- To provide you with notices about your subscription, including expiration and renewal notices
- To notify you about changes to our website or any products or services we provide though it
- To carry out our obligations and enforce our rights as per any contracts between you and us, including for billing and collection of fees

For cases in which personal information is used for a purpose for which the above does not apply, the purpose will be specified and published, and the user will be notified. In addition to specifying the purpose of use, to make the purpose of use clear to the user, the use of information will be limited to the situation in which it is collected.

3. Use of Personal Information

SCRIPTS Asia will use personal information only to the extent necessary for the purposes of use. If the original purposes are changed due to unavoidable circumstances, SCRIPTS Asia will complete the necessary procedures in accordance with laws and regulations such as the Act on the Protection of Personal Information. However, sensitive information that is collected over the course of business will not be used for any purpose other than those originally specified. Furthermore, personal information that contains identification numbers (hereinafter referred to as "Specific Personal Information") will not be used for

any purpose other than those specified by law.

4. Provision of Personal Information to a Third Party

SCRIPTS Asia will not provide personal information to a third party without prior consent of the relevant individual. When providing such information to a third party, SCRIPTS Asia will complete the necessary procedures in accordance with regulations and laws such as the Act on the Protection of Personal Information. Specific Personal Information will not be provided to a third party, with or without consent of the relevant individual, except if specified by law.

5. Joint Use of Personal Information
