Partial Amendment to Handling Procedures of Interest Rate Swap Business Rules in association with Change of Service Name related to Vendor-Initiated Compression

I. Purpose of Amendment

In light of a change of the name of the Vendor-Initiated Compression service offered by TriOptima AB and a scheduled change of its trade name, JSCC will make necessary amendments to the Handling Procedures of Interest Rate Swap Business Rules as per Annex attached hereto.

II. Outline of Amendment

1. Vendor-Initiated Compression Application Method

- The method of application for Vendor-Initiated Compression shall be prescribed by JSCC in a public notice.

2. Provisions Prescribed in Public Notice

- As per the amendments made under 1. above, JSCC prescribes, in the public notice dated November 13, 2026, a use of the service offered by TriOptima AB and the service offered by Quantile Technologies Limited as the method of application for Vendor-Initiated Compression.

(Remarks)

- Handling Procedures of Interest Rate Swap Business Rules, Article 30-3.1

III. Effective Date

The amendments shall come into force as of November 13, 2026.
