5. Inquiries

1. O/H/L/C Price(Carbon Credit)

- JPX Market Innovation & Research, Inc. (JPXI) launched the Carbon Credit Market Daily Report Service (hereinafter referred to as the “Service”) on October 11, 2023.
- This Service provides opening/high/low/closing prices, total trading volume, and base prices for that day and the following business day for each trading category in the Carbon Credit Market, a trading platform for emissions operated by the Tokyo Stock Exchange (TSE).
- Data from this Service will be provided via FTP and SFTP using JPXI’s information distribution system.
- Users can apply to use this service by agreeing to the “Terms and Conditions for JPX Market Innovation & Research, Inc. Information Service” and entering into a contract with JPXI.

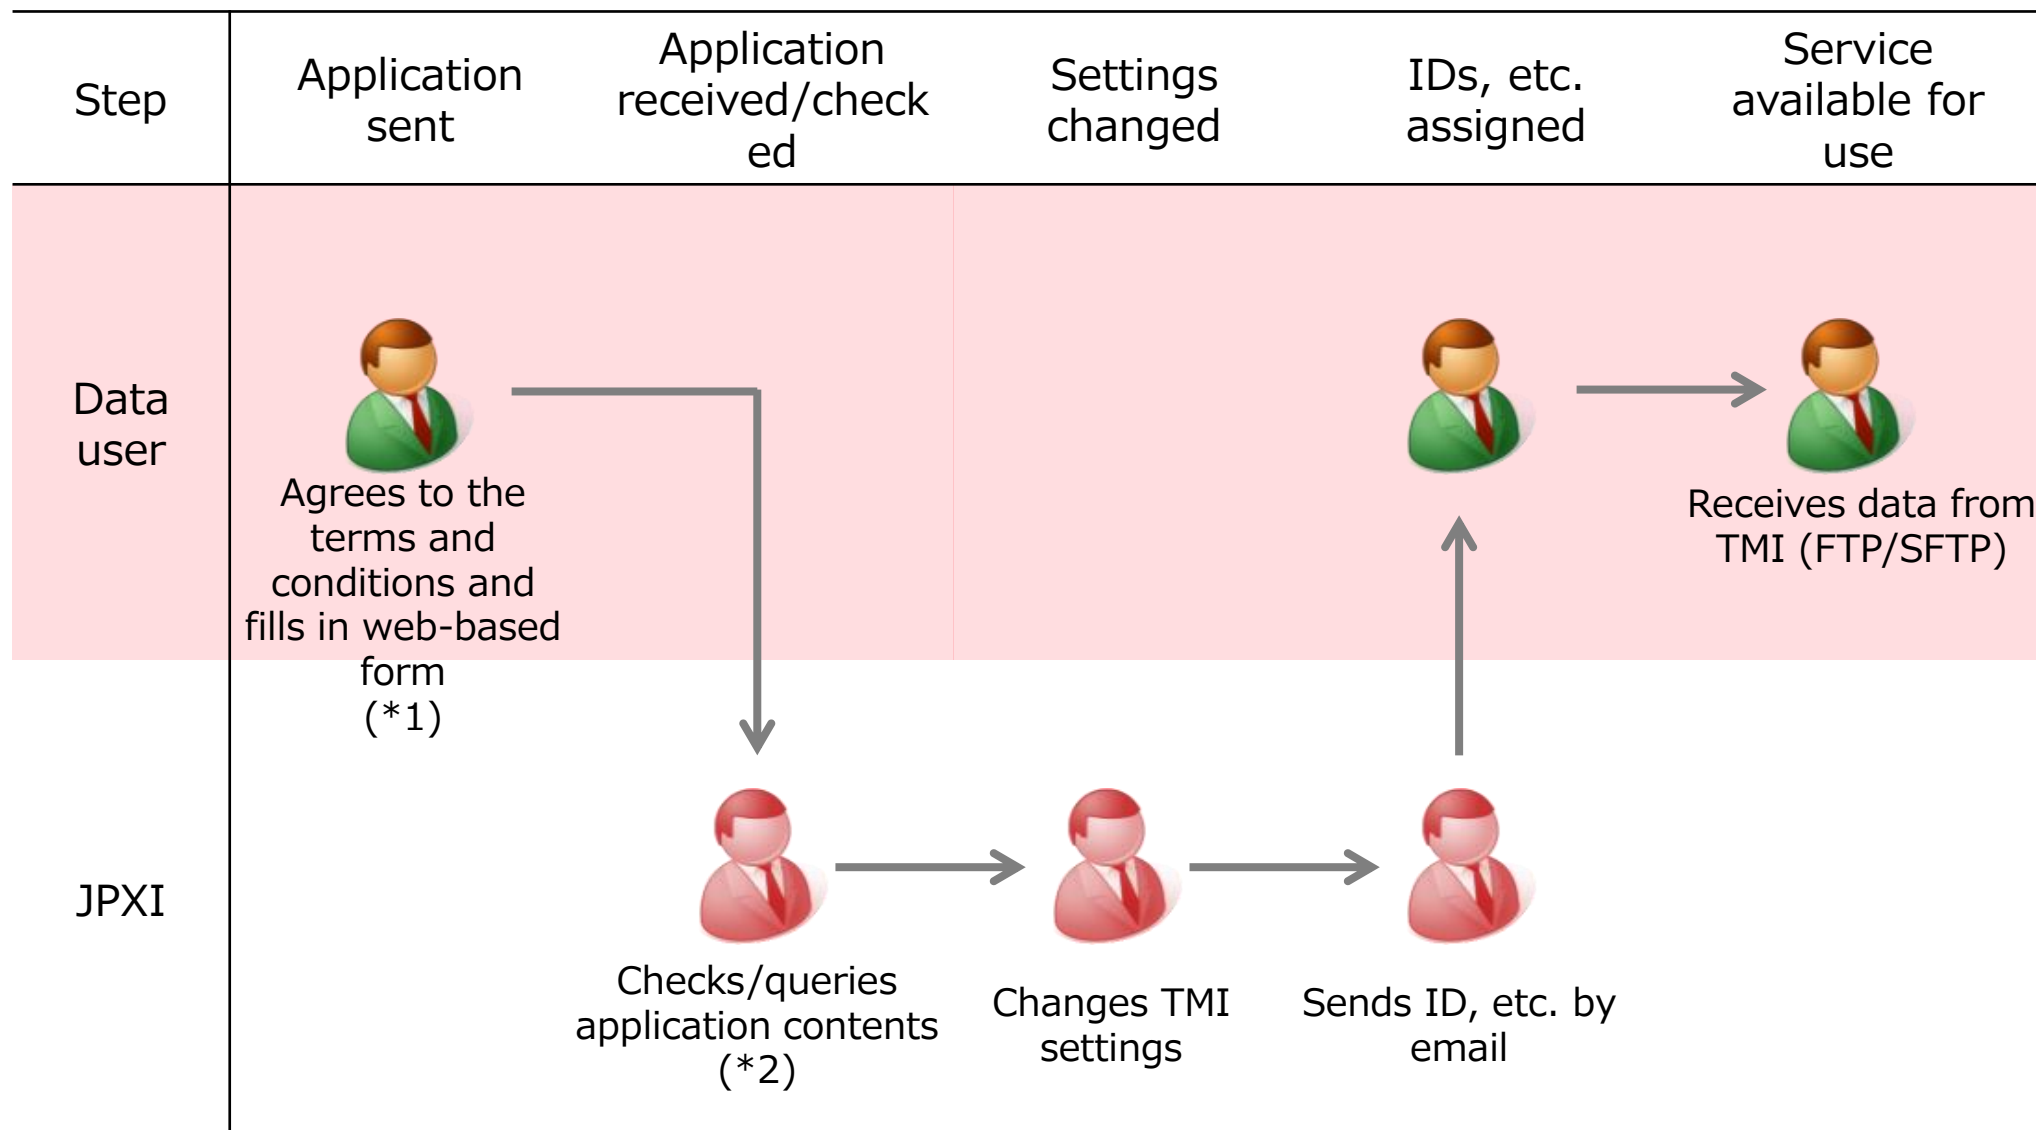

2. Service specifications

- O/H/L/C Price(Carbon Credit) consists of a service for internal use and a service for external distribution.
