(Notes)

- (1) In cases where securities are listed on two or more financial instruments exchanges, the financial instruments exchange means the exchange which is selected in accordance with the order specified by OSE.
  - (2) In cases where a quote is displayed at said financial instruments exchange, the final price shall be said final quote price.
  - (3) Limited to securities for which a principal underwriting agreement has been entered into by a financial instruments business operator (limited to those which are registered for business pertaining to acts referred to in Article 28, Paragraph 1, Item (1) of the Act) at the time of issuance.
  - (4) Corporate bonds (excluding corporate bonds with subscription warrants and exchangeable corporate bonds) and convertible bonds shall be limited to those issued by a company whose stocks are listed on a financial instruments exchange in Japan.
  - (5) Convertible bonds mean corporate bonds with subscription warrants where the contribution to be made on exercising the subscription warrant is a corporate bond pertaining to said corporate bond with subscription warrants.
  - (6) Exchangeable corporate bonds mean corporate bonds (including corporate bonds issued by foreign corporations) that are redeemed with stocks issued by a specified company other than the issuer of said bond at the request of the bond holder.
  - (7) Preferred equity investment securities mean those issued by cooperative structured financial institutions.
  - (8) Foreign stock depositary receipts mean depositary receipts representing rights pertaining to stocks issued by foreign corporations.
  - (9) Beneficiary certificates of foreign beneficiary certificate-issuing trusts mean securities or certificates issued by foreign corporations that have the characteristics of beneficiary certificates of beneficiary certificate-issuing trusts.
3. The order specified by OSE as prescribed in the provisions of the preceding paragraph shall be as follows:  
The first is the financial instruments exchange which has the largest trading volume (limited to the volume pertaining to regular transactions (meaning those set forth by each financial instruments exchange) carried out during trading sessions) of

said issue among financial instruments exchanges from July to December of the previous year if the day two days before the deposit date belongs to a period between February and July, or from January to June if said date belongs to a period between August and January of the following year. The order after the first shall be decided according to the order of the codes of exchanges/industry groups, etc. (meaning those specified by the Securities Identification Code Committee).

4. Fractions in substitute prices shall be adjusted as follows:

(1) For stocks, preferred equity investment securities, foreign stock depositary receipts, beneficiary certificates of investment trusts, beneficiary certificates of foreign investment trusts, foreign investment securities, beneficiary certificates of beneficiary certificate issuing trusts, and beneficiary certificates of foreign beneficiary certificate issuing trusts, fractions less than JPY 1 (one) shall be rounded down; and

(2) For securities other than those prescribed in the preceding item, fractions less than JPY 1/100 (one hundredth) shall be rounded down.

5. Where Trading Participants deposit government bonds as prescribed in Paragraph 2 with OSE, Japan Securities Clearing Corporation (hereinafter referred to as "JSCC") shall receive said government bonds on behalf of OSE. The Trading Participants shall make said deposits by transferring them to the account opened in the name of JSCC with the Bank of Japan.

6. Where Trading Participants deposit securities enumerated in each of the following items with OSE, JSCC shall receive said securities on behalf of OSE. The Trading Participants shall make said deposits by transferring them to the account opened in the name of JSCC with Japan Securities Depository Center, Inc. (hereinafter referred to as "JASDEC").
