Notes: (1)The base date is the payment date for share allocations, public offerings, and allocations to a third party, the conversion date for preferred stock, and the exercise date for convertible bonds and warrants. The aggregate number of shares issued by all companies on the TSE as of the date is calculated.  
(2)Public offerings made when companies list directly on the TSE are included in calculation.  
(3)Number of cases for (d) and (e) are monthly aggregates. Annual figures are number of companies. Figures include those for deferred stocks. Figures in "Subscription warrants and Stock Options Exercised" exclude cases where treasury stocks are allotted in accordance with the exercise without issuing new shares.  
(4)"Third Party Allotment" includes private placement to specified investors and new share issuance by stock-based compensation. For the issuance by stock-based compensation with the free issue method, the number of cases and shares are also reflected.  
(5)"Mergers" includes merger by acquisition and the change in the corporate structures, which entail change of outstanding shares.
