

Revisions to Market Rules in Connection with the Extension of the Trial Listing Period of LNG Futures

April 2, 2025

Tokyo Commodity Exchange, Inc.

I. Purpose

Tokyo Commodity Exchange Inc. (TOCOM) has decided to extend the trial listing period of LNG futures in the TOCOM energy market. In connection with this, it will revise the Market Rules with effect from April 3, 2025 (for more details, please refer to “Revisions to Rules and Regulations: Tracked Changes”).

II. Outline

The listing period for LNG in the Energy Market shall be changed from 3 years to 6 years from the date of listing.	-	(Notes) Article 11 of the Market Rules
--	---	--

III. Effective Date

- These revisions will take effect on April 3, 2025.
