*6 new contract months of Nikkei 225 Futures whose time to maturity are 5 years to 8 years will start from July 17, 2018.

* On the last trading day of the above contract month, trading will end with the close of the Day Session (4:00 p.m. for J-NET Trading).

* The "code" is a 9 digit code determined in accordance with the rules prescribed by the Securities Identification Code Committee and described above for reference purpose. Please note that the codes used in J-GATE are not the "9 digit codes" but the codes prescribed by OSE. In addition, please note that there is no 9 digit code in accordance with the rules prescribed by the Securities Identification Code Committee in strategy trades (there is only the code prescribed by OSE).

This English translation is solely for reference purpose only and not a legally definitive translation of the original Japanese text. In the event a difference arises regarding the meaning herein, the original Japanese version will prevail as the official authoritative version.
