

September 24, 2015

## Tick sizes for TOPIX100 constituent stocks will be changed.

- Phase III will be implemented on September 24, 2015 with revisions to some tick sizes for TOPIX100 constituents.
- In particular, the tick size for ¥3,000 - ¥5,000 will be changed from ¥0.5 to ¥1 and for ¥30,000 - ¥50,000 from ¥5 to ¥10.
- Tick sizes for other issues will not be affected.
- If the last price for a stock on Sep. 18, 2015 does not match the price tick to be used in Phase III, such price will be rounded up to the nearest Phase III price tick and then be used as the base price for Sep. 24.

### Tick Sizes

- ◆ Increments of bids and offers for placing limit orders are determined based on order price levels. These increments are referred to as “tick sizes.”
