**Supplementary Provisions**

**<Appendix> Table Concerning Calculation of Required Amount of Clearing Fund**

(Article 1 Purpose)

These Rules set forth the required amount of clearing fund in accordance with the provisions of Article 16 of the Business Rules.

(Article 2 Required Amount of Clearing Fund)

- 1 The required amount of clearing fund in respect of each category of Clearing Qualification, in accordance with the provisions of Article 16 of the Business Rules, shall be determined in accordance with *Appendix "Table Concerning Calculation of Required Amount of Clearing Fund."*
- 2 Notwithstanding the provisions of the preceding Paragraph, the required amount of clearing fund that is to be deposited in respect of each category of Clearing Qualification by an entity that has newly obtained Clearing Qualification shall be the amount determined by JSCC, on a case-by-case basis taking into account such information as (i) the scale of the business of the relevant applicant for Clearing Qualification, (ii) its trading record and trading prospects, and (iii) the amount of money obtained by dividing the sum total of the required amount of clearing fund in respect of Clearing Qualification for each Clearing Participant with the same Clearing Qualification as that of the date on which applications for Clearing Qualification were submitted by the number of such Clearing Participants, and such required amount of clearing fund shall be applied for the period JSCC deems necessary.
- 3 JSCC shall calculate the required amount of clearing fund of each Clearing Participant in respect of Securities Clearing Qualification monthly as of the end of the previous month as a base date for calculation of the required amount of clearing fund for securities and FX and notify each Clearing Participant thereof on the fourth day<sup>\*1</sup> of the month.  
(\*1 excluding Non-business Days; the same applies hereinafter when counting the number of days)
- 4 The required amount of clearing fund of each Clearing Participant related to Securities Clearing Qualification calculated in accordance with the preceding paragraph shall be applied as from the fifth day of the month.
- 5 JSCC shall calculate the required amount of clearing fund of each Clearing Participant in respect of JGB Futures Clearing Qualification, Index Futures Clearing Qualification, Precious Metal Futures Clearing Qualification, Rubber Futures Clearing Qualification, Agricultural Futures Clearing Qualification and Petroleum Futures Clearing Qualification every Business Day as a base date for calculation of required amount of clearing fund for futures and option and notify each Clearing Participant thereof on the next day following the relevant base date for calculation of the required amount of clearing fund for futures and option.
- 6 The required amount of clearing fund for each Clearing Participant related to JGB Futures

Rules on Required Amount of Clearing Fund  
Clearing Qualification, Index Futures Clearing Qualification, Precious Metal Futures Clearing Qualification, Rubber Futures Clearing Qualification, Agricultural Futures Clearing Qualification and Petroleum Futures Clearing Qualification obtained as per the provisions of the preceding Paragraph shall start to apply from the next day following the base date for calculation of the required amount of clearing fund for futures and option (inclusive).

7 The amount determined by JSCC as set forth in Paragraph 3 of Article 16 of the Business Rules shall be the sum total of the amount<sup>\*1</sup> obtained by respectively deducting 1 billion yen from the amount required for clearing fund for each category of the Clearing Qualification and dividing such value by 2; provided that if the resultant value is negative, then such amount shall be deemed to be zero.

(\*1 if there is any fraction less than whole yen amount, it shall be rounded upwards)

(Article 3 Ad Hoc Change of Required Amount of Clearing Fund)

Notwithstanding the provisions of the preceding Article, in the case where a Clearing Participant merges, a Clearing Participant newly becomes a Designated Clearing Participant of a Non-Clearing Participant or JSCC otherwise determines it necessary to do so, the required amount of clearing fund by each category of the Clearing Qualification for the relevant Clearing Participant may be changed on an ad hoc basis.

<Appendix> Table Concerning Calculation of Required Amount of Clearing Fund

1 Required Amount of Clearing Fund for Securities Clearing Qualification\*<sup>1</sup>

(\*<sup>1</sup> hereinafter referred to as "Required Amount of Clearing Fund for Securities Clearing")

The Required Amount of Clearing Fund for Securities Clearing shall be the amount calculated in accordance with the formula set forth below; provided, however, that if such amount is less than 10 million yen, the Required Amount of Clearing Fund for Securities Clearing shall be 10 million yen — the terms used in the formula shall have the meanings set forth in A) through C) below:

Required Amount of Clearing Fund for Securities Clearing

$$= \frac{\text{Aggregate Securities Clearing Fund} \times \text{Individual Company Prorated Base Initial Margin Requirement}}{\text{Total Prorated Base Initial Margin Requirement}}$$

A) Aggregate Securities Clearing Fund means the average of daily largest risk amount exceeding collateral during the calculation period\*<sup>1</sup>

(\*<sup>1</sup> referring to a period of 6 months preceding the base date for calculation of required amount of clearing fund for securities; the same applies in Paragraph 8)

(Note 1) Daily largest risk amount exceeding collateral means the total of the Risk Amounts Exceeding Collateral of the top 2 Clearing Participants in terms of the Clearing Participant's Risk Amount Exceeding Collateral\*<sup>1</sup>

(\*<sup>1</sup> or, if any Affiliated Company\*<sup>1-1</sup> also is a Clearing Participant, the sum of Risk Amount Exceeding Collateral of the Clearing Participant and such Affiliated Company)

(\*<sup>1-1</sup> referring to the Affiliated Company defined in Paragraph 5 of Article 8 of the Ordinance on Terminology, Forms and Preparation Methods of Financial Statements, etc. (Ministry of Finance Order No. 59 of 1963) and the Associated Company defined in Paragraph 8 of Article 8 of the said Ordinance)

(Note 1-1) Risk Amount Exceeding Collateral means the amount obtained by subtracting the required amount of initial margin\*<sup>1</sup> of the relevant Clearing Participant calculated in accordance with the provisions of Article 15-2 of the Business Rules on the day preceding the date on which the Risk Amount Exceeding Collateral is calculated from the loss\*<sup>2</sup> expected to arise from the Unsettled Contracts of the Clearing Participant under the stress scenario\*<sup>3</sup>.

(\*<sup>1</sup> or, if the required amount of initial margin (the intraday amount) is calculated pursuant to the provisions of Article 15-3 of the Business Rules on the day on which the Risk

Rules on Required Amount of Clearing Fund

Amount Exceeding Collateral is calculated and the amount obtained by subtracting the required amount of initial margin on the day preceding the date on which the Risk Amount Exceeding Collateral is calculated from the required amount of initial margin (the intraday amount) so calculated exceeds 30 million yen, then the required amount of initial margin (the intraday amount))

(\*<sup>2</sup> when an ETF Special Clearing Participant who belongs the same corporate group\*<sup>21</sup> as the relevant Clearing Participant exists, the larger of the loss amount arising from Unsettled Contracts of the relevant Clearing Participant or the loss arising from the relevant Unsettled Contracts excluding the Unsettled Contracts related to Contracts Subject to Clearing between the relevant Clearing Participant and the relevant ETF Special Clearing Participant set forth in Item (12) or (13) of Paragraph 2 of Article 3 of the Business Rules.)

(\*<sup>2-1</sup> referring to a corporate group set forth in Item (2) of Paragraph 1 of Article 5 of the Financial Instruments and Exchange Act)

(\*<sup>3</sup>referring to a combination of price fluctuations prescribed by JSCC as an extreme but plausible market condition)

B) Individual Company Prorated Base Initial Margin Requirement means the daily average of the required amount of initial margin for Securities Clearing Qualification of the relevant Clearing Participant\*<sup>1</sup> during the month in which the base date for calculation of required amount of clearing fund for securities and FX belongs.

(\*<sup>1</sup> limited to the required amount calculated in accordance with the provisions of Article 15-2 of the Business Rules)

C) Total Prorated Base Initial Margin Requirement means the daily average of the aggregated required amount of initial margin for Securities Clearing Qualification\*<sup>1</sup> of all Clearing Participants during the month in which the base date for calculation of required amount of clearing fund for securities and FX belongs.

(\*<sup>1</sup> limited to the required amount calculated in accordance with the provisions of Article 15-2)

2 Required Amount of Clearing Fund for JGB Futures Clearing Qualification\*<sup>1</sup>

(\*<sup>1</sup> hereinafter referred to as “Required Amount of Clearing Fund for JGB Futures”) Required Amount of Clearing Fund for JGB Futures shall be the amount calculated in accordance with the formula set forth below; provided, however, that if such amount is less than 10 million yen, Required Amount of Clearing Fund for JGB Futures shall be 10 million yen — the terms used in the formula shall have the meanings set forth in A) through F) below.

## Required Amount of Clearing Fund for JGB Futures

= (Greater of Period Average Base PML Amount<sub>JGB</sub> and Daily Largest Base PML<sub>JGB</sub>)  
 x (Individual Company Prorated Base IM Amount<sub>JGB</sub> / Total Prorated Base IM Amounts<sub>JGB</sub>  
 x  $W_{JGB}$  + Each Participant Prorated Base PML Amount<sub>JGB</sub> / Total Prorated Base PML  
 Amounts<sub>JGB</sub> x (1 -  $W_{JGB}$ ))

A) Period Average Base PML Amount<sub>JGB</sub> means the average amount during the Calculation Period<sup>\*1</sup> of Daily Largest Base PML Amount<sub>JGB</sub>.

(\*1 meaning six (6) months period preceding the base date for calculation of required amount of clearing fund for futures and option; the same applies in Paragraphs 3 to 7)

(Note 1) Daily Largest Base PML Amount<sub>JGB</sub> refers to the largest of the Largest Base PML Amounts<sub>JGB</sub> per Stress Scenario on each day.

(Note 1-1) Largest Base PML Amount<sub>JGB</sub> per Stress Scenario refers to the total sum of Base PML Amounts<sub>JGB</sub> of the Clearing Participants<sup>\*1</sup> whose Base PML Amount<sub>JGB</sub> becomes the largest and the second largest in each stress scenario.

(\*1 if any subsidiary or affiliate, or the parent company of such Clearing Participant, or any subsidiary or affiliate of the parent company ("Affiliated Company") also is a Clearing Participant, the sum of Base PML Amounts<sub>JGB</sub> of the Clearing Participant and such Affiliated Company)

(Note 1-1-1) The stress scenario refers to a combination of price fluctuation and volatility variation prescribed by JSCC as extreme but plausible market condition; the same applies hereinafter in this Appendix.

(Note 1-1-2) Base PML Amount<sub>JGB</sub> shall be sum total of the amount<sup>\*1</sup> obtained, in respect of each account<sup>\*2</sup> related to JGB Futures Clearing Qualification, by subtracting the amount equivalent to the amount required for Margin related to the JGB Futures Clearing Qualification<sup>\*3</sup> from the loss amount arising from the Unsettled Contracts<sup>\*4</sup> under the stress scenarios. The same applies in D) below.

(\*1 positive value only, for accounts other than the account set forth in Item (1) of Article 46-3 of the Business Rules)

(\*2 referring to each account set forth in Article 46-3 and Article 46-4 of the Business Rules)

(\*3 referring to the amount equivalent to the amount required for Margin calculated for Position by each category of the Clearing Qualification<sup>\*3-1</sup>; the same applies hereinafter)

(\*3-1 excluding the amount of the preliminary Margin add-on set forth in Paragraph 1 of Article 9-2 of the Rules on Margins, etc. for Futures and Option Contracts)

(\*<sup>4</sup> excluding those subject to Cross Margined JGB Futures Cleared Contract or Cross Margined Interest Rate Futures Cleared Contract at the time of calculation)

B) Individual Company Prorated Base IM Amount<sub>JGB</sub> means the average of the aggregate of the amount equivalent to the amount required for the Margin<sup>\*1</sup> of each Clearing Participant in relation to JGB Futures Clearing Qualification on each Trading Day during the one month period preceding the base date for calculation of required amount of clearing fund for futures and option.

(\*<sup>1</sup> referring to the total sum of the amount equivalent to the amount required for the Margin related to JGB Futures Clearing Qualification for accounts set forth in Article 46-3 and Article 46-4 of the Business Rules that are managed by each Clearing Participant<sup>\*1-1</sup>)

(\*<sup>1-1</sup> excluding the amount of the preliminary Margin add-on set forth in Paragraph 1 of Article 9-2 of the Rules on Margins, etc. for Futures and Option Contracts)

C) Total Prorated Base IM Amounts<sub>JGB</sub> means the sum total of the Individual Company Prorated Base IM Amounts<sub>JGB</sub> set forth in B) above of all the JGB Futures Clearing Participants.

D) “Each Participant Prorated Base PML Amount<sub>JGB</sub>” means the average of the largest value of the Base PML Amount<sub>JGB</sub> under the stress scenarios on each Trading Day during the one month period preceding the base date for calculation of required amount of Futures/Option clearing fund for each Clearing Participant.

E) “Total Prorated Base PML Amounts<sub>JGB</sub>” means the sum total of the Each Participant Prorated Base PML Amounts<sub>JGB</sub> set forth in D) above of all JGB Futures Clearing Participants.

F) “W<sub>JGB</sub>” means the value designated by JSCC within the range of zero to 1.

**3 Required Amount of Clearing Fund for Index Futures Clearing Qualification<sup>\*1</sup>**

(\*<sup>1</sup> hereinafter referred to as the “Required Amount of Clearing Fund for Index Futures”) Required Amount of Clearing Fund for Index Futures shall be the amount calculated in accordance with the formula set forth below; provided, however, that if such amount is less than 10 million yen, Required Amount of Clearing Fund for Index Futures shall be 10 million yen — the terms used in the formula shall have the meanings set forth in A) through F) below.

Required Amount of Clearing Fund for Index Futures

= (Greater of Period Average Base PML Amount<sub>IDX</sub> and Daily Largest Base PML<sub>IDX</sub>) x (Individual Company Prorated Base IM Amount<sub>IDX</sub> / Total Prorated Base IM Amounts<sub>IDX</sub> x W<sub>IDX</sub> + Each Participant Prorated Base PML Amount<sub>IDX</sub>/ Total Prorated Base PML Amounts<sub>IDX</sub> x (1- W<sub>IDX</sub>))

A) Period Average Base PML Amount<sub>IDX</sub> means the average amount during the Calculation Period of Daily Largest Base PML Amount<sub>IDX</sub>.

(Note 1) Daily Largest Base PML Amount<sub>IDX</sub> refers to the largest of the Largest Base PML Amounts<sub>IDX</sub> per Stress Scenario on each day.

(Note 1-1) Largest Base PML Amount<sub>IDX</sub> per Stress Scenario refers to the total sum of Base PML Amounts<sub>IDX</sub> of the Clearing Participants<sup>\*1</sup> whose Base PML Amount<sub>IDX</sub> becomes the largest and the second largest in each stress scenario.

(\*1 if any subsidiary or affiliate, or the parent company of such Clearing Participant, or any subsidiary or affiliate of the parent company ("Affiliated Company") also is a Clearing Participant, the sum of Base PML Amounts<sub>IDX</sub> of the Clearing Participant and such Affiliated Company)

(Note 1-1-1) Base PML Amount<sub>IDX</sub> shall be sum total of the amount<sup>\*1</sup> obtained, in respect of each account<sup>\*2</sup> related to Index Futures Clearing Qualification, by subtracting the amount equivalent to the amount required for Margin related to the Index Futures Clearing Qualification<sup>\*3</sup> from the loss amount arising from the Unsettled Contracts under the stress scenarios. The same applies in D) below.

(\*1 positive value only, for accounts other than the account set forth in Item (1) of Article 46-3 of the Business Rules)

(\*2 referring to each account set forth in Article 46-3 and Article 46-4 of the Business Rules)

(\*3 excluding the amount of the preliminary Margin add-on set forth in Paragraph 1 of Article 9-2 of the Rules on Margins, etc. for Futures and Option Contracts)

B) Individual Company Prorated Base IM Amount<sub>IDX</sub> means the average of the aggregate of the amount equivalent to the amount required for the Margin<sup>\*1</sup> of each Clearing Participant in relation to Index Futures Clearing Qualification on each Trading Day during the one month period preceding the base date for calculation of required amount of clearing fund for futures and option.

(\*1 referring to the total sum of the amount equivalent to the amount required for the Margin related to Index Futures Clearing Qualification for accounts set forth in Article 46-3 and Article 46-4 of the Business Rules that are managed by each Clearing Participant<sup>\*1-1</sup>)

(\*1-1 excluding the amount of the preliminary Margin add-on set forth in Paragraph 1 of Article 9-2 of the Rules on Margins, etc. for Futures and Option Contracts)

C) Total Prorated Base IM Amounts<sub>IDX</sub> means the sum total of the Individual Company Prorated Base IM Amounts<sub>IDX</sub> set forth in B) above of all Index Futures Clearing Participants.

- D) "Each Participant Prorated Base PML Amount<sub>t<sub>IDX</sub></sub>" means the average of the largest value of the Base PML Amount<sub>t<sub>IDX</sub></sub> under the stress scenarios on each Trading Day during the one month period preceding the base date for calculation of required amount of clearing fund for each Clearing Participant.
- E) "Total Prorated Base PML Amounts<sub>t<sub>IDX</sub></sub>" means the sum total of the Each Participant Prorated Base PML Amounts<sub>t<sub>IDX</sub></sub> set forth in D) above of all Clearing Participants.
- F) "W<sub>t<sub>IDX</sub></sub>" means the value designated by JSCC within the range of zero to 1.

4 Required Amount of Clearing Fund for Precious Metal Futures Clearing Qualification<sup>\*1</sup>

(<sup>\*1</sup> hereinafter referred to as "Required Amount of Clearing Fund for Precious Metal Futures") Required Amount of Clearing Fund for Precious Metal Futures shall be the amount calculated in accordance with the formula set forth below; provided, however, that if such amount is less than 10 million yen, Required Amount of Clearing Fund for Precious Metal Futures shall be 10 million yen — the terms used in the formula shall have the meanings set forth in A) through E) below.

Required Amount of Clearing Fund for Precious Metal Futures

$$= (\text{Greater of Period Average Base PML Amount}_{\text{PME}} \text{ and Daily Largest Base PML}_{\text{PME}}) \times (\text{Individual Company Prorated Base IM Amount}_{\text{PME}} / \text{Total Prorated Base IM Amounts}_{\text{PME}} \times 0.5 + \text{Each Participant Prorated Base PML Amount}_{\text{PME}} / \text{Total Prorated Base PML Amount}_{\text{PME}} \times 0.5)$$

- A) Period Average Base PML Amount<sub>t<sub>PME</sub></sub> means the average amount during the Calculation Period of Daily Largest Base PML Amount<sub>t<sub>PME</sub></sub>.

(Note 1) Daily Largest Base PML Amount<sub>t<sub>PME</sub></sub> refers to the largest of the Largest Base PML Amounts<sub>t<sub>PME</sub></sub> per Stress Scenario on each day.

(Note 1-1) Largest Base PML Amount<sub>t<sub>PME</sub></sub> per Stress Scenario refers to the total sum of Base PML Amounts<sub>t<sub>PME</sub></sub> of the Clearing Participant<sup>\*1</sup> whose Base PML Amount<sub>t<sub>PME</sub></sub> becomes the largest in each stress scenario and Base PML Amounts<sub>t<sub>PME</sub></sub> in such stress scenario of five (5) Clearing Participants with the lowest amounts of net worth<sup>\*2</sup>.
