraph other special provisions relating to relates to the place of payment and not Interest Period end dates to which sub-paragraphs 16(b), 17(d) and 19(f) relate)*
- 27 Talons for future Coupons or Receipts to be attached to Definitive Notes (and dates on which such Talons mature): [Yes/No. If yes, give details]
- 28 Details relating to Partly Paid Notes: amount of each payment comprising the Issue Price and date on which each payment is to be made and consequences of failure to pay, including any right of the Issuer to forfeit the Notes and interest due on late payment: [Not Applicable/give details. N.B. a new form of Temporary Global Note and/or Permanent Global Note may be required for Partly Paid issues]
- 29 Details relating to Instalment Notes:
- (a) Instalment Amount(s): [Not Applicable/give details]
- (b) Instalment Date(s): [Not Applicable/give details]
- 30 Redenomination applicable: Redenomination [not] applicable (If Redenomination is applicable, specify the applicable Day Count Fraction and any provisions necessary to deal with floating rate interest calculation (including alternative reference rates))
- 31 Other terms: [Not Applicable/give details]

DISTRIBUTION

- 32 (1) If syndicated, names of Managers: [Not Applicable/give names]
- (a) Date of Subscription Agreement []

- (b) Stabilising Manager(s) (if any): [Not Applicable/give name]
- 33 If non-syndicated, name of relevant Dealer: [Not Applicable/give name]
- 34 U.S. Selling Restrictions: Reg. S Category 1; [TEFRA D/TEFRA C/TEFRA not applicable]
- 35 Additional selling restrictions: [Not Applicable/give details]
- Operational Information**
- 36 Any clearing system(s) other than CDP, the CMU Service, Euroclear and Clearstream, Luxembourg and the relevant identification number(s): [CDP/CMU/Not Applicable/give name(s) and number(s)]
- 37 Delivery: Delivery [against/free of] payment
- 38 Additional Paying Agent(s) (if any): []
- ISIN: []
- Common Code: []
- (insert here any other relevant codes such as a CMU instrument number)*
- 39 Ratings [The Notes to be issued will not be rated/The Notes to be issued have been rated:]
- [S&P: []]
- [Fitch: []]
- [[Other: []]
- (The above disclosure should reflect the rating allocated to Notes of the type being issued under the Programme generally or, where the issue has been specifically rated, that rating.)*

[LISTING APPLICATION]

This Pricing Supplement comprises the pricing supplement required to list the issue of Notes described herein pursuant to the U.S.\$5,000,000,000 Multicurrency Medium Term Note Programme of Malayan Banking Berhad.]

RESPONSIBILITY

The Issuer accepts responsibility for the information contained in this Pricing Supplement.

The Singapore Exchange Securities Trading Limited (the “SGX-ST”) assumes no responsibility for the correctness of any of the statements made or opinions expressed or reports contained in this Pricing Supplement. The approval in-principle from, and the admission of the Notes to the Official List of, the SGX-ST are not to be taken as indications of the merits of the Issuer, the Programme or the Notes.

The Labuan International Financial Exchange Inc. (the “LFX”) assumes no responsibility for the correctness of any of the statements made or opinions or reports contained in this Pricing Supplement, makes no

representations as to its accuracy or completeness and expressly disclaims any liability whatsoever for any loss howsoever arising from or in reliance upon any part of the contents of this Pricing Supplement. Investors are advised to read and understand the contents of the Offering Circular and this Pricing Supplement before investing. If in doubt, the investor should consult his or her adviser. Admission to the Official List of the LFX is not to be taken as an indication of the merits of the Issuer, the Programme or the Notes.

Signed on behalf of the Issuer:

By:

Duly authorised

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each Definitive Bearer Note (as defined below) and each Definitive Registered Note (as defined below), but in the case of Definitive Bearer Notes and Definitive Registered Notes, only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such Definitive Bearer Note or Definitive Registered Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Pricing Supplement in relation to any Tranche of Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Pricing Supplement (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to "Form of the Notes" for a description of the content of Pricing Supplement which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by Malayan Banking Berhad (the "**Issuer**"), from time to time acting through its Hong Kong Branch or its Singapore Branch as specified in the applicable Pricing Supplement, pursuant to the Agency Agreement (as defined below).

References herein to the "**Notes**" shall be references to the Notes of this Series and shall mean:

- (a) in relation to any Notes represented by a global Note (a "**Global Note**"), units of each Specified Denomination in the currency specified herein or, if none is specified, the currency in which the Notes are denominated (the "**Specified Currency**");
- (b) any Global Note in bearer form (each a "**Bearer Global Note**");
- (c) any Global Notes in registered form (each a "**Registered Global Note**");
- (d) any definitive Notes in bearer form ("**Definitive Bearer Notes**", together with the Bearer Global Notes, the "**Bearer Notes**") issued in exchange for a Global Note in bearer form; and
- (e) any definitive Notes in registered form ("**Definitive Registered Notes**", together with the Registered Global Notes, the "**Registered Notes**") (whether or not issued in exchange for a Global Note in registered form).

The Notes, the Receipts (as defined below) and the Coupons (as defined below) have the benefit of an amended and restated Agency Agreement (such Agency Agreement as amended and/or supplemented and/or restated from time to time, the "**Agency Agreement**") dated 28 May 2014 and made between the Issuer, The Hongkong and Shanghai Banking Corporation Limited as fiscal agent (the "**Fiscal Agent**", which expression shall include any successor fiscal agent), The Hongkong and Shanghai Banking Corporation Limited as CMU lodging and paying agent (the "**CMU Lodging and Paying Agent**", which expression shall include any successor CMU lodging and paying agent) and the other paying agents named therein (together with the Fiscal Agent and the CMU Lodging and Paying Agent, the "**Paying Agents**", which expression shall include any additional or successor paying agents), The Hongkong and Shanghai Banking Corporation Limited as registrar (the "**Registrar**", which expression shall include any successor registrar) and as transfer agent (together with the Registrar and the other transfer agents named therein, the "**Transfer Agents**", which expression shall include any additional or successor transfer agents) and The Hongkong and Shanghai Banking Corporation Limited, Singapore Branch as fiscal agent, registrar, paying agent and transfer agent in Singapore solely for the purposes in connection with Notes cleared or to be cleared through The Central

Depository (Pte) Limited (the “**Singapore CDP Agent**”, which expression shall include any successor agent in Singapore).

For the purposes of these Terms and Conditions (the “**Conditions**”), (i) all references (other than in relation to the determination of interest and other amounts payable in respect of the Notes) to the Fiscal Agent shall, with respect to a Series of Notes to be held in the CMU Service (as defined below), be deemed to be a reference to the CMU Lodging and Paying Agent and all such references shall be construed accordingly, and (ii) all references to the Fiscal Agent, Paying Agent, Registrar and Transfer Agent shall, with respect to a Tranche of Notes to be cleared or cleared through the CDP (as defined below), be deemed to be a reference to the Singapore CDP Agent and all such references shall be construed accordingly.

Interest bearing Definitive Bearer Notes have interest coupons (“**Coupons**”) and, if indicated in the applicable Pricing Supplement, talons for further Coupons (“**Talons**”) attached on issue. Any reference herein to Coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons. Definitive Bearer Notes repayable in instalments have receipts (“**Receipts**”) for the payment of the instalments of principal (other than the final instalment) attached on issue. Definitive Registered Notes and Global Notes do not have Receipts, Coupons or Talons attached on issue.

The final terms for this Note (or the relevant provisions thereof) are set out in the Pricing Supplement attached to or endorsed on this Note which supplements the Conditions and may specify other terms and conditions, which shall, to the extent so specified or to the extent inconsistent with the Conditions, replace or modify the Conditions for the purposes of this Note. References to the “**applicable Pricing Supplement**” are to the Pricing Supplement (or the relevant provisions thereof) attached to or endorsed on this Note.

Any reference to “**Noteholders**” or “**holders**” in relation to any Notes shall mean (in the case of Definitive Bearer Notes) the holders of the Notes and (in the case of Definitive Registered Notes) the persons in whose name the Notes are registered and shall, in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to “**Receiptholders**” shall mean the holders of the Receipts and any reference herein to “**Couponholders**” shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, “**Tranche**” means Notes which are identical in all respects (including as to listing and admission to trading) and “**Series**” means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a single series and (b) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, (unless this is a Zero Coupon Note) Interest Commencement Dates and/or Issue Prices.

In the case of Notes cleared through Euroclear, Clearstream, Luxembourg or CMU Service (each as defined below), the Noteholders, the Receiptholders and the Couponholders are entitled to the benefit of the Deed of Covenant (the “**ECC Deed of Covenant**”) dated 14 May 2012 and made by the Issuer. The original of the ECC Deed of Covenant is held by the common depository for Euroclear and Clearstream, Luxembourg.

Where the Notes are cleared through The Central Depository (Pte) Limited (“**CDP**”), the Noteholders, the Receiptholders and the Couponholders are entitled to the benefit of the CDP Deed of Covenant (the “**CDP Deed of Covenant**”, together with the ECC Deed of Covenant, the “**Deeds of Covenant**”, and each “**a Deed of Covenant**”) dated 14 May 2012 and made by the Issuer.

Copies of the Agency Agreement, the Deed of Covenants are available for inspection during normal business hours at the registered office for the time being of the Fiscal Agent being at Level 30, HSBC Main Building, 1 Queen’s Road Central, Central, Hong Kong and at the specified office of each of the Registrar, the other Paying Agents and Transfer Agents (such Paying Agents and the Registrar being together referred to as “**Agents**”). Copies of the applicable Pricing Supplement are obtainable during normal business hours at the

specified office of the Issuer and of each of the Fiscal Agents save that, if this Note is an unlisted Note of any Series, the applicable Pricing Supplement will only be obtainable by a Noteholder holding one or more unlisted Notes of that Series and such Noteholder must produce evidence satisfactory to the Issuer or the relevant Agent as to its holding of such Notes and identity. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, and are bound by, all the provisions of the Agency Agreement, the Deed of Covenants and the applicable Pricing Supplement which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Pricing Supplement shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Pricing Supplement, the applicable Pricing Supplement will prevail.

1 FORM, DENOMINATION AND TITLE

The Notes are issued in bearer form or in registered form as specified in the applicable Pricing Supplement and, in the case of definitive Notes, serially numbered, in the Specified Currency and the Specified Denomination(s). Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination and Notes in bearer form may not be exchanged for Notes in registered form and vice versa.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, a Dual Currency Interest Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Pricing Supplement.

This Note may be an Index Linked Redemption Note, an Instalment Note, a Dual Currency Redemption Note, a Partly Paid Note or a combination of any of the foregoing, depending upon the Redemption/Payment Basis shown in the applicable Pricing Supplement.

This Note may also be a Senior Note or a Subordinated Note, as indicated in the applicable Pricing Supplement.

Definitive Bearer Notes are issued with Coupons attached, unless they are Zero Coupon Notes in which case references to Coupons and Couponholders in the Conditions are not applicable.

Subject as set out below, title to Definitive Bearer Notes, Receipts and Coupons will pass by delivery and title to Definitive Registered Notes will pass upon registration of transfers in the register which is kept by the Registrar in accordance with the provisions of the Agency Agreement. The Issuer and the Agents will (except as otherwise required by law) deem and treat the bearer of any Definitive Bearer Note, Receipt or Coupon and the registered holder of any Definitive Registered Note as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes, but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of CDP, Euroclear Bank S.A./N.V. (“**Euroclear**”), Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) and/or a sub-custodian for the Central Moneymarkets Unit Service operated by the Hong Kong Monetary Authority (the “**CMU Service**”), each person (other than CDP, Euroclear or Clearstream, Luxembourg or the CMU Service) who is for the time being shown in the records of CDP, Euroclear, Clearstream, Luxembourg or the CMU Service as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by CDP, Euroclear or Clearstream, Luxembourg or the CMU Service as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes

save in the case of manifest error) shall be treated by the Issuer and the Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Bearer Global Note or the registered holder of the relevant Registered Global Note shall be treated by the Issuer and any Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions “**Noteholder**” and “**holder of Notes**” and related expressions shall be construed accordingly. Notwithstanding the above, if a Note (whether in global or definitive form) is held through the CMU Service, any payment that is made in respect of such Note shall be made at the direction of the bearer or the registered holder to the person(s) for whose account(s) interests in such Note are credited as being held through the CMU Service in accordance with the CMU Rules at the relevant time as notified to the CMU Lodging and Paying Agent by the CMU Service in a relevant CMU Instrument Position Report or any other relevant notification by the CMU Service (which notification, in either case, shall be conclusive evidence of the records of the CMU Service as to the identity of any accountholder and the principal amount of any Note credited to its account, save in the case of manifest error) (“**CMU Accountholders**”) and such payments shall discharge the obligation of the Issuer in respect of that payment under such Note.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of CDP, Euroclear, Clearstream, Luxembourg and the CMU Service, as the case may be.

References to CDP, Euroclear, Clearstream, Luxembourg and/or the CMU Service shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Pricing Supplement or as may otherwise be approved by the Issuer and the Fiscal Agent.

2 TRANSFERS OF REGISTERED NOTES

2.1 Transfers of interests in Registered Global Notes

Transfers of beneficial interests in Registered Global Notes will be effected by CDP, Euroclear, Clearstream, Luxembourg or the CMU Service, as the case may be, and, in turn, by other participants and, if appropriate, indirect participants in such clearing systems acting on behalf of beneficial transferors and transferees of such interests. A beneficial interest in a Registered Global Note will, subject to compliance with all applicable legal and regulatory restrictions, be transferable for Definitive Registered Notes or for a beneficial interest in another Registered Global Note only in the authorised denominations set out in the applicable Pricing Supplement and only in accordance with the rules and operating procedures for the time being of CDP, Euroclear, Clearstream, Luxembourg or the CMU Service, as the case may be, and in accordance with the terms and conditions specified in the Agency Agreement. Transfers of a Registered Global Note registered in the name of a nominee for CDP, Euroclear, Clearstream, Luxembourg or the CMU Service shall be limited to transfers of such Registered Global Note, in whole but not in part, to another nominee of CDP, Euroclear, Clearstream, Luxembourg or the CMU Service (as the case may be) or to a successor if CDP, Euroclear, Clearstream, Luxembourg or the CMU Service (as the case may be) or such successor’s nominee.

2.2 Transfers of Definitive Registered Notes

Subject as provided in Condition 2.5 below, upon the terms and subject to the conditions set forth in the Agency Agreement, a Definitive Registered Note may be transferred in whole or in part (in the authorised denominations set out in the applicable Pricing Supplement). In order to effect any such transfer:

- (i) the holder or holders must:

- (A) surrender the Definitive Registered Note for registration of the transfer of the Definitive Registered Note (or the relevant part of the Definitive Registered Note) at the specified office of the Registrar or any Transfer Agent, with the form of transfer thereon duly executed by the holder or holders thereof or his or their attorney or attorneys duly authorised in writing; and
 - (B) complete and deposit such other certifications as may be required by the Registrar or, as the case may be, the relevant Transfer Agent; and
- (ii) the Registrar or, as the case may be, the relevant Transfer Agent must, after due and careful enquiry, be satisfied with the documents of title and the identity of the person making the request.

Any such transfer will be subject to such reasonable regulations as the Issuer and the Registrar may from time to time prescribe (the initial such regulations being set out in Schedule 9 to the Agency Agreement). Subject as provided above, the relevant Transfer Agent will, within ten business days (being for this purpose a day on which banks are open for business in the city where the specified office of the relevant Transfer Agent is located) of the request (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), authenticate and deliver, or procure the authentication and delivery of, at its specified office to the transferee or (at the risk of the transferee) send by uninsured mail, to such address as the transferee may request, a new Definitive Registered Note in definitive form of a like aggregate nominal amount to the Definitive Registered Note (or the relevant part of the Definitive Registered Note) transferred. In the case of the transfer of part only of a Definitive Registered Note, a new Definitive Registered Note in respect of the balance of the Definitive Registered Note not transferred will be authenticated and delivered or (at the risk of the transferor) sent to the transferor.

2.3 Registration of transfer upon partial redemption

In the event of a partial redemption of Notes under Condition 7, the Issuer shall not be required to register the transfer of any Definitive Registered Note, or part of a Definitive Registered Note, called for partial redemption.

2.4 Costs of registration

Noteholders will not be required to bear the costs and expenses of effecting any registration of transfer as provided above, except for any costs or expenses of delivery other than by regular uninsured mail and except that the Issuer may require the payment of a sum sufficient to cover any stamp duty, tax or other governmental charge that may be imposed in relation to the registration.

2.5 Closed Periods

No Noteholder may require the transfer of a Registered Note to be registered during the period of (i) 15 days ending on (and including) the due date for redemption of, or payment of any Instalment Amount in respect of, that Note, (ii) during the period of 15 days before any date on which Notes may be called for redemption by the Issuer pursuant to Condition 7.3 and (iii) during the period of seven days ending on (and including) any Record Date.

2.6 Exchanges and transfers of Definitive Registered Notes generally

Holders of Definitive Registered Notes may exchange such Notes for interests in a Registered Global Note of the same type at any time.

3 STATUS OF THE NOTES

3.1 Status of the Senior Notes

This Condition 3.1 applies only to Notes specified in the applicable Pricing Supplement as being Senior Notes.

The Notes the status of which is specified in the applicable Pricing Supplement as Senior (the “**Senior Notes**”) and any relative Receipts and Coupons constitute direct, unconditional, unsubordinated and (subject to Condition 4) unsecured obligations of the Issuer and shall at all times rank pari passu and without any preference among themselves. The payment obligations of the Issuer under the Senior Notes shall, save for such exceptions as may be provided by applicable legislation and subject to Condition 4, at all times rank at least equally with all its other present and future unsecured and unsubordinated obligations.

3.2 Status of the Subordinated Notes

This Condition 3.2 applies only to Notes specified in the applicable Pricing Supplement as being Subordinated Notes.

If the Notes are specified as Subordinated Notes in the applicable Pricing Supplement, the Subordinated Notes and the relative Receipts and Coupons constitute direct, unconditional, unsecured and, in accordance with this Condition 3.2, subordinated obligations of the Issuer, ranking pari passu without any preference among themselves. Provisions relating to the terms of the Subordinated Notes will be set out in the applicable Pricing Supplement.

The subordination provisions set out in the applicable Pricing Supplement will be effective only upon the occurrence of any Winding-Up Proceeding of the Issuer. On a Winding-Up of the Issuer, there may be no surplus assets available to meet the claims of the Noteholders, Receiptholders or Couponholders of the Subordinated Notes after the claims of the parties ranking senior to the Noteholders, Receiptholders and Couponholders of the Subordinated Notes have been satisfied.

The terms and conditions of the Subordinated Notes will be subject to applicable legal and regulatory provisions governing the status of capital adequacy and subordinated securities of Malaysian banks. Accordingly, further provisions relating to the terms of any Subordinated Notes issued under this Programme (which may include any further procedures required by the Fiscal Agent, the Registrar, CDP, Euroclear, Clearstream, Luxembourg or the CMU Service) will, if applicable, be set out in the applicable Pricing Supplement.

4 NEGATIVE PLEDGE

This Condition 4 applies only to Notes specified in the applicable Pricing Supplement as being Senior Notes.

So long as any of the Senior Notes and the relative Receipts or Coupons remains outstanding (as defined in the Agency Agreement) the Issuer will not create or permit to subsist, any mortgage, charge, pledge, lien or other form of encumbrance or security interest (each a “**Security Interest**”) upon the whole or any part of its undertaking, assets or revenues, present or future, to secure any Relevant Indebtedness (as defined below) unless, at the same time or prior thereto:

- (i) the Issuer’s obligations under the Senior Notes are secured equally and rateably therewith; or
- (ii) such other Security Interest is provided as is approved by an Extraordinary Resolution of the Noteholders.

In this Condition 4, “**Relevant Indebtedness**” means any present or future indebtedness, or any guarantee in respect of any present or future indebtedness, in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities which by their terms (i) are payable in a currency other than Ringgit or are denominated in Ringgit and more than 50 per cent. of the aggregate principal amount of which is initially distributed outside Malaysia by, or with the authorisation of, the Issuer; and (ii) which are quoted, listed or ordinarily dealt in on any stock exchange or over-the-counter or other securities market outside Malaysia.

5 INTEREST

5.1 Interest on Fixed Rate Notes

Each Fixed Rate Note bears interest on its outstanding nominal amount (or if it is a Partly Paid Note, the nominal amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Pricing Supplement, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Pricing Supplement, amount to the Broken Amount so specified.

As used in the Conditions:

“**Fixed Interest Period**” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date; and

“**Reference Banks**” means, in the case of a determination of LIBOR, the principal London office of four major banks in the London interbank market, in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone interbank market, in the case of a determination of HIBOR, the principal Hong Kong office of four major banks in the Hong Kong interbank market, and in the case of a determination of the Singapore Dollar interbank offered rate (“**SIBOR**”) or the Singapore Dollar swap offer rate (“**SOR**”), the principal Singapore offices of each of the three major banks in the Singapore interbank market, in each case selected by the Fiscal Agent or as specified in the applicable Pricing Supplement.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Pricing Supplement, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by

which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

“**Day Count Fraction**” means, in respect of the calculation of an amount of interest in accordance with this Condition 5.1:

- (a) if “**Actual/Actual (ICMA)**” is specified in the applicable Pricing Supplement:
 - (i) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “**Accrual Period**”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (I) the number of days in such Determination Period and (II) the number of Determination Dates (as specified in the applicable Pricing Supplement) that would occur in one calendar year; or
 - (ii) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (A) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (B) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year;
- (b) if “**30/360**” is specified in the applicable Pricing Supplement, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360; and
- (c) if “**Actual/365 (Fixed)**” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365.

In this Condition 5.1:

“**Determination Period**” means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“**sub-unit**” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

5.2 Interest on Floating Rate Notes and Index Linked Interest Notes

(a) *Interest Payment Dates*

Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount (or if it is a Partly Paid Note, the nominal amount paid up) from (and

including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (i) the Specified Interest Payment Date(s) in each year specified in the applicable Pricing Supplement; or
- (ii) if no Specified Interest Payment Date(s) is/are specified in the applicable Pricing Supplement, each date (each such date, together with each Specified Interest Payment Date, an “**Interest Payment Date**”) which falls the number of months or other period specified as the Specified Period in the applicable Pricing Supplement after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

In this Condition 5.2, if a Business Day Convention is specified in the applicable Pricing Supplement and (x) if there is no numerically corresponding day in the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (A) in any case where Specified Periods are specified in accordance with Condition 5.2(a)(ii) above, the Floating Rate Convention, such Interest Payment Date (a) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (ii) below shall apply mutatis mutandis or (b) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (i) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (ii) each subsequent Interest Payment Date shall be the last Business Day in the month which falls in the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (B) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (C) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (D) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, “**Business Day**” means a day which is both:

- I a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London, Hong Kong, Singapore and each Additional Business Centre specified in the applicable Pricing Supplement; and
- II either (i) in relation to any sum payable in a Specified Currency other than euro and Renminbi, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and

foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than London, Hong Kong, Singapore and any Additional Business Centre and which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (ii) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System (the “**TARGET2 System**”) is open or (iii) in relation to any sum payable in Renminbi, a day (other than a Saturday, Sunday or public holiday) on which commercial banks in Hong Kong are generally open for business and settlement of Renminbi payments.

(b) **Rate of Interest**

The Rate of Interest payable from time to time in respect of Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Pricing Supplement.

(i) ISDA Determination for Floating Rate Notes:

Where ISDA Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period shall be determined by the Calculation Agent at a rate equal to the relevant ISDA Rate plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any). For the purposes of this subparagraph (i), “**ISDA Rate**” for an Interest Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the “**ISDA Definitions**”) and under which:

- (A) the Floating Rate Option is as specified in the applicable Pricing Supplement;
- (B) the Designated Maturity is a period specified in the applicable Pricing Supplement; and
- (C) the relevant Reset Date is either (a) if the applicable Floating Rate Option is based on the London interbank offered rate (“**LIBOR**”) on the Euro-zone interbank offered rate (“**EURIBOR**”) or on the Hong Kong interbank offered rate (“**HIBOR**”), the first day of that Interest Period or (b) in any other case, as specified in the applicable Pricing Supplement.

For the purposes of this subparagraph (i), “**Floating Rate**”, “**Calculation Agent**”, “**Floating Rate Option**”, “**Designated Maturity**”, “**Reset Date**” and “**Swap Transaction**” have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Pricing Supplement the Minimum Rate of Interest shall be deemed to be zero.

(ii) Screen Rate Determination for Floating Rate Notes where the Reference Rate is specified as being LIBOR, EURIBOR or HIBOR:

Where Screen Rate Determination is specified in the applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (A) the offered quotation; or
- (B) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page (or any such successor or replacement page on that service which displays the information) as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR, or Hong Kong time, in the case of HIBOR) (in each case, the “**Specified Time**”) on the Interest Determination Date in question plus or minus (as indicated in the applicable Pricing Supplement) the Margin (if any), all as determined by the Fiscal Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Fiscal Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of paragraph (A) above, no offered quotation appears or if, in the case of paragraph (B) above, fewer than three offered quotations appear, in each case as at the Specified Time, the Fiscal Agent shall request each of the Reference Banks to provide the Fiscal Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at the Specified Time on the Interest Determination Date in question. If two or more of the Reference Banks provide the Fiscal Agent with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Fiscal Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Fiscal Agent with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Fiscal Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Fiscal Agent by the Reference Banks or any two or more of them, at which such banks were offered, at the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the London interbank market (if the Reference Rate is LIBOR), the Euro-zone interbank market (if the Reference Rate is EURIBOR), or the Hong Kong interbank market (if the Reference Rate is HIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide the Fiscal Agent with offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Fiscal Agent it is quoting to leading banks in the London interbank market (if the Reference Rate is LIBOR), the Euro-zone interbank market (if the Reference Rate is EURIBOR),

the Hong Kong interbank market (if the Reference Rate is HIBOR) or the Singapore interbank market (if the Reference Rate is SIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

- (iii) Screen Rate Determination for Floating Rate Notes where the Reference Rate is specified as being the Singapore dollar interbank offer rate (“**SIBOR**”) or the Singapore dollar swap offer rate (“**SOR**”):
 - (A) Each Floating Rate Note where the Reference Rate is specified as being SIBOR (in which case such Note will be a “**SIBOR Note**”) or SOR (in which case such Note will be a “**Swap Rate Note**”) bears interest at a floating rate determined by reference to a benchmark as specified hereon or in any case such other benchmark as specified hereon.
 - (B) The Rate of Interest payable from time to time in respect of each Floating Rate Note under this Condition 5.2(b)(iii) will be determined by the Fiscal Agent on the basis of the following provisions:
 - (I) in the case of Floating Rate Notes which are SIBOR Notes
 - (aa) the Fiscal Agent will, at or about the Relevant Time on the relevant Interest Determination Date in respect of each Interest Period, determine the Rate of Interest for such Interest Period which shall be the offered rate for deposits in Singapore dollars for a period equal to the duration of such Interest Period which appears on the Reuters Screen ABSIRFIX01 page under the caption “ABS — SIBOR FIX — SIBOR AND SWAP OFFER RATES — RATES AT 11.00 HRS SINGAPORE TIME” and the column headed “SGD SIBOR” (or such other Relevant Screen Page);
 - (bb) if no such rate appears on the Reuters Screen ABSIRFIX01 page (or such other replacement page thereof or, if no rate appears, on such other Relevant Screen Page) or if Reuters Screen ABSIRFIX01 page (or such other replacement page thereof or such other Relevant Screen Page) is unavailable for any reason, the Fiscal Agent will request the principal Singapore offices of each of the Reference Banks to provide the Fiscal Agent with the rate at which deposits in Singapore dollars are offered by it at approximately the Relevant Time on the Interest Determination Date to prime banks in the Singapore inter-bank market for a period equivalent to the duration of such Interest Period commencing on such Interest Payment Date in an amount comparable to the aggregate nominal amount of the relevant Floating Rate Notes. The Rate of Interest for such Interest Period shall be the arithmetic mean (rounded up, if necessary, to the

nearest 1/16 per cent.) of such offered quotations, as determined by the Fiscal Agent;

- (cc) if on any Interest Determination Date two but not all the Reference Banks provide the Fiscal Agent with such quotations, the Rate of Interest for the relevant Interest Period shall be determined in accordance with (bb) above on the basis of the quotations of those Reference Banks providing such quotations; and
- (dd) if on any Interest Determination Date one only or none of the Reference Banks provides the Fiscal Agent with such quotations, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Fiscal Agent determines to be the arithmetic mean (rounded up, if necessary, to the nearest 1/16 per cent.) of the rates quoted by the Reference Banks or those of them (being at least two in number) to the Fiscal Agent at or about the Relevant Time on such Interest Determination Date as being their cost (including the cost occasioned by or attributable to complying with reserves, liquidity, deposit or other requirements imposed on them by any relevant authority or authorities) of funding, for the relevant Interest Period, an amount equal to the aggregate nominal amount of the relevant Floating Rate Notes for such Interest Period by whatever means they determine to be most appropriate or if on such Interest Determination Date one only or none of the Reference Banks provides the Fiscal Agent with such quotation, the rate per annum which the Fiscal Agent determines to be arithmetic mean (rounded up, if necessary, to the nearest 1/16 per cent.) of the prime lending rates for Singapore dollars quoted by the Reference Banks at or about the relevant time on such Interest Determination Date.

(II) in the case of Floating Rate Notes which are Swap Rate Notes

- (aa) the Fiscal Agent will, at or about the Relevant Time on the relevant Interest Determination Date in respect of each Interest Period, determine the Rate of Interest for such Interest Period as being the rate which appears on the Reuters Screen ABSFIX01 Page under the caption “SGD SOR rates as of 11:00 hrs London Time” under the column headed “SGD SOR” (or such replacement page thereof for the purpose of displaying the swap rates of leading reference banks) at or about the Relevant Time on such Interest Determination Date and for a period equal to the duration of such Interest Period;
- (bb) if on any Interest Determination Date no such rate is quoted on Reuters Screen ABSFIX01 Page (or such other replacement page as aforesaid) or Reuters Screen ABSFIX01 Page (or such other replacement page as aforesaid) is unavailable for any reason, the Fiscal Agent will determine the Rate of Interest for such Interest Period as being the rate (or, if there is more than one rate which is published, the arithmetic mean of those rates (rounded up, if necessary, to the nearest 1/16 per cent.)) for a period equal to the

duration of such Interest Period published by a recognised industry body where such rate is widely used (after taking into account the industry practice at that time), or by such other relevant authority as the Fiscal Agent may select; and

- (cc) if on any Interest Determination Date the Fiscal Agent is otherwise unable to determine the Rate of Interest under paragraphs (aa) and (bb) above, the Rate of Interest shall be determined by the Fiscal Agent to be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to four decimal places) of the rates quoted by the Singapore offices of the Reference Banks or those of them (being at least two in number) to the Fiscal Agent at or about 11.00 a.m. (Singapore time) on the first business day following such Interest Determination Date as being their cost (including the cost occasioned by or attributable to complying with reserves, liquidity, deposit or other requirements imposed on them by any relevant authority or authorities) of funding, for the relevant Interest Period, an amount equal to the aggregate principal amount of the relevant Floating Rate Notes for such Interest Period by whatever means they determine to be most appropriate, or if on such day one only or none of the Singapore offices of the Reference Banks provides the Fiscal Agent with such quotation, the Rate of Interest for the relevant Interest Period shall be the rate per annum equal to the arithmetic mean (rounded up, if necessary, to four decimal places) of the prime lending rates for Singapore dollars quoted by the Singapore offices of the Reference Banks at or about 11.00 a.m. (Singapore time) on such Interest Determination Date.

(C) On the last day of each Interest Period, the Issuer will pay interest on each Floating Rate Note to which such Interest Period relates at the Rate of Interest for such Interest Period.

- (iv) If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Pricing Supplement as being other than LIBOR or EURIBOR or HIBOR or SIBOR or SOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Pricing Supplement.

(c) ***Minimum Rate of Interest and/or Maximum Rate of Interest***

If the applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (b) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(d) ***Determination of Rate of Interest and calculation of Interest Amounts***

The Fiscal Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, the Calculation Agent will notify the Fiscal Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

The Fiscal Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will calculate the amount of interest (the “**Interest Amount**”) payable on the Floating Rate Notes or Index Linked Interest Notes for the relevant Interest Period by applying the Rate of Interest to:

- (i) in the case of Floating Rate Notes or Index Linked Interest Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Floating Rate Notes or Index Linked Interest Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note or an Index Linked Interest Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 5.2:

- (i) if “**Actual/Actual (ISDA)**” or “**Actual/Actual**” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “**Actual/365 (Fixed)**” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365;
- (iii) if “**Actual/365 (Sterling)**” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “**Actual/360**” is specified in the applicable Pricing Supplement, the actual number of days in the Interest Period divided by 360;
- (v) if “**30/360**”, “**360/360**” or “**Bond Basis**” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

“**Y1**” is the year, expressed as a number, in which the first day of the Interest Period falls;

“**Y2**” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“**M1**” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“**M2**” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“**D1**” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D1 will be 30; and

“**D2**” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D1 is greater than 29, in which case D2 will be 30;

- (vi) if “**30E/360**” or “**Eurobond Basis**” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

“**Y1**” is the year, expressed as a number, in which the first day of the Interest Period falls;

“**Y2**” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“**M1**” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“**M2**” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“**D1**” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D1 will be 30; and

“**D2**” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D2 will be 30; and

- (vii) if “**30E/360 (ISDA)**” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

- “Y1” is the year, expressed as a number, in which the first day of the Interest Period falls;
- “Y2” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- “M1” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;
- “M2” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- “D1” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D1 will be 30; and
- “D2” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D2 will be 30; and

- (viii) if “30E/360 (ISDA)” is specified in the applicable Pricing Supplement, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)}{360}$$

where:

- “Y1” is the year, expressed as a number, in which the first day of the Interest Period falls;
- “Y2” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- “M1” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;
- “M2” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;
- “D1” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D1 will be 30; and
- “D2” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D2 will be 30.

(e) ***Notification of Rate of Interest and Interest Amounts***

The Fiscal Agent or if applicable, the Calculation Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes or Index

Linked Interest Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression “**Business Day**” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in Hong Kong, Kuala Lumpur, Singapore and New York City.

(f) ***Certificates to be final***

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5.2, whether by the Fiscal Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith and manifest error) be binding on the Issuer, the Fiscal Agent, the Calculation Agent (if applicable), the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence of wilful default and bad faith) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Fiscal Agent or, if applicable, the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5.3 Interest on Dual Currency Interest Notes

The rate or amount of interest payable in respect of Dual Currency Interest Notes shall be determined in the manner specified in the applicable Pricing Supplement.

5.4 Interest on Partly Paid Notes

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

5.5 Accrual of interest

Each interest-bearing Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (a) the date on which all amounts due in respect of such Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Fiscal Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14.

6 PAYMENTS

6.1 Method of payment

Subject as provided below:

- (a) payments in a Specified Currency other than euro and Renminbi will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively);

- (b) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee or, at the option of the payee, by a euro cheque; and
- (c) payments in Renminbi will be made by transfer to a Renminbi account maintained by or on behalf of the Noteholder with a bank in Hong Kong.

Save as provided in Condition 8, payments will be subject in all cases to any other applicable fiscal or other laws and regulations in the place of payment or other laws and regulations to which the Issuer agrees to be subject and the Issuer will not be liable for any taxes or duties of whatever nature imposed or levied by such laws, regulations or agreements.

6.2 Presentation of Definitive Bearer Notes, Receipts and Coupons

Payments of principal in respect of Definitive Bearer Notes not held in CMU Service will (subject as provided below) be made in the manner provided in Condition 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Definitive Bearer Notes, and payments of interest in respect of Definitive Bearer Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Payments of instalments of principal (if any) in respect of Definitive Bearer Notes not held in CMU Service, other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 6.1 above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Definitive Bearer Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Bearer Note to which it appertains. Receipts presented without the Definitive Bearer Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Bearer Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive bearer form not held in CMU Service (other than Dual Currency Notes, Index Linked Notes or Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 8) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive bearer form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Note or Long Maturity Note in definitive bearer form not held in CMU Service becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A “**Long Maturity Note**” is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

In the case of Definitive Bearer Notes held in CMU Service, payment will be made to the person(s) for whose account(s) interests in the relevant Definitive Bearer Note are credited as being held with CMU Service in accordance with the CMU Rules at the relevant time as notified to the CMU Lodging and Paying Agent by the CMU Service in a relevant CMU Instrument Position Report or any relevant notification by CMU Service, which notification shall be conclusive evidence of the records of CMU Service (save in the case of manifest error) and payment made in accordance thereof shall discharge the obligations of the Issuer in respect of that payment.

If the due date for redemption of any Definitive Bearer Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Bearer Note.

6.3 Payments in respect of Bearer Global Notes

Payments of principal and interest (if any) in respect of any Bearer Global Note will (subject as provided below) be made in the manner specified above in relation to Definitive Bearer Notes or otherwise in the manner specified in the relevant Bearer Global Note (i) in the case of a Bearer Global Note lodged with CMU Service, to the person(s) for whose account(s) interests in the relevant Bearer Global Note are credited as being held by CMU Service in accordance with the CMU Rules, or (ii) in the case of a Bearer Global Note not lodged with CMU Service, against presentation or surrender, as the case may be, of such Bearer Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of any Bearer Global Note, distinguishing between any payment of principal and any payment of interest, will be made (in the case of a Global Note not lodged with CMU Service) on such Bearer Global Note by the Paying Agent to which it was presented or (in the case of a Global Note lodged with CMU Service) on withdrawal of the Bearer Global Note by the CMU Lodging and Paying Agent, and in each such case such record shall be *prima facie* evidence that the payment in question has been made.

6.4 Payments in respect of Registered Notes

Payments of principal (other than instalments of principal prior to the final instalment) in respect of each Registered Note (whether or not in global form) will be made against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the Registered Note at the specified office of the Registrar or any of the Paying Agents. Such payments will be made by transfer to the Designated Account (as defined below) of the holder (or the first named of joint holders) of the Registered Note appearing in the register of holders of the Registered Notes maintained by the Registrar (the “**Register**”) (i) where in global form at the close of the business day (being for this purpose, in respect of Notes clearing through CDP, Euroclear and Clearstream, Luxembourg, a day on which CDP, Euroclear and Clearstream, Luxembourg are open for business and, in respect of Notes clearing through CMU Service, a day on which CMU Services is open for business) before the

relevant due date and (ii) where in definitive form at the close of business on the third business day (being for this purpose a day on which banks are open for business in the city where the specified office of the Registrar is located) before the relevant due date. Notwithstanding the previous sentence, if (a) a holder does not have a Designated Account or (b) the principal amount of the Notes held by a holder is less than U.S.\$250,000 (or its approximate equivalent in any other Specified Currency), payment (in the case of a currency other than Renminbi) will instead be made by a cheque in the Specified Currency drawn on a Designated Bank (as defined below). For these purposes, “**Designated Account**” means the account (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account and, in the case of a payment in Renminbi, means the Renminbi account maintained by or on behalf of the Noteholder with a bank in Hong Kong, details of which appear on the Register at the close of business on the fifth business day before the due date for payment) maintained by a holder with a Designated Bank and identified as such in the Register and “**Designated Bank**” means (in the case of payment in a Specified Currency other than euro and Renminbi) a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney and Auckland, respectively) and (in the case of a payment in euro) any bank which processes payments in euro and (in the case of a payment in Renminbi) a bank in Hong Kong.

Payments of interest and payments of instalments of principal (other than the final instalment) in respect of each Registered Note (whether or not in global form) will be made by a cheque in the Specified Currency (other than Renminbi) drawn on a Designated Bank and mailed by uninsured mail on the business day in the city where the specified office of the Registrar is located immediately preceding the relevant due date to the holder (or the first named of joint holders) of the Registered Note appearing in the Register, (i) where in global form at the close of the business day (being for this purpose, in respect of Notes clearing through CDP, Euroclear and Clearstream, Luxembourg, a day on which CDP, Euroclear and Clearstream, Luxembourg are open for business and, in respect of Notes clearing through CMU Service, a day on which CMU Service is open for business) before the relevant due date and (ii) where in definitive form at the close of business on the fifth day (in the case of Renminbi) and the 15th day (in the case of currency other than Renminbi, whether or not such 15th day is a business day) before the relevant due date (the “**Record Date**”) at his address shown in the Register on the Record Date and at his risk. Upon application of the holder to the specified office of the Registrar not less than three business days in the city where the specified office of the Registrar is located before the due date for any payment of interest or an instalment of principal (other than the final instalment) in respect of a Registered Note, the payment may be made by transfer on the due date in the manner provided in the preceding paragraph. Any such application for transfer shall be deemed to relate to all future payments of interest (other than interest due on redemption) and instalments of principal (other than the final instalment) in respect of the Registered Notes which become payable to the holder who has made the initial application until such time as the Registrar is notified in writing to the contrary by such holder. Payment of the interest due in respect of each Registered Note on redemption and the final instalment of principal will be made in the same manner as payment of the principal amount of such Note.

In the case of Definitive Registered Note or Registered Global Note held through the CMU Service, payment will be made at the direction of the registered holder to the CMU Accountholders and such payment shall discharge the obligation of the Issuer in respect of that payment.

Holders of Registered Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of any Registered Note as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post. No

commissions or expenses shall be charged to such holder by the Registrar in respect of any payments of principal or interest in respect of Registered Notes.

None of the Issuer or the Agents will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

6.5 General provisions applicable to payments

The holder of a Global Note (if the Global Note is not lodged with CMU Service) or (if the Global Note is lodged with CMU Service) the person(s) for whose account(s) interests in such Global Note are credited as being held in CMU Service in accordance with the CMU Rules as notified to the CMU Lodging and Paying Agent by CMU Service in a relevant CMU Instrument Position Report or any other relevant notification by CMU Service (which notification, in either case, shall be conclusive evidence of the records of CMU Service save in the case of manifest error), shall be the only person(s) entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note or such person(s) for whose account(s) interests in such Global Note are credited as being held in CMU Service (as the case may be) in respect of each amount so paid. Each of the persons shown in the records of CDP, Euroclear, Clearstream, Luxembourg or the CMU Service, as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to CDP, Euroclear, Clearstream, Luxembourg or the CMU Lodging and Paying Agent, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Definitive Bearer or Bearer Global Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (a) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Bearer Notes in the manner provided above when due;
- (b) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (c) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

6.6 Payment Day

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day (as defined below), the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, "**Payment Day**" means any day which (subject to Condition 9) is:

- (a) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (i) the relevant place of presentation;

- (ii) each Additional Financial Centre specified in the applicable Pricing Supplement; and
- (b) either (A) in relation to any sum payable in a Specified Currency other than euro and Renminbi, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation and any Additional Financial Centre and which if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively) or (B) in relation to any sum payable in euro, a day on which the TARGET2 System is open or (C) in relation to any sum payable in Renminbi, a day (other than a Saturday, Sunday or public holiday) on which commercial banks in Hong Kong are generally open for business and settlement of Renminbi payments.

6.7 Interpretation of principal and interest

Any reference in the Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (a) any additional amounts which may be payable with respect to principal under Condition 8;
- (b) the Final Redemption Amount of the Notes;
- (c) the Early Redemption Amount of the Notes;
- (d) the Optional Redemption Amount(s) (if any) of the Notes;
- (e) in relation to Notes redeemable in instalments, the Instalment Amounts;
- (f) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7.6); and
- (g) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in the Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8 and any Arrears of Interest (if applicable).

6.8 Currency Fallback

If the Notes are denominated in Renminbi and the Renminbi is not available for delivery outside the People's Republic of China when any payment on the Notes is due as a result of circumstances beyond the control of the Issuer, the Issuer shall be entitled to satisfy the obligations in respect of such payment by making such payment in U.S. dollars on the basis of the Spot Rate on the second business day prior to such payment or, if such rate is not available on such second business day, on the basis of the rate most recently available prior to such second business day.

Any payment made under such circumstances in U.S. dollars will constitute valid payment, and will not constitute a default in respect of the Notes.

In the event of a payment pursuant to this Condition 6.8, the following modifications shall be made in respect of the Conditions:

- (a) the following language shall be included at the end of Condition 6.1 (a);
“unless Condition 6.8 applies, in which case payments will be made by credit or transfer to a U.S. dollar denominated account with a bank in New York City”; and

(b) for the purpose of Condition 6.6(b), the Specified Currency will be deemed to be U.S. dollars;

For the purpose of this Condition 6.8:

“Spot Rate” means the spot U.S. dollar/Renminbi exchange rate for the purchase of U.S. dollars with Renminbi in the over-the-counter Renminbi exchange market in Hong Kong, as determined by the Fiscal Agent at or around 11.00 a.m. (Hong Kong time) on the date of determination, on a deliverable basis by reference to Reuters Screen page TRADCNY3, or if no such rate is available, on a non-deliverable basis by reference to Reuters Screen page TRADNDF. If neither rate is available, the Fiscal Agent will determine the Spot Rate at or around 11.00 a.m. (Hong Kong time) on the date of determination as the most recently available Renminbi/U.S. dollar official fixing rate for settlement in two business days reported by The State Administration of Foreign Exchange of the People’s Republic of China, which is reported on the Reuters Screen page CNY=SAEC. Reference to a page on the Reuters Screen means the display page so designated on the Reuters Monitor Money Rates Service (or any successor service) or such other page as may replace that page for the purpose of displaying a comparable currency exchange rate.

The Fiscal Agent will not be responsible or liable to the Issuer or any holder of the Notes for any determination of any Spot Rate determined in accordance with this Condition 6.8 in the absence of its own gross negligence or wilful misconduct.

7 REDEMPTION AND PURCHASE

7.1 Redemption at maturity

Unless previously redeemed or purchased and cancelled as specified below, each Note (including each Index Linked Redemption Note and Dual Currency Redemption Note) will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Pricing Supplement in the relevant Specified Currency on the Maturity Date.

7.2 Redemption for tax reasons

Subject (in the case of Subordinated Notes) to Condition 7.14, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is neither a Floating Rate Note, an Index Linked Interest Note nor a Dual Currency Interest Note) or on any Interest Payment Date (if this Note is either a Floating Rate Note, an Index Linked Interest Note or a Dual Currency Interest Note), on giving not less than 30 nor more than 60 days’ notice to the Fiscal Agent and, in accordance with Condition 14, the Noteholders (which notice shall be irrevocable), if:

- (a) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8 as a result of any change in, or amendment to, the laws or regulations of a Relevant Jurisdiction (as defined in Condition 8), or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes; and
- (b) such obligation cannot be avoided by the Issuer taking reasonable measures available to it;

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts or give effect to such treatment, as the case may be, were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Fiscal Agent, as its agent, a certificate signed by two Directors of the Issuer (i) stating that the

Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer to redeem have occurred, (ii) attaching an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment and (iii) in the case of Subordinated Notes, certifying that Bank Negara Malaysia (“BNM”) or any successor thereto has consented to such redemption; and the Fiscal Agent shall be entitled to accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Noteholders, Receiptholders and the Couponholders, and shall make available such certificates for inspection during normal business hours at its registered office for the time being.

Notes redeemed pursuant to this Condition 7.2 will be redeemed at their Early Redemption Amount referred to in Condition 7.6 below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

7.3 Redemption at the option of the Issuer (“Issuer Call”)

If Issuer Call is specified in the applicable Pricing Supplement, the Issuer may, having given:

- (a) not less than 15 nor more than 30 days’ notice to the Noteholders in accordance with Condition 14; and
- (b) not less than 15 days before the giving of the notice referred to in (a) above, notice to the Fiscal Agent and, in the case of a redemption of Registered Notes, the Registrar;

(which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on any Optional Redemption Date and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Pricing Supplement together, if appropriate, with interest accrued to (but excluding) the relevant Optional Redemption Date. Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount and not more than the Maximum Redemption Amount, in each case as may be specified in the applicable Pricing Supplement. In the case of a partial redemption of Notes, the Notes to be redeemed (“Redeemed Notes”) will be selected individually by lot, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of CDP and/or Euroclear and/or Clearstream, Luxembourg and/or the CMU Service (as appropriate), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter called the “**Selection Date**”). In the case of Redeemed Notes represented by definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by definitive Notes or represented by a Global Note shall in each case bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of definitive Notes outstanding and Notes outstanding represented by such Global Note, respectively, bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that, if necessary, appropriate adjustments shall be made to such nominal amounts to ensure that each represents an integral multiple of the Calculation Amount. No exchange of the relevant Global Note will be permitted during the period from (and including) the Selection Date to (and including) the date fixed for redemption pursuant to this Condition 7.3 and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least five days prior to the Selection Date.

7.4 Redemption at the option of the Noteholders

If Investor Put is specified in the applicable Pricing Supplement, then, if and to the extent specified in the applicable Pricing Supplement, upon the holder of a Note, giving to the Issuer, in accordance with Condition 14, not less than 15 nor more than 30 days' notice (or such other notice period as is specified in the applicable Pricing Supplement) (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem subject to, and in accordance with, the terms specified in the applicable Pricing Supplement in whole (but not in part) such Note on the Optional Redemption Date and at the relevant Optional Redemption Amount as specified in, or determined in the manner specified in, the applicable Pricing Supplement, together, if applicable, with interest accrued to (but excluding) the relevant Optional Redemption Date. It may be that before an Investor Put can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Pricing Supplement.

7.5 Put Notices

If the Note is in definitive form, to exercise the right to require redemption of such Note, the holder thereof must deliver such Note on any Business Day (as defined in Condition 5) falling within the notice period at the specified office of any Paying Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes), at any time during the normal business hours of such Paying Agent or, as the case may be, the Registrar falling within the notice period, accompanied by a duly signed and completed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent or, as the case may be, the Registrar (a "**Put Notice**") and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by, if such Note is in definitive form, such Note or evidence satisfactory to the Paying Agent concerned that such Note will, following delivery of the Put Notice, be held to its order or under its control and, in the case of Registered Notes, the nominal amount thereof to be redeemed and, if less than the full nominal amount of the Registered Notes so surrendered is to be redeemed, an address to which a new Registered Note in respect of the balance of such Registered Notes is to be sent subject to and in accordance with the provisions of Condition 2.2. If such Note is represented by a Global Note or is in definitive form and held through CDP, Euroclear, Clearstream, Luxembourg or the CMU Service, to exercise the right to require redemption of such Note, the holder thereof must, within the notice period, give notice to the Fiscal Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) of such exercise in accordance with the standard procedures of CDP, Euroclear, Clearstream, Luxembourg and the CMU Service (which may include notice being given on his instruction by CDP, Euroclear or Clearstream, Luxembourg or the CMU Service or any common depositary, as the case may be, for them to the Fiscal Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) by electronic means) in a form acceptable to CDP, Euroclear, Clearstream, Luxembourg and the CMU Service from time to time and, if such Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Fiscal Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes) for notation accordingly.

Any Put Notice or other notice given in accordance with the standard procedures of CDP, Euroclear, Clearstream, Luxembourg or the CMU Service given by a holder of any Note pursuant to Condition 7.4 shall be irrevocable except where, prior to the due date of redemption, an Event of Default has occurred and is continuing, in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph.

7.6 Early Redemption Amounts

For the purpose of Condition 7.2 and Condition 10.1 (if this Note is a Senior Note) or Condition 10.2 (if this Note is a Subordinated Note), each Note will be redeemed at its Early Redemption Amount calculated by the Calculation Agent as follows:

- (a) in the case of a Note (other than a Zero Coupon Note, an Instalment Note and a Partly Paid Note) with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof;
- (b) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and a Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Note is denominated, at the amount specified in, or determined in the manner specified in, the applicable Pricing Supplement or, if no such amount or manner is so specified in the applicable Pricing Supplement, at its nominal amount; or
- (c) in the case of a Zero Coupon Note, at an amount (the “**Amortised Face Amount**”) calculated in accordance with the following formula:
- (d) $\text{Early Redemption Amount} = \text{RP} \times (1 + \text{AY})^y$

where:

RP means the Reference Price;

AY means the Accrual Yield expressed as a decimal; and

y is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360,

or on such other calculation basis as may be specified in the applicable Pricing Supplement.

7.7 Instalments

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to Condition 7.6.

7.8 Partly Paid Notes

Partly Paid Notes will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Pricing Supplement.

7.9 Conditions for Purchases in respect of Senior Notes

The Issuer, any of its Subsidiaries, any of its agents or any related corporation of the Issuer may at any time purchase Senior Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. Such Senior Notes purchased by the Issuer, any of its Subsidiaries and/or any of its agents (other than those purchased in the ordinary course of business) must be surrendered to any Paying Agent and/or the Registrar for cancellation and accordingly may not be reissued or resold. Such Senior Notes purchased by any related corporation of the Issuer (other than its Subsidiaries) may be held, reissued,

resold or, at the option of the Issuer or such related corporation of the Issuer, surrendered to any Paying Agent and/or the Registrar for cancellation.

Such Senior Notes purchased (i) by the Issuer, any of its Subsidiaries or any of its agents in the ordinary course of business or (ii) by any related corporation of the Issuer (other than its Subsidiaries), and in each case not cancelled shall be deemed not to remain outstanding for the purposes of attending and/or voting at any meeting of the Noteholders of any Series of the Notes and for the purposes of determining the quorum and/or majority required for requisitioning, or voting at, any such meeting as set out in the Agency Agreement.

In these Conditions, “**related corporation**” and “**Subsidiary**” have the meaning given to them in the Malaysian Companies Act 1965.

In these conditions, the term “**ordinary course of business**” includes those activities performed by the Issuer or any of its related corporation for third parties and excludes those activities performed for the funds of the Issuer or related corporation.

7.10 Conditions for Purchase in respect of Subordinated Notes

The Issuer, any of its Subsidiaries, any of its agents or any related corporation of the Issuer may at any time purchase, subject to the prior approval of BNM (but which approval shall not be required for a purchase made in the ordinary course of business), Subordinated Notes (provided that, in the case of Definitive Bearer Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) in any manner and at any price in the open market or otherwise. If purchases are made by tender, tenders must be available to all Noteholders alike. All Subordinated Notes which are (a) redeemed or (b) purchased (other than in the ordinary course of business) must be surrendered to any Paying Agent and/or the Registrar for cancellation and accordingly may not be reissued or resold.

Such Subordinated Notes purchased in the ordinary course of business and not cancelled shall be deemed not to remain outstanding for the purposes of attending and/or voting at any meeting of the Noteholders of any Series of the Notes and for the purposes of determining the quorum and/or majority required for requisitioning, or voting at, any such meeting as set out in the Agency Agreement.

7.11 Cancellation

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to Condition 7.9 and 7.10 above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Fiscal Agent and cannot be reissued or resold.

7.12 Late payment on Zero Coupon Notes

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to Condition 7.1, 7.2, 7.3 or 7.4 above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in Condition 7.6(c) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (a) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (b) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Fiscal Agent or the Registrar and notice to that effect has been given to the Noteholders in accordance with Condition 14.

7.13 Variation instead of redemption of Subordinated Notes

The provisions relating to variation instead of redemption of Subordinated Notes shall be specified in the applicable Pricing Supplement.

7.14 Redemption or Variation of Conditions of Subordinated Notes

Any redemption or variation of the terms of Subordinated Notes by the Issuer is subject to the Issuer obtaining the prior written approval of BNM and any other regulatory approvals that may be required, and satisfying any conditions that BNM (and/or any other regulator) may impose at the time of such approval.

7.15 Loss Absorption upon a Trigger Event in respect of Subordinated Notes

Subordinated Notes shall have provisions relating to Loss Absorption upon a Trigger Event as defined and as set out in the applicable Pricing Supplement.

8 TAXATION

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (“**Taxes**”) imposed or levied by or on behalf of a Relevant Jurisdiction unless the withholding or deduction of the Taxes is required by law. In that event, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of the withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) presented for payment by or on behalf of, a holder who is liable to the Taxes in respect of such Note, Receipt or Coupon by reason of his having some connection with a Relevant Jurisdiction other than the mere holding of such Note, Receipt or Coupon; or
- (b) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC on the taxation of savings income or any other Directive implementing the conclusions of the ECOFIN Council meetings of 26 and 27 November 2000 or any other law implementing or complying with, or introduced in order to conform to, such Directive; or
- (c) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (d) presented for payment more than 30 days after the Relevant Date except to the extent that a holder would have been entitled to additional amounts on presenting the same for payment on the last day of the period of 30 days assuming that day to have been a Payment Day (as defined in Condition 6.6).

As used herein:

- (i) “**Relevant Date**” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Fiscal Agent or the Registrar on or prior to such due date, it means the date on which, the full amount of the money having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14; and
- (ii) “**Relevant Jurisdiction**” means:

- (A) where the Issuer is not acting through any of its branches, Malaysia or any political subdivision or any authority thereof or therein having power to tax or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which the Issuer becomes subject in respect of payments made by it of principal and interest on the Notes; or
- (B) where the Issuer is acting through its Hong Kong Branch, Malaysia or any political subdivision or any authority thereof or therein having power to tax, Hong Kong or any or any political subdivision or any authority thereof or therein having power to tax, or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which the Issuer becomes subject in respect of payments made by it of principal and interest on the Notes; or
- (C) where the Issuer is acting through its Singapore Branch, Malaysia or any political subdivision or any authority thereof or therein having power to tax, Singapore or any or any political subdivision or any authority thereof or therein having power to tax, or any other jurisdiction or any political subdivision or any authority thereof or therein having power to tax to which the Issuer becomes subject in respect of payments made by it of principal and interest on the Notes.

9 PRESCRIPTION

The Notes (whether in bearer or registered form), Receipts and Coupons will become void unless presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 8) thereof.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6.2 or any Talon which would be void pursuant to Condition 6.2.

10 EVENTS OF DEFAULT AND ENFORCEMENT

10.1 Events of Default relating to Senior Notes

This Condition 10.1 applies only to Notes specified in the applicable Pricing Supplement as being Senior Notes.

If, in respect of any Senior Notes, any one or more of the following events (each an “**Event of Default**”) shall occur and be continuing:

- (a) **Payment default:** default is made in the payment of any principal or interest due in respect of the Senior Notes and the default continues for a period of seven business days;
- (b) **Other defaults:** the Issuer fails to perform or comply with any of its other obligations under these Conditions and (except in any case where the failure is incapable of remedy, when no such continuation or notice as hereinafter mentioned is required) the failure continues for the period of 30 days next following the service by any Noteholder on the Issuer of notice requiring the same to be remedied;
- (c) **Cross-acceleration:** (i) any Indebtedness for Borrowed Money (as defined below) of the Issuer becomes due and repayable or is capable of becoming due and repayable prematurely by reason of an event of default (however described); (ii) the Issuer fails to make any payment in respect of any Indebtedness for Borrowed Money on the due date for payment, or, as the case may be, within any originally applicable grace period; or (iii) default is made by the Issuer in making any payment due under any guarantee and/or indemnity given by it in relation to any

Indebtedness for Borrowed Money of any other person; provided that no event described in this subparagraph (c) shall constitute an Event of Default unless the relevant amount of Indebtedness for Borrowed Money or other relative liability due and unpaid, either alone or when aggregated (without duplication) with other amounts of Indebtedness for Borrowed Money and/or other liabilities due and unpaid relative to all (if any) other events specified in (i) to (iii) above, amounts to at least U.S.\$50,000,000 (or its equivalent in any other currency);

- (d) **Winding-up of the Issuer**, an order is made by any competent court or an effective resolution is passed for the winding-up or dissolution of the Issuer;
- (e) **Insolvency**: the Issuer ceases to carry on the whole or a substantial part of its business, save for the purpose of reorganisation on terms previously approved by an Extraordinary Resolution of the Noteholders, stops or threatens to stop payment of, or is unable to, or admits inability to, pay, its debts (or any class of its debts) as they fall due or is deemed unable to pay its debts pursuant to or for the purposes of any applicable law, or is adjudicated or found bankrupt or insolvent;
- (f) **Security enforced**: (i) proceedings are initiated against the Issuer under any applicable liquidation, insolvency, composition, reorganisation or other similar laws, or an application is made (or documents filed with a court) for the appointment of an administrative or other receiver, manager, administrator or other similar official, or an administrative or other receiver, manager, administrator or other similar official is appointed, in relation to the Issuer, the whole or any substantial part of the Issuer's undertaking or assets or, an encumbrancer takes possession of the whole or any substantial part of the Issuer's undertaking or assets or, a distress, execution, attachment, sequestration or other process is levied, enforced upon, sued out or put in force against the whole or any substantial part of the Issuer's undertakings or assets, and (ii) in any such case (other than the appointment of an administrator) unless initiated by the relevant company, is not discharged within 60 days;
- (g) **Illegality**: it is or will become unlawful for the Issuer to perform or comply with any one or more of its obligations under any of the Senior Notes; or
- (h) **Analogous events**: any event occurs which, under the laws of any relevant jurisdiction, has an analogous effect to any of the events referred to in paragraphs (a) to (f) above,

then any holder of a Note may, by written notice to the Issuer at the specified office of the Fiscal Agent, effective upon the date of receipt thereof by the Fiscal Agent, declare any Senior Note held by it to be forthwith due and payable whereupon the same shall become forthwith due and payable at its Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind.

For the purposes of this Condition 10.1:

“**Indebtedness for Borrowed Money**” means any indebtedness (whether being principal, premium, interest or other amounts) for or in respect of any notes, bonds, debentures, debenture stock, loan stock or other securities or any borrowed money.

10.2 Events of Default relating to Subordinated Notes

This Condition 10.2 applies only to Notes specified in the applicable Pricing Supplement as being Subordinated Notes.

If default is made in the payment of any amount of principal or interest due in respect of the Subordinated Notes (each, an “**Event of Default**”) and the default continues for a period of seven

business days, then in order to enforce the obligations of the Issuer, any holder of a Note may institute a Winding-Up Proceeding against the Issuer provided that such Noteholder shall have no right to accelerate payment under such Subordinated Note in the case of such default in the payment of interest on or other amounts owing under such Subordinated Note or a default in the performance of any other obligation of the Issuer in such Subordinated Note or under the Agency Agreement.

If an order is made or an effective resolution is passed for the Winding-Up of the Issuer (whether or not an Event of Default has occurred and is continuing) then any holder of a Note, by written notice to the Issuer at the specified office of the Fiscal Agent, effective upon the date of receipt there by the Fiscal Agent, declare any Subordinated Note held by it to be forthwith due and payable whereupon the same shall become forthwith due and payable at its Early Redemption Amount, together with accrued interest to the date of repayment, without presentment, demand, protest or other notice of any kind.

In these Conditions:

“**Winding-Up**” shall mean, with respect to the Issuer, a final and effective order or resolution for the bankruptcy, winding-up, liquidation, receivership or similar proceeding in respect of the Issuer (except for the purposes of a consolidation, amalgamation, merger or reorganisation the terms of which have previously been approved by an Extraordinary Resolution of the Noteholders); and

“**Winding-Up Proceedings**” shall mean, with respect to the Issuer, (a) a proceedings shall have been instituted or a decree or order shall have been entered in any court or agency or supervisory authority in Malaysia having jurisdiction in respect of the same for the appointment of a receiver or liquidator in any insolvency, rehabilitation, readjustment of debt, marshalling of assets and liabilities, or similar arrangements involving the Issuer or all or substantially all of its property, or for the winding up of or liquidation of its affairs and such proceeding, decree or order shall not have been vacated or shall have remained in force, undischarged or unstayed for a period of 60 days; or (ii) the Issuer shall file a petition to take advantage of any insolvency statute.

10.3 Enforcement

In the case of Subordinated Notes and subject to applicable laws, no remedy (including the exercise of any right of set-off or analogous event) other than those provided for in Condition 10.2 above, will be available to the Noteholders, Receiptholders or Couponholders.

11 REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Fiscal Agent or the Paying Agent (in the case of Bearer Notes, Receipts or Coupons) or the Registrar or the Transfer Agent (in the case of Registered Notes) upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

12 AGENTS

The names of the initial Agents and their initial specified offices are set out below.

The Issuer is entitled to vary or terminate the appointment of any Agent and/or appoint additional Agents and/or approve any change in the specified office through any of the same acts, provided that:

- (a) there will at all times be a Fiscal Agent and a Registrar;

- (b) so long as the Notes are listed on any stock exchange or admitted to trading by any other relevant authority, there will at all times be a Paying Agent (in the case of Bearer Notes) and a Registrar and Transfer Agent (in the case of Registered Notes) with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or other relevant authority;
- (c) there will at all times be a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to the European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive; and
- (d) so long as the Notes are listed on the SGX-ST and the rules of the SGX-ST so require, if the Notes are issued in definitive form, there will at all times be a Paying Agent in Singapore.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 6.2. Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

In acting under the Agency Agreement, the Agents act solely as agents of the Issuer and, in certain circumstances specified therein, and do not assume any obligation to, or relationship of agency with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor agent.

13 EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9.

14 NOTICES

All notices regarding Bearer Notes will be deemed to be validly given if published in a leading English language daily newspaper of general circulation in Asia, which is expected to be the *Asian Wall Street Journal*. The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any stock exchange or any other relevant authority on which the Bearer Notes are for the time being listed or by which they have been admitted to trading. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in all required newspapers.

All notices regarding Registered Notes form will be deemed to be validly given if sent by first class mail or (if posted to an address overseas) by airmail to the holders (or the first named of joint holders) at their respective addresses recorded in the Register and will be deemed to have been given on the fourth day after mailing and, addition, if and for so long as any Registered Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules.

Until such time as any definitive Notes are issued, there may, so long as any Global Notes representing the Notes are held in their entirety on behalf of (i) CDP and/or Euroclear and/or Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to CDP and/or

Euroclear and/or Clearstream, Luxembourg for communication by them to the holders of the Notes or (ii) the CMU Service, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to the persons shown in a CMU Instrument Position Report issued by the CMU Service on the second business day preceding the date of despatch of such notice as holding interests in the relevant Global Note and, in addition, in the case of both (i) and (ii) above, for so long as any Notes are listed on a stock exchange or are admitted to trading by another relevant authority and the rules of that stock exchange or relevant authority so require, such notice will be published in a daily newspaper of general circulation in the place or places required by those rules. Any such notice shall be deemed to have been given to the holders of the Notes on the first day after the day on which the said notice was given to CDP and/or Euroclear and/or Clearstream, Luxembourg and/or the persons shown in the relevant CMU Instrument Position Report.

Notices to be given by any Noteholder shall be in writing and given by lodging the same, together (in the case of any Note in definitive form) with the relative Note or Notes, with the Fiscal Agent (in the case of Bearer Notes) or the Registrar (in the case of Registered Notes). Whilst any of the Notes are represented by a Global Note, such notice may be given by any holder of a Note to the Fiscal Agent or the Registrar through CDP and/or Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Fiscal Agent, the Registrar and CDP and/or Euroclear and/or Clearstream, Luxembourg, and/or, in the case of Notes lodged with the CMU Service, by delivery by such holder of such notice to the CMU Lodging and Paying Agent in Hong Kong, as the case may be, in such manner as the Fiscal Agent, the Registrar, the CMU Lodging and Paying Agent and CDP and/or Euroclear and/or Clearstream, Luxembourg and/or the CMU Service, as the case may be, may approve for this purpose.

Receiptholders and Couponholders will be deemed for all purposes to have notice of the contents of any notice given to the Noteholders in accordance with this Condition 14.

15 MEETINGS OF NOTEHOLDERS, MODIFICATIONS AND CONSOLIDATIONS

15.1 Meetings of Noteholders

The Agency Agreement contains provisions for convening meetings of the Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Receipts, the Coupons or any of the provisions of the Agency Agreement. Such a meeting may be convened by the Issuer and shall be convened by the Issuer if required in writing by Noteholders holding not less than five per cent, in nominal amount of the Notes for the time being remaining outstanding. The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent, in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the nominal amount of the Notes so held or represented, except that at any meeting the business of which includes the modification of certain provisions of the Notes, the Receipts or the Coupons (including modifying the date of maturity of the Notes or any date for payment of interest thereon, reducing or cancelling the amount of principal or the rate of interest payable in respect of the Notes or altering the currency of payment of the Notes, the Receipts or the Coupons), the quorum shall be one or more persons holding or representing not less than two-thirds in nominal amount of the Notes for the time being outstanding, or at any adjourned such meeting one or more persons holding or representing not less than one-third in nominal amount of the Notes for the time being outstanding. An Extraordinary Resolution passed at any meeting of the Noteholders shall be binding on all the Noteholders, whether or not they are present at the meeting, and on all Receiptholders and Couponholders.

15.2 Modifications

The Fiscal Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:

- (a) any modification (except such modifications in respect of which an increased quorum is required as mentioned above) of the Notes, the Receipts, the Coupons, the Deed of Covenant, the CDP Deed of Covenant or the Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Receipts, the Coupons, the Deed of Covenant, the CDP Deed of Covenant or the Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Noteholders, the Receiptholders and the Couponholders and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

16 SUBSTITUTION

16.1 Senior Notes

This Condition 16.1 applies only to Notes specified in the applicable Pricing Supplement as being Senior Notes.

The Issuer, or any previous substituted company (if applicable), may at any time, without the consent of the Noteholders, Receiptholders or the Couponholders, substitute for itself as principal debtor under any Series of the Senior Notes, the Receipts, the Coupons and the Talons any Subsidiary, branch or affiliate of the Issuer, or the successor company of the Issuer, or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case the “**Substitute**”) provided that the substitution shall be made by a deed poll (the “**Deed Poll**”) to be substantially in the form scheduled to the Agency Agreement and may take place only if:

- (i) no Event of Default pursuant to condition 10.1 has occurred and is continuing;
- (ii) the Substitute, by means of the Deed Poll, agrees to indemnify each Noteholder, Receiptholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute’s residence for tax purposes and, if different, of its incorporation with respect to any Senior Note, Receipt, Coupon, Talon or the relevant Deed of Covenant and which would not have been so imposed had the substitution not been made, as well as against any tax, duty, assessment or governmental charge, and any cost or expense, relating to the substitution;
- (iii) unless the Substitute is the successor company of the Issuer or one or more companies to whom the Issuer has transferred all of its assets and business undertakings each of whom are to be jointly and severally liable as principal debtor under the relevant Series of Senior Notes, Receipts, Coupons and Talons, the obligations of the Substitute under the Deed Poll, the Senior Notes, the Receipts, the Coupons and the Talons are unconditionally and irrevocably guaranteed by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a “**Guarantor**”) by means of a guarantee substantially in the form contained in the Deed Poll (the “**Senior Guarantee**”);

- (iv) all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Deed Poll, the Senior Notes, the Receipts, the Coupons, the Talons and the relevant Deed of Covenant represent valid, legally binding and enforceable obligations of the Substitute and, in the case of the Senior Guarantee, of the Guarantor have been taken, fulfilled and done and are in full force and effect;
- (v) the Substitute has become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it;
- (vi) legal opinions addressed to the Noteholders have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (ii) above as to the fulfilment of the preceding conditions of this Condition 16 and the other matters specified in the Deed Poll;
- (vii) the substitution does not affect adversely the rating of the Senior Notes by any one internationally recognised rating agency of the Issuer or the Issuer's debt; and
- (viii) the Issuer has given at least 14 days' prior notice of such substitution to the Noteholders, stating that copies of all documents (in draft or final form) in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents.

Such substitution effected in accordance with this Condition 16.1 will release the Issuer or any previously substituted company and the Noteholders, Receiptholders and Couponholders expressly consent hereto. References in Condition 10.1 to obligations under the Senior Notes shall be deemed to include obligations under the Deed Poll and, where the Deed Poll contains a Senior Guarantee, the events listed in Conditions 10.1(a) and 10.1(b) shall be deemed to include such Senior Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect. In addition, the Senior Guarantee shall contain (A) events of default in respect of the Senior Notes in the same terms as Condition 10.1 relating to the Guarantor (except that references in Condition 10.1 (a) to failure to pay principal and interest on the Senior Notes shall be a reference to failure to pay under the Senior Guarantee), (B) provisions relating to the Senior Guarantee in the form of Condition 3.1, (C) provisions relating to the Guarantor in the form of Conditions 7.9 and 7.11 and (D) a negative pledge in relation to the Senior Guarantee in the form of Condition 4.

References to "outstanding" in relation to the Senior Notes of any Series shall, on a substitution of the Issuer where the Guarantor guarantees the Senior Notes, not include Senior Notes held by the Guarantor and its subsidiaries for the purposes of (i) ascertaining the right to attend and vote at any meeting of the Noteholders and (ii) the determination of how many Senior Notes are outstanding for the purposes of Condition 15.

16.2 Subordinated Notes

This Condition 16.2 applies only to Notes specified in the applicable Pricing Supplement as being Subordinated Notes

Subject to the provisions of this Condition 16.2, the Noteholders, Receiptholders and the Couponholders, by subscribing to or purchasing any Subordinated Notes, Receipts or Coupons, expressly consent to the Issuer, or any previously substituted company (if applicable), at any time, but where applicable, with the prior approval of BNM, substituting for itself as principal debtor under any Series of the Subordinated Notes, the Receipts, the Coupons and the Talons any Subsidiary, branch or affiliate of the Issuer or, the successor company of the Issuer or jointly and severally one or more companies to whom the Issuer has transferred all of its assets and business undertakings (in each case

the “**Substitute**”) provided that the substitution shall be made by a deed poll (the “**Deed Poll**”) to be substantially in the form scheduled to the Agency Agreement and may take place only if:

- (i) no Event of Default pursuant to Condition 10.2 has occurred or is continuing;
- (ii) the Substitute, by means of the Deed Poll, agrees to indemnify each Noteholder, Receiptholder and Couponholder against any tax, duty, assessment, withholding, deduction or governmental charge which is imposed on it by (or by any taxing authority in or of) the jurisdiction of the country of the Substitute’s residence for tax purposes and, if different, of its incorporation with respect to any Subordinated Note, Receipt, Coupon or Talon and which would not have been so imposed had the substitution not been made, as well as against any tax, duty, assessment or governmental charge, and any cost or expense, relating to the substitution;
- (iii) unless the Substitute is the successor company of the Issuer or one or more companies to whom the Issuer has transferred all of its assets and business undertakings each of whom are to be jointly and severally liable as principal debtor under the relevant Series of Subordinated Notes, Receipts, Coupons and Talons, the obligations of the Substitute under the Deed Poll, the Subordinated Notes, the Receipts, the Coupons and the Talons are unconditionally and irrevocably guaranteed by the Issuer or its successor or each of the companies to whom together the Issuer has transferred all of its assets and business undertakings (each a “**Guarantor**”) by means of a guarantee on a subordinated basis substantially in the form contained in the Deed Poll (the “**Subordinated Guarantee**”);
- (iv) all actions, conditions and things required to be taken, fulfilled and done (including the obtaining of any necessary consents) to ensure that the Deed Poll, the Subordinated Notes, the Receipts, the Coupons and the Talons and the relevant Deed of Covenant represent valid, legally binding and enforceable obligations of the Substitute and, in the case of the Subordinated Guarantee, of the Guarantor have been taken, fulfilled and done and are in full force and effect;
- (v) the Substitute has become party to the Agency Agreement, with any appropriate consequential amendments, as if it had been an original party to it;
- (vi) legal opinions addressed to the Noteholders have been delivered to them (care of the Fiscal Agent) from a lawyer or firm of lawyers with a leading securities practice in each jurisdiction referred to in (ii) above as to the fulfilment of the preceding conditions of this Condition 16.2 and the other matters specified in the Deed Poll;
- (vii) the substitution does not affect adversely the rating of the Subordinated Notes by any one internationally recognised rating agency of the Issuer or the Issuer’s debt or, if any such rating agency does not exist at the relevant time, any two existing internationally recognised rating agencies; and
- (viii) the Issuer has given at least 14 days’ prior notice to such substitution to the Noteholders, stating that copies, or pending execution the agreed text, of all documents in relation to the substitution which are referred to above, or which might otherwise reasonably be regarded as material to Noteholders, will be available for inspection at the specified office of each of the Paying Agents.

Such substitution effected in accordance with this Condition 16.2 will release the Issuer or any previously substituted company and the Noteholders, Receiptholders and Couponholders expressly consent hereto. References in Condition 10.2 to obligations under the Subordinated Notes shall be deemed to include obligations under the Deed Poll and, where the Deed Poll contains a Subordinated

Guarantee, the events listed in Conditions 10.2 shall be deemed to include such Subordinated Guarantee not being (or being claimed by the Guarantor not to be) in full force and effect. In addition, the Subordinated Guarantee shall contain (A) rights of enforcement in the form of Condition 10.2 (except that references in Condition 10.2 to failure to pay principal and interest on the Subordinated Notes shall be a reference to failure to pay under the Subordinated Guarantee), (B) provisions relating to the Subordinated Guarantee in the form of Condition 3.2 and (C) provisions relating to the Guarantor in the form of Condition 7.10 and 7.11.

17 FURTHER ISSUES

The Issuer shall be at liberty from time to time without the consent of the Noteholders, the Receiptholders or the Couponholders to create and issue further notes (whether in bearer or registered form) having terms and conditions of the same as the Notes or the same in all respects save for the amount and date of the first payment of interest thereon and so that the same shall be consolidated and form a single Series with the outstanding notes of any series (including the Notes).

18 CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of this Note under the Contracts (Rights of Third Parties) Act 1999, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

19 CURRENCY INDEMNITY

The Issuer shall indemnify the Noteholders, the Receiptholders and the Couponholders and keep them indemnified against:

- (i) any loss, damage, cost, charge, claim, demand, expense, judgment, action, proceeding or other liability whatsoever (including, without limitation in respect of taxes, duties, levies, imposts and other charges) and including any value added tax or similar tax charged or chargeable in respect thereof and legal fees and expenses incurred by any of them, on a full indemnity basis, arising from the non-payment by the Issuer of any amount due to the holders of the Notes and the relevant Receiptholders or Couponholders by reason of any variation in the rates of exchange between those used for the purposes of calculating the amount due under a judgment or order in respect thereof and those prevailing at the date of actual payment by the Issuer, as the case may be; and
- (ii) any deficiency arising or resulting from any variation in rates of exchange between (a) the date as of which the local currency equivalent of the amounts due or contingently due under these Conditions (other than this Condition 19) is calculated for the purposes of any bankruptcy, insolvency or liquidation of the Issuer and (b) the final date for ascertaining the amount of claims in such bankruptcy, insolvency or liquidation. The amount of such deficiency shall be deemed not to be reduced by any variation in rates of exchange occurring between the said final date and the date of any distribution of assets in connection with any such bankruptcy, insolvency or liquidation.

The above indemnities shall constitute obligations of the Issuer separate and independent from its other obligations under the other provisions in these Conditions and shall apply irrespective of any indulgence granted by the Noteholders, the Receiptholders or the Couponholders from time to time and shall continue in full force and effect notwithstanding the judgment or filing of any proof or proofs in any bankruptcy, insolvency or liquidation of the Issuer for a liquidated sum or sums in respect of amounts due under these Conditions (other than this Condition 19). Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Noteholders, the Receiptholders and the Couponholders and no proof or evidence of any

actual loss shall be required by the Issuer or its liquidator or liquidators. The above indemnities shall continue in full force and effect notwithstanding the termination or discharge of the Agency Agreement.

20 GOVERNING LAW AND SUBMISSION TO JURISDICTION

(a) Governing law

- (i) The Agency Agreement, the ECC Deed of Covenant, the Notes, the Receipts, the Coupons, the Talons and any non-contractual obligations arising out of or in connection with the Agency Agreement, the ECC Deed of Covenant, the Notes, the Receipts, the Coupons and the Talons are governed by, and shall be construed in accordance with, English law, except that the subordination provisions set out in Condition 3.2 and Condition 10.2 shall be governed by and construed in accordance with the laws of Malaysia.
- (ii) The CDP Deed of Covenant shall be governed by and construed in accordance with Singapore law.

(b) Jurisdiction

The courts of England are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Notes expressed to be governed by English law (including any dispute relating to any non-contractual obligations arising out of or in connection with the Notes) and accordingly any legal action or proceedings arising out of or in connection with the Notes (including any legal action or proceedings relating to any non-contractual obligations arising out of or in connection with the Notes) may be brought in such courts. The Issuer irrevocably submits to the exclusive jurisdiction of such courts and waives any objection to proceedings in such courts whether on the ground of venue or on the ground that the proceedings have been brought in an inconvenient or inappropriate forum. This submission is made for the benefit of each of the Noteholders and shall not limit the right of any of them to take proceedings in any other court of competent jurisdiction, nor shall the taking of proceedings in one or more jurisdictions preclude the taking of proceedings in any other jurisdiction (whether concurrently or not).

- (c) **Agent for service of process:** The Issuer irrevocably appoints Malayan Banking Berhad, London Branch at its registered office at 74 Coleman Street, London EC2R 5BN England, United Kingdom as its agent in England to receive service of process in any proceedings in England. If for any reason the Issuer does not have such an agent in England, it will promptly appoint a substitute process agent and notify the Noteholders of such appointment. Nothing herein shall affect the right to serve process in any other manner permitted by law.
- (d) **Waiver of immunity:** The Issuer hereby irrevocably and unconditionally waives with respect to the Notes, the Receipts and the Coupons any right to claim sovereign or other immunity from jurisdiction or execution and any similar defence and irrevocably and unconditionally consents to the giving of any relief or the issue of any process, including without limitation, the making, enforcement or execution against any property whatsoever (irrespective of its use or intended use) of any order or judgment made or given in connection with any proceedings.

USE OF PROCEEDS

Unless otherwise specified in the Pricing Supplement, the net proceeds from each issue of Notes will be applied by the Issuer for its working capital, general banking and other corporate purposes.

INVESTMENT CONSIDERATIONS

Investors should carefully consider, among other things, the risks described below, as well as the other information contained in this Offering Circular, before making an investment decision. Any of the following risks could materially adversely affect the business, financial condition or results of operations of the Group and of the Issuer and, as a result, investors could lose all or part of their investment. The risks below are not the only risks the Group faces. Additional risks and uncertainties not currently known to the Group (and the Issuer), or that it currently deems to be immaterial may also materially adversely affect the business, financial condition or results of operations of the Group and of the Issuer. Words and expressions defined elsewhere in this Offering Circular shall have the same meanings in this section.

The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes issued under the Programme, but the Issuer's inability to pay any amounts on or in connection with any Note may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it or which it may not currently be able to anticipate, and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Offering Circular (including any document incorporated by reference) and reach their own views prior to making any investment decision. In making an investment decision, each investor must rely on its own examination of the Issuer and the terms of the offering of the Notes.

Considerations relating to the Group

In the course of its business activities, the Group is exposed to a variety of risks, the most significant of which are credit risks, operational risks, liquidity risks and interest rate risks. While the Group believes that it has implemented the appropriate policies, systems and processes to control and mitigate these risks, investors should note that any failure to adequately control these risks could be greater than anticipated and could result in adverse effects on the Group's financial condition, results of operations, prospects and reputation.

Credit risks

Credit risks arising from adverse changes in the credit quality and recoverability of loans, advances and amounts due from counterparties are inherent in a wide range of the Group's businesses. Credit risks could arise from a deterioration in the credit quality of specific counterparties of the Group, from a general deterioration in local or global economic conditions or from systemic risks within the financial system, all of which could affect the recoverability and value of the Group's assets and require an increase in the Group's provisions for the impairment of its assets and other credit exposures. The Group believes that it has adopted a sound credit risk management system but there is no assurance that the system will remain effective or adequate in the future. Any failure to manage the credit risks of the Group could adversely affect its business, financial condition and results of operations. See "Risk Management" for a description of the Group's exposure to credit risks.

Operational risks

Operational risks and losses can result from fraud, error by employees, failure to document transactions properly or to obtain proper internal authorisation, failure to comply with regulatory requirements and conduct of business rules, the failure of internal systems, equipment and external systems (for example, those of the Group's counterparties or vendors) and occurrence of natural disasters. Although the Group has implemented risk controls and loss mitigation strategies and substantial resources are devoted to developing efficient procedures, it is not possible to entirely eliminate any of the operational risks. In addition, the Group seeks to protect its computer systems and network infrastructure from physical break-ins as well as security

breaches and other disruptive problems caused by the Group's increased use of the internet. Computer break-ins and power disruptions could affect the security of information stored in, and transmitted through, these computer systems and network infrastructure. The Group employs security systems, including firewalls and password encryption, designed to minimise the risk of security breaches. There can be no assurance that these security measures will be adequate or successful.

A significant fraud, system failure, calamity or failure in security measures could have a material adverse effect on the Group's business, financial condition, results of operations and prospects. In addition, the Group's reputation could be adversely affected by significant frauds committed by employees, customers or other third parties. See *"Risk Management"* for a description of the Group's exposure to operational risks.

Liquidity risks

Liquidity risks could arise from the inability of the Group to anticipate and provide for unforeseen decreases or changes in funding sources which could have adverse consequences on the Group's ability to meet its obligations when they fall due. Adverse and continued constraints in the supply of liquidity may adversely affect the cost of funding the business and extreme liquidity constraints may limit growth possibilities. An inability to access funds or to access the markets from which it raises funds may create stress on the Issuer's ability to finance its operations adequately. A dislocated credit environment compounds the risk that funds will not be available at favourable rates. In addition, the continued liquidity crises in other affected economies may create difficulties for the Issuer's borrowers to refinance or repay loans to the Issuer, which would result in deterioration of the credit quality of the Issuer's loan portfolio and potentially increase the Issuer's impaired loans levels. Moreover, if there is a downturn in confidence in the Malaysian banking sector as a result of a liquidity crisis, the depositors may withdraw term deposits prior to maturity and as a result have a negative impact on the Issuer's funding base and liquidity. There can be no assurance that if unexpected withdrawals of deposits by the Issuer's customers result in liquidity gaps, the Issuer will be able to cover such gaps. If the Group perceives a likelihood of impending deterioration in economic conditions, it may decrease its risk tolerance in its lending activities, which could have the effect of reducing its interest margin and interest income and ultimately adversely affect the business, financial condition and results of operation of the Group. Although the Group has sound frameworks and policies as well as hedging and exit strategies to proactively manage market disruption should the situation materialise and although it is the Group's policy to maintain prudent liquidity risk management, a diversified and stable source of cheaper funding and to minimise undue reliance on any particular funding source, there is no assurance that there will not be a liquidity crisis affecting the Group, and the failure to maintain such adequate sources of funding may adversely affect the business, financial condition and results of operations of the Group. See *"Risk Management"* for a description of the Group's exposure to liquidity risks.

Interest rate risk

The Group's exposure to interest rate risk arises from its balance sheet positions that are indexed against certain interest rates, such as loans, securities, traditional deposits and inter-bank deposits. The Group quantifies interest rate risk in the banking book through analysing the repricing mismatch between rate sensitive assets and rate sensitive liabilities. The Group has been maintaining a positive repricing gap profile for up to a one year tenor. When market interest rates decline, the Group's net interest margin generally decreases due to a repricing mismatch of the floating rate assets and liabilities coupled with basis risk that arise from imperfect correlation between changes in rates earned and paid on different instruments. On the other hand, part of the Group's loan portfolio, comprising fixed rate loans (including hire purchase loans), are protected in the declining rate environment.

Although the Group believes that it has adopted sound interest rate risk management strategies, there is no assurance that such strategies will remain effective or adequate in the future. Analysis of this risk is

complicated by having to make assumptions on optionality of certain products such as prepayment of housing loans and hire purchase loans, and effective duration of liabilities, which are contractually repayable on demand such as current accounts and saving accounts.

A deterioration in asset quality could adversely affect the Group

Asset quality is one of the key drivers of a financial institution's performance. The Group adopts prudent credit risk management policies to manage its asset quality. The Group recognises that credit policies need to be responsive to the changing environment and diverse market conditions. Additionally, the establishment and application of lending rules, policies and guidelines must be consistently applied throughout the Group. The Group appreciates that loan pricing has to reflect the cost of risk in order to generate an optimal return on capital.

Although the Group believes that it has adopted a sound asset quality management system and intends to maintain it, there is no assurance that the system will remain effective or adequate in the future. A deterioration of asset quality may adversely affect the business, financial condition and results of operations of the Group.

Deterioration in collateral values or inability to realise collateral value may necessitate an increase in the Issuer's provisions

A significant portion of the Issuer's loans are secured by collateral such as real estate and securities, the values of which may decline with a downturn in global economic conditions and/or outlook. Any downward adjustment in collateral values may lead to a portion of the Issuer's loans exceeding the value of the underlying collateral. Such downward adjustment, which will impact the future cash flow recovery, combined with a deterioration in the general credit worthiness of borrowers, may result in an increase in the Issuer's loan loss provisions and potentially reduce its loan recoveries from foreclosures of collateral, which could have an adverse effect on the business, financial condition and results of operations of the Group.

Expansion into Asian markets may increase the Group's risk profile

Building growth in overseas markets, particularly in the Association of Southeast Asian Nations ("ASEAN") region, forms a key pillar of the Group's strategy. The Group has presence in all 10 ASEAN countries with Singapore and Indonesia being its key markets outside Malaysia. Such regional expansion increases its risk profile and exposure to asset quality problems. The Group is also subject to regulatory supervision arising from a wide variety of banking and financial services laws and regulations, and faces the risk of interventions by a number of regulatory and enforcement authorities in each jurisdiction which is the focus of its regional expansion plans. Failure by the Group to comply with any of these laws and regulations could lead to disciplinary action, the imposition of fines and/or the revocation of the relevant licence, permission or authorisation to conduct the Group's business in the jurisdiction in which it operates, or result in civil or criminal liability for the Issuer. There can be no assurance that such regional expansion will not have a material adverse effect on the Group's business, financial condition or results of operations or that the Group's credit and provisioning policies will be adequate in relation to such risks.

The Group's business is inherently subject to the risk of market fluctuations

The Group's business is inherently subject to risks in financial markets and in the wider economy, including changes in, and increased volatility of, exchange rates, interest rates, inflation rates, credit spreads, commodity, equity, bond and property prices and the risk that its customers act in a manner which is inconsistent with business, pricing and hedging assumptions. In particular, as a result of the Group's expansion into foreign markets, the Group may become increasingly exposed to changes in, and increased volatility of, foreign currency exchange rates.

Market movements may have an impact on the Group in a number of key areas. For example, changes in interest rate levels, yield curves and spreads affect the interest rate margin realised between lending and borrowing costs. Historically, there have been periods of high and volatile interbank lending margins over official rates (to the extent banks have been willing to lend at all), which have exacerbated such risks. Competitive pressures on fixed rates or product terms in existing loans and deposits sometimes restrict the Group in its ability to change interest rates applying to customers in response to changes in official and wholesale market rates.

Any failure by the Group to implement, or consistently follow, its risk management systems may adversely affect its financial condition and results of operations, and there can be no assurance that the Group's risk management systems will be effective. In addition, the Group's risk management systems may not be fully effective in mitigating risk exposure in all market environments or against all types of risks, including risks that are unidentified or unanticipated. Some methods of managing risk are based upon observed historical market behaviour. As a result, these methods may not predict future risk exposures, which could be significantly greater than the historical measures indicated.

A further downgrade in the U.S. government's sovereign credit rating could result in risks to the Group and general economic conditions that the Group is not able to predict.

On 5 August 2011, Standard & Poor's Ratings Services ("S&P") downgraded its sovereign credit rating of the U.S. government from AAA to AA+. On 13 July 2011, Moody's Investors Services Limited ("Moody's") placed the U.S. government under review for a possible credit downgrade, and on 2 August 2011, Moody's confirmed the U.S. government's existing sovereign rating, but stated that the rating outlook is negative. On 2 August 2011, Fitch Ratings Ltd ("Fitch") affirmed its existing sovereign rating of the U.S. government, but stated that the rating is under review. Should a further downgrade of the sovereign credit ratings of the U.S. government occur, it is foreseeable that the ratings and perceived creditworthiness of instruments issued, insured or guaranteed by institutions, agencies or instrumentalities directly linked to the U.S. government could also be correspondingly affected by any such downgrade. Instruments of this nature are widely used as collateral by financial institutions to meet their day-to-day cash flows in the short-term debt market.

A downgrade of the sovereign credit ratings of the U.S. government and perceived creditworthiness of U.S. government-related obligations could impact the Group's ability to obtain funding that is collateralised by affected instruments, as well as affecting the pricing of that funding when it is available. A further downgrade may also adversely affect the market value of such instruments. The Group cannot predict if, when or how any changes to the credit ratings or perceived creditworthiness of these organisations will affect economic conditions. Such ratings actions could result in a significant adverse impact to the Group.

The Group may face potential pressure on its capital due to Basel III

On 17 December 2009, the Basel Committee on Banking Supervision (the "BCBS") proposed a number of fundamental reforms to the regulatory capital framework. On 16 December 2010, the BCBS released two documents entitled "Basel III: A Global Regulatory Framework for More Resilient Banks and Banking Systems" and "Basel III: International Framework for Liquidity Risk Management, Standards and Monitoring" and on 13 January 2011 issued a press release entitled "Basel Committee issues final elements of the reforms to raise the quality of regulatory capital" (collectively "Basel III").

On 28 November 2012, BNM issued its regulatory capital adequacy framework entitled "Capital Adequacy Framework (Capital Components)" implementing the Basel III reforms. The capital requirements set out by BNM took effect on 1 January 2013 and require banking institutions, including the Group, to maintain the following minimum capital ratios for the calendar years detailed below:

- (a) a minimum Common Equity Tier 1 (“CET1”) capital ratio of 3.5 per cent. of risk-weighted assets (in 2013), 4.0 per cent. (in 2014) and 4.5 per cent. (from 2015 onwards);
- (b) a minimum Tier 1 capital ratio of 4.5 per cent. of risk-weighted assets (in 2013), 5.5 per cent. (in 2014) and 6.0 per cent. (from 2015 onwards); and
- (c) a minimum total capital ratio of 8.0 per cent of risk-weighted assets (from 2013 onwards).

In addition, banks are required to maintain additional capital buffers above the minimum CET1, Tier 1 and total capital ratios set out above in the form of a capital conservation buffer and a countercyclical capital buffer.

The capital conservation buffer is to enable the banking system to withstand future periods of stress and requires banks to maintain an additional buffer equal to a minimum of 0.625 per cent. of risk-weighted assets (for the 2016 calendar year), 1.25 per cent. (for the 2017 calendar year), 1.875 per cent. (for the 2018 calendar year) and 2.50 per cent. (from 2019 onwards). There will be no capital conservation buffer prior to the 2016 calendar year.

If there is excess credit growth in any given country resulting in a system-wide build-up of risk, a countercyclical buffer within a range of 0.0 per cent. to 2.5 per cent. of risk-weighted assets will also apply to the minimum CET1, Tier 1 and total capital ratios (as increased by the capital conservation buffer). The countercyclical buffer is determined as the weighted-average of the prevailing countercyclical capital buffer requirements applied in the jurisdictions in which the relevant banking institution has credit exposures and is subject to the following scaling factors: 0 per cent. (for calendar years prior to 2016), 25 per cent. (for the 2016 calendar year), 50 per cent. (for the 2017 calendar year) and 75 per cent. (for the 2018 calendar year).

To the extent a bank fails to maintain such a ratio, BNM may impose penalties on such a bank ranging from a fine to revocation of its banking licence. See “*Regulation and Supervision*”.

The Group’s and Bank’s CET1 ratio before deducting final dividends were 11.25 per cent. and 15.93 per cent. respectively, their Tier I capital adequacy ratio before final dividends were 13.06 per cent. and 15.93 per cent. respectively, and their total capital ratio before final dividends were 15.66 per cent. and 15.93 per cent. for the financial year ended 31 December 2013, respectively. The Group’s capital base and capital adequacy ratio may deteriorate in the future if its results of operations or financial condition deteriorate for any reason, including as a result of any deterioration in the asset quality of its loans, or if the Group is not able to deploy its funding into suitably low-risk assets. If the Group’s capital adequacy ratio deteriorates, it may be required to obtain additional CET1, Tier I or Tier II capital in order to remain in compliance with the applicable capital adequacy guidelines. However, the Group may not be able to obtain additional capital on favourable terms depending on the market conditions and circumstances prevailing at the time of the intended capital raising, or at all.

Furthermore, there can be no assurance that BCBS will not amend the package of reforms described above or that BNM will not amend the Capital Adequacy Framework in a manner which imposes additional capital requirements on, or otherwise affects the capital adequacy requirements relating to, Malaysian banks. The approach and local implementation of Basel III will depend on BNM’s response which may potentially impact the Group in various ways depending on the composition of its qualifying capital and risk weighted assets. Although the Group has always maintained a strong capital position that consistently ensures an optimal capital structure to meet the requirements of various stakeholders, there can be no assurance that the Group will not face increased pressure on its capital in the future to comply with Basel III standards and the Capital Adequacy Framework which may have an adverse effect on the Group’s business, financial condition, results of operations and prospects.

The Group is dependent on its directors and senior management

The Group relies on its directors and senior management for its business direction and business strategy. The loss of directors or members of the senior management team could adversely affect its ability to operate its business or to compete effectively, and in turn, affect its financial performance and prospects. The senior management has developed succession plans and training programmes for the development of talent within the Group. However, there can be no assurance that such measures will be sufficient to prevent any loss of directors or members of the senior management team throughout the tenor of any Notes.

The Group may be unable to comply with the restrictions and covenants contained in its debt agreements

If the Group is unable to comply with the restrictions and covenants in its current or future debt agreements, there could be a default under the terms of those agreements. In the event of a default under those agreements, the creditors of the debt could terminate their commitments to lend to the Group, accelerate the debt and declare all amounts borrowed due and payable and/or terminate such debt agreements, whichever the case may be. Such actions may result in an Event of Default under the Terms and Conditions of the Notes issued.

The Group may not be successful in implementing new business strategies or penetrating new markets

The Group's business strategy includes developing new products and increasing the Group's presence regionally. The expansion of the Group's business activities may expose it to a number of risks and challenges including, among other things, the following:

- (a) new and expanded business activities may have less growth or profit potential than the Group anticipates, and there can be no assurance that new business activities will become profitable at the level the Group desires or at all;
- (b) the new business strategy may alter the risk profile of the Group's portfolio;
- (c) the Group may fail to identify and offer attractive new services in a timely fashion, putting it at a disadvantage with competitors;
- (d) the Group's competitors may have substantially greater experience and resources for the new and expanded business activities and so the Group may not be able to attract customers from its competitors; and
- (e) economic conditions such as changes in interest rates or inflation and regulatory environment such as changes in laws and regulations may hinder the Group's expansion.

The Group's inability to implement its business strategy could have a material adverse effect on its business, cash flows, financial condition, results of operations and prospects.

Any failure to keep pace with technological advances or to maintain an appropriate level of investment in information technology may adversely affect the Group's business, prospects financial condition and results of operations

The Group is committed to keeping pace with technological advances and has invested in information technology to foster and support the Group's business objectives. Although the Group intends to continue to make investments to promote new levels of process efficiency and effectiveness to improve its business performance and risk management capabilities, these investments and the ensuing changes with respect to its information technology may expose the Group to technical or operational risks or difficulties associated with transitioning or integrating its existing systems and infrastructure with the introduction of new technologies, systems or other equipment. There can be no assurance that the Group's efforts in enhancing its information

technology will be successful or adequate. Any strategic error in implementing its new information technology platform and any failure to maintain an appropriate level of investment in information technology for the Group could adversely affect its business, prospects, financial condition and results of operations.

Considerations relating to Malaysia

As at 31 December 2013, approximately 72 per cent. of the Group's operating revenue is derived from activities in Malaysia. Any factors which could materially or adversely affect the macroeconomic conditions of Malaysia could have a similar effect on the Group's business, financial condition, prospects or results of operations.

Global or regional developments may have a material adverse impact on the Group

The economic, market and political conditions in other countries, particularly emerging market conditions in Asia and its major trading partners, could have an influence on the Malaysian economy. Any widespread global financial instability or a significant loss of investor confidence in other emerging market economies may adversely affect the Malaysian economy, which could materially and adversely affect the Group's business, financial condition, results of operations, prospects or reputation.

Examples of such external factors or conditions that are outside the Group's control include, but are not limited to the following:

- (a) entry of new competitors into the Malaysian banking market from foreign countries and other actions by new and existing local and foreign competitors;
- (b) general economic, political and social conditions in Malaysia and key foreign markets;
- (c) consumer spending patterns in Malaysia and key foreign markets;
- (d) currency and interest rate fluctuations;
- (e) Inflationary pressure in emerging market economies;
- (f) international events and circumstances such as wars, terrorist attacks, natural disasters and political instability; and
- (g) changes in legal regimes and governmental regulations, such as licensing and approvals, taxation, duties and tariffs, in Malaysia and key foreign markets.

The stress experienced by global capital markets that began in the second half of 2007 continued and substantially increased in 2008 and to varying degrees in different regions from 2009 to 2013. Concerns over inflation, geopolitical issues, the availability and cost of credit, the credit crisis in Greece, Ireland, Portugal and other parts of Europe, the volatile political climate in Northern Africa and unstable markets in some of the sectors in which the Group operates, such as the residential property market, have contributed to a reduction of liquidity levels globally, a general decline in lending activity between financial institutions and in commercial lending markets, and increased volatility and diminished expectations for the global economy and the markets in the near term future. In addition, certain European governments have experienced downgrades of their sovereign credit rating. There can be no assurance that the market disruptions in Europe, including the increased cost of funding for certain governments and financial institutions, will not spread, nor can there be any assurance that further assistance packages will be available or, even if provided, will be sufficient to stabilise the affected countries and markets in Europe or elsewhere. The conditions in the global economy remain uncertain and recovery is likely to be slow, as predicted by the International Monetary Fund, World Bank and other organisations. High levels of debt in advanced economies are a key risk to economic recovery. A worsening debt situation in the United States or Europe or any other country may adversely impact the

global economy. The U.S. Federal Reserve has also begun to taper its quantitative easing programme and no assurance can be given as to when such quantitative easing will be discontinued. This uncertainty could lead to market speculation over the Federal Reserve policy moves which could trigger a rise in longer term U.S. treasury yields and in turn may adversely affect financial markets and economic growth globally.

These factors, combined with volatile oil prices, declining business and consumer confidence and increased unemployment, have precipitated an economic slowdown and recessionary pressures globally and may adversely affect the business, prospects, financial condition and results of operations of the Group.

Developments in Asia may negatively impact the Group and affect the Issuer's ability to make payments due under the Notes

In mid-1997, following the substantial depreciation of the Thai Baht, many countries in Asia, including Malaysia, experienced a significant economic downturn and related economic, financial and social difficulties. As a result of the decline in value of a number of the region's currencies, many Asian governments and companies had difficulty in servicing foreign currency denominated debt and many corporate customers defaulted on their debt repayments. As the economic crisis spread across the region, governments raised interest rates to defend weakening currencies, which adversely impacted domestic growth rates. In addition, liquidity was substantially reduced as foreign investors withdrew or reduced investment in the region and banks in the region restricted additional lending activity. The currency fluctuations, as well as higher interest rates and other factors, had materially and adversely affected the economies of many countries in Asia. Similar adverse economic developments in Asia could recur in future and could have an adverse effect on Malaysia and its economy and consequently on the Group's business, financial condition and results of operation. In addition, other adverse change in trends or a general economic slowdown as a result of changes in labour costs, inflation, interest rates, taxation or other political or economic developments in Malaysia could adversely affect the business, financial condition and results of operation of the Group and ultimately the ability of the Issuer to make the payments due under the Notes.

The Malaysian Ringgit may be subject to exchange rate fluctuations

BNM has in the past intervened in the foreign exchange market to stabilise the Ringgit, and had on 2 September 1998, maintained a fixed exchange rate of RM3.80 to U.S.\$1.00. Subsequently on 21 July 2005, BNM adopted a managed float system for the Ringgit exchange rate, which benchmarked the Ringgit to a currency basket to ensure that the Ringgit remains close to its fair value.

The Ringgit and most other regional currencies continued to be affected by recent global developments. The commencement of the tapering of the U.S. Federal Reserve asset purchase programme, concerns over the growth outlook for several emerging economies and geopolitical developments led to heightened risk aversion and an outflow of funds from regional financial markets. During the period 1 January 2013 to 22 May 2014, the Ringgit has experienced a decline of 4.9 per cent. against the U.S. dollar. As at 22 May 2014, the closing exchange rate was RM3.2 to U.S.\$1.00. While the BNM has adopted a managed float system for the Ringgit exchange rate, there can be no assurance that BNM will, or would be able to intervene in the foreign exchange market in the future or that any such intervention or fixed exchange rate would be effective in achieving the objective of BNM's policy. The Issuer revalues its foreign currency borrowings and its investments on its balance sheet to account for changes in currency rates and recognise the resulting gains or losses in its income statement. While the Issuer usually engages in foreign currency hedging transactions to minimise its foreign currency exposure, fluctuations in the value of the Ringgit against other currencies can have a direct effect on the Issuer's results of operations and shareholders' equity and may adversely affect the Issuer's business, financial condition, results of operations and prospects.

Impact of re-imposition of capital controls

As part of the package of policy responses to the 1997 economic crisis in Southeast Asia, the Government introduced, on 1 September 1998, selective capital control measures. The Government subsequently liberalised such selective capital control measures in 1999 to allow foreign investors to repatriate principal capital and profits, subject to an exit levy based on a percentage of profits repatriated. On 1 February 2001, the Government revised the levy to apply only to profits made from portfolio investments retained in Malaysia for less than one year. On 2 May 2001, the Government lifted all such controls in respect of the repatriation of foreign portfolio funds (largely consisting of proceeds from the sale of stocks listed on Bursa Securities).

There can be no assurance that the Government will not re-impose these or other forms of capital controls in the future. If the Government re-imposes or introduces foreign exchange controls, investors may not be able to repatriate the proceeds of the sale of the Notes and interest and principal paid on the Notes from Malaysia for a specified period of time or may only be able to do so after paying a tax or levy.

Inflationary pressures in Malaysia and potential impact upon the Malaysian economy

The inflation rate, as measured by the annual change in consumer price index, averaged 3.4 per cent. in the first quarter of 2014 compared to 3.3 per cent. in the first quarter of 2013. The increase was due to higher inflation in the housing, water, electricity, gas and other fuels and transport categories. During the first quarter of 2014, higher rental and electricity tariffs contributed to higher inflation in the housing, water, electricity, gas and other fuel categories. Such inflationary pressures in the Malaysian economy could adversely affect the business, financial condition, prospects and results of operation of the Issuer and the Group.

Considerations relating to the Malaysian Banking Industry

Regulatory Environment

The Issuer is regulated by BNM. The Group is also subject to relevant banking, securities and other laws of Malaysia. BNM has extensive powers to regulate the Malaysian banking industry under the Financial Services Act 2013 and the Islamic Financial Services Act 2013. This includes the power to limit the interest rates charged by banks on certain types of loans, establish caps on lending to certain sectors of the Malaysian economy and establish priority lending guidelines in furtherance of certain social and economic objectives. BNM also has broad investigative and enforcement powers. Accordingly, potential investors should be aware that BNM could, in the future, set interest rates at levels or restrict credit in a way which may be adverse to the operations, financial condition or asset quality of banks and financial institutions in Malaysia, including the Group, and may otherwise significantly restrict the activities of the Group and Malaysian banks and financial institutions generally.

The Group is required to prepare its financial statements in accordance with generally accepted accounting principles in Malaysia (“**Malaysian GAAP**”) as modified by the BNM Guidelines, which differ in certain respects from the International Financial Reporting Standards (“**IFRS**”). This Offering Circular does not contain a reconciliation of the financial statements presented in accordance with Malaysian GAAP with those presented in accordance with IFRS. Such a reconciliation, if included, may reveal material quantitative differences.

Increasing Competition and Market Liberalisation

The banking industry has been transforming through a deregulation process as part of BNM’s implementation of its first Financial Sector Master Plan (2001-2010), which has resulted in the liberalisation of the banking industry to allow for a greater presence of foreign and Islamic banks as well as providing greater opportunities for banks to widen their scope of business beyond traditional commercial banking. BNM’s

second Financial Sector Master Plan (2011-2020), which was launched in December 2011, is more focused on the future development of the financial sector in promoting the effective intermediation towards the achievement of a high income economy.

In addition, the Competition Act 2010 (“**Competition Act**”) which took effect on 1 January 2012, was introduced to promote economic development by promoting and protecting the process of competition in order to maximise consumer welfare through the prohibition of anti-competitive practices. The Competition Act applies to all commercial activities undertaken within Malaysia and those outside Malaysia which have effects on competition in the Malaysian market. The scope of the Competition Act includes prohibitions of anti-competitive agreements and the abuse of dominant position.

The liberalisation of the banking industry and the implementation of the Competition Act have brought greater competition among banking institutions and this trend is expected to continue.

As a result, banking institutions are encouraged to become more efficient, by improving customer service, exploring more effective uses of available technology and to explore cost effective solutions.

The Group faces competition from other domestic banking groups as well as foreign banks operating in Malaysia. The increased competition may adversely impact the business, financial conditions and results of operations of the Issuer and the Group.

Scope and cost of deposit insurance in Malaysia

BNM is not required to act as lender of last resort to meet liquidity needs in the banking system generally or for specific institutions. In the past, BNM has on a case-by-case basis provided a safety net for individual banks with an isolated liquidity crisis. However, there can be no assurance that BNM will provide such assistance in the future.

Effective from 1 September 2005, BNM introduced a deposit insurance system (the “**Deposit Insurance System**”). The Deposit Insurance System is administrated by Malaysia Deposit Insurance Corporation (*Perbadanan Insurans Deposit Malaysia*), an independent statutory body. All licensed commercial banks (including subsidiaries of foreign banks operating in Malaysia) and Islamic banks are member institutions of the Deposit Insurance System.

In addition to the above, based on announcements by the Malaysia Deposit Insurance Corporation, the Issuer took a risk based approach and implemented the new differential premium system framework in February 2008 to replace the flat rate premium system. Under the differential premium system, the premium payable by a banking institution will depend on the institution’s risk profile. Revised guidelines on the Differential Premium Systems were issued in March 2014 where the eligible deposits that are insured are capped at RM250,000 (inclusive of principal and interest) per depositor, per member institution. The eligible deposits include the foreign currency deposits as part of the deposit coverage.

Considerations Related to the Structure of a Particular Issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features and risks associated.

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of Notes. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Partly-Paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment on a Partly-Paid Note could result in an investor losing all of its investment.

Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes are typically more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or vice versa. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing rates on its Notes.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium to their nominal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Index Linked Notes and Dual Currency Notes

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each a "**Relevant Factor**"). In addition, it may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;

- (iii) the payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable will likely be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index should not be viewed as an indication of the future performance of such index during the term of any Index Linked Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Index Linked Notes and the suitability of such Notes in light of its particular circumstances.

Considerations relating to the Notes Generally

Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the relevant Notes, the merits and risks of investing in the relevant Notes and the information contained or incorporated by reference in this Offering Circular or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Notes and the impact such investment will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the relevant Notes, including where principal or interest is payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the relevant Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with the help of a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of such Notes and the impact this investment will have on the potential investor's overall investment portfolio.

Investors should pay attention to any modification, waivers and substitution

The Terms and Conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders, including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Bearer Notes where denominations involve integral multiples: definitive bearer Notes

In relation to any issue of Notes in bearer form which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in bearer form in respect of such holding (should such Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If definitive Notes in bearer form are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Noteholders' ability to enforce claims is uncertain

Substantially all the assets of the Issuer are located in Malaysia. Generally, since the United Kingdom is a reciprocating country, any final and conclusive judgment obtained against the Issuer in any of the superior courts of the United Kingdom or other reciprocating countries as listed in the Reciprocal Enforcement of Judgments Act, 1958 of Malaysia (“REJA”), other than a judgment of such a court given on appeal from a court which is not a superior court, can be registered in the Malaysian High Court without re-examination or re-litigation of the matters adjudicated upon, if:

- (i) the judgment was not obtained by fraud;
- (ii) the enforcement of the judgment would not be contrary to natural justice or the public policy of Malaysia and the adjudicating court has jurisdiction over the Issuer according to the principles of private international laws of Malaysia or would not be an enforcement of the penal or revenue laws of any jurisdiction other than Malaysia;
- (iii) the enforcement of the judgment would not be an enforcement of penal or revenue laws;
- (iv) the judgment was not obtained in proceedings in which the defendant did not (notwithstanding that process may have been duly served on him in accordance with the laws of England) receive notice of those proceedings in sufficient time to enable it to defend the proceedings and did not appear;
- (v) there has not been an earlier judgment of a competent court;
- (vi) the judgment is for a fixed sum and not for multiple damages;

- (vii) enforcement of proceedings is instituted within six years after the date of the judgment;
- (viii) an appeal is not pending, and the judgment creditor is not entitled and intending to appeal, against the judgment;
- (ix) the judgment was made by a court of competent jurisdiction; and
- (x) the judgment has not been wholly satisfied and is enforceable by execution in the courts of England.

As a result, Noteholders with claims against the Issuer, its directors or executive officers, will generally be able to pursue such claims by registering such judgments obtained in the recognised English courts or those of other reciprocating countries in the Malaysian High Court. In addition, where the sum payable under a judgment which is to be registered is expressed in a currency other than Malaysian currency, the judgment shall be registered as if it were a judgment for such sum in Malaysian currency as is equivalent to the sum so payable on the basis of the rate of exchange prevailing at the date of the judgment of the original court.

Global financial turmoil has led to volatility in international capital markets which may adversely affect the market price of the Notes

Global financial turmoil has resulted in substantial and continuing volatility in international capital markets. Any further deterioration in global financial conditions could have a material adverse effect on worldwide financial markets, which may adversely affect the market price of the Notes.

Limited rights of enforcement and subordination of the Subordinated Notes could impair an investor's ability to enforce its rights or realise any claims on the Subordinated Notes

In most circumstances, the sole remedy against the Issuer available to the holders of Subordinated Notes to recover any amounts owing in respect of the principal of or interest on the Subordinated Notes will be to institute proceedings for the winding-up of the Issuer in Malaysia. See Condition 10.2 of the *“Terms and Conditions of the Notes”*.

If the Issuer defaults on the payment of principal or interest on the Subordinated Notes, the holders of the Subordinated Notes will only institute a proceeding in Malaysia for the winding-up of the Issuer if it is so contractually obliged. The holders of the Subordinated Notes will have no right to accelerate payment of the Subordinated Notes in the case of default in payment or failure to perform a covenant except as they may be so permitted under the Terms and Conditions of the Notes.

The Subordinated Notes will be direct, unconditional, unsecured and subordinated obligations of the Issuer and will rank junior in priority to the claims of senior creditors. Upon the occurrence of any winding-up proceeding, the rights of the holders of the Subordinated Notes to payments on such Subordinated Notes will be subordinated as set out in the Terms and Conditions of the Notes and the applicable Pricing Supplement. In a winding-up proceeding, the holders of the Subordinated Notes may recover less than the holders of deposit liabilities or the holders of other unsubordinated liabilities of the Issuer, as applicable. As there is no precedent for a winding-up of a major financial institution in Malaysia, there is uncertainty as to the manner in which such a proceeding would occur and the results thereof. Although Subordinated Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is a real risk that an investor in Subordinated Notes will lose all or some of his investment should the Issuer become insolvent.

As a consequence of the subordination provisions, in the event of a winding up of the Issuer's operations, the holders of any Subordinated Notes may recover less rateably than the holders of deposit liabilities or the holders of the Issuer's other unsubordinated liabilities. The Issuer believes that all of these deposit liabilities rank senior to the Issuer's obligations under the Subordinated Notes. Any Subordinated Notes and the Terms and Conditions of the Notes do not limit the amount of the liabilities ranking senior to the Subordinated Notes which may be hereafter incurred or assumed by the Issuer.

There is also no restriction on the amount of securities which the Issuer may issue and which rank *pari passu* with the Subordinated Notes. The issue of any such securities may reduce the amount recoverable by the holders of the Subordinated Notes on a winding-up of the Issuer. In the winding-up of the Issuer and after payment of the claims of senior creditors and of depositors, there may not be a sufficient amount to satisfy the amounts owing to the holders of the Subordinated Notes.

The Subordinated Notes may be varied by the Issuer

The Issuer may, subject to the approval of BNM and as set out in the Terms and Conditions of the Notes and the applicable Pricing Supplement, vary the terms of the Subordinated Notes. Any such variation may have adverse consequences for Noteholders, depending on numerous factors, including the nature and terms and conditions of the relevant variation provisions and the tax laws to which a particular Noteholder is subject.

No Events of Default under the Subordinated Notes

Issues of Subordinated Notes do not provide for events of default allowing acceleration of the Subordinated Notes except upon the winding-up of the Issuer. Upon a payment default, the sole remedy available to the holders of the Subordinated Notes for recovery of amounts owing in respect of any payment or principal of, or interest on, the Subordinated Notes will be the institution of proceedings in Malaysia for the winding-up of the Issuer. See Conditions 10.2 and 10.3 of the “*Terms and Conditions of the Notes*”.

Subordinated Notes that include a loss absorption feature are novel and complex financial instruments.

Subordinated Notes that include a loss absorption feature are complex financial instruments and the regulations on non-viability loss absorption are new and untested in Malaysia and will be subject to the interpretation and application by the relevant authority in Malaysia. It is uncertain how the relevant Malaysian authority would determine the occurrence of a Trigger Event (as defined in the applicable Pricing Supplement) and the range of circumstances in which the relevant Malaysian authority could rely upon to determine such occurrence is wide.

A potential investor should not invest in such Subordinated Notes unless it has the knowledge and expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the likelihood of a write-off and the value of such Subordinated Notes, and the impact this investment will have on the potential investor’s overall investment portfolio. Prior to making an investment decision, potential investors should consider carefully, in light of their own financial circumstances and investment objectives, all the information contained in this Offering Circular or incorporated by reference herein.

Tax treatment of Subordinated Notes that contain non-viability loss absorption provisions is unclear.

It is not clear whether any particular tranche of the Subordinated Notes which contains non-viability loss absorption provisions will be regarded as debt securities by the Inland Revenue Board of Malaysia (“**IRB**”) for the purposes of the Income Tax Act 1967 of Malaysia and whether any tax concessions would apply to such tranche of the Subordinated Notes.

If any tranche of the Subordinated Notes is not regarded as debt securities for the purposes of the Income Tax Act 1967 and/or holders thereof are not eligible for the tax concessions, the tax treatment to holders may differ. Investors and holders of any tranche of the Subordinated Notes should consult their own accounting and tax advisers regarding the Malaysian income tax consequences of their acquisition, holding and disposal of such tranche of the Subordinated Notes.

U.S. Foreign Account Tax Compliance Withholding

TO ENSURE COMPLIANCE WITH TREASURY DEPARTMENT CIRCULAR 230, PROSPECTIVE HOLDERS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF U.S. FEDERAL TAX ISSUES IN THIS OFFERING CIRCULAR IS NOT INTENDED OR WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON, BY ANY PERSON FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON SUCH PERSON UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS INCLUDED HEREIN BY THE ISSUER IN CONNECTION WITH THE PROMOTION OR MARKETING (WITHIN THE MEANING OF CIRCULAR 230) BY THE ISSUER OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) PROSPECTIVE HOLDERS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

Certain provisions of U.S. federal income tax law, commonly known as “**FATCA**”, generally require certain non-U.S. financial institutions to report certain information on their account holders to the government of the United States and require such institutions to withhold 30 per cent. from all, or a portion of, certain payments made to persons that fail to provide the financial institution information, consents and forms or other documentation that may be necessary for such financial institution to determine whether such person is compliant with FATCA or otherwise exempt from FATCA withholding.

This new withholding regime may apply to payments made after 31 December 2016 on, or with respect to, (i) any Notes issued or materially modified on or after the date that is six months after the date on which the final regulations defining the term “foreign passthru payments” are filed with the Federal Register (the “**grandfathering date**”) and (ii) any Notes which are treated as equity for U.S. federal income tax purposes. If Notes are issued before the grandfathering date, and additional Notes of the same series are issued on or after that date, the additional Notes may not be treated as grandfathered, which may have negative consequences for the existing Notes, including a negative impact on market price.

The application of FATCA to interest, principal or other amounts paid with respect to the Notes and the information reporting obligations of the Issuer and other entities in the payment chain is still developing. In particular, a number of jurisdictions (including Hong Kong) have entered into, or have announced their intention to enter into, intergovernmental agreements (or similar mutual understandings) with the United States (“**IGAs**”), which modify the way in which FATCA applies in their jurisdictions. The full impact of such IGAs (and the laws implementing such IGAs in such jurisdictions) on reporting and withholding responsibilities under FATCA is unclear. The Issuer and other entities in the payment chain may be required to report certain information on their U.S. account holders to government authorities in their respective jurisdictions or the United States in order (i) to obtain an exemption from FATCA withholding on payments they receive and/or (ii) to comply with applicable law in their jurisdictions. It is not yet certain how the United States and the jurisdictions which enter into IGAs will address withholding on “foreign passthru payments” (which may include payments on the Notes) or if such withholding will be required at all.

Whilst the Notes are in global form and held within the Clearing Systems, it is expected that FATCA will not affect the amount of any payments made under, or in respect of, the Notes by the Issuer, any paying agent and the Common Depositary, given that each of the entities in the payment chain beginning with the paying agent and ending with the Clearing Systems is a major financial institution whose business is dependent on compliance with FATCA and that any alternative approach introduced under an IGA will be unlikely to affect the Notes. The documentation expressly contemplates the possibility that the Notes may go into definitive form and therefore that they may be taken out of the ICSDs. If this were to happen, then a non-FATCA-compliant holder could be subject to withholding pursuant to FATCA.

If an amount in respect of U.S. withholding tax were to be deducted or withheld from interest, principal or other payments on the Notes as a result of FATCA, none of the Issuer, any paying agent or any other person would, pursuant to the Terms and Conditions of the Notes, be required to pay additional amounts as a result of the deduction or withholding of such tax. As a result, investors may receive less interest or principal than expected. Holders of the Notes should consult their own tax advisers on how these rules may apply to payments they receive under the Notes.

The application of FATCA to Notes issued on or after the date that is six months after the date on which the final regulations defining the term “foreign passthru payments” are filed with the Federal Register, or Notes treated as equity for U.S. federal income tax purposes, may be addressed in the relevant Pricing Supplement or a supplement to this Offering Circular, as applicable.

FATCA IS PARTICULARLY COMPLEX AND ITS APPLICATION TO THE ISSUER, THE NOTES AND THE HOLDERS IS UNCERTAIN AT THIS TIME. EACH HOLDER OF NOTES SHOULD CONSULT ITS OWN TAX ADVISER TO OBTAIN A MORE DETAILED EXPLANATION OF FATCA AND TO LEARN HOW THIS LEGISLATION MIGHT AFFECT EACH HOLDER IN ITS PARTICULAR CIRCUMSTANCE.

EU Savings Directive

EC Council Directive 2003/48/EC on the taxation of savings income (the “**Savings Directive**”) requires EU Member States to provide to the tax authorities of other EU Member States details of payments of interest and other similar income paid by a person established within its jurisdiction to (or for the benefit of) an individual resident, or certain other types of entity established, in that other EU Member State, except that Austria and Luxembourg will instead impose a withholding system for a transitional period (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld) unless during such period they elect otherwise. The Luxembourg government has announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect from 1 January 2015.

The Council of the European Union has adopted a Directive (the “**Amending Directive**”) which will, when implemented, amend and broaden the scope of the requirements described above. The Amending Directive will expand the range of payments covered by the Savings Directive, in particular to include additional types of income payable on securities, and the circumstances in which payments must be reported or paid subject to withholding. For example, payments made to (or for the benefit of) (i) an entity or legal arrangement effectively managed in an EU Member State that is not subject to effective taxation, or (ii) a person, entity or legal arrangement established or effectively managed outside of the EU (and outside any third country or territory that has adopted similar measures to the Savings Directive) which indirectly benefit an individual resident in an EU Member State, may fall within the scope of the Savings Directive, as amended. The Amending Directive requires EU Member States to adopt national legislation necessary to comply with it by 1 January 2016, which legislation must apply from 1 January 2017.

If a payment were to be made or collected through an EU Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment pursuant to the Savings Directive or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to such Directive, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. Furthermore, once the Amending Directive is implemented and takes effect in EU Member States, such withholding may occur in a wider range of circumstances than at present, as explained above.

The Issuer is required to maintain a Paying Agent with a specified office in an EU Member State that is not obliged to withhold or deduct tax pursuant to any law implementing the Savings Directive or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000, which may mitigate an element of this risk if the Noteholder is able to arrange for payment through such a Paying Agent. However, investors should choose their custodians and intermediaries with care, and provide each custodian and intermediary with any information that may be necessary to enable such persons to make payments free from withholding and in compliance with the Savings Directive.

Investors who are in any doubt as to their position should consult their professional advisers.

Malaysian Taxation

Under present Malaysian law, all interest payable to non-residents in respect of the Notes is exempted from withholding tax. However, there is no assurance that this present position will continue and in the event that such exemption is revoked, modified or rendered otherwise inapplicable, such interest shall be subject to withholding tax at the then prevailing withholding tax rate. However, notwithstanding the foregoing, the Issuer shall be obliged pursuant to the terms of the Notes, in the event of any such withholding, to pay such additional amounts to the investors so as to ensure that the investors receive the full amount which they would have received had no such withholding been imposed.

Change of law

The conditions of the Notes are based on English law or, in the case of the subordination provisions set out in such conditions in the Subordinated Notes, Malaysian law, in effect as at the date of this Offering Circular. No assurance can be given as to the impact of any possible judicial decision or change to English law or, as the case may be, Malaysian law, or administrative practice after the date of this Offering Circular.

Reliance on procedures of clearing systems

Notes issued under the Programme will be represented on issue by one or more Global Notes that may be deposited with (i) a common depositary for Euroclear and Clearstream, Luxembourg, (ii) subcustodian for the CMU Service, or (iii) CDP (collectively the “**Clearing Systems**”). Except in the circumstances described in each Global Note, investors will not be entitled to receive Notes in definitive form. Each relevant Clearing System and their respective direct and indirect participants (if any) will maintain records of the beneficial interests in each Global Note held through it. While the Notes are represented by a Global Note, investors will be able to trade their beneficial interests only through the relevant clearing systems and their respective participants (if any).

While the Notes are represented by Global Notes, the Issuer will discharge its payment obligation under the Notes by making payments through the relevant Clearing Systems. A holder of a beneficial interest in a Global Note must rely on the procedures of the relevant Clearing System and its participants (if any) to receive payments under the Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, beneficial interests in any Global Note.

Holders of beneficial interests in a Global Note will not have a direct right to vote in respect of the Notes so represented. Instead, such holders will be permitted to act only to the extent that they are enabled by the relevant Clearing System and its participants to appoint appropriate proxies.

If the Issuer is unable to make payments on the Notes from Hong Kong or Singapore and must make payments from Malaysia, including any additional amounts, the Issuer may experience delays in obtaining or be unable to obtain the necessary approvals from BNM

The Issuer is under no legal obligation to maintain liquidity at its Hong Kong Branch or Singapore Branch at levels sufficient to make payments on the Notes. If payment under the Notes is requested directly from the

Issuer in Malaysia (whether by reason of a lack of liquidity of the Issuer's Hong Kong Branch or Singapore Branch, as applicable, acceleration, enforcement of a judgment or imposition of any restriction under the law of its Hong Kong Branch or Singapore Branch, as applicable), and payment thereunder, including any additional amounts, is to be made from Malaysia, approval from BNM will be required for the remittance of funds outside Malaysia. Any such approval is within the discretion of BNM and the Issuer can provide no assurance that it would in fact be able to obtain such approval upon its request. In addition, there could be significant delays in obtaining BNM approval. In the event that no approvals are obtained or obtainable for the payment by the Issuer of amounts owed and payable by its Hong Kong Branch or Singapore Branch, through remittances from Malaysia, the Issuer may have to seek other mechanisms permitted by applicable laws to effect payment of amounts due under the Notes. However, there is no assurance that other remittance mechanics permitted by applicable law will be available in the future, and even if they are available in the future, there is no assurance that the payments due under the Notes would be possible through such mechanisms.

Considerations Related to the Market Generally

The secondary market generally

There is no existing market for any Notes and there can be no assurances that a secondary market for the Notes will develop, or if a secondary market does develop, that it will provide the Noteholders with liquidity of investment or that it will continue for the life of the Notes. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities.

The market value of any Notes may fluctuate. Consequently, any sale of Notes by Noteholders in any secondary market which may develop may be at prices that may be higher or lower than the initial offering price depending on many factors, including prevailing interest rates, the Group's performance and the market for similar securities. No assurance can be given as to the liquidity of, or trading market for, any Notes and an investor in such Notes must be prepared to hold such Notes for an indefinite period of time or until their maturity. Application has been made to the SGX-ST for permission to deal in and for the listing and quotation of any Notes that may be issued pursuant to the Programme and which are agreed at or prior to the time of issue thereof to be so listed on the SGX-ST but there can be no assurance that such listing will occur. Application has been made to the LFX for the listing of, and permission to deal in, any Notes that may be issued under the Programme but there can be no assurance that such listings will occur on or prior to the date of issue of such Notes or at all. In addition, the Programme has also been admitted for the listing of the Notes on TSE in its capacity as the market operator of the TOKYO PRO-BOND Market in accordance with the rules and regulations of TSE. Historically, the market for debt securities by South East Asian issuers has been subject to disruptions that have caused substantial volatility in the prices of such securities. There can be no assurance that the market for any Notes will not be subject to similar disruptions. Any such disruption may have an adverse effect on holders of such Notes.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Notes in the currency specified in the applicable Pricing Supplement (the "**Currency**"). This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Currency. These include the risk that foreign exchange rates may significantly change

(including changes due to devaluation of the Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Currency would decrease (i) the Investor's Currency-equivalent interest on the Notes, (ii) the Investor's Currency-equivalent value of the principal payable on the Notes and (iii) the Investor's Currency-equivalent market value of the Notes. Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable foreign exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Noteholders may suffer unforeseen losses due to fluctuations in interest rates. Investment in Fixed Rate Notes involves the risk that subsequent changes in market interest rates may adversely affect the value of Fixed Rate Notes.

Inflation risk

Noteholders may suffer erosion on the return of their investments due to inflation. Noteholders would have an anticipated rate of return based on expected inflation rates on the purchase of the Notes. An unexpected increase in inflation could reduce the actual returns.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to an issue of Notes. The ratings may not reflect the potential impact of all risks related to the structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be suspended, reduced or withdrawn by the rating agency at any time.

Considerations relating to Renminbi-Denominated Notes

Notes denominated in Renminbi ("**Renminbi Notes**") may be issued under the Programme. Renminbi Notes contain particular risks for potential investors.

Renminbi is not freely convertible; there are significant restrictions on remittance of Renminbi into and outside the PRC

Renminbi is not freely convertible at present. The PRC government continues to regulate conversion between Renminbi and foreign currencies, including the U.S. dollar, despite the significant reduction over the years by the PRC government of control over routine foreign exchange transactions under current accounts. Participating banks in Hong Kong, Singapore and Taiwan have been permitted to engage in the settlement of RMB trade transactions under a pilot scheme introduced in July 2009. This represents a current account activity. The pilot scheme was extended in August 2011 to cover all provinces and cities in the PRC and to make RMB trade and other current account settlement available in all countries worldwide.

On 7 April 2011, the State Administration of Foreign Exchange (the "**SAFE**") promulgated the Circular on Issues Concerning the Capital Account Items in connection with Cross-Border Renminbi (the "**SAFE Circular**"), which became effective on 1 May 2011. According to the SAFE Circular, in the event that foreign investors intend to use crossborder Renminbi (including offshore Renminbi and onshore Renminbi held in the capital accounts of non-PRC residents) to make contributions to an onshore enterprise or make payments for the transfer of equity interest of an onshore enterprise by a PRC resident, such onshore enterprise shall be required to submit prior written consent of the relevant Ministry of Commerce of the PRC (the "**MOC**") to the relevant local branches of SAFE of such onshore enterprise and register for a foreign invested enterprise status. Further, the SAFE Circular clarifies that the foreign debts borrowed, and the external guarantee

provided, by an onshore entity (including a financial institution) in Renminbi shall, in principle, be regulated under the current PRC foreign debt and external guarantee regime.

On 12 October 2011, the MOC promulgated the Circular on Issues in relation to Cross-border Renminbi Foreign Direct Investment (the “**MOC RMB FDI Circular**”). Pursuant to the MOC RMB FDI Circular, prior written consent from the appropriate office of MOC and/or its local counterparts (depending on the size and the relevant industry of the investment) is required for Renminbi foreign direct investments (“**RMB FDI**”). The MOC RMB FDI Circular also requires that the proceeds of RMB FDI may not be used towards investment in securities, financial derivatives or entrustment loans in the PRC, except for investments in PRC domestic listed companies through private placements or share transfers by agreement. On 13 October 2011, Measures on Administration of Renminbi Settlement in relation to Foreign Direct Investment (the “**PBOC RMB FDI Measures**”) issued by the People’s Bank of China (the “**PBOC**”) set out operating procedures for PRC banks to handle Renminbi settlement relating to RMB FDI and borrowing by foreign invested enterprises of offshore Renminbi loans. Prior to the PBOC RMB FDI Measures, cross-border Renminbi settlement for RMB FDI required approvals from the PBOC on a case-by-case basis. The new rules replace the PBOC approval requirement with a less onerous post-event registration and filing requirement. Under the new rules, foreign invested enterprises (whether established or acquired by foreign investors) need to (i) register their corporate information after the completion of a RMB FDI transaction, and (ii) make post-event registration or filing with the PBOC of any changes in registration information or in the event of increase or decrease of registered capital, equity transfer or replacement, merger, division or other material changes. As the above measures and circulars are still relatively new, how they will be applied in practice still remain subject to the interpretation by the relevant PRC authorities.

Although the PRC Government is liberalising the control over cross-border Renminbi remittances (especially given the goal to achieve full convertibility of capital accounts (if the risk is under control) and promote convenient cross-border Renminbi flow in the China (Shanghai) Pilot Free Trade Zone), there is no assurance that the PRC government will continue to gradually liberalise the control over cross-border RMB remittances in the future, that the pilot scheme introduced in July 2009 will not be discontinued or that new PRC regulations will not be promulgated in the future which have the effect of restricting or eliminating the remittance of Renminbi into or outward from the PRC.

There is only limited availability of Renminbi outside the PRC, which may affect the liquidity of Renminbi Notes and the Issuer’s ability to source Renminbi outside the PRC to service such Renminbi Notes

As of 30 September 2013, the total amount of Renminbi deposits held by institutions authorised to engage in Renminbi banking business in Hong Kong amounted to approximately

While the PBoC has established Renminbi clearing and settlement mechanisms for participating banks in Hong Kong, Singapore and Taiwan through settlement agreements on the clearing of Renminbi business (the “**Settlement Agreements**”) with Bank of China (Hong Kong) Limited in Hong Kong, Industrial and Commercial Bank of China, Singapore Branch in Singapore and Bank of China, Taipei Branch in Taiwan (each, a “**Renminbi Clearing Bank**”), the current size of Renminbi denominated financial assets outside the PRC is limited.

There are restrictions imposed by the PBoC on Renminbi business participating banks in respect of cross-border Renminbi settlement, such as those relating to direct transactions with PRC enterprises. Furthermore, Renminbi business participating banks do not have direct Renminbi liquidity support from the PBoC. The Renminbi Clearing Banks only have access to onshore liquidity support from the PBoC for the purpose of offsetting open positions of participating banks for limited types of transactions and are not obliged to offset for participating banks any open positions resulting from other foreign exchange transactions or conversion

services. In such cases, the participating banks will need to source Renminbi from outside the PRC to offset such open positions.

Although it is expected that the offshore Renminbi market will continue to grow in depth and size, its growth is subject to many constraints as a result of PRC laws and regulations on foreign exchange. There is no assurance that new PRC regulations will not be promulgated or the Settlement Agreement will not be terminated or amended in the future which will have the effect of restricting availability of Renminbi offshore. The limited availability of Renminbi outside the PRC may affect the liquidity of Renminbi Notes. To the extent the Issuer is required to source Renminbi in the offshore market to service Renminbi Notes, there is no assurance that the Issuer will be able to source such Renminbi on satisfactory terms, if at all.

Investment in Renminbi Notes is subject to exchange rate risks

The value of Renminbi against the U.S. dollar and other foreign currencies fluctuates and is affected by changes in the PRC and international political and economic conditions and by many other factors. All payments of interest and principal will be made with respect to Renminbi Notes in Renminbi save as provided in Condition 6.8 of the Terms and Conditions. If an investor measures its investment returns by reference to a currency other than Renminbi, an investment in the Renminbi Notes entails foreign exchange related risks, including possible significant changes in the value of Renminbi relative to the currency by reference to which an investor measures its investment returns. Depreciation of the Renminbi against such currency could cause a decrease in the effective yield of the Renminbi Notes below their stated coupon rates and could result in a loss when the return on the Renminbi Notes is translated into such currency. In addition, there may be tax consequences for investors as a result of any foreign currency gains resulting from any investment in Renminbi Notes.

Payments in respect of Renminbi Notes will only be made to investors in the manner specified in such Renminbi Notes

Except in limited circumstances stipulated in the Terms and Conditions of the Notes, all payments to investors in respect of Renminbi Notes will be made solely by (i) when Renminbi Notes are represented by a Global Note held by the sub-custodian for an on behalf of the CMU, by transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing CMU rules and procedures, or (ii) when Renminbi Notes are in definitive form, transfer to a Renminbi bank account maintained in Hong Kong in accordance with prevailing rules and regulations. The Issuer cannot be required to make payment by any other means (including in any other currency or in bank notes, by cheque or draft or by transfer to a bank account in the PRC).

CAPITALISATION OF THE GROUP

As at 31 December 2013, the total authorised share capital of the Issuer is RM10,000,000,000.00 divided into 10,000,000,000 ordinary shares of par value RM1.00 each, and the issued share capital is RM8,862,079,081 divided into 8,862,079,081 ordinary shares of RM1.00 each. All of the Issuer's issued share capital comprises fully paid shares.

The following table sets forth the liabilities and shareholders' equity of the Group as at 31 December 2013 derived from the audited consolidated financial statements of the Group as at 31 December 2013:

DESCRIPTION OF THE BANK AND THE GROUP

Introduction

The Bank was incorporated on 31 May 1960 and is registered with the Companies Commission of Malaysia. The name “Maybank” was adopted as its official trade name in 1993. The Bank was incorporated with an authorised share capital of RM20.0 million and an initial issued and paid-up share capital of RM7.5 million. The Bank was officially listed on the Kuala Lumpur Stock Exchange, now known as Bursa Malaysia Securities Berhad (“**Bursa Malaysia**”), on 17 February 1962. As at 31 December 2013, the Bank had an authorised share capital of 10 billion ordinary shares of RM1.00 each and an issued and paid-up share capital of 8,862,079,081 ordinary shares of RM1.00 each. The Bank is the largest company in Malaysia by market capitalisation with a market capitalisation of RM88.1 billion as at 31 December 2013.

The Bank is principally engaged in all aspects of commercial banking and related financial services. The Bank’s subsidiaries are principally engaged in the businesses of banking and finance, Islamic banking, investment banking including stock broking, underwriting of general and life insurance, general and family Takaful, trustee and nominee services and asset management.

As at 31 December 2013, the Bank and the Group had RM397.8 billion and RM560.4 billion in total assets, RM311.3 billion and RM437.7 billion in deposits and RM238.0 billion and RM355.6 billion in loans and advances, respectively. Profit before taxation of the Bank and the Group amounted to RM6.1 billion and RM8.9 billion for the financial year ended 31 December 2013, respectively.

The Group’s primary operations are in Malaysia, Singapore and Indonesia. The Group has presence in Singapore with 22 branches through the “Maybank Singapore” brand. As at 31 December 2013, Maybank Singapore accounted for 22.5 per cent. of the Group’s total gross loans and advances and 14.1 per cent. of the Group’s profit before taxation for the year ended 31 December 2013. In Indonesia, the Group has a presence through its subsidiary, PT Bank Internasional Indonesia Tbk (“**BII**”). As at 31 December 2013, BII accounted for 7.9 per cent. of the Group’s total gross loans and advances and 7.4 per cent. of the Group’s profit before taxation for the year ended 31 December 2013.

The Group operates an extensive global network of over 2,200 offices in 20 countries including in all 10 ASEAN countries. In addition to its key home markets of Malaysia, Singapore and Indonesia, the Group’s presence extends to the Philippines, Brunei Darussalam, Cambodia, Vietnam, Laos, Thailand, Myanmar, China, Hong Kong, Papua New Guinea, Pakistan, India, Uzbekistan, Saudi Arabia, Bahrain, the United Kingdom and the United States of America.

The registered office of the Bank is located at 14th Floor, Menara Maybank, 100 Jalan Tun Perak, 50050 Kuala Lumpur.

Group Strategy

The Group’s vision is to position itself as a leading regional financial services group by 2015 whilst personalising financial services across Asia.

The Group’s strategic objectives are to be:

- the No. 1 retail financial services provider in Malaysia;
- one of the leading ASEAN wholesale banks and eventually to expand into the Middle East, China and India;

- the leading provider of insurance and Takaful in Malaysia and an emerging regional player;
- a geographically diversified organisation with approximately 40.0 per cent. of pre-tax profit derived from international operations; and
- a global leader in Islamic finance.

The Group aims to achieve the above strategic objectives by:

- continuing to strengthen the Group's leading position in strategic segments domestically whilst securing returns from its expanded regional footprint. The Group will consider any opportunities for regional inorganic expansion which will deliver value and are aligned with the Group's overall strategy;
- reinforcing the Group's high performance culture and entrenching process improvements in all areas, including cost and productivity;
- continuing to provide first class service to the Group's customers through its expanded portfolio of products and high levels of customer service; and
- deepening our relationships with the communities we serve, and to grow sustainably with them.

As part of the Group's vision to personalise financial services across Asia, the Group is committed to contribute to economic and social development in countries where it operates. The Maybank Foundation remains an integral avenue for the Group to reinforce its commitment to the community.

Competitive Strengths

Strong Competitive Positioning

The Group is the largest financial services group in Malaysia in terms of total assets, total loans and total deposits based on its most recent audited consolidated financial statements for the year ended 31 December 2013. With a strong focus on innovation and excellence, the Group has been consistently recognised for its leadership and ability to deliver value to all its stakeholders and it has received numerous region and international awards. See "*Awards and Accolades*". The Bank is ranked among the top 20 strongest banks in the world by Bloomberg Markets magazine in 2013 and is included in the top 100 Global Banks listed by The Banker magazine in 2013.

One of the Leading Providers of Retail Financial Services in Malaysia

The Group is one of the leading providers of retail financial services in Malaysia. It is the market leader in unit trust financing with a market share of 56.1 per cent. in Malaysia as at 31 December 2013. In the credit cards business, the Group is the leader in Malaysia, in terms of card base, merchant sales and billings with market shares of 17.9 per cent., 33.9 per cent. and 27.3 per cent., respectively as at 31 December 2013. The Group is the largest provider of internet banking services in Malaysia based on number of registered users with a 50.0 per cent. market share as at 31 December 2013. The Group also has the largest number of current account and saving accounts ("**CASA**") with a market share of 22.7 per cent. in Malaysia as at 31 December 2013.

Strong Islamic Banking and Takaful Business

The Group is the largest Islamic banking operator in Malaysia based on asset size as at 31 December 2013. The Group's Islamic Banking arm, Maybank Islamic Berhad ("**Maybank Islamic**") is also the third largest Islamic bank globally and ASEAN's largest Islamic bank by total assets with total assets of RM125.1 billion as at 31 December 2013. The Group is the country's leading provider of Takaful in combined general

insurance/Takaful for the year ended 31 December 2013 based on market share. Etiqa has also improved its bancassurance and agency businesses through innovative products and agency development.

Extensive Distribution Network

As at 31 December 2013, the Group had the largest branch network in Malaysia with a total of 399 branches in Malaysia, and an extensive branch network across the ASEAN region, including 26 branches in Singapore (22 branches via Maybank Singapore and four branches via Maybank Kim Eng) and 429 branches in Indonesia (422 branches via BII, six branches via PT Maybank Kim Eng Securities and one branch via PT Bank Maybank Syariah Indonesia) as well as more than 399 touch points and 2,777 ATMs in Malaysia. The convenience and accessibility of the Group's services enable it to serve more individual and corporate customers throughout Malaysia.

Prudent Cost Management and Operational Efficiency

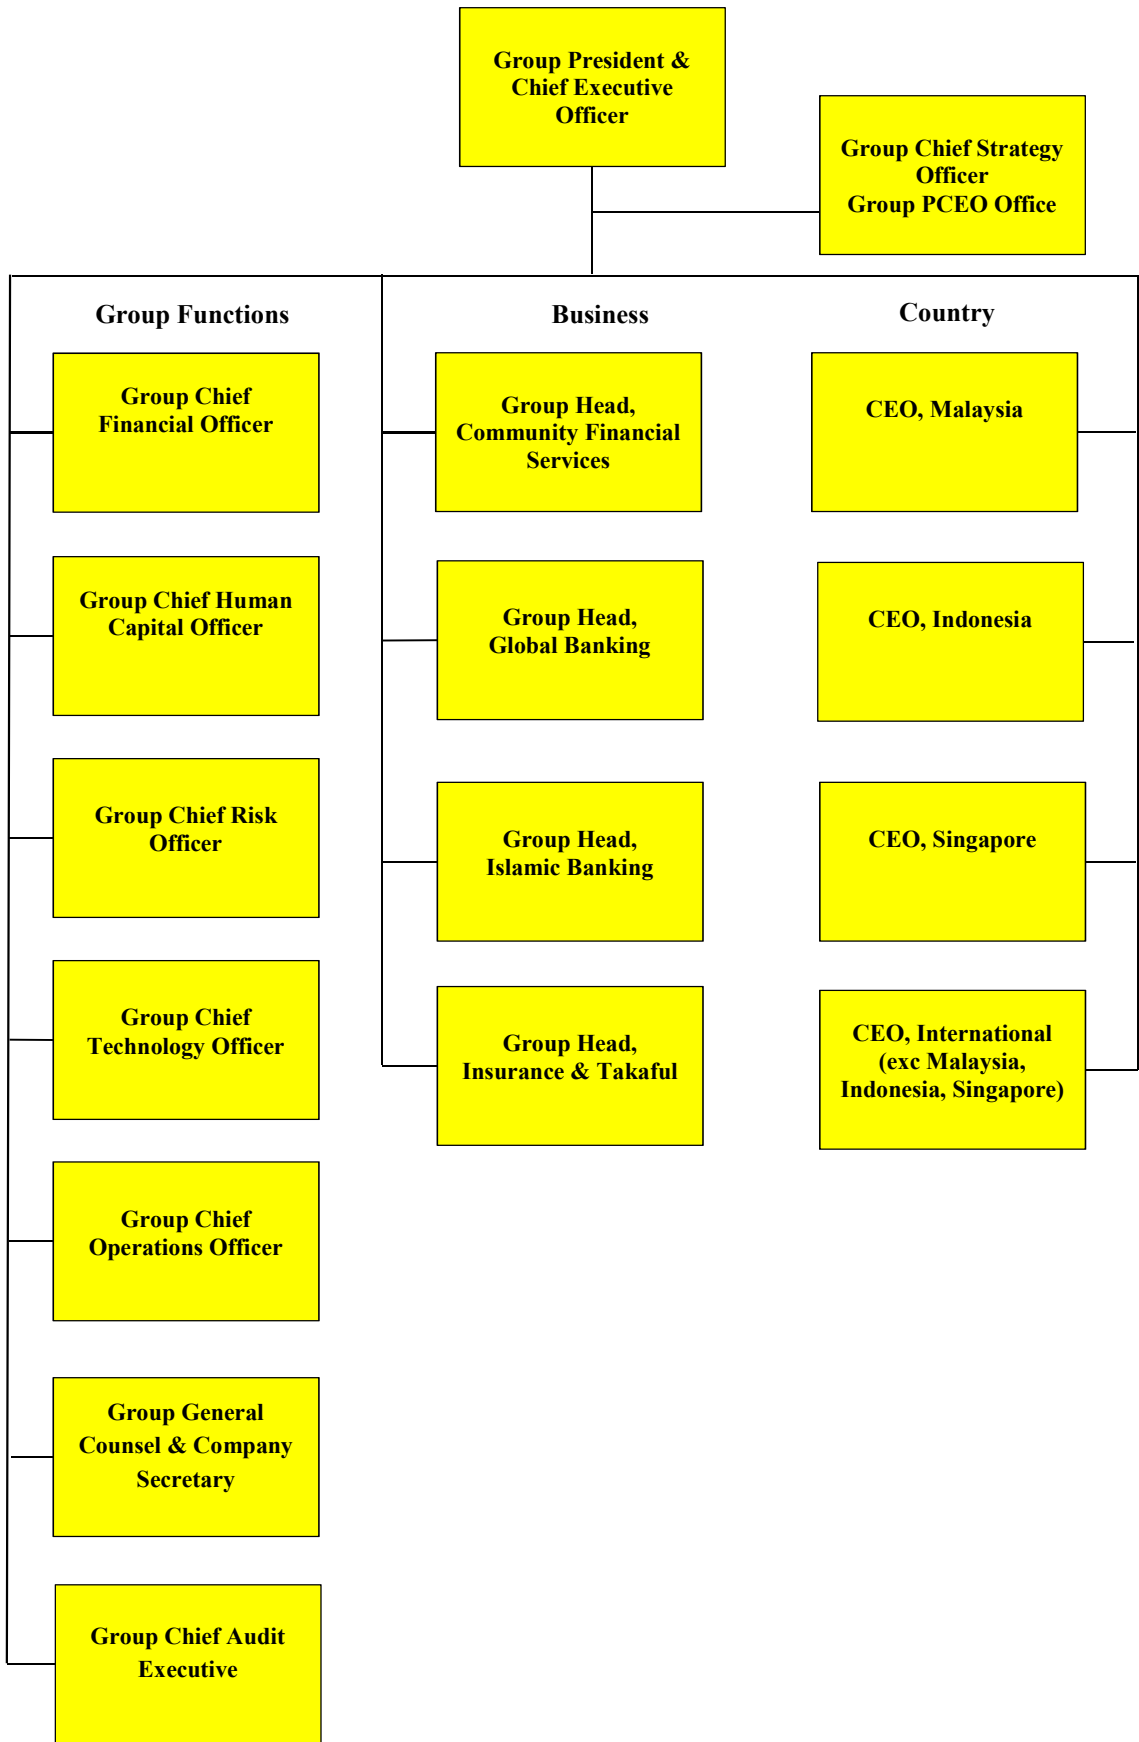

The Group has achieved higher cost efficiencies across all business sectors through the implementation of a cost management programme. The Group's overheads are well managed against net income growth and the Group has an improved cost to income ratio. In 2013, the cost management programme was extended to the Group's Indonesian operations through BII. The programme has promoted a cost conscious culture and achieved total savings of IDR70 billion for BII in 2013. The Group has also invested in technology in order to facilitate its business operations and to promote efficiency. The Group has seen improvements in turnaround time, productivity, error rates and operational costs.

Group Structure and Transformation Programme

The Group launched the LEAP30 Transformation Programme (the "**Transformation Programme**") in 2008. The Transformation Programme is aimed at securing the Group's leading position in the Malaysian financial services industry and to expand its regional presence, in line with the Group's vision of becoming a leading regional financial services provider by 2015. The Transformation Programme includes strategic initiatives to stimulate sales, strengthen client relationship management, improve the processes and systems, enhance the talent pool and raise the customer service standards of the Group.

As part of the Transformation Programme, the Group introduced a new organisation structure termed the "House of Maybank" in July 2010 to ensure convergence of the Group's various business sectors into main business pillars. In order to accelerate the Group's regionalisation efforts to further raise efficiency and productivity, acquire value from synergies, realise potential, strengthen leadership positions in businesses across the Group and institutionalise a sustained high performance culture, the Group has conducted a further reorganisation in 2013. The Group's revised structure has been in operation since 1 January 2014.

The structure of the Group as at the date of the Offering Circular is set out below:

The Group continues to review the progress of the Transformation Programme in terms of financial performance and operational efficiency. In 2014, the Group will oversee 83 initiatives as part of the Transformation Programme, which will cover areas such as finance, operations and productivity as well as countries such as Malaysia, Indonesia, Singapore, China and the Philippines.

Business Sectors

The Group provides a comprehensive range of financial services under three main business sectors in Malaysia: Community Financial Services, Global Banking and Insurance and Takaful. The Group accepts deposits and provides payments, internet and mobile banking as well as channel management services across these business sectors. In addition, Islamic financial services are offered across all the business sectors and the Group also provides banking services through its international network.

Community Financial Services

Community Financial Services in Malaysia (“CFS”) encompass a wide range of products and services in Consumer, Retail Small and Medium Enterprise (“**Retail SME**”) and Business Banking. The Group is a leading provider of retail financial services in Malaysia. See “- *Competitive Strengths*”.

During the year ended 31 December 2013, CFS’ revenues totalled RM7.3 billion, which accounted for 22.0 per cent. of and was the largest contributor to the Group’s consolidated total revenue. Its profit before taxation was RM3.2 billion for the year ended 31 December 2013, which accounted for 36.4 per cent. of the Group’s consolidated profit before taxation. This represented an increase of 6.6 per cent. compared to the previous financial year, which was primarily due to the Bank’s initiatives targeting more profitable segments, increased cross-selling efforts, vigilant application of risk-based pricing and stringent cost management strategies.

As at 31 December 2013, CFS’ total loans and total deposits were RM151.9 billion and RM172.9 billion, respectively. The increase of 12.2 per cent. in total loans compared to 31 December 2012 was mainly driven by increases in automobile loans (12.0 per cent.), retail finance loans (19.2 per cent.) and SME loans (23.1 per cent.). The growth in total deposits of 11.8 per cent. compared to 31 December 2012 was mainly fuelled by Retail SME and Business Banking deposits and retail fixed deposits growing at 18.2 per cent., 11.0 per cent. and 10.8 per cent., respectively.

While pursuing growth, the Group also continues to strengthen its asset quality with the gross impaired loans (“**GIL**”) ratio for the CFS sector improving from 2.4 per cent. in 2012 to 1.9 per cent. in 2013. Retail SME and Business Banking has been showing a downward trend in GIL ratios since 2012. This is mainly due to the Group’s efforts in reinforcing its credit asset quality framework, pursuing proactive prevention and recovery activities as well as ensuring quality loan origination.

The Group remains focused on managing costs and CFS’ cost-income ratio (“**CIR**”) has decreased to 50.6 per cent. as at 31 December 2013 from 51.6 per cent. as at 31 December 2012.

The Group is also reinforcing its commitment to regionalisation efforts with high value cross border businesses such as cards, wealth management and virtual banking. These initiatives allow the Group to leverage on cross-border synergies. It aims to strengthen its positioning in the retail and commercial banking space via its consistent branding and operating model in the markets in which the Group operates. The Group also aims to achieve greater sharing of best practices and collaborate on common initiatives for better economies of scale on its investment and create better shareholder value. The Group continues to make strategic investments in enterprise CRM, product and pricing bundle and multi-channel capabilities that it intends to roll-out to the region.

Consumer Banking

Consumer Banking provides a wide range of financial services and products to the Group's retail customers, including high net worth and affluent banking, mortgage financing, automobile financing, retail financing, micro financing, credit cards and bancassurance.

High Net Worth and Affluent Banking

CFS' High Net Worth and Affluent Banking ("**HAB**") segment serves customers whose total financial assets are between RM250,000 and RM500,000 for the Affluent Banking segment and above RM500,000 for High Net Worth ("**HNW**") segment. As at 31 December 2013, HAB's total assets under management were RM10.0 billion, representing a growth of 25.0 per cent. compared to 31 December 2012. HAB achieved customer growth of 13.3 per cent. for the HNW segment and 7.5 per cent. for the Affluent Banking segment for the year ended 31 December 2013 compared to the year ended 31 December 2012. The total financial assets as at 31 December 2013 grew by 15.6 per cent. and 11.1 per cent. for the HNW and Affluent Banking segments respectively compared to 31 December 2012.

In 2013, the Group increased its focus on its segmentation strategy. The Group launched Private Wealth banking in November 2013 which aims to leverage on the Group's growing regional presence and collective business capabilities to provide high net worth individuals a seamless banking experience across the region. For the HNW segment, with the launch of Premier Wealth banking in January 2014, the Group has integrated the premium banking services in Malaysia, Singapore and Indonesia under one franchise. It offers regional service recognition to HNW customers across the three countries. The Group has won eight out of nine categories in Euromoney's Best Private Banking Awards and The Banker Awards as Best Private Bank for Islamic Banking Services by Financial Times for 2013. See "*- Awards and Accolades*".

CFS also strengthened the Affluent Banking segment with the launch of Maybank ASPIRE in June 2013, which offers a range of exclusive privileges to its customers. Maybank ASPIRE is a new branded segment offering comprehensive need-based bundled solution in Maybank. It is designed to provide a comprehensive financial solution to CFS' Affluent Banking customers and provides rewards based on their relationship with the Group. Maybank ASPIRE has gained approximately 20,000 customers within the first six months of its launch.

Mortgage Financing

CFS' total mortgage financing portfolio was RM53.8 billion as at 31 December 2013, representing an increase of 11.0 per cent. compared to 31 December 2012. Its housing loans grew by 11.6 per cent. and its shophouse loans increased by 16.7 per cent. year-on-year, amounting to total outstanding balances of RM40.0 billion and RM8.8 billion as at 31 December 2013, respectively. The growth was mainly due to the Group's continued focus on rebalancing its portfolio strategy, intensifying promotion of trade up and renovation loans and an aggressive campaign targeted at the secondary property market to accelerate loan growth. In 2013, the Group extended its overseas mortgage financing to Sydney, Perth and Singapore through its Overseas Mortgage Loan ("**OML**") product. As at 31 December 2013, the CFS's mortgage financing portfolio represented 35.4 per cent. of the CFS's total loan portfolio.

CFS' mortgage financing GIL ratio has decreased to 0.7 per cent. as at 31 December 2013 compared to 1.1 per cent. as at 31 December 2012. This was achieved through the CFS' mortgage rebalancing portfolio strategy which targeted medium and higher end property value of more than RM250,000 and by shifting the Group's focus from financing primary to secondary properties and expediting disposal of foreclosed properties to enhance the Group's asset quality.

CFS has a centralised mortgage approval process which is run by its Centralised Processing Centre. In 2013, CFS implemented further improvements to the mortgage approval processes by adopting a streamlined

business process. This has resulted in CFS improving its approval turnaround time with an average turnaround time of 2.15 days.

Automobile Financing

As at 31 December 2013, the Group had RM35.0 billion in loans outstanding in the purchase of transport vehicles in Malaysia, representing a domestic market share of 20.8 per cent. CFS' automobile financing portfolio registered a total outstanding loan balance of RM35.0 billion as at 31 December 2013, which was an increase of 12.0 per cent. compared to as at 31 December 2012. As at 31 December 2013, the CFS's automobile financing portfolio represented 23.0 per cent. of the Group's total loan portfolio.

The Group continues to be selective in growing its automobile financing portfolio by adopting a rebalancing strategy as well as offering integrated product bundling for end-customers based on the customer segments and lifestyle. The Group has introduced a customer loyalty and reward programme to increase customer retention in collaboration with the Group's Affluent Banking segment. The Group has strategic alliances with car manufacturers and dealers and offers tailored financing packages through these alliances.

Retail Financing

The Group's retail financing portfolio comprises unit trust, salary and other consumer loan financing such as overdrafts and term loans. The Group holds a significant domestic market share in unit trust financing of approximately 56.1 per cent. as at 31 December 2013. The Group's domestic unit trust loans grew at 20.5 per cent. year-on-year and had a total outstanding balance of RM26.3 billion as at 31 December 2013. As at 31 December 2013, the CFS's retail financing portfolio represented 18.2 per cent. of CFS' total loan portfolio.

In 2013, the Group diversified its products and accelerated the growth of its high yield portfolios. The Group remains competitive in its loans turnaround time for unit trust loan applications. The Group aims to achieve higher productivity and enhance its customer service quality through this initiative. The Group also expanded the education loans for certain professions and/or universities, enhanced collateralised financing targeting the Affluent Banking and HNW customers and offered customised financing products to cater to this target segment.

Micro Finance

The Group launched Micro Finance banking in December 2012 and as at 31 December 2013, the Group had disbursed a total of RM1.18 million to 396 customers in Malaysia. The Group offers unsecured term loans with financing amounts between RM1,000 and RM10,000 through nine branches in Malaysia. With Micro Finance, the Group aims to provide viable and sustainable assistance programmes to Malaysia's low income segments and serves as a manifestation of the Group's aspiration to personalise banking by providing services to the "under banked" and "unbanked" segments of the society. The Group plans to offer micro financing loans at 21 additional branches in 2014 in Malaysia.

Credit Card

As at 31 December 2013, the Group had the highest card base, billings and merchant sales in Malaysia, with market shares of 17.9 per cent., 27.3. per cent. and 33.9 per cent., respectively. The Group's total card base in Malaysia was 1.496 million cardholders as at 31 December 2013. Revenues from the Group's credit card business consist principally of interest receivables, merchant discounts, interchange fees and late payment charges. The Group issues credit cards under the "American Express", "Visa" and "Mastercard" brands. The Group's impaired loan ratio for credit cards in Malaysia improved to 0.9 per cent. as at 31 December 2013 compared to 1.1 per cent. as at 31 December 2012. The Group also leveraged on its existing merchant relationships, recruited new merchant partners and enhanced its Maybankard.net merchant programme, an online credit card payment portal that offers web-based merchants secured transaction capabilities. As a

result, merchant sales in Malaysia grew 12.6 per cent. to RM36.6 billion and billings grew by 12.8 per cent. to RM30.7 billion for the financial year ended 31 December 2013 compared to the previous year.

The Group provides commercial cards through collaboration with American Express, Visa and MasterCard for business travel, entertainment and living expenses payments as well as debit cards through collaboration with Visa and Mastercard. The Group continues to improve its Treatspoint catalogue, an online rewards programme for its cardholders, by offering promotions and online services to its customers. The Group has conducted marketing efforts on a regional basis through campaigns and programmes such as the “Regional Mid Year Sale” campaign, “Regional Partners Programme with Berjaya Group and Air Asia” and “Regional TREATS”.

The BNM’s credit card guidelines and responsible business practices in the provision of credit cards, which are aimed at inculcating sound financial and debt management in Malaysia, continue to affect the growth of new card holders and receivables. The Group’s card base in Malaysia decreased marginally by 0.3 per cent. to 1.496 million cardholders due to a significant reduction in new card acquisition by 37.0 per cent. while receivables grew by a modest 3.6 per cent. to RM5.58 billion in 2013 compared to the previous year.

Bancassurance

The Group was the largest provider of bancassurance in Malaysia, with a 27.0 per cent. market share for regular and normalised single premium policies as at 31 December 2013. The Group achieved a growth of 4.5 per cent. in regular premium policies compared to the bancassurance industry’s contraction of 12.0 per cent. in 2013.

The Group launched the “Smart Retirement Extra” plan, the first deferred annuity insurance plan available through the bancassurance channel in Malaysia, to cater to the needs of its Affluent and HNW Banking customers in April 2014. The plan entitles such customers to tax relief incentives. The Group’s bancassurance business aims to build long-term relationships with its customers by providing suitable products to match the protection needs of its customers from different segments. The Group has developed a new sales model which will see the pilot introduction of sales personnel in selected branches that are better able to serve its Affluent and HNW Banking customer’s end-to-end needs.

Retail SME Banking

Retail SME Banking provides financial services to enterprise customers with an annual turnover of up to RM25.0 million. Products offered by Retail SME Banking comprise overdraft, current accounts, term loans, trade bills and short-term revolving credit. The total loans outstanding and total deposits for Retail SME Banking in Malaysia were RM6.1 billion and RM49.3 billion as at 31 December 2013 respectively, which represented increases of 23.1 per cent. and 18.2 per cent. compared to 31 December 2012. Retail SME Banking’s GIL ratio reduced to 3.5 per cent. as at 31 December 2013 compared to 5.7 per cent. in 2012.

The Group has integrated the approval process for loans to SMEs at the RSME Credit Centre (“**RSCC**”) and rolled-out dedicated SME teams at strategic branches. The Group has also streamlined policy and process to improve turnaround time as well as business coverage. During 2013, the Group centralised the collection and monitoring of its Retail SME loans to achieve better scale and efficiency. Through these initiatives, the Group will be able to control Retail SME Banking’s asset quality and adopt a more structured collection strategy. The Group intends to continue to focus on Retail SME unsecured loans by collaborating with Credit Guarantee Corp Malaysia Bhd, portfolio guarantee and property and business finance loans that will ensure better margins.

Business Banking

Business Banking provides financial services to enterprise customers which have an annual turnover of more than RM25.0 million. Business Banking’s services include trade financing, cash management and factoring.

The total loans outstanding and total deposits for Business Banking in Malaysia were RM23.9 billion and RM16.1 billion as at 31 December 2013 respectively, which represented increases of 7.6 per cent. and 11.0 per cent. compared to 31 December 2012. The Group is one of the largest providers of enterprise loans in Malaysia with a market share of 17.8 per cent. as at 31 December 2013.

In 2013, the Group revised its Business Banking strategy by targeting the business segments that are promoted under the Government's Economic Transformation Plan ("ETP"). The Group has sourced 85.0 per cent. of its originations from these sectors in 2013. The Group avoided high risk sectors and enhanced its credit discipline via rigorous adherence to the Group's Borrower Risk Rating ("BRR") framework with 93.0 per cent. of loans sourced from very low risk to moderate risk categories as at 31 December 2013. These initiatives resulted in better quality loans booked.

The Group will focus on Business Banking customers with good ratings for loan limits between RM5 million to RM25 million, contract financing targeted at the manufacturer-distributor supply chain and the ETP's infrastructure projects as well as its existing customers with strong credit quality.

Payments

The Group domestic's payments business comprises payment services, remittances, ATM services and foreign exchange business. The Group's payments business is a major contributor of fee based income with total revenues of RM362.7 million as at 31 December 2013.

In 2013, the Group launched new products and services such as the Dynamic Currency Converter ("DCC"), Maybank Silver Investment Account ("MSIA") and payment of police summons via the Group's ATMs. The first of its kind in Malaysia, DCC enables Mastercard cardholders to withdraw cash from the Group's ATM and settle in their local currencies. MSIA broadens customers' investment options by investing in silver with a passbook. The Group also offers real-time summons payment to the Malaysian police.

Internet Banking & Mobile Banking

The Group is the leading internet banking service provider in Malaysia with a market share of 50.0 per cent. and 2.1 million active users as at 31 December 2013. The Group was also the first bank to introduce comprehensive mobile banking services in Malaysia and had a leading market share of 80.0 per cent. of active users as at 31 December 2013. The Group recorded 1.2 billion internet banking transactions with a total value of RM92.0 billion and earned a total fee based income of RM54.0 million for the financial year ended 31 December 2013.

The Group has strengthened its position as the largest provider of internet banking in Malaysia by leveraging on the trend of online buying with the launch of Maybank2u Pay. This is a payment facility designed for small or home businesses conducting online transactions. This facility also allows blog owners the opportunity to manage sales transactions systematically and professionally. The Group also introduced Malaysia's first cardless cash withdrawal service to serve not only its own customers but also other parties with a Malaysian registered mobile phone number to enable them to transact with the Bank.

In the mobile banking sphere, the Group has improved its mobile banking platform and increased utilisation by replicating the relevant internet banking services to mobile banking. As at 31 December 2013, the Group had 1.68 million mobile banking users.

Channel Management

As at 31 December 2013, the Group had 399 branches, 51 of which had been refurbished during 2013, and 2,777 ATMs in Malaysia representing domestic market shares of 20.0 per cent. and 23.0 per cent. in Malaysia, respectively. The Group also had 44 MaybankOne kiosks in Malaysia as at 31 December 2013. In addition,

the Group has undertaken agency banking with POS Malaysia by leveraging on 348 post offices nationwide to provide basic banking services such as collection of deposits and payments.

The Group intends to leverage on its wide distribution network to provide higher customer engagement and satisfaction. The Group has relocated and opened new branches at strategic locations in Malaysia and has set up key branches in each region to provide 30 off-bank kiosks to its customers. In addition, the Group's strategic partnership with POS Malaysia through agency banking has enabled it to reach out to a larger base of rural communities without incurring the cost of setting up new offices.

CFS introduced "MaybankOne Solution", a new bundled offering via the kiosk banking concept, in 2013. "MaybankOne Solution" targets the CFS' mass market segment customers and provides integrated financial products with a fast approval and activation process. CFS originated total loans of RM723.5 million and deposits of RM118.2 million through "MaybankOne Solution" for the financial year ended 31 December 2013.

Funding and Deposits

CFS' deposits comprise fixed deposits, current accounts, savings deposits, money market deposits, negotiable instrument of deposits and others.

As at 31 December 2013, CFS' deposits totalled RM172.9 billion, which was an increase of 11.8 per cent. compared to 31 December 2012. This was due to increases in Retail SME Banking deposits of 18.2 per cent. and Business Banking deposits of 11.0 per cent. as a result of the Group's more attractive deposit rates.

The Group's total CASA held the largest market share in Malaysia at 22.7 per cent. as at 31 December 2013. The CFS's consumer deposits totalled RM107.5 billion as at 31 December 2013, which was an increase of 9.3 per cent. compared to 2012 and represented a domestic market share of 18.7 per cent.

In 2013, the Group introduced several campaigns to increase fixed deposits and CASA based on a segment approach and introduced the Premier 1 Account under Maybank ASPIRE to target the Affluent Banking segment. The Group promoted payroll solutions to Retail SME and Business Banking segments and targeted the supply chain of these customer segments. The Group also grew its mass segment and Retail SME current accounts through the MaybankOne kiosks.

Global Banking

Global Banking provides a wide range of financing and investment solutions to corporate and institutional clients in 20 markets through its six lines of business: Client Coverage, Investment Banking, Corporate Banking, Transaction Banking, Global Markets, and Asset Management.

Global Banking's business model emphasises the Group's client centric approach. The Client Coverage team acts as single point of contact for both Global Banking's domestic and regional clients and is supported by Global Banking's product specialists to deliver innovative and customised end-to-end financial solutions. Global Banking combines local in-country expertise with regional capabilities to provide consistent and integrated financial solutions to its clients across the region.

During the year ended 31 December 2013, Global Banking's revenues totalled RM5.5 billion, representing an increase of 4.0 per cent. compared to the previous year. Its profit before taxation was RM3.5 billion for the year ended 31 December 2013, a decrease of 8.8 per cent. compared to the previous financial year.

Client Coverage

The Client Coverage team is an integral part of Global Banking's client centric business model and the cornerstone of every key deal that the division structures.

In 2013, the Group's focus was to increase regional deals by enhancing its Global Banking business model and the manner in which it manages regional and in-country accounts. This has resulted in significant growth in deals originating from markets outside Malaysia, some of which the Group has received awards and recognition for from numerous financial publications across the region. See “- Awards and Accolades”.

In 2014, the Group will be investing in a system to enable single client information views to improve its client relationship management. The system will allow the Group to track deals across the region and provide support to the client coverage teams. The Group aims to be the primary banker for its corporate and institutional clients.

Investment Banking

The investment banking division of the Group, which operates under the brand “Maybank Kim Eng”, comprises Maybank Investment Bank Berhad, Maybank Kim Eng Holdings Limited and their subsidiaries.

Maybank Kim Eng provide a wide range of products and services to a substantial and diversified client base that includes corporations, financial institutions, governments and HNW individuals. Maybank IB and Maybank Kim Eng offer clients a comprehensive suite of investment banking and stockbroking products and services through two business pillars, namely Investment Banking & Advisory and Equities, with services such as corporate finance, debt capital markets, equity capital markets, equity and commodity derivatives as well as retail and institutional securities broking.

Maybank Kim Eng's strong performance across products enabled it to top the investment banking Dealogic tables for ASEAN in 2013. On the equities side, it was named the Best Brokerage House by Asset Triple A in Malaysia, Thailand, Singapore and Indonesia in 2013. Its Thailand operations also achieved a record 12th consecutive year ranking as the top market share player according to the Stock Exchange of Thailand in 2013.

Maybank Kim Eng has won numerous prestigious awards from various organisations. It has an international presence, with an extensive network of 10 offices in Malaysia, Singapore, Hong Kong, Thailand, Indonesia, Philippines, India, Vietnam, the United Kingdom (London) and the United States (New York). Maybank Kim Eng's vision is to be a leading regional financial institution by 2015.

Corporate Banking

Corporate Banking provides lending solutions across all corporate clients, including that of the subsidiaries, associate companies and key sponsors of the Group, for all the segments such as the government-linked companies, large Malaysian corporate groups and multinational corporations.

Corporate Banking's corporate loans book contributed substantially to Global Banking's year-on-year loan growth of 11.2 per cent. in 2013. This was due to Corporate Banking's strong emphasis on risk management and asset quality. The loan growth was also largely contributed by Corporate Banking's portfolio of Malaysian corporates which were involved in the Government's Economic Transformation Programme initiatives.

The Group's primary focus is to grow Corporate Banking's regional assets and improve its regional capabilities by increasing its industry specialisation across the region.

Transaction Banking

Transaction Banking consists of four main lines of business: Cash Management, Trade and Supply Chain Financing, Financial Institutions and Non-Bank Financial Institutions and Securities Services.

The Group has expanded and integrated its regional platforms to enhance Transaction Banking's product capabilities to provide a seamless cross-border delivery to Global Banking's regional clients. In 2013, Transaction Banking successfully deployed a number of existing platforms across the region which resulted in

its regional portfolio contributing almost half of Transaction Banking's revenue. In particular, Transaction Banking launched:

- the web-based Regional Cash Management platform (Maybank2E – Regional Cash) in Malaysia, Singapore, Indonesia, Philippines and Greater China;
- the web-based Regional Trade Finance front end platform (Maybank TradeConnex) across 11 markets in ASEAN, Greater China and Papua New Guinea; and
- the web-based Custody front end platform (Maybank eCustody) in Malaysia and Indonesia.

The Group has maintained its leadership position in Trade Finance in Malaysia with a market share of 27.1 per cent. as at 31 December 2013 and in Cash Management with market shares of 46.0 per cent. and 37.0 per cent. based on transaction volume and transaction value respectively as at 31 December 2013.

In 2013, the Group received 25 key awards for the services which Transaction Banking has delivered and the deals which it has structured in Trade Finance, Cash Management and custody solutions by numerous regional and financial publications namely Alpha SEA, The Asset, Asian Banking & Finance, Global Finance, Global Custodian, GTR Exporta, The Corporate Treasurer and The Asian Banker. See “- *Awards and Accolades*”.

The Group's Transaction Banking division aims to be the primary banker for top domestic and regional corporate clients.

Global Markets

Global Markets provides a wide range of capital markets products and services, including foreign exchange, money market, fixed income markets, derivatives and structured products through an integrated global treasury risk management platform. Global Markets in Singapore functions as the Group's regional centre of excellence for trading and structuring derivatives, cross market and credit trading and serves the treasury needs of the Group's customers in Malaysia, Singapore, Indonesia, Hong Kong, Philippines, Greater China and other countries where the Group has presence.

The Group will continue to improve Global Markets' risk models and acquire or nurture talent for identified growth platforms in Singapore, Greater China and Indo China. This is in line with the Group's expansion plans in the region.

Asset Management

Maybank Asset Management Group Berhad is the fund management arm of the Group, providing a diverse range of conventional and Islamic investment solutions to the Group's retail, corporate and institutional clients. Maybank Asset Management's strength lies in its regional presence and on-the-ground expertise in key ASEAN markets such as Malaysia, Indonesia, Singapore and Thailand, all of which are supported by strong regional research capabilities.

The Group's Maybank Asset Management division has broadened its investment expertise to cover the ASEAN region and enhanced its product manufacturing capabilities. It has also put in place a stringent compliance and risk management framework in addition to expanding its regional presence. In particular, Maybank Asset Management has launched:

- Maybank Islamic Asset Management Sdn Bhd at the World Islamic Economic Forum in London on 29 October 2013;
- PT Maybank GMT Asset Management in Indonesia on 7 November 2013;
- the Group's first global unit trust fund, the Maybank Global Bond Fund, on 19 November 2013; and

- its first branch in Medan, Indonesia on 6 December 2013.

The Group aims to be a leading asset management company in ASEAN by 2017.

Insurance and Takaful

The Group offers conventional insurance and Takaful products through its conventional insurance and Takaful subsidiaries under the brand name “Etiqua”. The holding company is Maybank Ageas Holdings Berhad (“**MAHB**”), formerly known as Mayban Fortis Holdings Berhad. MAHB is 69.05 per cent. owned by Etiqa International Holdings Sdn Bhd, a wholly-owned subsidiary of the Bank and 30.95 per cent. owned by Ageas Insurance International (“**Ageas**”), formerly known as Fortis International N.V. The operating entities are grouped under two anchor subsidiaries, Etiqa Insurance Berhad (“**EIB**”) and Etiqa Takaful Berhad (“**ETB**”) for conventional insurance and Takaful respectively.

The Group also has a presence in Singapore and Brunei Darussalam (general conventional insurance) under EIB and in Pakistan (general Takaful) through a 32.5 per cent. ownership in Pak-Kuwait Takaful Company Ltd, which is the first Takaful company in Pakistan.

During the year ended 31 December 2013, Insurance and Takaful’s net income totalled RM1.6 billion, which accounted for 8.4 per cent. of the Group’s consolidated net income. Its profit before taxation was RM799.8 million for the year ended 31 December 2013, an increase of 14.6 per cent. compared to the previous financial year and contributed 9.0 per cent. to the Group’s profit before taxation for the same period.

Under the brand name Etiqa, the Group offers customised services across all types and classes of life and general insurance, as well as family and general Takaful plans through a multi-channel distribution network including bancassurance, brokers and direct distribution. Etiqa’s wide range of life and family products include endowment, term, personal accident, education, investment-linked and medical insurance while the general conventional insurance and Takaful range includes fire, motor, aviation, marine and engineering policies.

All products are distributed either through agents, Etiqa branches, the Group’s branches, third party banks, brokers or affinity groups, providing accessibility and convenience to the Group’s customers. Etiqa has a strong agency force comprising over 18,000 agents and 31 branches throughout Malaysia. Etiqa also has a wide bancassurance and bancaTakaful distribution network through over 400 of the Group’s branches as well as third party banks. In addition, the Bank’s MotorTakaful and Maybank2u services offer direct sales through the internet. Etiqa’s products are also available through cooperatives, brokers and institutions.

In 2013, EIB and ETB were assigned an Insurer Financial Strength rating of ‘A’ by Fitch Ratings. EIB, the conventional insurance arm of Etiqa, is the only insurance company in Malaysia to be rated ‘A’ by Fitch Ratings since 2011. The rating reflects EIB’s strong business profile in the domestic life and general insurance market, its extensive distribution capacity, consistent operating performance, sound quality and prudent investment approach. The rating also acknowledges EIB’s solid capital position on a risk-adjusted basis and sound reserving practices.

ETB’s rating of ‘A’, the highest rated Takaful operator in Malaysia, reflects ETB’s leading position in Malaysia’s Takaful market, its extensive distribution coverage, an operating history of 20 years, its sound liquidity and favourable operating margins. The rating also recognises ETB’s position as a core operating subsidiary within the Group.

EIB also received a long-term rating of AA1 from RAM Ratings Berhad on EIB’s subordinated bonds of up to RM500 million. Concurrently, EIB’s respective long and short-term claims-paying ability ratings have been reaffirmed at AAA and P1. Both long-term ratings had a stable outlook.

International

The Group has an international presence in all 10 ASEAN countries and other key financial markets including China, Hong Kong, Middle East, London, New York and Labuan, to offer clients its unique business propositions and investment opportunities.

The Group has restructured its international operations in 2014 in order to provide a common international platform for business collaboration, product synergy and customer centric service delivery. Under the new structure, the overseas markets covered by the Group's international operations are Greater China, Philippines, Indochina and other countries such as the United States of America, the United Kingdom, Labuan, Brunei, Bahrain and Papua New Guinea (excluding Singapore and Indonesia).

The total loans of the Group's international operations were RM26.3 billion as at 31 December 2013 and accounted for 7.3 per cent. of the Group's total loans and advances as at 31 December 2013.

Revenue from the Group's international operations increased by 17.6 per cent. to RM1.1 billion for the year ended 31 December 2013 compared to RM0.96 billion in the previous year, contributing 6.1 per cent. of the Group's consolidated total revenue for the same period. Profit before taxation for the year ended 31 December 2013 stood at RM0.75 billion, a 35.2 per cent. increase from 2012 and contributed 8.5 per cent. to the Group's profit before taxation. The Group aims to achieve a 40 per cent. profit contribution from its international operations, including Singapore and Indonesia by 2015.

The Group will continue expanding its international presence to provide greater access and convenience to its clients.

Greater China

In Greater China, the Group's operations consist of three branches in each of Hong Kong, Shanghai and Beijing. These branches provide mainly wholesale banking services to the commercial and corporate segments with a focus on cross-border services within the ASEAN-China context.

Philippines

The Group conducts its operations in the Philippines through its subsidiary, Maybank Philippines Incorporated ("**MPI**"), which is a full-service commercial bank providing retail and wholesale banking products and services, investment and asset management services, treasury solutions as well as trust and custodian services.

As at the date of this Offering Circular, MPI has established an extensive network of 77 branches strategically located in key cities in the Philippines.

Indochina

Within the Indochina region, the Group is present in Cambodia, Vietnam, Laos and Myanmar. In Cambodia, the Group's locally-incorporated entity, Maybank Cambodia Plc ("**MCP**"), provides both retail and commercial services across 16 branches in the country. The Group has two full-fledged branches in Vietnam located in Ho Chi Minh and Hanoi and a full-fledged branch in Vientiane, Laos. The Group also has a representative office in Myanmar.

Other Countries

The Group's presence in other markets include three branches in Brunei, two branches in Papua New Guinea and one branch each in New York, London and Bahrain. The Group also have an Islamic banking arm in Jakarta. In 2013, the Group has established an offshore branch in Labuan, Maybank International Labuan Branch ("**MILB**"), in addition to its existing subsidiary, Maybank International Labuan Ltd.

Singapore

Maybank Singapore has established a significant presence in the retail and wholesale banking markets in Singapore, with over 1,600 employees. As at 31 December 2013, Maybank Singapore accounted for 22.5 per cent. of the Group's total gross loans and advances and 14.1 per cent. of the Group's profit before taxation.

Maybank Singapore's network includes 27 service locations in Singapore and it is also part of "atm⁵", Singapore's only shared ATM network among the six participating Qualifying Full Banks in Singapore, with a combined reach of more than 130 touch points and 170 ATMs. Maybank Singapore aims to continue to strengthen its domestic franchise.

Maybank Singapore's funding base is primarily deposit taking. As at 31 December 2013, 72.6 per cent. of the deposit base was mainly fixed deposits with the remaining 27.4 per cent. in other savings and demand deposits. Most of these deposits were denominated in Singapore dollars.

The Group will leverage on the collective strengths of Maybank Singapore, Maybank Kim Eng and Etiqa to help achieve its goal of increasing the profit contribution of its international operations.

Indonesia

In Indonesia, the Group has a main presence through its subsidiary, BII. As at 31 December 2013, BII accounted for 7.9 per cent. of the Group's total loans and advances and 7.4 per cent. of the Group's profit before taxation. BII operates in all provinces in Indonesia, supported by 422 branches including seven Shariah branches and two overseas branches in Mauritius and Mumbai, India.

BII operates 1,524 ATMs, including Cash Deposit Machines ("CDMs") in Indonesia and it is one of the few banks that connects to all Indonesian banking networks, namely ATM PRIMA, ATM BERSAMA, ALTO and CIRRUS as well as Malaysia's MEPS network and the Group's ATMs in Malaysia and Singapore.

BII offers a full range of financial services for both individual and corporate clients through retail, business and global banking while its subsidiaries, PT Wahana Ottomitra Multiartha Tbk and PT BII Finance, provide motorcycle and car financing respectively. BII's funding base in Indonesia is primarily deposit taking.

BII aims to be the leading relationship bank in Indonesia by providing customised products and solutions and delivering high quality services.

Islamic Banking

The Group's Islamic banking business and network is mainly conducted through the Bank's wholly owned subsidiary, Maybank Islamic, Maybank Singapore's Islamic window, PT Bank Internasional Indonesia Tbk's Unit Usaha Syariah ("BII-UUS") and PT Bank Maybank Syariah Indonesia. In addition, the Group also has Islamic banking operations in Labuan, London, Bahrain and Hong Kong.

Maybank Islamic is the third largest Islamic bank globally and ASEAN's largest Islamic bank by total assets with total assets of RM125.1 billion as at 31 December 2013. As at 31 December 2013, Maybank Islamic had total deposits of RM83.0 billion and net financing of RM86.1 billion. Maybank Islamic has the largest market share for both Islamic deposits and financing in Malaysia. Maybank Islamic together with Maybank Investment Bank Berhad, is one of the leading arrangers of sukuk insurances and ranked third globally and second in the Ringgit market in the Global Sukuk League Table by Bloomberg in 2013.

The Group's Islamic banking business leverages on both the Group's presence in Islamic and conventional banking through over 700 retail outlets globally. By having a universal Islamic banking licence, Maybank Islamic is able to cater to customers from diverse business segments and in various aspects of the Shariah-compliant banking business.

Innovative Financial Solutions

In 2013, Maybank Islamic streamlined its product design and campaign activities based on market segmentation, with more focus given to virtual banking. Maybank Islamic also aims to provide innovative Shariah-compliant products. In line with these objectives, Maybank Islamic launched “Virtual Coin Box”, a mobile application for savings, and “Maybank One Solution-i”, a one-stop Islamic banking solution, which are aimed at the mass-market segment. In addition, Maybank Islamic has introduced new product variations such as the “Ezycash-i” and “Cashline-i” mortgages which are Shariah-compliant financing facilities, that have been developed from Maybank Islamic’s current base offerings comprising Ikhwan credit cards and mortgage financing.

In the SME sector, Maybank Islamic has recently developed higher yielding products and solutions, including the launch of six new products to access the Group’s existing customer base.

The Group’s Islamic Banking business ensures the product structuring process is executed in an efficient and seamless manner besides ensuring strict compliance with Shariah guidelines at all times. Maybank Islamic also conducts regular training and awareness programmes for various regional teams within the Group.

International Markets

The Group’s Islamic Banking has expanded globally in 2013 and was involved in a number of cross-border foreign currency denominated transactions. At the World Islamic Economic Forum in London, Maybank Islamic entered into a financing agreement with one of Malaysia’s largest quasi-government entities to fund its Sterling denominated purchase of large scale properties in London.

In Singapore, the Group launched the Islamic home financing and commercial and industrial property financing for Malaysian properties and the first Islamic auto financing. In addition, the Group’s Investment Banking division also acted as the sole lead arranger, global coordinator and the Shariah adviser of Singapore’s Swiber Capital Pte Ltd’s inaugural sukuk, the first wakala sukuk structure and the largest Singapore dollar sukuk issuance by a Singaporean corporate in 2013. In 2013, Islamic Banking’s Singapore operations recorded a significant year-on-year growth of 89.0 per cent. and 28.0 per cent. in total assets and total deposits respectively, due to significant expansion of customer base.

In Indonesia, BII UUS saw significant year-on-year growth in total assets and total deposits of 91.0 per cent. and 402.0 per cent. respectively for the year ended 31 December 2013. BII UUS launched its innovative mortgage solution based on the Shariah principle of Musyarakah Mutanaqisah, providing customers with the unique value proposition of lower down-payment requirement in 2013. In 2013, BII UUS also focused on expanding its distribution by leveraging on BII’s delivery networks. This resulted in an increase to 269 registered Office Channelling (“OC”) branches in 2013 from 105 registered OC branches in 2012.

Employees

The Group’s total headcount was approximately 47,000 as at 31 December 2013. Approximately 33.7 per cent. of the Group’s employees are members of unions.

The Group offers attractive terms and conditions of employment, innovative policies which create a conducive culture and environment as well as personal and professional development opportunities for its employees.

The Group has received recognition internationally for its human capital management. The Group was awarded best People Practices by Towers Watson and the Group also was listed in the Towers Watson Global High Performing Company Norm in 2012/2013, which is an internationally recognised benchmark for high

performing organisations. The Group ranked second in Malaysia’s Top 100 Leading Graduate Employer Awards 2013. It was also voted Best Employer twice in a row in 2011 and 2012 in the Graduan Aspire poll.

Group Technology

Group Technology is responsible to maximise capacity and capability for all IT investments and services across the Group to support its growing regional business in an effective and efficient manner. The Group has a secure technology infrastructure and its information security management as well as disaster recovery policies conform to both industry standards and BNM’s policies and guidelines. Group Technology’s main focus is to support the Group’s businesses in achieving their regional growth objectives by improving turnaround time of operations and services in an efficient manner. The Group has also rolled out the IT Transformation Programme which provides an integrated IT platform for the Group across its operations in the region. The Group believes that these initiatives will increase the Group’s regional profitability.

Group Operations

Group Operations oversees the main banking operation activities of the Group, which includes the Payments and Self Service Terminals, Trade Operation Centre, Credit Administration, Property, Services and Valuation functions as well as the Treasury Operations. The Group monitors 4,520 self-service terminals in Malaysia and six countries via the Global ATM-eSST Monitoring Solution, manages trade processing activities centrally at the Trade Operation Centre and all inward and outward cheque clearing in Malaysia via the One-Stop Clearing Centre. These functions are supported by Finance and Risk function within Group Operations. The Finance and Risk function controls the Group’s operating expenses against budgets and tracks key risk indicators of Group Operations. These are reported to the monthly Group Operations Council meeting as well as the Group Executive Committee (“**Group EXCO**”) and Executive Risk Committee.

Legal Proceedings

The Group may from time to time be involved in legal proceedings and regulatory investigations in the ordinary course of business. Save for the legal proceedings discussed below, neither the Bank nor any member of the Group is involved in any legal or arbitration proceedings (including any proceedings which are pending or threatened of which the Bank is aware) which may have or have had in the 12 months preceding the date of this Offering Circular a significant and material effect on the financial position of the Bank or the Group.

Malaysia Discounts Berhad

In 2005, a subsidiary, Maybank Trustees Berhad (“MTB”) and eleven other defendants were served with a writ of summons by Malaysia Discounts Berhad and nine plaintiffs/bondholders all of which are institutions, for an amount of approximately RM149.3 million. MTB was alleged to have acted in breach of trust and negligently in its capacity as trustee for the bonds issued. MTB has defended the suit.

On 7 July 2008, the plaintiffs entered judgment by consent against certain defendants (which included the issuer of the bonds but not MTB) for the sum of RM149.3 million. The entering of the said judgment by consent is not in any way an admission of liability on the part of MTB.

On 4 August 2008, a defendant (the issuer of the bonds) served a counterclaim on MTB for approximately RM535.0 million being losses allegedly incurred by it as a result of MTB unlawfully declaring an event of default on the bonds. The defendant had however on 25 August 2009 withdrawn the counterclaim against MTB.

The High Court on 30 June 2010 awarded judgment against MTB and another defendant, being the arranger for the bonds, for RM149.3 million. The judgment sum in favour of the plaintiffs/bondholders was

apportioned at 40.0 per cent. against MTB and 60.0 per cent. against the other defendant. The High Court also dismissed MTB's other claims.

Upon appeal by the parties, the Court of Appeal on 8 November 2011 ruled that MTB and the other defendant were instead to be equally liable to the plaintiffs/bondholders. In addition, the Court of Appeal ordered them to pay penalty charges on the judgment sum at the rate of 3 per cent. from 30 September 2005 to date of judgment ("**Penalty Charges**"). However, the Court of Appeal allowed MTB and the other defendant to seek indemnity against the issuer of the bonds ("**Bond Issuer**") for 2/3 of the total liability and also allowed MTB to seek indemnity against the Bond Issuer's chief executive officer, one of the Issuer's directors and associate companies of the said chief executive officer and the said director (collectively the "**Associated Defendants**") for one half of the 2/3 of the total liability. Further, the Court of Appeal allowed MTB to seek an indemnity against one of the plaintiffs for 1/3 of its liability (after deducting the sum to be indemnified by the Issuer and the Associated Defendants) ("**the 1/3 Indemnity**"). The Federal Court had on 5 April 2012 granted MTB and the other parties to the suit leave to appeal against the decision of the Court of Appeal. The appeal concluded on 4 January 2013.

Separately, and unrelated to this suit, a third party had, pursuant to a winding-up petition against a defendant (the issuer of the bonds) ("**Winding-Up Petition**"), appointed a provisional liquidator against the said defendant on 16 February 2012 until 15 March 2012 for the purpose of monitoring and completing the sale of assets charged to the third party.

As a result of the appointment of the said provisional liquidator, all pending proceedings by all parties against the said defendant were effectively stayed and these initially included MTB's applications for leave at the Federal Court referred to above ("**Leave Applications**"). Subsequently, MTB on 9 March 2012 obtained leave of the court to proceed with the successful Leave Applications.

Further to the Winding-Up Petition, the third party had on 22 March 2013 obtained the order of the High Court to wind up the said defendant. Subsequently, MTB had on 16 April 2013 obtained the leave of the High Court to continue with the pending actions against the said defendant given that the Federal Court has yet to deliver its decision.

The Federal Court had on 10 February 2014 delivered its decision ("**Decision**") where it had, among others, allowed MTB a full indemnity against the Issuer and the Associated Defendants and reduced the judgment sum against MTB to RM107 million with no liability apportioned to the other defendant. The Federal Court also allowed MTB's appeal against the Penalty Charges. In addition, one of the plaintiffs was allowed to set aside the 1/3 Indemnity. The chief executive officer of the Bond Issuer and associated companies of the said chief executive officer have filed an application for the Federal Court to review its Decision against them ("**Review Application**"). The hearing date for the Review Application has been fixed to be on 30 June 2014.

The above contingent liability is covered by an existing Banker Blanket Bond Policy between the Bank and its subsidiary, Etiqa Insurance Berhad, which had entered into a facultative reinsurance contract for an insured sum of RM150.0 million with three other re-insurers.

DESCRIPTION OF THE ISSUER'S HONG KONG BRANCH

Malayan Banking Berhad, Hong Kong Branch was registered on 22 January 1962 under the Banking Ordinance (Cap. 155) of Hong Kong (the “**Banking Ordinance**”) with its current registered office at 18/F, CITIC Tower, 1 Tim Mei Avenue, Central, Hong Kong and licence number 183.

It is a full licensed banking branch and has been in operation since February 1962 and is an authorised institution by the Banking Ordinance of Hong Kong SAR.

With a presence of over 50 years in Hong Kong, the Bank’s Hong Kong branch has evolved from its traditional retail banking activities into a client-focused operation that provides comprehensive professional banking services, primarily to Malaysian corporations investing and involved in trading activities with Hong Kong and China.

DESCRIPTION OF THE ISSUER'S SINGAPORE BRANCH

Malayan Banking Berhad, Singapore Branch was registered on 9 December 1960 under the Companies Act, Chapter 50 of Singapore (the “**Singapore Companies Act**”) with its registered office at 2 Battery Road, Maybank Tower, Singapore 049907 and company number S60FC1376L. The Singapore Branch received its Qualifying Full Bank status in Singapore from the Monetary Authority of Singapore on 1 January 2002 and conducts the corporate and retail banking business of the Group in Singapore.

FUNDING AND CAPITAL ADEQUACY

Funding

The Group has a liability structure primarily comprising fixed deposits and negotiable instruments of deposit (“NIDs”), demand deposits and savings deposits representing 59.5 per cent., 21.7 per cent., and 14.3 per cent. of total deposits from customers, respectively, as at 31 December 2013. As at 31 December 2013, 74.9 per cent. of total fixed deposits and NID had maturities of less than six months. Based on the Group’s experience and historical trends in respect of customer behaviour, the rollover rate of traditional deposits has been consistent and predictable, hence providing the Issuer with a steady source of funding.

As at 31 December 2013, 41.1 per cent. of the Group’s deposits were from individuals and the remainder were from corporate and institutional clients. Other sources of funding include interbank deposits, Cagamas borrowing, and term borrowing. The following tables sets out the profile of the Group’s customer deposits:

Profile of deposits from customers

	395,610	347,156

Note:

* The numbers are rounded to the nearest million.

Capital Adequacy

The capital adequacy ratios of the Issuer and the Group are computed in accordance with the Capital Adequacy Framework (Capital Components) and the Capital Adequacy Framework (Basel II – Risk Weighted Assets) issued by BNM on 28 November 2012. The requirements of the said frameworks took effect from 1 January 2013.

The capital adequacy disclosures of the Issuer and the Group prior to 1 January 2013 have been computed in accordance with the then prevailing BNM’s Risk-Weighted Capital Adequacy Framework and are thus not directly comparable to the capital adequacy disclosures on and after 1 January 2013 which are computed in accordance with BNM’s Capital Adequacy Framework (Capital Components).

The total risk weighted assets of the Issuer and the Group are computed based on the following approaches:

- (i) Credit risk under Internal Ratings Based Approach;
- (ii) Market risk under Standardised Approach; and
- (iii) Operational risk under Basic Indicator Approach.

As at 31 December 2013, the Common Equity Tier 1 (“CET1”) capital ratio before deducting final dividend for the financial year ended 31 December 2013 was 15.93 per cent. (Issuer level) and 11.25 per cent. (Group level). The Tier 1 capital ratio was 15.93 per cent. (Issuer level) and 13.06 per cent. (Group level) whereas the Total capital ratio was 15.93 per cent. (Issuer level) and 15.66 per cent. (Group level) as at 31 December 2013. The Issuer’s and the Group’s CET1 capital ratio, tier 1 capital ratio and Total capital ratio are well above BNM’s regulatory minimum capital adequacy ratios of 4.50 per cent., 6.00 per cent. and 8.00 per cent. respectively.

The following table sets forth the capital adequacy ratios of the Group as at 31 December 2013 and 31 December 2012.

ASSET QUALITY

The Group's loans are predominantly made to corporations and individuals based in Malaysia. The remainder of the Group's loans, amounting to 37.9 per cent., of its total loan portfolio as at 31 December 2013, are made to customers and institutions outside Malaysia. The Group monitors country exposures and manages its country risks by undertaking on a regular basis, analysis of the political, economic, financial and social developments of those countries where it has significant exposures and by setting a specific country limit.

As at 31 December 2013, the Group's total net outstanding loans were RM355.6 billion, which represented 63.5 per cent. of the Group's total consolidated assets.

The Group's asset quality has continued to improve with its net impaired loans ratio improving to 0.95 per cent. as 31 December 2013 from 1.09 per cent. as at 31 December 2012, reflecting the Group's practice of prudent credit lending and active management of asset quality. The Group's net credit charge-off rate was 23 basis points for the full year. The Group's loan loss coverage improved to 107.5 per cent. as at 31 December 2013 from 105.6 per cent. as at 31 December 2012.

The composition of the Group's loan portfolio as at 31 December 2013 and 31 December 2012 is set out below.

Working Capital

The Group's largest concentration of loans, as at 31 December 2013, was to businesses and individuals for the purpose of working capital (capital used to facilitate daily business undertakings or transactions) comprising 35.07 per cent. of its total gross loans.

Purchase of Residential Property

The second largest concentration of the Group's gross loans, as at 31 December 2013, was for purchase of landed properties for residential purposes comprising 18.2 per cent. of its total gross loans. The Group retains its strategy of maintaining housing loans as a core product to provide the Group with both annuity income and opportunities for product bundling and cross-selling. Loans for this purpose are to individuals and are secured by charges on the properties being financed.

Overseas Loan

As at 31 December 2013, overseas loans constituted 37.91 per cent. of the Group's total loan portfolio. The Group monitors country exposures and manages its country risks by undertaking on a regular basis analysis of the political, economic, financial and social developments of those countries where it has significant exposures and by setting a specific country limit.

Loan Maturity Profile

Gross loans, advances and financing.....	361,380	317,798

Critical Accounting Policies

Classification of loans, advances and financing as impaired

Loans, advances and financing are classified as impaired when:

- principal or interest/profit or both are past due for more than three (3) months; or
- loans, advances and financing in arrears for less than three (3) months exhibit indications of credit weaknesses, whether or not impairment loss has been provided for; or
- an impaired loans, advances and financing has been rescheduled or restructured, the loans, advances and financing will continue to be classified as impaired until repayments based on the revised and/or restructured terms have been observed continuously for a period of six (6) months; or
- default occurs for repayments scheduled on intervals or three (3) months or longer.

Impairment process – individual assessment

The Group and the Bank assesses if objective evidence of impairment exists for loans, advances and financing which are deemed to be individually significant.

If there is objective evidence that an impairment loss has been incurred, the amount of loss is measured as the difference between the carrying amount of the loans, advances and financing and the present value of the estimated future cash flows discounted at the original effective interest rate of the loans, advances and financing. The carrying amount of the loans, advances and financing is reduced through the use of an impairment allowance account and the amount of the impairment loss is recognised in the income statements.

Impairment process – collective assessment

Loans, advances and financing which are not individually significant and that have been individually assessed with no evidence of impairment loss are grouped together for collective impairment assessment. These loans, advances and financing are grouped within similar credit risk characteristics for collective assessment, whereby data from the loans, advances and financing portfolio (such as credit quality, levels of arrears, credit utilisation, loan to collateral ratios, etc.) and concentrations of risks (such as the performance of different individual groups) are taken into consideration.

Future cash flows in a group of loans, advances and financing that are collectively evaluated for impairment are estimated based on the historical loss experience of the Group and of the Bank. Historical loss experience is adjusted on the basis of current observable data to reflect the effects of current conditions that do not affect the period on which the historical loss experience is based and to remove the effects of conditions in the historical period that do not currently exist.

Estimates of changes in future cash flows for a group of assets should reflect and be directionally consistent with changes in related observable data from period to period. The methodology and assumptions used for estimating future cash flows are reviewed regularly by the Group and the Bank to reduce any differences between loss estimates and actual loss experience.

Impairment process – written-off accounts

Where a loan, advance and financing is uncollectible, it is written off against the related allowance for loan impairment. Such loans, advances and financing are written off after the necessary procedures have been completed and the amount of the loss has been determined. Subsequent recoveries of the amounts which previously written off are recognised in the income statements.

Interest and Profit Income Recognition

For all financial instruments measured at amortised cost, interest/profit bearing and other financial assets classified as financial investments available-for-sale (“AFS”) and financial instruments designated at fair value through profit or loss, interest or profit income or expense is recorded using the effective interest rate (“EIR”) or effective profit rate (“EPR”), which is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument or, where appropriate, a shorter

period to the net carrying amount of the financial asset or financial liability. The calculation takes into account all contractual terms of the financial instrument and includes any fees or incremental costs that are directly attributable to the instrument and are an integral part of the EIR or the EPR, but does not consider future credit losses.

Profile of Impaired Loans

As at 31 December 2013 and 2012, the Group's net impaired loans amounted to RM3,421.6 million and RM3,425.8 million respectively. The ratio of net impaired loans to total net loans was 0.95 per cent. and 1.09 per cent. for the corresponding years. Based on BNM statistics as at 31 December 2013 and 31 December 2012, the net impaired loans ratio for the banking system was 1.4 per cent. for both years respectively. Shown in the table below are the trends in the Group's Impaired Loans for the last two audited financial years, being the year ended 31 December 2013 and 31 December 2012:

	As at 31 December 2013	As at 31 December 2012

Financial Assets at Fair Value Through Profit or Loss (“FVTPL”)

Financial assets held-for-trading

Financial assets at FVTPL include financial assets held for-trading (“HFT”) and financial assets designated at FVTPL upon initial recognition. Financial assets are classified as held-for-trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets held-for-trading include derivatives, debt securities, equities and short positions that have been acquired principally for the purpose of selling or repurchasing in the near term. Financial assets designated at FVTPL are debt securities and structured deposits which are managed on a fair value basis under an insurance life fund and a family Takaful fund.

Subsequent to the initial recognition, financial assets held-for-trading and financial assets designated at FVTPL are recorded in the statement of financial position at fair value. Changes in fair value are recognised in the income statements under ‘non-interest income’.

As at 31 December 2013, the Group’s HFT securities constituted 1.4 per cent. of its total assets. The Group’s HFT portfolio as at 31 December 2013 mainly comprised BNM Monetary Notes (0.2 per cent.) and BNM Bills and Notes (0.4 per cent.).

Financial investments held-to-maturity

These are financial assets with fixed or determinable payments and fixed maturity that the Group has the positive intent and ability to hold until maturity. Subsequent to initial recognition, financial investments held-to-maturity (“HTM”) are measured at amortised cost using the effective interest method, less accumulated impairment losses. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees that are an integral part of the effective interest rate. The amortisation, losses arising from impairment and gain or loss arising from derecognition of such investments are recognised in the income statements.

If the Group and the Bank were to sell or reclassify more than an insignificant amount of HTM before maturity (other than in certain specific circumstances), the entire category would be tainted and would have to

be reclassified as financial investments available-for-sale. Furthermore, the Group and the Bank would be prohibited from classifying any financial investments as held-to-maturity over the following two years.

As at 31 December 2013, HTM securities constituted 1.0 per cent. of the Group's total assets. The Group's HTM portfolio as at 31 December 2013 mainly consisted of Malaysian Government Investment Issues (0.2 per cent.) and unquoted securities (1.4 per cent.).

Financial investments available-for-sale

Financial investments available-for-sale are financial assets that are not classified in any of the three preceding categories. AFS include equity and debt securities. Debt securities in this category are intended to be held for an indefinite period of time and which may be sold in response to liquidity needs or changes in market conditions.

After the initial recognition, AFS are subsequently measured at fair value. Unrealised gains and losses are recognised directly in equity (other comprehensive income) in 'unrealised holding reserve/(deficit)', except for impairment losses, foreign exchange gains or losses on monetary financial assets and interest income calculated using the effective interest method are recognised in the income statements. Dividends on AFS are recognised in the income statements when the Group's and the Bank's right to receive payment is established. When the Group and the Bank derecognise AFS, the cumulative gain or loss previously recognised in equity is recognised in the income statements in 'non-interest income'.

The Group's AFS portfolio as at 31 December 2013 mainly consisted of Foreign Government Treasury Bills (1.5 per cent.) and Malaysian Government Securities (1.0 per cent.).

RISK MANAGEMENT

Overview

The Group is committed to its strategic risk priorities to enhance and integrate risk management into its business and to strengthen risk management effectively across the Group. The Group's strong risk management continues to play an integral part in driving value creation to support the Group's objectives.

Risk Governance Structure

Board of Directors

The Board of Directors (the "**Board**") is the Group's ultimate governing body, which has overall risk oversight responsibility. It approves the risk management framework, risk appetite, plans and performance targets for the Group and its principal operating subsidiaries, the appointment of senior officers, the delegation of authorities for credit and other risks, and the establishment of effective control procedures. The Board is assisted by the following board level committees in its overall responsibility for risk oversight within the Group.

Board Level Committees

Risk Management Committee ("RMC")

The RMC is a dedicated Board Committee responsible for the risk oversight function within the Group. It is principally responsible to review and approve key risk frameworks and policies for the various risks.

Credit Review Committee ("CRC")

The CRC is tasked by the Board to review, concur, veto fresh or additional loan applications subject to pre-determined authority limits as recommended by the Group Management Credit Committee.

Executive Level Management Committees

The Group Executive Risk Committee ("**ERC**"), Group Operational Risk Management Committee ("**GORMC**"), Group Asset & Liability Management Committee ("**ALCO**") and Group Management Credit Committee ("**GMCC**") are Executive Level Management Committees responsible for the management of all material risks within the Group. The scope of ERC encompasses all risk types, whilst the GORMC caters specifically to operational risk matters. The ALCO is primarily responsible for the development and implementation of broad strategies and policies for managing the consolidated balance sheet and associated risks. The GMCC is empowered as the centralised loan approval committee for the Group.

Risk Management Framework

The key components of the Enterprise Risk Management (“ERM”) framework are as set out in the chart below:

In line with the ERM approach, the Group has adopted and consistently practices the Seven Broad Principles of Risk Management to ensure integration of purpose, policy, methodology and systems across its regional offices.

Maybank Group’s Seven Broad Principles of Risk Management

The “Seven Broad Principles” define the key principles on accountability, independence, structure and scope.

Principles

1. The risk management approach is premised on three lines of defence – risk-taking units, risk control units and internal audit.
2. The risk-taking units are responsible for the day-to-day management of risks inherent in their business activities, while the risk control units are responsible for setting up risk management frameworks and developing tools and methodologies for the identification, measurement, monitoring, control and pricing of risk. Complementing these is internal audit, which provides independent assurance of the effectiveness of the risk management approach.
3. Risk management provides risk oversight for the major risk categories including credit risk, market risk, liquidity risk, operational risk and other industry-specific risks.
4. Risk management ensures that the core risk policies of the Group are consistent, sets the risk tolerance levels and facilitates the implementation of an integrated risk-adjusted measurement framework.
5. Risk management is functionally and organisationally independent of the business sectors and other risk-taking units within the Group.
6. The Board, through the Board Risk Management Committee, maintains overall responsibility for risk oversight within the Group.
7. Risk management is responsible for the execution of various risk policies and related business decisions empowered by the Board.

Independent Group Risk Function

The Group Risk function, headed by Group Chief Risk Officer (“GCRO”), plays an independent role with the following distinct key responsibilities:

- Supporting the Group’s regional expansion and businesses in the development and achievement of strategic objectives;

- Acting as a strategic partner with the Group’s businesses in budget planning and risk appetite setting and implementation;
- Providing authority limits for both central and regional approvals, controls, risk systems and architecture leadership, and enterprise risk reporting to the Group’s management;
- Continuing development of risk functions across the regions that the Group has operations in and embedding the Group’s risk culture; and
- Becoming a strategic partner to the Group’s businesses in addressing external stakeholders including regulators and analysts pertaining to risk issues.

In addition to the day-to-day operations, Group Risk also engages fully in business development activities such as new product sign-offs and approvals, post-implementation reviews and due diligence exercises.

Risk Strategy

Risk Appetite

The Group has successfully implemented a Risk Appetite Framework across the Bank, its major subsidiaries and key branches. The Risk Appetite Framework defines the Group’s risk capacity, establishes and regularly confirms its risk appetite, translates risk appetite into risk limits and tolerances as guidance, and regularly measures and evaluates the Group’s risk profile.

A key element of the Risk Appetite Framework is a set of Board-approved Risk Appetite Statements (“**RAS**”) that define the boundaries and drivers that the Group has chosen to limit or otherwise influence the amount of risk it is willing to take. The Group’s Risk Appetite Framework and RAS were first approved by the Board in 2011 and have since been reviewed and updated annually.

Risk Culture

The Group views risk culture as the foundation upon which a strong enterprise wide risk management framework is built and it is an essential building block for effective risk governance. The Group has conducted a ‘Risk Culture Index’ survey which was aimed at measuring its current state of risk culture across the Group. Pursuant to the survey results, specific action plans and initiatives are developed and operationalised across the Group. The Group aims to embed a culture of risk awareness across the Group.

Risk Adjusted Performance Measurements (“RAPM”)

The Group continues to enhance the RAPM methodology and further embed RAPM measurement and risk-informed pricing into management and customer processes. The Group has have strengthened its RAPM process to drive improved risk-reward dynamics. The Group has also operationalised its risk-informed pricing across the Group and instilled greater discipline in its pricing based on appropriate risk-reward thresholds.

The Group’s initiative is in line with the “Risk-Informed Pricing” guideline issued by BNM. The Group believes there is greater advocacy on the standards that define the responsibilities of financial service providers to adopt the risk-informed approach in the pricing of retail loan and financing products. This is to ensure that decisions on retail loan/financing pricing are consistent with the approved risk appetite.

Capital Management

The Group’s approach to capital management is driven by its strategic objectives and takes into account all relevant regulatory, economic and commercial environments in which the Group operates. The Group regards having a strong capital position as essential to the Group’s business strategy and competitive position. As

such, implications on the Group's capital position are taken into account by the Board and senior management prior to implementing major business decisions in order to preserve the Group's overall capital strength.

The Group's key objectives for capital management and planning are to diversify its sources of capital, to allocate and deploy capital efficiently, guided by the need to maintain a prudent relationship between available capital and the risks of its underlying businesses as well as to meet the expectations of key stakeholders, including investors, regulators and rating agencies. In addition, these policies are adopted with the aim to ensure adequate capital resources and efficient capital structure to:

- maintain adequate capital ratios at all times and at levels sufficiently above the minimum regulatory requirements across the Group;
- support the Group's credit rating from local and foreign rating agencies;
- allocate and deploy capital efficiently to businesses to support the Group's strategic objectives and optimise returns on capital;
- remain flexible to take advantage of future opportunities; and
- build and invest in businesses, even in a reasonably stressed environment.

Internal Capital Adequacy Assessment Process ("ICAAP")

The overall capital adequacy in relation to its risk profile is assessed through a process articulated in the Group's ICAAP Framework and Policy. The ICAAP Framework and Policy is approved by the Board and is aligned to the regulatory guidelines issued by BNM. The ICAAP has been implemented within the Group to ensure all material risks are identified, measured and reported, and adequate capital levels are held to commensurate with the risk profiles of the Group.

The Group's ICAAP closely integrates the risk and capital planning and management processes. The ICAAP framework is designed to ensure that adequate levels, including capital buffers, are held to support the Group's current and projected demand for capital under existing and stressed conditions. Regular ICAAP reports are submitted to the ERC, the Board Risk Management Committee ("RMC") and the Board for comprehensive review of all material risks faced by the Group and assessment of the adequacy of capital to support them.

In March 2013, the Group submitted a Board-approved ICAAP document to BNM to meet the requirements set by the regulators. The document includes an overview of ICAAP, current and projected financial and capital position, ICAAP governance, risk assessment models and processes, risk appetite and capital management, stress testing and capital planning and use of ICAAP.

Comprehensive risk assessment under ICAAP framework

Under the Group's ICAAP methodology, the following risk types are identified and measured:

- Risks captured under Pillar 1 (credit risk, market risk and operational risk);
- Risks not fully captured under Pillar 1 (for example, model risk);
- Risks not taken into account by Pillar 1 (for example, interest rate risk/rate of return risk in the banking book, liquidity risk, business/strategic risk, reputational risk and credit concentration risk); and
- External factors, including changes in economic environment, regulations and accounting rules.

The Group has in place processes which identify material risks that may arise through the introduction of new products and services. Material risks are defined as "risks which would materially impact the financial

performance (profitability), capital adequacy, asset quality and/or reputation of the bank should the risk occur”.

In the Group’s ICAAP Framework, the Material Risk Assessment Process (“**MRAP**”) is designed to identify key risks from the Group’s risk profile and to implement a robust process to map risk based on potential impact of risk drivers on earnings and capital. Material risks are assessed and reported on a regular basis and tabled to the ERC and the RMC.

Assessment of Pillar 1 and Pillar 2 Risks

In line with the industry’s best practices, the Group quantifies its risks using methodologies that have been reasonably tested and deemed to be accepted in the industry.

Where risks may not be easily quantified due to the lack of commonly accepted risk measurement techniques, expert judgment is used to determine the size and materiality of risk. The Group’s ICAAP would then focus on the qualitative controls in managing such material non-quantifiable risks. These qualitative measures include the following:

- Adequate governance process;
- Adequate systems, procedures and internal controls;
- Effective risk mitigation strategies; and
- Regular monitoring and reporting.

Regular and Robust Stress Testing

The Group’s stress testing programme is embedded within the risk and capital management process of the Group and is a key function of capital planning and business planning processes. The programme serves as a forward-looking risk and capital management tool to understand the Group’s risk profile under extreme but plausible conditions. Such conditions may arise from economic, political and environmental factors.

Under Maybank Group Stress Test (“**GST**”) Framework as approved by the Board, it considers the potential unfavourable effects of stress scenarios on the Group’s profitability, asset quality, risk-weighted assets (“**RWA**”), capital adequacy and ability to comply with the risk appetites set.

Specifically, the stress test programme is designed to:

- highlight the dynamics of stress events and their potential implications on the Group’s trading and banking book exposures, liquidity positions and likely reputational impacts;
- proactively identify key strategies to mitigate the effects of stress events; and
- produce stress results as inputs into the Group’s ICAAP in determining capital adequacy and capital buffers.

There are three types of stress tests conducted across the Group:

- Group stress tests – A Group-wide stress test using a common scenario approved by the RMC and the results are submitted to BNM.
- Localised stress tests – Limited scope stress tests undertaken at portfolio, branch or sector or entity levels based on scenarios relevant at the specific localities.
- Ad-hoc stress tests – Periodic stress tests conducted in response to emerging risk events.

Stress test themes reviewed by the Stress Test Working Group in the past include impact of Federal Reserve Quantitative Easing tapering, sovereign rating downgrades, slowing Chinese economy, a repeat of Asian Financial Crisis, U.S. dollar depreciation, pandemic flu, asset price collapse, interest rate hikes, a global double-dip recession scenario, Japan disasters, crude oil price hike, the Eurozone and U.S. debt crises, amongst others.

The Stress Test Working Group, which comprises of business and Group Risk teams, tables the stress test reports to the senior management and Board committees and discusses the results with the regulators on a regular basis.

Credit Risk Management

Credit risk arises as a result of customers or counter-parties' failure to fulfil their financial and contractual obligations as and when they arise. These obligations arise from the Group's direct lending operations, trade finance and its funding, investment and trading activities undertaken by the Group.

Corporate and institutional credit risks are assessed by business units and evaluated and approved by an independent party where each customer is assigned a credit rating based on the assessment of relevant qualitative and quantitative factors including customer's financial position, future cashflows, types of facilities and securities offered.

Reviews are conducted at least once a year with updated information on customer's financial position, market position, industry and economic condition, and conduct of account. Corrective actions are taken when the accounts show signs of credit deterioration.

A two-pronged approach is adopted:

- Managing the Credit Risk; and
- Managing the Credit Portfolio.

Retail credit exposures are managed on a programme basis. Credit programmes are assessed jointly between credit risk and business units. Reviews on the credit programmes are conducted at least once a year to assess the performance of the portfolio.

Group-wide hierarchy of credit approving authorities and committee structures are in place to ensure appropriate underwriting standards are enforced consistently throughout the Group.

Concentration Risk

In managing large exposures and to avoid undue concentration of credit risk in its loans and financing portfolio, the Group has in place, amongst others, limits and related lending guidelines for:

- Countries;
- Business Segments;
- Economic Sectors;
- Single customer groups;
- Banks and Non-Bank Financial Institutions;
- Counterparties; and
- Collaterals.

Asset Quality Management

The Group has established dedicated teams comprising Corporate Remedial Management at the Group's head office and Regional Corporate Remedial Management at specific regions to effectively manage vulnerable corporate and institutional credits of the Group. Vulnerable consumer credits are managed by the Asset Quality Management team at the Group's head office and Regional Asset Quality Management teams at the respective regions. Special attention is given to these vulnerable credits where more frequent and intensive reviews are performed in order to accelerate remedial actions.

Credit Risk Management ("CRM") Framework

The CRM framework includes comprehensive credit risk policies, tools and methodologies for identification, measurement, monitoring and control of credit risk on a consistent basis. The components of the CRM framework include:

- strong emphasis in creating and enhancing credit risk awareness;
- comprehensive selection and training of lending personnel in the management of credit risk; and
- leveraging on knowledge sharing tools including e-learning courses to enhance credit skills within the Group.

The Group's credit approving process encompasses pre-approval evaluation, approval and post-approval evaluation. Group Credit Risk is responsible for developing, enhancing and communicating an effective and consistent credit risk management framework across the Group to ensure appropriate credit policies are in place to identify, measure, control and monitor such risks.

In view that the authority limits are directly related to the risk levels of the borrower and transaction, a Risk-Based Authority Limit structure was implemented based on the internally developed Expected Loss framework and Credit Risk Rating System ("CRRS").

Market Risk Management

The Group recognises market risk as the adverse impact on earnings or capital arising from changes in the level of volatility of market rates or prices such as interest rates/profit rates, foreign exchange rates, commodity prices and equity prices.

The Group sets risk appetite to provide a clear direction for the current and future business activities in undertaking market risk. Strategy level planning allows market risk policy to be defined clearly in a manner that supports the business strategies. A strong and comprehensive risk management structure is in place to drive the key guiding principles, practices and processes consistently across the Group.

Market risk, being one of the major risks associated in the Group's statement of financial position is managed distinctly according to the idiosyncratic characteristic of the portfolio. Generally, the Group manages the market risk of its trading and non-trading portfolio activities using a variety of measurement techniques and controls.

Traded Market Risk

Traded market risk arises mainly from proprietary trading, client servicing and market making. These activities are held intentionally for short term resale and/or with the intention to benefit from actual or expected price movements or to lock in arbitrage profits.

Dealers are strictly prohibited from breaching the stop loss limits, Value-at-Risk ("VaR") limits and transacting any non-permissible instruments or activities as stipulated in the approved trading book policy and limits.

VaR limit controls the potential loss of trading book value resulting from market movements over a specified period of time within a specified probability of occurrence under normal business situations. The VaR model is backtested on a daily basis and is subject to a periodic independent validation to ensure it meets its intended use.

The Group also uses other non-statistical risk measures such as exposure to a one basis point increase in yield (“PV01”) for managing portfolio sensitivity to market rate movements, Greek limits for managing options risk and stressed profit/loss for adverse impact to trading profit due to stress events. Notional limits such as net open position (“NOP”) caps the foreign currency exposures while portfolio limits control the concentration exposures.

Non Traded Market Risk

Non traded market risk is primarily inherent risk arising from the banking book activities. The major risk classes are interest rate risk/rate of return risk in the banking book and foreign exchange risk.

Interest Rate Risk/Rate of Return Risk in the Banking Book

Interest rate risk (“IRR”) or rate of return risk (“RoR”) in the banking book arises from the changes in market interest rates that adversely impact the Group’s financial condition in terms of earnings or economic value, based on the risk profile of the statement of financial position. Sources of IRR/RoR include repricing, basis, yield curve, optionality and price risk. In addition, the Group’s Islamic operations is exposed to displaced commercial risk.

It is important to manage the IRR/RoR in the banking book as most of the statement of financial position items of the Group generate interest income and interest expense which are indexed to interest rates/profit rates. Excessive IRR/RoR risks may be detrimental to the Group’s earnings, capital, liquidity and solvency.

Foreign Exchange Risk in the Banking Book

Foreign exchange (“FX”) risk arises from changes in foreign exchange rates or adverse movements or mismatches in currencies where the operating business is denominated in other than the functional currency of the Group.

FX risk exposures can be attributed to structural and non-structural positions. Structural FX positions are primarily net investments in overseas branches, subsidiaries and strategic investments. Generally, the structural FX positions need not be hedged as these investments are by definition “perpetual” and revaluation losses will not materialise if they are not sold. The residual or unhedged FX positions are managed in accordance with the FX risk management policy and limits.

As a principle in the FX risk policy, all foreign currency assets in the banking book must be match-funded by the same currency to minimise FX NOP. The Group also implements qualitative controls such as listing of permissible on/offshore currencies and approved products for hedging the FX risk.

Capital Treatment for Market Risk

The Group computes the minimum capital requirements against market risk based on BNM’s updated guidelines for Capital Adequacy Framework (Basel II – Risk Weighted Assets) requirements under Standardised Approach and for Maybank Islamic BNM’s updated guidelines for Capital Adequacy Framework for Islamic Bank (Risk-Weighted Assets) applies. Interest rate risk, foreign currency risk and options risk are the primary risk factors experienced in the Group’s trading and non-trading activities. Other risk factors such as commodities and equities are generally attributed to structured products which are transacted on a back-to-back basis.

Liquidity Risk Management

The Group defines liquidity risk as the adverse impact to the firm's financial condition or overall safety and soundness that could arise from its inability (or perceived inability) to meet its obligations.

The liquidity risk arises from mismatches in the timing of cash flows between assets and liabilities in the statement of financial position. It is also known as consequential risk, triggered by underlying problems which can be endogenous such as credit risk deterioration, rating downgrades, operational risk events or exogenous such as market disruption, default in the banking payment system and deterioration of sovereign risk.

Whilst the RMC sets the tone for liquidity risk appetite, the ERC and ALCO are executive level management committees that are responsible for the overall operational implementation and controls that are guided by the approved liquidity risk management framework and policy.

The Group runs liquidity stress scenarios to assess the areas of vulnerabilities and determines its funding capacity and adequacy for normal and stressed market situations. The Group continuously reviews and maintains the availability of unencumbered high quality liquid assets that can be easily sold or pledged as readily available sources of funds for immediate cash.

The Group activates Contingency Funding Plan ("CFP") to avert any potential liquidity disasters affecting its liquidity soundness and financial solvency. The CFP encompasses detailed planned funding strategies, decision-making authorities, communication channels and processes and courses of action for management to make prompt decisions.

The plan is being tested regularly to ensure its effectiveness and robustness in response to different liquidity crisis scenarios.

Operational Risk Management

Operational risk is defined as the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. This definition includes legal risk, but excludes strategic and reputational risk.

Group Operational Risk is responsible for the formulation and implementation of the operational risk framework within the Group, which encompasses the operational risk management strategy and governance structure. Another key function is the development and implementation of operational risk management tools and methodologies to identify, measure, monitor and control operational risks.

Risk taking units (Strategic Business Units ("SBUs")) constitute an integral part of the operational risk management framework and are primarily responsible for the day-to-day management of operational risk. They are responsible for establishing and maintaining their respective operational manuals and ensuring that activities undertaken comply with the Group's Operational Risk Management Framework.

Operational Risk Officers ("OROs") have been appointed within the various SBUs of the Group and they are responsible for implementing and executing the operational risk management processes and tools. They are also responsible for the investigation of operational losses.

Business Risks have been established within key SBUs of Maybank Group and are responsible for driving the implementation of the operational risk management framework, policies, procedures and tools. The Business Risks also maintain an oversight role over SBUs by analysing and reporting operational risk exposures of SBUs in a timely manner to stakeholders and inculcating risk awareness and culture across the Group.

Operational Risk Management Framework

The Group's Operational Risk Management Framework focuses on the four causal factors of operational risk, namely people, processes, systems and external events. It provides a transparent and formalised framework aligned to business objectives within which the Board, management teams, staff and contractors can discharge their operational risk management responsibilities.

Treatment for Operational Risk Capital Charge

Operational Risk Capital Charge ("ORCC") is calculated using the Basic Indicator Approach ("BIA") as per the BNM's updated guidelines for Capital Adequacy Framework (Basel II – Risk Weighted Assets).

The Group intends to adopt The Standardised Approach ("TSA") for ORCC calculation. The use of TSA is subject to BNM's approval.

For this purpose, the Group has mapped its business activities into the eight business lines as prescribed by Basel II and the BNM's updated guidelines for Capital Adequacy Framework (Basel II – Risk Weighted Assets).

MALAYSIAN BANKING INDUSTRY

Financial Sector Developments

During the first eight months of 2013, the banking system and capital markets were strengthened to facilitate growth in the Malaysian economy. Financial intermediation continued to support economic activities with total loans outstanding in the Malaysian banking sector increasing by 9.3 per cent. to RM1,180.3 billion as at the end of August 2013. The total financing outstanding of development financial institutions (“**DFIs**”) increased by 8.5 per cent. to RM117 billion, particularly in strategic economic sectors. Microfinancing was also extended through the Skim Pembiayaan Mikro, Amanah Ikhtiar Malaysia (“**AIM**”) and Tabung Ekonomi Kumpulan Usaha Niaga (“**TEKUN Nasional**”) to support microenterprises.

The capital markets remain an important source of financing for companies, with total private bonds outstanding amounting to RM415.3 billion and market capitalisation of the equity market increasing to RM1,598.8 billion as at the end of August 2013. In January 2013, a new sukuk asset class was launched on Bursa Malaysia, making sukuk and bonds available to all investors, for the first time. The DanaInfra Retail Sukuk issued by DanaInfra Nasional Berhad was used to partly fund the current MY Rapid Transit (“**MRT**”) project.

Malaysia continues to be a global hub for Islamic finance with a deep primary and active secondary sukuk market, an efficient price discovery mechanism, a diverse talent base with global capabilities and an efficient multi-currency clearing and settlement system. Furthermore, with the new Islamic Financial Services Act 2013 (“**IFSA**”) that came into force in June 2013, there will be greater clarity in the legal and prudential requirements underpinned by Shariah principles for the Islamic finance industry. IFSA aims to strengthen the regulatory and legal system to meet the challenges and developments of an increasingly sophisticated and globalised industry.

Banking System Performance

Sustained demand for financing

Credit growth in the banking system continued, albeit at a more moderate pace, during the first eight months of 2013 compared to the previous year. Loan applications increased 0.5 per cent. to RM535.6 billion while loan approvals declined 1.4 per cent. to RM261 billion (January to August 2012: 7.5 per cent., RM533 billion). During the same period, loan disbursements grew by 0.7 per cent. to RM619.2 billion (January to August 2012: 17.5 per cent.; RM614.6 billion). Total loans outstanding in the banking system expanded 9.3 per cent. to RM1,180.3 billion as at the end of August 2013 (end of 2012: 10.4 per cent.; RM1,108 billion).

Lending to businesses moderated during the first eight months of 2013. Loan applications by businesses dropped 12.5 per cent. to RM236.7 billion, while approvals fell 20.5 per cent. to RM103.8 billion (January to August 2012: 15 per cent., RM270.4 billion; 4 per cent., RM130.6 billion). Likewise, disbursements to businesses slowed 3.8 per cent. to RM421.5 billion (January to August 2012: 26.9 per cent.; RM437.9 billion). The largest portion of loans disbursed to businesses was to the manufacturing sector at 20.9 per cent. followed by the wholesale and retail trade, accommodation and restaurant sector at 19.2 per cent., the finance, insurance and business services sector at 7.2 per cent. and the construction sector at 6.6 per cent. Total business loans outstanding grew by 7.7 per cent. to RM440.8 billion as at the end of August 2013 (end of 2012: 10.9 per cent.; RM419.1 billion).

Banking system remains resilient

The banking system remained strong and well capitalised even with the implementation of the new and more stringent Basel III capital adequacy framework, effective from 1 January 2013. As at the end of August 2013, the common equity tier 1 capital ratio, tier 1 capital ratio and total capital ratio of the banking system stood at 12 per cent., 12.8 per cent. and 14.1 per cent. Capital buffers in excess of the minimum regulatory requirement remained high at more than RM73 billion. Liquidity remained ample with banks maintaining strong liquidity buffers and a large placement of more than RM147 billion with BNM. The banking system also recorded a projected liquidity surplus of 14 per cent. of total deposits for liquidity needs maturing within one week.

During the first eight months of 2013, the banking system recorded a slightly lower pre-tax profit of RM18.9 billion (January to August 2012: RM19.5 billion). The profit was primarily contributed by revenue from financing activities and gains from trading and investment activities. Loan quality in the banking system remained stable with the net impaired loans ratio at 1.4 per cent. of net loans as at the end of August 2013 (end-2012: 1.4 per cent.), while the overall loan loss coverage ratio remained above 90 per cent.

The financial sector regulatory and supervisory framework was further strengthened when the Financial Services Act 2013 (“FSA”) and the IFSA came into force on 30 June 2013. The FSA and IFSA were the culmination of efforts to modernise the laws that govern the conduct and supervision of financial institutions in Malaysia. This is to ensure that these laws continue to be relevant and effective to maintain financial stability, support inclusive growth in the financial system and the economy, as well as to provide adequate protection for consumers. The FSA and IFSA consolidated and replaced several separate laws, namely the Banking and Financial Institutions Act 1989 (“BAFIA”), Islamic Banking Act 1983, Insurance Act 1996, Takaful Act 1984, Payment Systems Act 2003 and Exchange Control Act 1953, to govern the financial sector under a single legislative framework for the conventional and the Islamic financial sector, respectively.

Further growth of Islamic banking

The Islamic banking industry has shown significant growth over the last five years, with assets doubling from RM251 billion in 2008 to RM494.6 billion in 2012. As at the end of August 2013, the market share of Islamic banking assets (including DFIs) increased to 24.4 per cent. of the total banking system assets (end of 2012: 23.8 per cent.). Islamic banking assets grew by 13 per cent. to RM542.5 billion (end of 2012: 15.4 per cent.; RM494.6 billion). Total Islamic deposits rose by 12.7 per cent. to RM416 billion and accounted for 30.4 per cent. of total deposits in the banking system (end of 2012: 14.3 per cent.; RM386.2 billion; 25.6 per cent.). Total Islamic financing grew by 16.6 per cent. to RM348.4 billion and represented 26.9 per cent. of the total loans in the banking system (end of 2012: 17.4 per cent.; RM315 billion; 25.8 per cent.). The household sector continued to account for the bulk of Islamic financing at 65.9 per cent. (end of 2012: 63 per cent.). The manufacturing sector accounted for 5.0 per cent. or RM17.4 billion (end of 2012: 5.7 per cent.; RM18 billion) followed by finance, insurance and business services at 4.9 per cent. or RM17.1 billion (end of 2012: 5.4 per cent.; RM17.1 billion) and construction sector at 4.6 per cent. or RM16 billion (end of 2012: 4.5 per cent.; RM14.1 billion).

Islamic capital market expands

The Islamic capital markets continued to be a significant source of financing through sukuk issuances as well as providing opportunities for corporates to tap into new sources of liquidity in the region. As at the end of August 2013, 799 Shariah-compliant securities were listed on Bursa Malaysia, representing 87.7 per cent. of total listed securities with a market capitalisation of RM995.7 billion or 63.7 per cent. of total market capitalisation (2012: 813 securities, 88.3 per cent.; RM942.2 billion, 64.3 per cent. respectively). In the first eight months of 2013, the trading volume of Shariah-compliant securities increased to 197.5 billion units, representing 81 per cent. of the total 243.9 billion units traded (January to August 2012: 189 billion units;

76.4 per cent.; 247.5 billion unit traded). Malaysia remains the global leader in the sukuk market, accounting for 70.5 per cent. of the U.S.\$75 billion of new sukuk issued globally during the first eight months of 2013.

Malaysia is also a domicile for 63.6 per cent. of the U.S.\$275.2 billion of total sukuk outstanding globally as at the end of August 2013. Meanwhile, Bursa Malaysia continued to be ranked as the top exchange for sukuk listings valued at U.S.\$32.3 billion or RM106.6 billion, with a total of 19 sukuk listed (end of August 2012: U.S.\$31.7 billion; RM99.4 billion; 19 sukuk). Similarly, Bursa Suq AI-Sila', an end-to-end Shariah compliant commodity murabahah trading platform has attracted increasing foreign interest, especially from the middle east. As at the end of August 2013, Bursa Malaysia Islamic Services registered a total of 74 participants comprising 56 commodity trading participants, 14 commodity supplying participants and four commodity executing participants. As at the end of August 2013, RM311.8 billion worth of commodities were offered with RM579.4 billion traded.

MANAGEMENT

Board of Directors

The Group's Board is guided by the Board Manual (the "Manual") in respect of the Board's role, powers, duties and functions. The Board Manual is reviewed periodically and has recently been revised to incorporate changes to the applicable legislations notably, the introduction of Financial Services Act 2013 and the latest amendments to Bursa Malaysia's Listing Requirements.

The Manual not only reflects the current best practices and the applicable rules and regulations, it also outlines processes and procedures to ensure the Group's boards and their committees' effectiveness and efficiency. It is updated from time to time to reflect changes to the Bank's policies, procedures and processes as well as amended relevant rules and regulations or reviewed at least once in two years, whichever is earlier.

The Group's subsidiaries and associates' boards, both locally and overseas, are encouraged to adopt similar manuals for their respective corporate entities.

The Board meets every month with additional meetings convened as and when urgent issues and/or important decisions are required to be addressed between the scheduled meetings. During the financial year ended 31 December 2013, the Board met 15 times to deliberate and consider a variety of significant matters that required its guidance and approval.

All Directors have complied with the requirement that Directors must attend at least 75.0 per cent. of Board meetings held in the financial year in accordance with BNM's guidelines, and attended at least 50.0 per cent. of Board meetings held in the financial year ended 31 December 2013 pursuant to the Listing Requirements of Bursa Malaysia.

The Group's current practice is to appoint Board members to sit on subsidiary boards, in particular those of the key overseas subsidiaries, to maintain oversight and ensure the operations of the respective subsidiaries are aligned with the Group's strategies and objectives. The Group intends to appoint more key members of the Group Executive Committee to its subsidiary level boards to further ensure that the Group's governance remains in line with its corporate aspirations and expanding regional presence.

The directors of the Group as at the date of the Offering Circular are as follows:

Name of Director(s)	Position
Tan Sri Dato' Megat Zaharuddin Megat Mohd Nor	Chairman / Non-Independent / Non-Executive Director
Dato' Mohd Salleh Hj Harun	Vice Chairman / Independent / Non-Executive Director
Datuk Abdul Farid Alias	Group President & Chief Executive Officer / Non-Independent Executive Director
Tan Sri Datuk Dr Hadenan A. Jalil	Member / Independent Non-Executive Director
Dato' Seri Ismail Shahudin	Member / Independent Non-Executive Director
Dato' Dr Tan Tat Wai	Member / Independent Non-Executive Director
Dato' Johan Ariffin	Member / Independent Non-Executive Director
Cheah Teik Seng	Member / Independent Non-Executive Director
Datuk Mohaiyani Shamsudin	Member / Independent Non-Executive Director

The Board has established the following four committees.

Credit Review Committee

The responsibilities of the Credit Review Committee include, amongst others, the following:

- To review/veto loans exceeding the GMCC's discretionary power;
- To review or veto, with power to object or support, all proposals recommended by the GMCC to the Board for approval or affirmation;
- To review or veto, with power to object or support, all global limits (and any increase thereto), recommended by the GMCC to the Board for approval and to affirm annually existing global limits approved by the Board and recommended by the GMCC for renewal;
- To carry out such other responsibilities as may be delegated to it by the Board from time to time; and
- To provide oversight of the entire credit management function covering but not limited to portfolio, end-to-end process, infrastructure, resources and governance.

The Credit Review Committee meets monthly since May 2013 and met 25 times during the financial year ended 31 December 2013.

Risk Management Committee

The roles and responsibilities of the Risk Management Committee for risk oversight include the following:

- To review and approve risk management strategies, risk frameworks, risk policies, risk tolerance and risk appetite limits;
- To review and assess adequacy of risk management policies and framework in identifying, measuring, monitoring and controlling risks and the extent to which they operate effectively;
- To ensure infrastructure, resources and systems are in place for risk management, i.e. ensuring that the staff responsible for implementing risk management systems perform those duties independently of the financial institution's risk-taking activities; and
- To review management's periodic reports on risk exposure, risk portfolio composition and risk management activities.

The specific duties of the Risk Management Committee in managing risks cover the following:

- To review the impact of risk on capital adequacy and profitability and asset quality under stress scenarios;
- To review and assess the ICAAP, levels of regulatory and internal capital for the Bank, vis-a-vis its risk profile;
- To review and recommend strategic actions to be taken by the Bank arising from regulatory rules impacting risk management practices for Board's approval;

- To review, recommend and approve corrective measures to address risk concerns as highlighted by various home-host regulatory authorities, where relevant;
- To review and approve new products and services and ensure compliance with the prevailing guidelines issued by BNM or other relevant regulatory body.
- To oversee the resolution of BNM Composite Risk Rating findings for the Group;
- To provide oversight of specific risk management concerns in the Business Sectors of the Group;
- To delegate appropriate operational issues to management for their further actions;
- To carry out such other responsibilities as may be delegated to it by the Board from time to time; and
- To review and approve Terms of References of the Executive Risk Committee and the Risk Management Committee at subsidiary/overseas branches.

Nomination and Remuneration Committee

The Nomination and Remuneration Committee comprises exclusively Non-Executive Directors, the majority of whom are independent and presently chaired by the Independent Vice Chairman of the Group.

The responsibilities of the Nomination and Remuneration Committee include, amongst others, the following:

- To recommend to the Board the appointment, promotion and remuneration as well as compensation policies for executives in key management positions;
- To recommend to the Board a Leadership Development framework for the Group;
- To oversee the selection of Directors and general composition of the Board in terms of size, skill and balance between Executive Directors and Non-Executive Directors;
- To recommend to the Board, a policy and framework for remuneration of Directors, covering fees, allowances and benefits-in-kind in respect of their work as Directors of all boards and committees and for the Group President and Chief Executive Officer (“**Group PCEO**”) and key senior management officers;
- To recommend to the Board a policy regarding the period of service for the Executive and Non-Executive Directors;
- To assess the performance and effectiveness of individuals and collective members of the Boards and Board Committees of the Group and its subsidiaries, as well as the procedure for the assessment;
- To recommend measures to upgrade the effectiveness of the Boards and Board Committees;
- To recommend to the Board a performance management framework/model, including the setting of the appropriate performance target parameters and benchmark for the Group PCEO’s Group Balanced Scorecard at the start of each financial year;
- To oversee the succession planning, talent management and performance evaluation of executives in key management positions;
- To consider and recommend solutions to issues of conflict of interest affecting Directors;
- To assess annually that Directors, key responsible persons and Company Secretary are not disqualified under subsection 59(1) of Financial Services Act, 2013; and

- To review the training requirements and programmes for the Directors.

Audit Committee

The primary duties and responsibilities of the Audit Committee based on the Terms of Reference in relation to the Group's Internal Audit ("IA") function, external auditors, financial reporting, related party transactions, annual reporting and investigation are as follows:

1. Internal Audit

- Review the adequacy of the IA scope and plan, functions and resources, Audit Charter and that it has the necessary authority to carry out its work.
- Review the IA reports and to ensure that appropriate and prompt remedial action is taken by management on lapses in controls or procedures that are identified by IA.
- Approve the appointment and termination of the Chief Audit Executive and Heads of Department of IA.
- Assess the performance of the IA staff, determine or approve the remuneration and annual increment of the IA staff.
- Take cognisance of resignation of IA staff and the reason for resigning.

2. External Audit

- Review the appointment and performance of external auditors, the audit fee and any question of resignation or dismissal and to make recommendations to the Board.
- Assess the qualification, expertise, resources and effectiveness of the external auditors.
- Monitor the effectiveness of the external auditors' performance, their independence and objectivity.
- Review the external auditors' audit scope and plan, including any changes to the planned scope of the audit plan.
- Review major audit findings raised by the external auditors and management's responses, including the status of previous audit recommendations.
- Review the assistance given by the Group's officers to the external auditors and any difficulties encountered in the course of the audit work, including any restrictions on the scope of activities or access to required information.
- Approve non audit services provided by the external auditors.

3. Financial Reporting

- Review the quarterly and year-end financial statements focusing on:
 - any changes in accounting policies and practices;
 - significant and unusual events; and
 - compliance with applicable Financial Reporting Standards and other legal and regulatory requirements.

4. Related Party Transactions

Review any related party transactions and conflict of interest situations that may arise within the Bank or the Group including transactions, procedures or courses of conducts that may raise questions of management's integrity.

5. Annual Report

Report the Audit Committee's activities for the financial year.

6. Investigation

Instruct the conduct of investigation into any activity or matter within its terms of reference.

7. Other Matters

Act on other matters as the Committee considers appropriate or as authorised by the Board.

PROFILE OF DIRECTORS

TAN SRI DATO' MEGAT ZAHARUDDIN MEGAT MOHD NOR

Non-Independent Non-Executive Director (Chairman)

- B.Sc (Hons) in Mining Engineering, Imperial College of Science & Technology, University of London; Associate of the Royal School of Mines, UK

He was the Deputy President and Head, Global Banking from 1 July 2010 before his appointment as Group President & Chief Executive Officer. He joined the Group in 2008. Prior to joining the Bank, he had over 20 years of experience in investment banking, corporate finance and capital markets with Aseambankers Malaysia Berhad (1992-1994), Schrodgers (1994-1995), Malaysian International Merchant Bankers Berhad (1996-1997), J.P. Morgan (1997-2005) and Khazanah Nasional Berhad (2005-2008).

His current directorships in companies within the Group include as Director of Maybank Investment Bank Berhad and Maybank Ageas Holdings Berhad. His directorships in other companies include as Chairman of Malaysia Electronic Payment System Sdn Bhd and Director of Cagamas Holdings Berhad. Datuk Abdul Farid Alias is currently the Chairman of The Association of Banks in Malaysia. He is also the Vice Chairman of Institut Bank-Bank Malaysia and a member of the ASEAN Banking Council, the Asian Banker Association, Visa Senior Client Council Program and Investment Panel of Kumpulan Wang Persaraan (Diperbadankan) (KWAP).

TAN SRI DATUK DR HADENAN A. JALIL

Independent Non-Executive Director

- PhD, Henley Management College, UK; Master of Business Management, Asian Institute Management, Philippines; Bachelor of Economics, University of Malaya

Tan Sri Datuk Dr Hadenan A. Jalil was appointed as a Director of the Group on 15 July 2009. He serves as Chairman of the Audit Committee and as a member of the Nomination and Remuneration, and Employees' Share Scheme Committees of the Board.

Tan Sri Datuk Dr Hadenan A. Jalil was the Auditor General from 2000 to 2006. He served the Government for 36 years in various capacities in the Treasury, the Ministry of International Trade and Industry and the Ministry of Works prior to his appointment as Auditor General.

His current directorship in companies within the Group includes as Director of Maybank Islamic Berhad. He is a member of the Supervisory Board of An Binh Commercial Joint Stock Bank (Vietnam), and also Chairman of ICB Islamic Bank Ltd (Bangladesh), Protasco Berhad and its subsidiary, PNB Commercial Sdn Bhd and its subsidiaries, Pelangi Management Sdn Bhd, Roadcare Sdn Bhd, Infrastructure University Kuala Lumpur, Operation Evaluation Panel Malaysia Anti Corruption Commission and THP Sinar Sdn Bhd. In addition, he sits on the boards of Unilever (Malaysia) Holdings Sdn Bhd and University Tun Abdul Razak Sdn Bhd as well as being a member of the Audit Committee, Johor Corporation.

DATO' SERI ISMAIL SHAHUDIN

Independent Non-Executive Director

- Bachelor of Economics, University of Malaya

Dato' Seri Ismail Shahudin was appointed as a Director of the Group on 15 July 2009. He serves as Chairman of the Credit Review Committee and as a member of the Risk Management Committee of the Board.

He was Chairman of Bank Muamalat Malaysia Berhad from 2004 until his retirement in July 2008. He has held senior positions in Citibank, serving both in Malaysia and New York, United Asian Bank and the Bank where he was appointed Executive Director in 1997. He left the Bank in 2002 to assume the position of Group Chief Executive Officer of MMC Corporation Berhad.

His current directorships in companies within the Group are as Chairman of Maybank Islamic Berhad and as Director of MCB Bank Limited, Pakistan. He is also a director of several public listed companies which include Nadayu Properties Berhad (formerly known as Mutiara Goodyear Development Berhad), EP Manufacturing Berhad, Opus International Consultants Ltd, a company listed on New Zealand Stock Exchange and Aseana Properties Limited, a company listed on the London Stock Exchange.

DATO' DR TAN TAT WAI

Independent Non-Executive Director

- PhD in Economics, Harvard University, USA; Master of Economics, University of Wisconsin (Madison), USA; Bachelor of Science in Electrical Engineering & Economics, Massachusetts Institute of Technology, USA

Dato' Dr Tan Tat Wai was appointed as a Director of the Group on 15 July 2009. He serves as Chairman of the Risk Management Committee and as a member of the Nomination and Remuneration, and Employees' Share Scheme Committees of the Board.

He started his career with Bank Negara Malaysia in 1978, undertaking research in economic policies. Subsequently, he assumed the role of a consultant to Bank Negara Malaysia, World Bank and the United Nations University for several years. He served as the Secretary and a member on the Council of Malaysian Invisible Trade, set up to formulate policies to reduce Malaysia's deficit in service trade.

He was a member of the Government appointed Malaysian Business Council, the Corporate Malaysia Roundtable, the Penang Industrial Council, the Industrial Coordination Council (ICC) and the National Committee on Business Competitiveness (NCBC) set up by the Ministry of International Trade and Industry. He represented Malaysia as a member of the APEC Business Advisory Council (ABAC) and sat on the Council of Wawasan Open University.

Within the Group, he is a Director of Maybank Trustees Berhad. He has been the Executive Director of Southern Steel Berhad since January 2014, prior to which he had been its Group Managing Director for about 20 years. He also sits on the Boards of Shangri-La Hotels (M) Bhd, Lotte Chemical Titan Holding Sdn Bhd (formerly known as Titan Chemicals Corp Bhd), NSL Ltd, a public-listed company in Singapore and Starglow Investments Ltd, and several other private limited companies. He is also the President of the not-for-profit Lam Wah Ee Hospital.

CHEAH TEIK SENG

Independent Non-Executive Director

- Bachelor of Science, University of Manchester, UK
- Fellow of the Institute of Chartered Accountants in England and Wales

Cheah Teik Seng was appointed as a Director of the Group on 26 August 2009. He serves as a member of the Audit and Risk Management Committees of the Board.

As a federal government Public Services Department scholarship holder, he served in the civil service in the early 1980s. After leaving government service, he took on various roles in the banking and financial services industry both locally as well as in London, Hong Kong and Singapore. He held positions in Public Bank, ChaseManhattan Bank, Merrill Lynch, Goldman Sachs, UBS, and in BNP Paribas, holding the position of Managing Director for a tenure of nine years. He was appointed as CEO-designate of ECM Libra Avenue Group in 2006. He is currently a Director and partner of Aktis Capital Singapore Pte Ltd.

His current directorships in companies within the Group include as Chairman of Maybank (Cambodia) Plc., Maybank Kim Eng Holdings Ltd and Maybank Agro Fund Sdn Bhd as well as Director of Maybank Investment Bank Berhad.

Cheah Teik Seng sits on the boards of other listed companies such as Drillsearch Energy Limited in Australia and MJIC Investments Corp. in the Philippines. He also sits as director of various private equity companies in Hong Kong and China.

DATO' JOHAN ARIFFIN

Independent Non-Executive Director

- B.A Economics, Indiana University, USA; MBA, University of Miami, USA

Dato' Johan Ariffin was appointed as a Director of the Group on 26 August 2009. He serves as a member of the Audit and Credit Review Committees of the Board.

He started his career in the real estate division of Citibank. Thereafter, he held various senior positions in several subsidiaries of public listed companies while venturing into his own successful marketing and advertising consultancy and property development business. He then headed Danaharta's Property Division as Senior General Manager before moving on to head TTDI Development Sdn Bhd up to January 2009.

His current directorships in companies within the Group are as Chairman of Maybank International (L) Limited and Maybank International Trust (L) Ltd as well as Director of Maybank Ageas Holdings Berhad, Etiqa Insurance Berhad and Etiqa Takaful Berhad. He is currently also the Chairman of Mitraland Properties Sdn Bhd and Director of Sime Darby Property Berhad, and a National Council member of the Real Estate Housing Developers' Association Malaysia (REHDA).

DATUK MOHAIYANI SHAMSUDIN

Independent Non-Executive Director

- MBA (Finance) Cornell University, Ithaca, New York, USA; BA (Economics) Knox College, Galesburg, Illinois, USA

Datuk Mohaiyani was appointed as a Director of the Group on 22 August 2011. She serves as a member of the Credit Review Committee of the Board.

She was with Amanah Chase Merchant Bank Berhad and Seagroatt & Campbell Sdn Bhd before starting her own stockbroking company, Mohaiyani Securities Sdn Bhd in 1985 and assumed the role of Managing Director. During her active involvement in the stockbroking industry, she was appointed as Deputy Chairman of Kuala Lumpur Stock Exchange (now known as Bursa Malaysia) and Chairman of Association of Stockbroking Companies Malaysia. She had also been appointed as a member of several high level national working groups such as National Economic Action Council (NEAC), National Economic Consultative Council II (MAPEN II), National Information Technology Council (NITC), Ministry of Finance High Level Finance Committee for Corporate Governance and National Advisory Council for Women, Ministry of Women, Family and Community Development.

Her current directorships in companies within the Group include as Chairman of Maybank Asset Management Group Berhad and Maybank Asset Management Sdn Bhd as well as Director of Maybank Investment Bank Berhad. At present she serves as a director of Capital Market Development Fund as well as being a member and trustee of National Heart Institute Foundation, NUR Foundation, Perdana Leadership Foundation and National Council of Women's Organisations Malaysia (NCWO).

ERRY RIYANA HARDJAPAMEKAS

Independent Non-Executive Director

- Bachelor's Degree in Economics/Accounting, Padjadjaran University, Bandung, Indonesia; Financial Management Course, Harvard Business School, USA

Erry Riyana Hardjapamekas was appointed as a Director of the Group on 25 June 2012. He also serves as a member of the Audit Committee of the Board.

He has altogether more than 30 years of working experience. His main expertise is in the field of general and financial management where he had spent a total of 12 years, including four years as the Finance Director of PT Timah Tbk before his appointment as the President Director of PT Timah Tbk in March 1994, a position he held for eight years. In the banking industry, he was the President Commissioner of PT Bank BNI Tbk from February 2008 to May 2009, and prior to that, his contribution to Indonesia's capital markets had led to his election as a member of the Board of Commissioners of the Jakarta Stock Exchange in 1996 and as President Commissioner from March 1998 to April 2001.

Erry Riyana had also been selected as a Commissioner and Vice Chairman of Corruption Eradication Commission of the Republic of Indonesia in 2003, a position he held until 2007. He was subsequently the Chairman of the National Team of Military Business Transfer from 2008 to 2009, followed by his appointment as a member of Selection Committee of Commissioners of Corruption Eradication Commission in 2010 and 2011. In addition, since 2011, he has been the Chairman of Independent Team of National Bureaucracy Reform.

Erry Riyana is currently an independent Commissioner of PT ABM Investama Tbk, PT Hero Supermarket Tbk, PT Tirta Investama/Danone Aqua, PT Weda Bay Nickel and Chief Commissioner of PT MRT Jakarta.

Senior Management

The Group Executive Committee ("Group EXCO"), which is the highest management committee within the Group, is responsible for the formulation and implementation of business, development and operating plans in accordance with the Group's strategic goals and objectives as guided and approved by the Board. The Group EXCO is chaired by the Group PCEO and consists of eleven other members of senior management comprising Heads of Business and Corporate and Support Functions.

The Group EXCO members are as follows:

Name	Position
Datuk Abdul Farid Alias	Group President & Chief Executive Officer/CEO, Malaysia/Group Head, Global Banking (Acting)
Datuk Lim Hong Tat	Group Head, Community Financial Services/CEO, Singapore Mohamed Rafique Merican Mohd
Wahiduddin Merican	Group Chief Financial Officer
Muzaffar Hisham	Group Head, Islamic Banking/CEO, Maybank Islamic Bhd
Pollie Sim Sio Hoong	CEO, International
Kamaludin Ahmad	Group Head, Insurance & Takaful/CEO, Maybank AGEAS Holdings Bhd
Taswin Zakaria	President Director, PT Bank Internasional Indonesia Tbk
Nora Abd Manaf	Group Chief Human Capital Officer
Geoff Steyck	Group Chief Technology Officer
Dr John Lee Hin Hock	Group Chief Risk Officer
Michael Foong Seong Yew	Group Chief Strategy Officer
Jerome Hon Kah Cho	Group Chief Operations Officer

The Group PCEO, with the Board's support, has established various Executive Level Management Committees ("ELCs") and delegated authority to them as appropriate to assist and support the relevant Board Committees in managing the operations of the Group. The ELCs are as follows:

- Group Management Credit Committee
- Internal Audit Committee
- Executive Risk Committee
- Asset and Liability Management Committee
- Group Staff Committee
- Group Procurement Committee
- Group IT Steering Committee

PRINCIPAL SHAREHOLDERS

The Group's substantial shareholders (with shareholding of 5.0 per cent. and above) as at 17 April 2014 are as follows:

Name of Shareholders	Number of shares held	Percentage of Shareholding (per cent.)
Amanah Raya Trustees Berhad (B/O: Skim Amanah Saham Bumiputera).....	3,429,987,458	38.68
Citigroup Nominees (Tempatan) Sdn Bhd (B/O: Employees Provident Fund Board).....	1,192,590,337	13.45
Permodalan Nasional Berhad.....	503,806,080	5.68

BANKING REGULATION AND SUPERVISION

The Bank is regulated by BNM, which was established on 26 January 1959 pursuant to the Central Bank of Malaya Ordinance, 1958 (renamed the Central Bank of Malaysia Act, 1958, which has been repealed by the Central Bank of Malaysia Act, 2009 on 25 November 2009) as the central bank of Malaysia. BNM is directly involved in the regulation and supervision of Malaysia's financial system. Its principal functions are to (i) formulate and conduct monetary policy in Malaysia; (ii) issue currency in Malaysia; (iii) regulate and supervise financial institutions which are subject to the laws enforced by BNM; (iv) provide oversight over money and foreign exchange markets; (v) exercise oversight over payment systems; (vi) promote a sound, progressive and inclusive financial system; (vii) hold and manage the foreign reserves of Malaysia; (viii) promote an exchange rate regime consistent with the fundamentals of the economy; and (ix) act as financial adviser, banker and financial agent of the government of Malaysia.

BNM and the Minister of Finance of Malaysia (the “**MOF**”) have extensive powers under the Financial Services Act, 2013 (the “**FSA**”) and the Islamic Financial Services Act, 2013 (the “**IFSA**”). The FSA is the principal statute that sets out the laws for, amongst others, the regulation and supervision of financial institutions in Malaysia and the IFSA is the principal statute that sets out the laws for, amongst others, the regulation and supervision of Islamic financial institutions in Malaysia. In addition to the FSA and the IFSA, Malaysian licensed banks and Islamic banks are subject to guidelines issued by BNM from time to time.

The following discussion sets out information with respect to some regulations of the banking industry in Malaysia:

Licensing and Limitation of Business Activities of Banks

Under the FSA, banking business, which is defined to include the business of deposit taking and provision of financing, can only be conducted by a public company which has obtained a licence from the MOF on the recommendation of BNM.

Similarly, under the IFSA, Islamic banking business, which is generally defined as banking business carried out in accordance with Shariah principles, can only be conducted by a public company which has obtained a licence from the MOF on the recommendation of BNM.

Banks are also subject to a number of other restrictions on the operation of their business. Amongst others, a bank may not: (i) pay any dividend on its shares except with the prior written approval of BNM or where BNM has specified standards on prudential matters permitting the declaration of payments of any dividend; (ii) grant any credit facilities to any of its directors or officers except as permitted by prescribed regulation; (iii) except as permitted under the FSA, the IFSA (as the case may be) or by prescribed regulation, establish or acquire a subsidiary in or outside Malaysia or acquire or hold any material interest in any other corporation without the prior written approval of BNM; and (iv) establish or relocate an office (including a branch) in or outside Malaysia except with the prior written approval of BNM.

Statutory Reserves

BNM requires Malaysian banks to maintain a sum equivalent to the Statutory Reserve Requirement ratio (“**SRR**”) in the form of non-interest bearing reserves with BNM. The SRR is currently set at 4.0 per cent. of total eligible liabilities.

Capital Adequacy Requirements

BNM has issued Capital Adequacy Framework (Capital Components) and Capital Adequacy Framework for Islamic Banks (Capital Components) (collectively, the “**Frameworks**”) which set out the capital adequacy requirements for conventional banks and Islamic banks respectively. The banks and Islamic banks are required to comply with the Frameworks from 1 January 2013.

The Frameworks specify that for the following years the ratios of the following categories of capital to the total risk weighted assets (“**RWA**”) shall be as follows:

Calendar Year	Core Equity Tier 1 Ratio (%)	Tier 1 Capital Ratio (%)	Total Capital Ratio (%)
2013.....	3.5	4.5	8.0
2014.....	4.0	5.5	8.0
2015 onwards	4.5	6.0	8.0

The total RWA shall be calculated as the sum of credit RWA, market RWA, operational RWA and large exposure risk requirements as determined in accordance with the Capital Adequacy Framework (Basel II – Risk Weighted Assets) or the Capital Adequacy Framework (Basel II – Risk Weighted Assets) for Islamic Banks, as the case may be.

Further, the Frameworks specify certain capital buffer requirements which must be complied with by 2019 with certain transitional arrangements.

Single Counterparty Exposure Limit

Pursuant to the Single Counterparty Exposure Limit guidelines and the Single Counterparty Exposure Limit for Islamic Banks guidelines issued by BNM which came into effect from 16 December 2013 and 17 December 2013, respectively, banks are prohibited from extending credit facilities to a single counterparty (including the exposure to any group of persons connected to such single counterparty but shall not include any exposure to, and any exposure explicitly guaranteed by, BNM or the Government) in excess of 25 per cent. of the total capital of the bank (total capital has the same meaning assigned to it in the relevant Framework), subject to certain exemptions.

The single counterparty exposure limit is exempted for the following:

- (a) exposures of an overseas branch or subsidiary of a banking institution or an Islamic banking institution (as the case may be) to the sovereign government or central banks in the jurisdiction where it is located, where the exposure is denominated in local currency and held to meet regulatory requirements imposed by the central bank in that jurisdiction;
- (b) exposures to a banking institution or an Islamic banking institution (as the case may be) licensed by BNM, or a development financial institution, arising from interbank money market transactions;
- (c) exposures arising from granting of intra-day facilities; and
- (d) exposures deducted in the calculation of a banking institution’s total capital or an Islamic banking institution’s total capital (as the case may be) as specified in regulatory adjustments of the relevant Frameworks e.g. investments in financial subsidiaries.

Lending to Connected Parties

Effective 1 January 2008, BNM revised the “Guidelines on Credit Transactions and Exposures with Connected Parties” and “Guidelines on Credit Transactions and Exposures with Connected Parties for Islamic Banks” (collectively the “**Connected Parties Guidelines**”) to provide greater flexibility for licensed institutions, including banks, to extend credit and make investments in the ordinary course of business to/in connected parties which are of good credit standing, while ensuring that connected parties, who by virtue of their positions which could potentially exert influence over the credit approval process, do not inappropriately derive more favourable terms and conditions than other loan customers. The Connected Parties Guidelines sets out the broad parameters and conditions relating to the conduct of such transactions with connected parties to ensure an appropriate level of prudence. It also outlines the roles and responsibilities of the management and the board of the licensed institution.

Corporate Appointments

Under the FSA and the IFSA (as the case may be), the appointment of directors, chief executive officer (CEO), and the chairman of a bank is subject to the prior written approval of BNM. A person is disqualified from being appointed or elected, or reappointed or reelected as a chairman of the Board or a director or a CEO of a bank if, for example, that person is an undischarged bankrupt, has suspended payments or has compounded with his creditors whether in or outside of Malaysia; a charge for a criminal offence relating to dishonesty or fraud under any written law or the law of any country, territory or place outside Malaysia, has been proven against that person; that person is prohibited from being a director of a company or in any way, whether directly or indirectly, be concerned or take part in the management of a company in Malaysia pursuant to a court order made under section 130A of the Malaysian Companies Act, 1965 and has not obtained any leave of the court under the same section; or under any law relating to prevention of crime, drug trafficking or immigration, an order of detention, supervision, or deportation has been made against that person or any form of restriction or supervision by bond or otherwise, has been imposed on that person. BNM may specify fit and proper requirements to be complied with by a chairman or a director or a CEO of a bank, which may include minimum criteria relating to probity, personal integrity and reputation, competency and capacity, and financial integrity.

BNM’s Guidelines on Corporate Governance for Licensed Institutions (as updated on 19 June 2013) sets out board principles and minimum standards as well as well as specific requirements for sound corporate governing which are expected of a bank and its holding companies and stipulate, inter alia, that:

- (1) The Board of a bank must have an appropriate number of directors commensurate with the complexity, size, scope and operations of the licensed institution.
- (2) The Board should comprise of directors who as a group provide a mixture of core competencies such as finance, accounting, legal, business management, information technology and investment management.
- (3) At least a third of the Board must be independent directors. However, in cases where BNM has concerns as to the effective functioning of the Board, a higher proportion of independent directors may be specified by BNM.
- (4) There should not be more than one executive director on the Board of a licensed institution. However, under exceptional circumstances, BNM may allow up to a maximum of two executive directors.
- (5) The terms of the appointment of a director should provide an avenue for the removal of a director who is ineffective, errant or negligent in discharging the director’s responsibilities.
- (6) There shall be clear separation between the roles of chairman and CEO of a licensed institution.

(7) Individuals who are active in politics cannot be appointed as a director of a licensed institution.

BNM is also empowered under the FSA and the IFSA (as the case may be) to remove any director of a bank if BNM is of the opinion that the director of the bank no longer fulfills the fit and proper requirements specified under the FSA or the IFSA (as the case may be) and fails to cease holding such office or acting in such capacity or the director has breached, contravened or failed to comply with or, by action or negligence, has contributed to the breach or contravention of, or non-compliance with any provision of the FSA or the IFSA (as the case may be), a direction issued by BNM or an enforceable undertaking accepted by BNM.

Interest Rate Regulation

On 18 October 2013, BNM announced the introduction of a new interest rate framework. The new interest rate framework represents a change in the system of implementing monetary policy and promotes more efficient pricing by banking institutions. Under the new framework, each banking institution will now announce its own base lending rate (“**BLR**”) based on its cost structure and business strategies. Banking institutions will also no longer be subject to the maximum spread of 2.5 percentage points above BLR. However, to ensure that certain sectors have access to financing at reasonable costs, the prescribed lending rates for (i) special funds for small and medium enterprises, (ii) lending to priority sector and (iii) credit cards will be maintained.

On 19 March 2014, BNM announced that effective 2 January 2015, the base rate (“**Base Rate**”) will replace the BLR as the main reference rate for new retail floating rate loans. The Base Rate will be determined by the financial institutions’ benchmark cost of funds and the SRR. Other components of loan pricing such as borrower credit risk, liquidity risk premium, operating costs and profit margin will be reflected in a spread above the Base Rate. The Base Rate will be used for new retail floating rate loans and the refinancing of existing loans extended from 2 January 2015 onwards. After the effective date, BLR based loans prior to 2015 will continue to be referenced against the BLR. However, when a financial institution makes any adjustments to the Base Rate, a corresponding adjustment to the BLR will also be made. As such, financial institutions would be required to display both their Base Rate and BLR at all branches and websites.

Exchange Control Policy

Malaysia has historically maintained a liberal system of exchange controls. Prior to September 1998, the few exchange control rules that were in place were aimed at monitoring the settlement of payments and receipts for compilation of balance of payments statistics and to ensure that funds raised abroad were channelled to finance productive investments in Malaysia which either directly or indirectly generate foreign exchange.

On 1 September 1998, the Government introduced a series of selective exchange control measures. These measures were designed to eliminate the internationalisation of the Ringgit to contain speculation and to stabilise short-term capital flows. On 2 September 1998, the exchange rate was fixed at RM3.80 to U.S.\$1.00. With effect from 22 July 2005, the exchange rate had been allowed to operate in a managed float by BNM with its value being determined by various economic factors. BNM will monitor the exchange rate against a currency basket.

With the coming into effect of the FSA and the IFSA, BNM has on 28 June 2013 revoked all previous exchange control notices and related circular letters and issued 7 Foreign Exchange Administration notices (“**FEA notices**”) in exercise of the powers conferred to BNM under the FSA and IFSA. The FEA notices set out transactions permitted by BNM which are otherwise prohibited under the FSA and the IFSA. The FEA notices, which remains liberal, are prudential measures aimed at further developing the domestic financial

market and enhancing competitiveness of the economy of Malaysia through the creation of a more supportive and facilitative environment for trade, business and investment activities.

Priority Sector Lending Guidelines

There are currently three priority sector lending guidelines issued by BNM which are applicable to commercial banks, including the Bank. These are (i) loans for houses costing up to RM100,000 (for Peninsular Malaysia) and an additional 20.0 per cent. on the value of houses for the states of Sabah and Sarawak, (ii) lending to SMEs and Bumiputera SMEs; and (iii) agriculture financing. Under the housing loan lending guideline, the maximum prescribed interest rate on housing loan lending is BLR plus 1.75 per cent. for commercial banking institutions and a maximum profit rate of 9 per cent. for Islamic banking institutions. Under the guideline on lending to SMEs, SME is defined as domestic business enterprises under different sectors, these being manufacturing (including agro-based) and manufacturing related services (where the number of full-time employees must not be more than 150 and annual sales turnover must not exceed RM25 million), and primary agriculture and the services sector, including information and communications technology (where the number of full-time employees must not be more than 50 and annual sales turnover must not exceed RM5 million). The agriculture financing guideline will ensure the sector continues to have access to financing at reasonable cost. In this guideline, the agriculture sector refers to amongst others, agriculture (i.e. growing of crops, market gardening, horticulture, livestock farming, fisheries), agriculture related services and activities.

Powers of Enforcement

BNM has broad powers to enforce the FSA and the IFSA. In particular, where BNM is of the opinion that in respect of a bank, (i) the bank has breached or contravened any provision of the FSA, IFSA, the Central Bank of Malaysia Act, 2009 or any written law, regardless that there has been no prosecution or other action in respect of the breach or contravention; (ii) the bank has failed to comply with any direction under section 156 of the FSA or section 168 of the IFSA (as the case may be); (iii) the assets of the bank are not sufficient to give adequate protection to its depositors or creditors, as the case may be; (iv) the capital of the bank has reached a level or is eroding in a manner that may detrimentally affect its depositors, creditors or the public generally; (v) the bank has become or is likely to become insolvent or is likely to become unable to meet all or any of its obligations; or (vi) any other state of affairs exists in respect of the bank that may be materially prejudicial to the interests of the depositors or creditors of the bank, including where proceedings under a law relating to bankruptcy or insolvency have been commenced in Malaysia or elsewhere in respect of the holding company of the bank, including its financial holding company, BNM may (1) with the approval of the MOF assume control of the whole or part of the business, affairs or property of the bank and manage the whole or such part of its business and affairs, or appoint any person to do so on its behalf; (2) make a court application to appoint a receiver or manager to manage the whole or part of the business, the affairs or property of the bank; (3) with the approval of the MOF vest in a bridge institution or any other person, the whole or part of the business, assets or liabilities of the bank and BNM may provide the bridge institution with such financial assistance as BNM thinks appropriate; (4) with the approval of MOF provide financial assistance to another institution or any other person to purchase any shares, or the whole or any part of the business, assets or liabilities of the bank; or (5) recommend to the MOF and on such recommendation, the MOF may authorize BNM to file an application for the winding up of the bank.

BNM also has the power to issue a direction of compliance to a bank, its director, CEO or senior officer if BNM is of the opinion that the bank, its director, CEO or senior officer is committing or pursuing an unsafe act or unsound practice in conducting the business of the bank and/or has failed to manage its business and affairs in a manner that is consistent with sound risk management and good governance. If the bank, its

director, CEO or senior officer fails to comply with any such direction of compliance, it will be an offence and upon conviction, shall be liable to imprisonment for a term not exceeding 10 years or to a fine not exceeding RM50 million or both.

Inspections by BNM

BNM is empowered to examine, without any prior notice, the business and affairs of a bank and its offices, related corporations and any agents of the bank in or outside Malaysia. For this purpose, BNM may also examine such persons' directors, officers or controllers, and shall have access to the bank's documents including documents of title to its assets, all securities held by it in respect of its customers' transactions and investments held by it, cash, premises, apparatus, equipment or machinery, and the bank shall produce to BNM all such documents or cash, as BNM may require within such time as BNM may specify.

Deposit Insurance

Deposit insurance is a system established by the Government to protect depositors against the loss of their deposits in the event a member institution is unable to meet its obligations to depositors. As an integral component of an effective financial safety net, a deposit insurance system enhances consumer protection by providing explicit protection to depositors.

In Malaysia, the deposit insurance system was brought into effect in September 2005 and is managed by Perbadanan Insurans Deposit Malaysia (“**PIDM**”) or MDIC within the international context. PIDM/ MDIC is an independent statutory body established under the Malaysia Deposit Insurance Corporation Act 2005 (“**PIDM Act**”).

Benefits to insurance depositors include:

- PIDM insures depositors holding insured deposits with member institutions;
- deposit insurance is automatic;
- there are no direct costs to depositors for deposit insurance protection; and
- should a member institution fail, PIDM will promptly reimburse depositors up to the limit of the deposit insurance coverage provided under the PIDM Act.

Benefits to the financial system include:

- PIDM promotes public confidence in Malaysia's financial system by protecting depositors against the loss of their deposits;
- PIDM reinforces and complements the existing regulatory and supervisory framework by providing incentives for sound risk management in the financial system;
- PIDM minimises costs to the financial system by finding least cost solutions to resolve failing member institutions; and
- PIDM contributes to the stability of the financial system by dealing with member institution failures expeditiously and reimbursing depositors as soon as possible.

With effect from 31 December 2010, the Malaysia Deposit Insurance Corporation Act 2011 (“**2011 Act**”) came into effect and replaced the PIDM Act.

The 2011 Act was enacted to implement an enhanced financial consumer protection package, whereby, amongst others, the deposit insurance limit was increased to RM250,000 per depositor per member bank. In addition, under the 2011 Act, foreign currency deposits will now benefit from deposit insurance protection.

The enhanced financial consumer protection package also includes the expansion of PIDM's mandate to include the administration of the Takaful and Insurance Benefits Protection System ("TIPS"). TIPS is an explicit, limited Government protection system which covers takaful and insurance benefits and will be administered broadly along the same approach as provided for in the current deposit insurance system.

Licensed insurance companies and registered takaful operators ("**insurer members**") will automatically become member institutions of PIDM. In addition, the 2011 Act includes powers for PIDM to intervene in or resolve troubled insurer members and ensure prompt payments to claimants under the policies or takaful certificates protected under TIPS.

The 2011 Act widens PIDM's mandate, roles and responsibilities, and provide it with a wider toolkit to fulfil its mandate to protect depositors in the event of a member institution failure.

Competition Act 2010

The Competition Act 2010 ("**Competition Act**") which took effect on 1 January 2012, was introduced to promote economic development by promoting and protecting the process of competition in order to maximise consumer welfare through the prohibition of anti-competitive practices. The Competition Act applies to all commercial activities undertaken within Malaysia, and those outside Malaysia which have effects on competition in the Malaysian market. The scope of the Competition Act includes prohibitions of anti-competitive agreements and the abuse of dominant position. In this regard, the Bank is the second largest commercial bank group in Malaysia in terms of total assets, based on published financial statements on Bursa Securities. On that basis and at this point in time, the Competition Act should not affect the operation of the Bank. However, there is no assurance that in the future, the Bank's business and operation will not be affected by the constraints imposed by the Competition Act and any guidelines issued by the Malaysia Competition Commission thereunder.

Guidelines on Investor Protection

The Guidelines on Investor Protection, which took effect on 17 December 2010 and was jointly issued by BNM and the SC, sets out the requirements that must be complied with by financial institutions which are specified as "registered persons" in Part 1 of Schedule 4 pursuant to Section 76(1)(a) of the CMSA and their employees when carrying on permitted capital market activities. Registered persons must ensure that their employees who carry out permitted capital market activities on their behalf are "fit and proper" as well as maintain a register containing the names of such employees. The standard on "fit and proper" is met through compliance with (i) minimum "fit and proper" criteria, (ii) examination requirements, and (iii) continuing professional education requirements. A registered person shall also maintain adequate operational resources and efficient procedures necessary for the proper conduct of the permitted capital market activities at all times. Non-compliance of the Guidelines on Investor Protection may result in an action being instituted against the registered person or its employees by BNM or the SC.

Guidelines on Responsible Finance

On 18 November 2011, BNM introduced guidelines to financial institutions aimed at promoting prudent, responsible and transparent retail financing practices. BNM subsequently issued revised guidelines to financial institutions on 5 July 2013 ("**Guidelines on Responsible Finance**"). The Guidelines on Responsible

Finance complement other measures that promote better protection for financial consumers and a sustainable credit market that contributes towards preserving financial and macro-economic stability.

The Guidelines on Responsible Finance require financial institutions to make assessments of a borrower's ability to afford financing facilities based on a prudent debt service ratio as inputs to their credit decisions. Financial service provider must make appropriate enquiries into a prospective borrower's income after statutory deductions for tax and contributions to the Employees Provident Fund and Social Organisation Security, and consider all debt obligations, in assessing affordability. While this is consistent with the current practice of most financial institutions, the Guidelines on Responsible Finance facilitates a sharper focus and more consistent approaches across the industry to assessments of individual affordability. The Guidelines on Responsible Finance aims to ensure that the increasingly competitive conditions will not lead financial institutions to compromise prudent and responsible financing practices. The Guidelines on Responsible Finance also stipulate that the maximum tenure for vehicle financing applications should not exceed nine (9) years.

Additionally, the Guidelines on Responsible Finance aims to encourage sound borrowing decisions by consumers through better engagements with financial institutions that will help consumers carefully consider their ability to service all their debt obligations without recourse to further debt or substantial hardship. Clear expectations are also placed on financial institutions to ensure that consumers are treated fairly in the sales, marketing and administration of financing facilities. Financial institutions are also required to at least provide consumers with specific information on, amongst others, the total repayment amount and total interest cost as well as the impact of an increase in the financing rate to ensure that consumers understand the full implications of a borrowing decision. BNM will continue its surveillance and supervisory activities to ensure that the requirements under the Guidelines on Responsible Finance are properly implemented.

BOOK-ENTRY CLEARANCE SYSTEMS

The information set out below is subject to any change in or reinterpretation of the rules, regulations and procedures of Euroclear, Clearstream, Luxembourg, CMU or CDP (together, the Clearing Systems) currently in effect. The information in this section concerning the Clearing Systems has been obtained from sources that the Issuer believe to be reliable, but neither the Issuer, the Arrangers nor any Dealer takes any responsibility for the accuracy thereof. Investors wishing to use the facilities of any of the Clearing Systems are advised to confirm the continued applicability of the rules, regulations and procedures of the relevant Clearing System. Neither the Issuer, the Arrangers nor any Dealer nor any other party to the Agency Agreement will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the Notes held through the facilities of any Clearing System or for maintaining, supervising or reviewing any records relating to, or payments made on account of, such beneficial ownership interests.

Book-entry Systems

Euroclear and Clearstream, Luxembourg

Euroclear and Clearstream, Luxembourg each holds securities for participating organisations and facilitates the clearance and settlement of securities transactions between their respective participants. Euroclear and Clearstream, Luxembourg provide to their respective participants, among other things, services including safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Euroclear and Clearstream, Luxembourg also deal with domestic securities markets in several countries through established depository and custodial relationships. Euroclear and Clearstream, Luxembourg have established an electronic bridge between their two systems across which their respective participants may settle trades with each other.

Euroclear and Clearstream, Luxembourg customers are world-wide financial institutions, including underwriters, securities brokers and dealers, banks, trust companies and clearing corporations. Indirect access to Euroclear and Clearstream, Luxembourg is available to other institutions that clear through or maintain a custodial relationship with an account holder of either system.

Distributions of principal with respect to book-entry interests in the Notes held through Euroclear or Clearstream, Luxembourg will be credited, to the extent received by the Paying Agent, to the cash accounts of Euroclear or Clearstream, Luxembourg participants in accordance with the relevant system's rules and procedures.

CMU

The CMU Service is a central depository service provided by the Central Moneymarkets Unit of the HKMA for the safe custody and electronic trading between the members of this service (“**CMU Members**”) of capital markets instruments (“**CMU Instruments**”) which are specified in the CMU Reference Manual as capable of being held within the CMU Service. The CMU Service is only available to CMU Instruments issued by a CMU Member or by a person for whom a CMU Member acts as agent for the purposes of lodging instruments issued by such persons. Membership of the services is open to all members of the Hong Kong Capital Markets Association, “authorised institutions” under the Banking Ordinance and other domestic and overseas financial institutions at the discretion of the HKMA.

Compared to clearing services provided by Euroclear and Clearstream, Luxembourg, the standard custody and clearing service provided by the CMU Service is limited. In particular (and unlike the European clearing systems), the HKMA does not as part of this service provide any facilities for the dissemination to the

relevant CMU Members of payments (of interest or principal) under, or notices pursuant to the notice provisions of, the CMU Instruments. Instead, the HKMA advises the lodging CMU Member (or a designated paying agent) of the identities of the CMU Members to whose accounts payments in respect of the relevant CMU Instruments are credited, whereupon the lodging CMU Member (or the designated paying agent) will make the necessary payments of interest or principal or send notices directly to the relevant CMU Members. Similarly, the HKMA will not obtain certificates of non-U.S. beneficial ownership from CMU Members or provide any such certificates on behalf of CMU Members. The CMU Lodging and Paying Agent will collect such certificates from the relevant CMU Members identified from an instrument position report obtained by request from the HKMA for this purpose.

An investor holding an interest in the Notes through an account with either Euroclear or Clearstream, Luxembourg will hold that interest through the respective accounts which Euroclear and Clearstream, Luxembourg each have with the CMU Service.

CDP

In respect of Notes which are accepted for clearance by CDP in Singapore, clearance will be effected through an electronic book-entry clearance and settlement system for the trading of debt securities (the “**Depository System**”) maintained by CDP. CDP, a wholly-owned subsidiary of the Singapore Exchange Limited, is incorporated under the laws of Singapore and acts as a depository and clearing organisation. CDP holds securities for its accountholders and facilitates the clearance and settlement of securities transactions between accountholders through electronic book-entry changes in the securities accounts maintained by such accountholders with CDP.

In respect of Notes which are accepted for clearance by CDP, the entire issue of the Notes is to be held by CDP in the form of a global note for persons holding the Notes in securities accounts with CDP (“**Depositors**”). Delivery and transfer of Notes between Depositors is by electronic book-entries in the records of CDP only, as reflected in the securities accounts of Depositors. Although CDP encourages settlement on the third business day following the trade date of debt securities, market participants may mutually agree on a different settlement period if necessary.

Settlement of over-the-counter trades in the Notes through the Depository System may only be effected through certain corporate depositories (“**Depository Agents**”) approved by CDP under the Companies Act, Chapter 50 of Singapore to maintain securities sub-accounts and to hold the Notes in such securities sub-accounts for themselves and their clients. Accordingly, Notes for which trade settlement is to be effected through the Depository System must be held in securities sub-accounts with Depository Agents. Depositors holding the Notes in direct securities accounts with CDP, and who wish to trade Notes through the Depository System, must transfer the Notes to be traded from such direct securities accounts to a securities sub-account with a Depository Agent for trade settlement.

CDP is not involved in money settlement between Depository Agents (or any other persons) as CDP is not a counterparty in the settlement of trades of debt securities. However, CDP will make payment of interest and repayment of principal on behalf of issuers of debt securities.

Although CDP has established procedures to facilitate transfer of interests in the Notes in global form among Depositors, it is under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. None of the Issuer, Arranger, any Dealer, the Paying Agent, any other agent or any other person (other than CDP) will have the responsibility for the performance by CDP of its obligations under the rules and procedures governing its operations.

Transfers of Notes Represented by Registered Global Notes

Transfers of any interests in Notes represented by a Registered Global Note within Euroclear, Clearstream, Luxembourg, CDP or the CMU Service will be effected in accordance with the customary rules and operating procedures of the relevant Clearing System. Euroclear, Clearstream, Luxembourg, CDP and the CMU Service have each published rules and operating procedures designed to facilitate transfers of beneficial interests in Registered Global Notes among accountholders of Euroclear, Clearstream, Luxembourg, CDP and the CMU Service. However, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued or changed at any time. None of the Issuer, the Paying Agents, the Registrar and the Dealers will be responsible for any performance by Euroclear, Clearstream, Luxembourg, CDP or the CMU Service or their respective accountholders of their respective obligations under the rules and procedures governing their operations and none of them will have any liability for any aspect of the records relating to or payments made on account of beneficial interests in the Notes represented by Registered Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial interests.

TAXATION

The statements herein regarding taxation are based on the laws in force as at the date of this document and are subject to any changes in law occurring after such date, which changes could be made on a retroactive basis. The following summary does not purport to be a comprehensive description of all of the tax considerations that may be relevant to a decision to purchase, own or dispose of the Notes and does not purport to deal with the tax consequences applicable to all types of Notes or to all categories of investors, some of which (such as dealers or certain professional investors) may be subject to special rules. Investors should consult their own tax advisers regarding the tax consequences of an investment in the Notes of a specific Series.

Malaysia Taxation

All payments by the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for or on account of any present or future tax, duty or charge of whatever nature imposed, levied, collected, withheld or assessed by or within Malaysia or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, the Issuer shall pay such additional amounts (the “**Additional Amounts**”) as will result in receipt by the Noteholders of such amounts as would have been received by them had no such withholding or deduction been required, except that no such Additional Amounts shall be payable in respect of any Notes:

- (a) to or on behalf of a Noteholder who is treated as a resident of Malaysia or a permanent establishment in Malaysia for tax purposes;
- (b) to or on behalf of a Noteholder who is liable to such taxes, duties, assessments or governmental charges in respect of such Notes by reason of his having some connection with Malaysia other than a mere holding of such Notes; and
- (c) presented for payment by or on behalf of a Noteholder who would not be liable or subject to such withholding or deduction by making a declaration of residence in Malaysia or other similar claim for exemption to the relevant tax authority and has failed to do so within the time prescribed by law or at all.

EU Directive on the Taxation of Savings Income

The Savings Directive requires EU Member States to provide to the tax authorities of other EU Member States details of payments of interest and other similar income paid by a person established within its jurisdiction to (or for the benefit of) an individual resident or certain other persons established in that other EU Member State, except that Austria and Luxembourg will instead impose a withholding system for a transitional period (subject to a procedure whereby, on meeting certain conditions, the beneficial owner of the interest or other income may request that no tax be withheld) unless during such period they elect otherwise. The Luxembourg government has announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect from 1 January 2015.

The Council of the European Union has adopted the Amending Directive which will, when implemented, amend and broaden the scope of the requirements described above. The Amending Directive will expand the range of payments covered by the Savings Directive, in particular to include additional types of income payable on securities, and the circumstances in which payments must be reported or paid subject to withholding. For example, payments made to (or for the benefit of) (i) an entity or legal arrangement effectively managed in an EU Member State that is not subject to effective taxation, or (ii) a person, entity or

legal arrangement established or effectively managed outside of the EU (and outside any third country or territory that has adopted similar measures to the Savings Directive) which indirectly benefit an individual resident in an EU Member State, may fall within the scope of the Savings Directive, as amended. The Amending Directive requires EU Member States to adopt national legislation necessary to comply with it by 1 January 2016, which legislation must apply from 1 January 2017.

Investors who are in any doubt as to their position should consult their professional advisers.

The proposed financial transactions tax (“FTT”)

The European Commission has published a proposal for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the “**participating Member States**”). The proposed FTT has very broad scope and could, if introduced in its current form, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under current European Commission proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, “established” in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

The FTT proposal remains subject to negotiation between the participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate. Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

Singapore Taxation

The statements below are only applicable to Notes issued by the Issuer acting through its Singapore Branch, are general in nature and are based on certain aspects of current tax laws in Singapore and administrative guidelines issued by the Monetary Authority of Singapore (the “**MAS**”) in force as at the date of this Offering Circular and are subject to any changes in such laws or administrative guidelines, or the interpretation of those laws or guidelines, occurring after such date, which changes could be made on a retroactive basis. Neither these statements nor any other statements in this Offering Circular are intended or are to be regarded as advice on the tax position of any holder of the Notes or of any person acquiring, selling or otherwise dealing with the Notes or on any tax implications arising from the acquisition, sale or other dealings in respect of the Notes. The statements made herein do not purport to be a comprehensive or exhaustive description of all the tax considerations that may be relevant to a decision to subscribe for, purchase, own or dispose of the Notes and do not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as dealers in securities or financial institutions in Singapore which have been granted the relevant Financial Sector Incentive(s)) may be subject to special rules or tax rates. Holders and prospective holders of the Notes are advised to consult their own tax advisors as to the Singapore or other tax consequences of the acquisition, ownership of or disposal of the Notes, including, in particular, the effect of any foreign, state or local tax laws to which they are subject. It is emphasised that none of the Issuer, the Arrangers, the Dealers and any other persons involved in the Programme accepts responsibility for any tax effects or liabilities resulting from the subscription for, purchase, holding or disposal of the Notes.

The disclosure below is on the assumption that the Inland Revenue Authority of Singapore regards Subordinated Notes containing non-viability loss absorption provisions as debt securities for the purposes of the Income Tax Act, Chapter 134 of Singapore (“ITA”) and eligible for the qualifying debt securities scheme. If any tranche of the Subordinated Notes is not regarded as debt securities for the purposes of the ITA and/or holders thereof are not eligible for the tax concessions under the qualifying debt securities scheme, the tax treatment to holders may differ. Investors and holders of any tranche of the Subordinated Notes should consult their own accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding and disposal of any tranche of the Subordinated Notes.

Interest and Other Payments

Subject to the following paragraphs, under Section 12(6) of the ITA, the following payments are deemed to be derived from Singapore:

- (a) any interest, commission, fee or any other payment in connection with any loan or indebtedness or with any arrangement, management, guarantee, or service relating to any loan or indebtedness which is (i) borne, directly or indirectly, by a person resident in Singapore or a permanent establishment in Singapore (except in respect of any business carried on outside Singapore through a permanent establishment outside Singapore or any immovable property situated outside Singapore) or (ii) deductible against any income accruing in or derived from Singapore; or
- (b) any income derived from loans where the funds provided by such loans are brought into or used in Singapore.

Such payments, where made to a person not known to the paying party to be a resident in Singapore for tax purposes, are generally subject to withholding tax in Singapore. The rate at which tax is to be withheld for such payments (other than those subject to the 15 per cent., final withholding tax described below) to non-resident persons (other than non-resident individuals) is 17 per cent. with effect from the year of assessment 2010. The applicable rate for non-resident individuals is 20 per cent. However, if the payment is derived by a person not resident in Singapore otherwise than from any trade, business, profession or vocation carried on or exercised by such person in Singapore and is not effectively connected with any permanent establishment in Singapore of that person, the payment is subject to a final withholding tax of 15 per cent. The rate of 15 per cent., may be reduced by applicable tax treaties.

However, certain Singapore-sourced investment income derived by individuals from financial instruments is exempt from tax, including:

- (a) interest from debt securities derived on or after 1 January 2004;
- (b) discount income (not including discount income arising from secondary trading) from debt securities derived on or after 17 February 2006; and
- (c) prepayment fee, redemption premium and break cost from debt securities derived on or after 15 February 2007,

except where such income is derived through a partnership in Singapore or is derived from the carrying on of a trade, business or profession.

Withholding Tax Exemption on Qualifying Payments by Specified Entities

Pursuant to the Income Tax (Exemption of Interest and Other Payments for Economic and Technological Development) Notification 2012, a qualifying payment which is made to a person who is neither resident in Singapore nor a permanent establishment in Singapore by a specified entity shall be exempt from tax if the qualifying payment is liable to be made by such specified entity for the purpose of its trade or business under

a debt security which is issued within the period from 1 April 2011 to 31 March 2021. A specified entity includes a bank licensed under the Banking Act, Chapter 19 of Singapore or approved under the Monetary Authority of Singapore Act, Chapter 186 of Singapore.

For the above purpose, the term “qualifying payment” means:

- (a) any interest, commission, fee or other payment; or
- (b) any income derived from loans,

which is deemed under section 12(6) of the Income Tax Act to be derived from Singapore.

Pursuant to the Singapore Budget Statement 2012 and the MAS Circular FDD Cir 01/2012 published by the MAS on 21 February 2012, it was announced that the above withholding tax exemption has been enhanced to include qualifying payments liable to be made to a permanent establishment in Singapore of a non-resident person by a specified entity for the purpose of its trade or business under a debt security which is issued within the period from 17 February 2012 to 31 March 2021. Notwithstanding the above, these permanent establishments in Singapore of non-resident persons are required to declare such payments in their annual income tax returns and will be assessed to tax on such payments (unless specifically exempt from tax).

The “specified entities” include banks licensed under the Banking Act, Chapter 19 of Singapore or a merchant bank approved under the Monetary Authority of Singapore Act, Chapter 186 of Singapore.

Qualifying Debt Securities Scheme

As the Programme as a whole is arranged by Financial Sector Incentive (Bond Market), Financial Sector Incentive (Standard Tier) or Financial Sector Incentive (Capital Market) Companies (as defined in the ITA), any tranche of the Notes (the “**Relevant Notes**”) which are debt securities issued under the Programme during the period from the date of this Offering Circular to 31 December 2018 would be, pursuant to the ITA and the MAS Circular FSD Cir 02/2013 entitled “Extension and Refinement of Tax Concessions for Promoting the Debt Market” issued by the MAS on 28 June 2013 (the “**MAS Circular**”), “qualifying debt securities” for the purposes of the ITA, to which the following treatment shall apply:

- (a) subject to certain prescribed conditions having been fulfilled (including the furnishing of a return on debt securities in respect of the Relevant Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require to the MAS and such other relevant authorities as may be prescribed, and the inclusion by the Issuer in all offering documents relating to the Relevant Notes of a statement to the effect that where interest, discount income, prepayment fee, redemption premium or break cost from the Relevant Notes is derived by a person who is not resident in Singapore and who carries on any operation in Singapore through a permanent establishment in Singapore, the tax exemption for qualifying debt securities shall not apply if the non-resident person acquires the Relevant Notes using funds from that person’s operations through the Singapore permanent establishment), interest, discount income (not including discount income arising from secondary trading), prepayment fee, redemption premium and break cost (collectively, the “**Qualifying Income**”) from the Relevant Notes, derived by a holder who is not resident in Singapore and who (aa) does not have any permanent establishment in Singapore or (bb) carries on any operation in Singapore through a permanent establishment in Singapore but the funds used by that person to acquire the Relevant Notes are not obtained from such person’s operation through a permanent establishment in Singapore, are exempt from Singapore tax;
- (b) subject to certain conditions having been fulfilled (including the furnishing of a return on debt securities in respect of the Relevant Notes in the prescribed format within such period as the relevant

authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require to the MAS and such other relevant authorities as may be prescribed), Qualifying Income from the Relevant Notes derived by any company or body of persons (as defined in the ITA) in Singapore is subject to income tax at a concessionary rate of 10 per cent., (except for holders of the relevant Financial Sector Incentive(s) who may be taxed at different rates); and

(c) subject to:

- (i) the Issuer including in all offering documents relating to the Relevant Notes a statement to the effect that any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Relevant Notes is not exempt from tax shall include such income in a return of income made under the ITA; and
- (ii) the furnishing to the MAS and such other relevant authorities as may be prescribed of a return on debt securities in respect of the Relevant Notes in the prescribed format within such period as the relevant authorities may specify and such other particulars in connection with the Relevant Notes as the relevant authorities may require,

payments of Qualifying Income derived from the Relevant Notes are not subject to withholding of tax by the Issuer.

However, notwithstanding the foregoing:

- (i) if during the primary launch of any tranche of the Relevant Notes, the Relevant Notes of such tranche are issued to less than four persons and 50 per cent., or more of the issue of such Relevant Notes is beneficially held or funded, directly or indirectly, by related parties of the Issuer, such Relevant Notes would not qualify as “qualifying debt securities”; and
- (ii) even though a particular tranche of Relevant Notes are “qualifying debt securities”, if, at any time during the tenure of such tranche of Relevant Notes, 50 per cent., or more of the issue of such Relevant Notes is held beneficially or funded, directly or indirectly, by any related party(ies) of the Issuer, Qualifying Income derived from such Relevant Notes held by:
 - (1) any related party of the Issuer; or
 - (2) any other person where the funds used by such person to acquire such Relevant Notes are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption or concessionary rate of tax as described above.

The term “related party”, in relation to a person, means any other person who, directly or indirectly, controls that person, or is controlled, directly or indirectly, by that person, or where he and that other person, directly or indirectly, are under the control of a common person.

The terms “break cost”, “prepayment fee” and “redemption premium” are defined in the ITA as follows:

“break cost”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by any loss or liability incurred by the holder of the securities in connection with such redemption;

“prepayment fee”, in relation to debt securities and qualifying debt securities, means any fee payable by the issuer of the securities on the early redemption of the securities, the amount of which is determined by the terms of the issuance of the securities; and

“redemption premium”, in relation to debt securities and qualifying debt securities, means any premium payable by the issuer of the securities on the redemption of the securities upon their maturity.

References to “break cost”, “prepayment fee” and “redemption premium” in this Singapore tax disclosure have the same meaning as defined in the ITA.

Where interest, discount income, prepayment fee, redemption premium and break cost (i.e. the Qualifying Income) is derived from any of the Relevant Notes by any person who is not resident in Singapore and who carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for qualifying debt securities under the ITA (as mentioned above) shall not apply if such person acquires such Relevant Notes using funds and profits of such person’s operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost (i.e. the Qualifying Income) derived from the Relevant Notes is not exempt from tax is required to include such income in a return of income made under the ITA.

Notwithstanding that the Issuer (acting through its Singapore branch) is permitted to make payments of Qualifying Income in respect of the Relevant Notes without deduction or withholding for tax under Section 45 or Section 45A of the ITA, any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Relevant Notes is not exempt from tax is required to include such income in a return of income made under the ITA.

The Qualifying Debt Securities Plus Scheme (the “**QDS Plus Scheme**”) has also been introduced as an enhancement of the Qualifying Debt Securities Scheme. Under the QDS Plus Scheme, subject to certain conditions having been fulfilled (including the submission of a return on debt securities in respect of the qualifying debt securities in the prescribed format within such period as relevant authorities may specify and such other particulars in connection with the qualifying debt securities as the relevant authorities may require to the MAS and such other relevant authorities as may be prescribed), income tax exemption is granted on Qualifying Income derived by any investor from qualifying debt securities (excluding Singapore Government Securities) which:

- (a) are issued during the period from 16 February 2008 to 31 December 2018;
- (b) have an original maturity of not less than 10 years;
- (c) cannot be redeemed, called, exchanged or converted within 10 years from the date of their issue; and
- (d) cannot be re-opened with a resulting tenure of less than 10 years to the original maturity date.

However, even if a particular tranche of the Relevant Notes are “qualifying debt securities” which qualify under the QDS Plus Scheme, if, at any time during the tenure of such tranche of Relevant Notes, 50 per cent., or more of the issue of such Relevant Notes is held beneficially or funded, directly or indirectly, by any related party(ies) of the Issuer, Qualifying Income from such Relevant Notes derived by:

- (i) any related party of the Issuer; or
- (ii) any other person where the funds used by such person to acquire such Relevant Notes are obtained, directly or indirectly, from any related party of the Issuer,

shall not be eligible for the tax exemption under the QDS Plus Scheme as described above.

The MAS Circular states that, with effect from 28 June 2013, the QDS Plus Scheme will be refined to allow qualifying debt securities with certain standard early termination clauses (as prescribed in the MAS Circular) to qualify for the QDS Plus Scheme at the point of issuance of such debt securities. The MAS has also clarified that if such debt securities are subsequently redeemed prematurely pursuant to such standard early

termination clauses before the 10th year from the date of issuance of such debt securities, the tax exemption granted under the QDS Plus Scheme to Qualifying Income accrued prior to such redemption will not be clawed back. Under such circumstances, the QDS Plus status of such debt securities will be revoked prospectively for such outstanding debt securities (if any), and holders thereof may still enjoy the tax benefits under the qualifying debt securities scheme if the qualifying debt securities conditions continue to be met.

The MAS has stated that, notwithstanding the above, qualifying debt securities with embedded options with economic value (such as call, put, conversion or exchange options which can be triggered at specified prices or dates and are built into the pricing of such debt securities at the onset) which can be exercised within ten years from the date of issuance of such debt securities will continue to be excluded from the QDS Plus Scheme from such date of issuance.

Capital Gains

Any gains considered to be in the nature of capital made from the sale of the Notes will not be taxable in Singapore. However, any gains derived by any person from the sale of the Notes which are gains from any trade, business, profession or vocation carried on by that person, if accruing in or derived from Singapore, may be taxable as such gains are considered revenue in nature.

Holders of the Notes who apply or are required to apply Singapore Financial Reporting Standard 39 (“**FRS 39**”) may, for Singapore income tax purposes, be required to recognise gains or losses (not being gains or losses in the nature of capital) on the Notes, irrespective of disposal, in accordance with FRS 39. Please see the section below on “Adoption of FRS 39 Treatment for Singapore Income Tax Purposes”.

Adoption of FRS 39 Treatment for Singapore Income Tax Purposes

The Inland Revenue Authority of Singapore has issued a circular entitled “Income Tax Implications Arising from the Adoption of FRS 39 – Financial Instruments: Recognition & Measurement” (the “**FRS 39 Circular**”). The ITA has since been amended to give effect to the FRS 39 Circular.

The FRS 39 Circular generally applies, subject to certain “*opt-out*” provisions, to taxpayers who are required to comply with FRS 39 for financial reporting purposes.

Holders of the Notes who may be subject to the tax treatment under the FRS 39 Circular should consult their own accounting and tax advisers regarding the Singapore income tax consequences of their acquisition, holding or disposal of the Notes.

Estate Duty

Singapore estate duty has been abolished with respect to all deaths occurring on or after 15 February 2008.

Hong Kong Taxation

Withholding Tax

No withholding tax is payable in Hong Kong in respect of payments of principal or interest on the Notes or in respect of any capital gains arising from the sale of the Notes.

Profits Tax

Hong Kong profits tax is chargeable on every person carrying on a trade, profession or business in Hong Kong in respect of profits arising in or derived from Hong Kong from such trade, profession or business (excluding profits arising from the sale of capital assets).

Under the Inland Revenue Ordinance (Cap. 112) of Hong Kong (the “**Inland Revenue Ordinance**”) as it is currently applied by the Inland Revenue Department, interest on the Notes may be deemed to be profits

arising in or derived from Hong Kong from a trade, profession or business carried on in Hong Kong in the following circumstances:

- (i) interest on the Notes is derived from Hong Kong and is received by or accrues to a company carrying on a trade, profession or business in Hong Kong;
- (ii) interest on the Notes is derived from Hong Kong and is received by or accrues to a person, other than a company, carrying on a trade, profession or business in Hong Kong and is in respect of the funds of that trade, profession or business; or
- (iii) interest on the Notes is received by or accrues to a financial institution (as defined in the Inland Revenue Ordinance) and arises through or from the carrying on by the financial institution of its business in Hong Kong.

Pursuant to the Exemption from Profits Tax (Interest Income) Order, interest income accruing to a person other than a financial institution on deposits (denominated in any currency and whether or not the deposit is evidenced by a certificate of deposit) placed with, inter alia, a financial institution in Hong Kong (within the meaning of section 2 of the Banking Ordinance (Cap. 155) of Hong Kong) are exempt from the payment of Hong Kong profits tax. Provided no prospectus with respect to the issue of the Notes is registered under the Companies Ordinance (Cap. 32) of Hong Kong, the issue of Hong Kong Notes by the Issuer is expected to constitute a deposit to which the above exemption from payment will apply.

Sums received by or accrued to a financial institution by way of gains or profits arising through or from the carrying on by the financial institution of its business in Hong Kong from the sale, disposal and redemption of Notes will be subject to profits tax.

Sums derived from the sale, disposal or redemption of Bearer Notes will be subject to Hong Kong profits tax where received by or accrued to a person, other than a financial institution, who carries on a trade, profession or business in Hong Kong and the sum has a Hong Kong source. The source of such sums will generally be determined by having regard to the manner in which the Notes are acquired and disposed.

Stamp Duty

Stamp duty will not be payable on the issue of Bearer Notes provided either:

- (i) such Notes are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (ii) such Notes constitute loan capital (as defined in the Stamp Duty Ordinance (Cap. 117) of Hong Kong).

If stamp duty is payable it is payable by the Issuer on the issue of Bearer Notes at a rate of 3 per cent., of the market value of the Notes at the time of issue.

No stamp duty will be payable on any subsequent transfer of Bearer Notes.

No stamp duty is payable on the issue of Registered Notes. Stamp duty may be payable on any transfer of Registered Notes. Stamp duty will, however, not be payable on any transfers of Registered Notes provided that either:

- (i) the Registered Notes are denominated in a currency other than the currency of Hong Kong and are not repayable in any circumstances in the currency of Hong Kong; or
- (ii) the Registered Notes constitute loan capital (as defined in the Stamp Duty Ordinance (Cap. 117) of Hong Kong).

If stamp duty is payable in respect of the transfer of Registered Notes it will be payable at the rate of 0.2 per cent., (of which 0.1 per cent., is payable by the seller and 0.1 per cent., is payable by the purchaser) normally by reference to the consideration or its value. If in the case of either the sale or purchase of such Registered Notes, stamp duty is not paid, both the seller and the purchaser may be liable jointly and severally to pay an unpaid stamp duty and also any penalties for late payment. If stamp duty is not paid on or before the due date (two days after the sale or purchase if effected in Hong Kong or 30 days if effected elsewhere) a penalty of up to 10 times the duty payable may be imposed. In addition, stamp duty is payable at the fixed rate of HK\$5 on each instrument of transfer executed in relation to any transfer of the Registered Notes if the relevant transfer is required to be registered in Hong Kong.

SUBSCRIPTION AND SALE

The Arrangers have, in an amended and restated programme agreement (such programme agreement as modified and/or supplemented and/or restated from time to time, the “**Programme Agreement**”) dated 28 May 2014, agreed with the Issuer a basis upon which they or any of them may from time to time agree to purchase Notes. Any such agreement will extend to those matters stated under “*Form of the Notes*” and “*Terms and Conditions of the Notes*”. In the Programme Agreement, the Issuer has agreed to reimburse the Dealers for certain of their expenses in connection with the establishment of the Programme and to indemnify the Dealers against certain liabilities incurred by them in connection therewith.

United States

The Notes have not been and will not be registered under the Securities Act and, subject to certain exceptions, the Notes may not be offered, sold or, in the case of Bearer Notes, delivered within the United States or, in the case of Notes that are expressed in the applicable Pricing Supplement to be subject to the D Rules, to, or for the account or benefit of, U.S. persons (as defined in the U.S. Internal Revenue Code of 1986, as amended, and regulations thereunder) except pursuant to an exemption, or a transaction not subject to, the registration requirements of the Securities Act. Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree that it will not offer or sell any Notes within the United States, except as permitted by the Programme Agreement.

Bearer Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the Code.

The Notes are being offered and sold outside the United States in reliance on Regulation S.

In addition, until 40 days after the commencement of the offering of any identifiable tranche of Notes, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering of such tranche of Notes) may violate the registration requirements of the Securities Act.

This Offering Circular has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Notes, in whole or in part, for any reason. This Offering Circular does not constitute an offer to any person in the United States or, in the case of Notes that are expressed in the applicable Pricing Supplement to be subject to the D Rules, to any U.S. person. Distribution of this Offering Circular by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States, is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States, is prohibited.

United Kingdom

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer; and

- (b) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Notes in, from or otherwise involving the United Kingdom.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a “**Relevant Member State**”), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the “**Relevant Implementation Date**”) it has not made and will not make an offer of Notes which are the subject of the offering contemplated by this Offering Circular as completed by the Pricing Supplement in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Notes to the public in that Relevant Member State:

- (a) if the Pricing Supplement in relation to the Notes specify that an offer of those Notes may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a “**Non-exempt Offer**”), following the date of publication of a prospectus in relation to such Notes which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the Pricing Supplement contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or Pricing Supplement, as applicable, and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive;
- (c) at any time to fewer than 100 or, if the Relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive), subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Notes referred to in paragraphs (b) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “**offer of Notes to the public**” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State, the expression “**Prospectus Directive**” means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in each Relevant Member State and the expression “**2010 PD Amending Directive**” means Directive 2010/73/EU.

Singapore

Each Dealer appointed under the Programme has acknowledged that this Offering Circular has not and will not be registered as a prospectus with the MAS and Notes will be issued in Singapore pursuant to an exemption invoked under Section 274 and/or Section 275 of the Securities and Futures Act, Chapter 289 of

Singapore (the “SFA”). Accordingly, each Dealer has represented, warranted and agreed, and each further Dealer appointed under the Programme will be required to represent, warrant and agree, that it has not offered or sold any Notes or caused such Notes to be made the subject of an invitation for subscription or purchase and will not offer or sell such Notes or cause such Notes to be made the subject of an invitation for subscription or purchase, and has not circulated or distributed, nor will it circulate or distribute, this Offering Circular or any other document or material in connection with the offer or sale, or invitation for subscription or purchase, of such Notes, whether directly or indirectly, to persons in Singapore other than (i) to an institutional investor under Section 274 of the SFA, (ii) to a relevant person pursuant to Section 275(1), or to any person pursuant to Section 275(1A), and in accordance with the conditions specified in Section 275, of the SFA or (iii) otherwise pursuant to, and in accordance with the conditions of, any other applicable provision of the SFA.

Where Notes are subscribed or purchased under Section 275 of the SFA by a relevant person which is:

- (a) a corporation (which is not an accredited investor (as defined in Section 4A of the SFA)) the sole business of which is to hold investments and the entire share capital of which is owned by one or more individuals, each of whom is an accredited investor; or
- (b) a trust (where the trustee is not an accredited investor) whose sole purpose is to hold investments and each beneficiary of the trust is an individual who is an accredited investor,

securities (as defined in Section 239(1) of the SFA) of that corporation or the beneficiaries’ rights and interest (howsoever described) in that trust shall not be transferred within six months after that corporation or that trust has acquired the Notes pursuant to an offer made under Section 275 of the SFA, except:

- (i) to an institutional investor or to a relevant person defined in Section 275(2) of the SFA, or (in the case of such corporation) where the transfer arises from an offer referred to in Section 276(3)(i)(B) or (in the case of such trust) where the transfer arises from an offer referred to in Section 276(4)(i)(B) of the SFA;
- (ii) where no consideration is or will be given for the transfer;
- (iii) where the transfer is by operation of law;
- [\(iv\)](#) pursuant to Section 276(7) of the SFA; or
- [\(v\)](#) as specified in Regulation 32 of the Securities and Futures (Offer of Investments) (Shares and Debentures) Regulations 2005 of Singapore.

Japan

The Notes have not been and will not be registered under the Financial Instruments and Exchange Act of Japan (Act No. 25 of 1948, as amended, the “**Financial Instruments and Exchange Act**”). Accordingly, each of the Dealers has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not, directly or indirectly, offered or sold and will not, directly or indirectly, offer or sell any Notes in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan) or to others for re-offering or re-sale, directly or indirectly, in Japan or to, or for the benefit of, any resident of Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with, the Financial Instruments and Exchange Act and any other relevant laws and regulations of Japan.

Malaysia

Each Dealer appointed under the Programme will be required to represent and agree that:

- (a) the issue of, offer for subscription or purchase of, or invitation to subscribe for or purchase the Notes may only be made directly or indirectly to persons to whom an offer or invitation to subscribe the Notes may be made and to whom the Notes are issued would fall within Schedule 6 or Section 229(1)(b) of the Capital Markets and Services Act 2007 of Malaysia (the “CMSA”) or Schedule 7 or Section 230(1)(b) of the CMSA; and
- (b) it will not offer, sell or issue an invitation to purchase or subscribe the Notes, and that it will not circulate or distribute this Offering Circular or any other offering document or material relating to the Notes, directly or indirectly, to persons in Malaysia other than those to whom an offer or invitation to subscribe the Notes may be made and to whom the Notes are issued would fall within Schedule 6 or Section 229(1)(b) of the CMSA or Schedule 7 or Section 230(1)(b) of the CMSA.

The issue of the Notes shall at all times fall within Schedule 8 of the CMSA, in absence of which the relevant issue shall be subject to the provisions of Division 4 of Part VI of the CMSA, where applicable.

Hong Kong

Each Dealer appointed under the Programme will be required to represent and agree, that:

- (a) it has not offered or sold and will not offer or sell in Hong Kong, by means of any document, any Notes, except for Notes which are a “structured product” as defined in the Securities and Futures Ordinance (Cap. 571) of Hong Kong (the “**Securities and Futures Ordinance**”), other than (i) to “professional investors” as defined in the Securities and Futures Ordinance and any rules made under that Ordinance, or (ii) in other circumstances which do not result in the document being a “prospectus” as defined in the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) or which do not constitute an offer to the public within the meaning of that Ordinance; and
- (b) it has not issued or had in its possession for the purposes of issue, and will not issue or have in its possession for the purposes of issue, whether in Hong Kong or elsewhere, any advertisement, invitation or document relating to the Notes, which is directed at, or the contents of which are likely to be accessed or read by, the public in Hong Kong (except if permitted to do so under the securities laws of Hong Kong) other than with respect to Notes which are or are intended to be disposed of only to persons outside Hong Kong or only to “professional investors” as defined in the Securities and Futures Ordinance and any rules made under that Ordinance.

General

Each Dealer appointed under the Programme will be required to represent and agree that it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in any jurisdiction in which it purchases, offers, sells or delivers Notes or possesses or distributes this Offering Circular and will obtain any consent, approval or permission required by it for the purchase, offer, sale or delivery by it of Notes under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, offers, sales or deliveries and none of the Issuer and any other Dealer shall have any responsibility therefor.

None of the Issuer, the Arrangers and any of the Dealers appointed under the programme represents that Notes may at any time lawfully be sold in compliance with any applicable registration or other requirements in any

jurisdiction that would permit a public offering of any of the Notes, or pursuant to any exemption available thereunder, or assumes any responsibility for facilitating any such sale.

With regard to each Tranche, the relevant Dealer will be required to comply with any additional restrictions agreed between the Issuer and the relevant Dealer and set out in the applicable Pricing Supplement.

GENERAL INFORMATION

Authorisation

- 1 The establishment and update of the Programme and the issue of Notes under the Programme have been duly authorised by resolutions of the Board of Directors of the Issuer dated 23 February 2012.

Listing

- 2 Application has been made to the SGX-ST for permission to deal in and for the listing and quotation of any Notes that may be issued pursuant to the Programme and which are agreed at or prior to the time of issue thereof to be so listed on the SGX-ST. Such permission will be granted when such Notes have been admitted to the Official List of the SGX-ST. For so long as any Notes are listed on the SGX-ST and the rules of the SGX-ST so require, the Issuer shall appoint and maintain a paying agent in Singapore, where such Notes may be presented or surrendered for payment or redemption, in the event that any of the Global Notes representing such Notes is exchanged for definitive Notes. In addition, in the event that any of the Global Notes is exchanged for definitive Notes, an announcement of such exchange will be made by or on behalf of the Issuer through the SGX-ST and such announcement will include all material information with respect to the delivery of the definitive Notes, including details of the paying agent in Singapore.

An application has been made to the LFX for the listing of, and permission to deal in, any Notes that may be issued pursuant to the Programme, but there can be no assurance that such listings will occur on or prior to the issue date or at all.

The Programme has been admitted for the listing of the Notes on TSE in its capacity as the market operator of the TOKYO PRO-BOND Market in accordance with the rules and regulations of TSE.

Clearing systems

- 3 The Notes to be issued under the Programme have been accepted for clearance through Euroclear and Clearstream, Luxembourg. The appropriate Common Code and ISIN for each Tranche of Notes allocated by Euroclear and Clearstream, Luxembourg will be specified in the applicable Pricing Supplement. The Issuer may also apply to have Bearer Notes accepted for clearance through the CMU Service. The relevant CMU instrument number will be specified in the applicable Pricing Supplement. The Issuer may also apply to have Notes accepted for clearance through CDP. If the Notes are to clear through an additional or alternative clearing system the appropriate information will be specified in the applicable Pricing Supplement.

No significant change

- 4 Save as disclosed in this Offering Circular, there has been no material adverse change in the financial position of the Issuer or of the Group since 31 December 2013.

Litigation

- 5 Save as disclosed in this Offering Circular, neither the Issuer nor any member of the Group is involved in any legal or arbitration proceedings (including any proceedings which are pending or threatened of which the Issuer is aware) which may have or have had in the 12 months preceding the date of this document a significant and material effect on the financial position of the Issuer or the Group.

Independent Auditors

- 6 The independent auditors of the Issuer are Ernst & Young.
- 7 The consolidated financial statements of the Issuer as at and for the year ended 31 December 2013, which are included elsewhere or incorporated by reference in this Offering Circular, have been audited by Ernst & Young, independent auditors, as stated in their reports appearing or incorporated by reference herein.

Documents

- 8 So long as Notes are capable of being issued under the Programme, copies of the following documents will, when published, be available from the registered office of the Issuer and from the specified office of the Fiscal Agent for the time being in Level 30, HSBC Main Building, 1 Queen's Road Central, Hong Kong:
 - (a) the constitutional documents of the Issuer;
 - (b) the audited consolidated annual financial statements of the Issuer for the year ended 31 December 2013 (together with the Directors' reports and the Auditors' reports prepared in connection therewith) which have been previously published;
 - (c) the most recently published audited financial statements of the Issuer since the date of this Offering Circular;
 - (d) any interim consolidated and unconsolidated financial statements of the Issuer (whether audited or unaudited) published subsequent to the most recently published consolidated and unconsolidated audited financial statements of the Issuer since the date of this Offering Circular;
 - (e) the Amended and Restated Programme Agreement, the Amended and Restated Agency Agreement, the Deed of Covenant, the CDP Deed of Covenant and the forms of the Global Notes, the Notes in definitive form, the Receipts, the Coupons and the Talons;
 - (f) a copy of this Offering Circular; and
 - (g) any future offering circulars, prospectuses, information memoranda and supplements including Pricing Supplements (save that a Pricing Supplement relating to an unlisted Note will only be available for inspection by a holder of such Note and such holder must produce evidence satisfactory to the Issuer and the Paying Agent as to its holding of Notes and identity) to this Offering Circular and any other documents incorporated herein or therein by reference.
