

## Revision of Member Registration Fees, etc.

October 27, 2020

Tokyo Commodity Exchange, Inc.

### I. Purpose

Tokyo Commodity Exchange (TOCOM) recognizes the importance of developing the environment to facilitate the acquisition of TOCOM membership and diversification of its membership as we strive toward fulfilling our mission as a comprehensive energy market that satisfies the needs of a broad range of market participants.

Currently, members are required to pay JPY 10 million as registration fee per commodity market and are also charged fee for registered name amendment . In light of the admission fees schedule, etc. of Osaka Exchange, TOCOM will revise its fees as follows.
