*1 Trading also starts for each strategy instrument in relation with these contracts.

*2 Delivery (including completion of delivery and acceptance of documents) needs to be completed by nine business days counting from the Ship Loading Date(between the 10th business day of the current contract month until the 15th of the following month)

* On the last trading day of the above contract month, trading will end with the close of the Day Session (4:00 p.m. for J-NET Trading).

* The "code" is a 9 digit code determined in accordance with the rules prescribed by the Securities Identification Code Committee and described above for reference purpose. Please note that the codes used in J-GATE are not the "9 digit codes" but the codes prescribed by OSE. In addition, please note that there is no 9 digit code in accordance with the rules prescribed by the Securities Identification Code Committee in strategy trades (there is only the code prescribed
